6 (1) In any town or village in which a police force shall be established, the valuation of lands, houses, and tenements which shall have been made, and shall hereafter from time to time be made for the purposes of police assessment tax under the Ordinances No. 16 of 1865 and No. 7 of 1866, shall be taken as the valuation for the purposes of assessment under this Ordinance.

(2) In any town or village in which a police force is not established, the valuation of houses, buildings, lands, and tenements in which such assessment rate shall be levied shall be made in manner provided in the Ordinances No. 16 of 1865 and No. 7 of 1866, for the purpose of creating a fund for the maintenance of a police force in any town.

7 The assessment rate imposed under this Ordinance shall be paid and recovered in the same manner and at such times as the police tax is directed to be paid and recovered under the Ordinances No. 16 of 1865, No. 7 of 1866, and No. 6 of 1873, and shall be subject in all respects to the provisions of the said last mentioned Ordinances relating to the payment and recovery of such police tax. The government agent shall collect and recover the assessment rate payable under this Ordinance, and shall pay such rate over to the board of health of the province.

8 For the purposes of this Ordinance the government agent of the province shall be ex-officio chairman and treasurer of the board of health of his province, and shall, when present, preside at any meeting thereof. In his absence any person appointed in writing by the government agent shall preside at the meeting as ex-officio chairman. If the ex-officio chairman is absent at any meeting, the members present shall appoint their own chairman to preside at such meeting.

9 All acts whatsoever authorised or required by virtue of this Ordinance to be done by any board of health of the province may and shall be decided upon and done by the majority of members present at any duly convened meeting thereof, such members being not less than three in number when such board consists of more than four members, and not less than two in number when such board consists of less than four members: Provided that when the votes of the members present in regard to any question shall be equally divided, the chairman shall, besides his vote as a member, have a casting vote.

10 It shall not be lawful for any person to erect any range or block of huts, or sheds, or buildings, whether to be used as dwellings, or stables, or for any other purposes, on any plot or parcel of ground not previously built upon, or on which no buildings are standing, or to add any hut, shed, or building to any range or block of huts, sheds, or buildings already existing when this Ordinance comes into operation, without previous notice to the board; and the board of health of the province may require such huts, sheds, or buildings to be built so that they may stand in regular lines with a free passage or way in front of each line of such width as the board may think proper for salutary ventilation and for facilitating scavenging, and at such a level as will admit of sufficient drainage, and may require such huts, sheds, or buildings to be provided with latrine or latrines, which must be maintained in proper order. And if any such huts, sheds, or buildings be built without giving such notice to the board or otherwise than as required by the board, the board may give notice to the builder or builders thereof to take down and remove the same within one month; and if such huts or buildings be not taken down or removed according to such notice, the board may cause the same to be taken down and removed, and the expenses incurred in doing so shall be paid by the said builder or builders, and shall be recoverable from him or them.

Power of the board as to existing huts.

11 Whenever the board of health of the province is satisfied that any huts, sheds, or buildings, whether used as dwellings, or stables, or for any other purposes, and whether existing at the time when this Ordinance comes into operation or subsequently erected, are by reason of the manner in which they are crowded together, or of the want of drainage and the impracticability of scavenging attended with risk of disease to the inhabitants or the neighbourhood, it shall cause a notice to be affixed to some conspicuous part of such huts, sheds, or buildings requiring the owners or occupiers thereof, or at its option, the owner of the land on which such huts, sheds, or buildings are constructed, within such reasonable time as may be fixed by the board for that purpose, to execute such operations as the board may deem necessary for the avoidance of such risk. And in case such owners or occupiers shall refuse or neglect to execute such operations within the time appointed, any person appointed by the board in that behalf may cause the said huts, sheds, or buildings to be taken down, or such operations to be performed in respect thereof as the board may deem necessary to prevent such risk. If such huts, sheds, or buildings be pulled down, the said person shall cause the materials of each hut, shed, or building to be sold separately, if such sale can be effected, and the proceeds shall be paid to the owner of the hut, shed, or building, or if the owner be unknown, or the title disputed, shall be held in deposit by the board until the person interested therein shall obtain the order of a competent court for the payment of the same.

Provided.

Provided always that in case any huts, sheds, or buildings existing at the time when this Ordinance comes into operation should be pulled down under this section by order of the board, or in pursuance of its notice, compensation shall further be made to the owner thereof.

Houses in a ruinous and dangerous state.

