Notifications under "The Patents Ordinance, 1906"

NOTICE

THE following specifications have been accepted —
No 4,042 of September 22, 1953

Destrol Manufacturing Company Ltd.
"Improvements in Sanitary Closets".

Abstract—This invention relates to Sanitary closets

The invention consists in the provision of a flushing cistern for the pan, an electrically driven suction pump for replenishing the flushing cistern with filtered liquid drawn from the settling tank, a valve controlled discharge opening in the lower part of the settling tank, manually operable means for opening said discharge valve, and switch means for controlling the pump.

There are 12 claims and 4 sheets of drawings

No 4,043 of September 23, 1953

Otto Reinhard Ahner

"Improvements relating to multi-purpose household machines".

Abstract—This invention relates to household machines for the preparation of foodstuffs

The invention provides the combination of a press suitable alternately for the shaping of dough in the form of noodles or for mincing meat, with a device for shaping the expressed noodles into lozenges or little cakes and a device for shredding coconut

There are 9 claims and 1 sheet of drawing

S. L. DE SILVA,
Registrar of Patents.