12 If in any street any house, building, or wall, or any thing affixed thereon, be deemed by the board of health of the province to be in a ruinous state, or likely to fall, or in any way dangerous to the inhabitants of such house or building or to the neighbouring houses or buildings, or to the occupiers thereof, or to passengers, it shall immediately, if it appears to be necessary, cause a proper board or fence to be put up for the protection of passengers, and shall cause notice in writing to be given to the owner or occupier forthwith to take down, secure, or repair such house, building, wall, or thing affixed thereon, as the case shall require; and if such owner or occupier do not begin to repair, take down, or secure the same within three days after such notice and complete such work with due diligence, the board shall cause all or so much of such house, building, wall, or thing as it shall think necessary to be taken down, repaired, or otherwise secured; and all the expenses incurred by the board shall be paid by the owner or occupier of the premises, and shall be recoverable from such owner or occupier.

Sale of materials of ruinous houses.

13 If any such house, building, or wall, or any part of the same be pulled down by virtue of the powers aforesaid, the board of health of the province may sell the materials thereof, or so much of the same as shall be taken down, and apply the proceeds of such sale in payment of the expenses incurred, and shall, on demand, restore any overplus arising from such sale to the owner of such house, building, or wall.

Provided.

Provided always that in case no demand for such overplus as aforesaid shall within twelve months be made by any person entitled to call for the same, the board shall be at liberty to pay the amount of such overplus to the credit of the fund created by section 3 of the Ordinance, and shall be freed from any liability to pay or answer for or in respect of such unclaimed overplus. The board, although it sells such materials for the purposes aforesaid, shall have a right to recover so much of the said expenses as may remain due after the application of the proceeds of such sale.

Overcrowding  
of houses.

14 Whenever it shall appear to the board of health of the Province that any house is so overcrowded as to be dangerous or prejudicial to the health of the inhabitants thereof or of the neighbourhood, and the inhabitants shall consist of more than one family, the board shall cause proceedings to be taken before the police court to abate such overcrowding, and the said court shall thereupon make such order as it may think fit, and each of the persons permitting such overcrowding shall be liable to a penalty not exceeding ten rupees for each day after the date of such order during which such overcrowding shall continue.

Power of board  
to inspect and  
limewash  
houses.

15 It shall be lawful for the board of health of the province at any time between sunrise and sunset by any person appointed by the same (on giving six hours' notice) to enter into and inspect all houses and buildings, and by an order in writing to direct all or any part thereof to be forthwith internally and externally limewashed or otherwise cleaned for sanitary reasons; and if the owner or occupier of such house or building neglect to comply with such direction within two days from the time when the order shall have been served upon him, the board may cause the same to be done, and the expenses incurred shall be paid by the owner or occupier, and shall be recoverable from the owner or occupier.

Penalty for  
making  
unauthorised  
drains into  
public sewers.

16 Whoever, without the written consent of the board of health of the province thus obtained, makes or causes to be made any drain into any of the public sewers or drains, shall be liable to a penalty not exceeding fifty rupees, and the board may cause such drain to be demolished, altered, remade, or otherwise dealt with as it may think fit; and all the expense incurred thereby shall be paid by the person making such drain, and shall be recoverable from such person.

Building over  
sewers, &c., not  
to be erected  
without consent  
of board.

17 No building shall be newly erected over any public sewer, drain, culvert, gutter, or water-course without the written consent of the board of health of the province; and if any building be so erected, the board may cause the same to be pulled down or otherwise dealt with as it may think fit; and the expenses thereby incurred shall be paid by the person offending, and be recoverable from such person.

Board may order  
or cause  
additional  
latrines to be  
constructed.

18 In case the board of health of the province shall be of opinion that any latrine or latrines or additional latrine or latrines shall be necessary to be attached to or provided for any house, or building, or land, the owner of such house, or building, or land shall, within fourteen days after notice in this behalf by the board, cause such latrine or latrines to be constructed in accordance with the requisition of such notice; and in case the requisitions of such notice shall not have been complied with to the satisfaction of the board by such owner within the period aforesaid, the board shall be at liberty to cause such latrine or latrines to be constructed; and the expense incurred in such construction shall be payable by such owner, and shall be recoverable from such owner.

Board may cause  
persons  
employing large  
numbers of men  
to provide and  
maintain latrine  
or latrines, &c.

19 It shall be lawful for the board of health of the province to compel any person employing large bodies of workmen or labourers to provide and maintain such latrine or latrines as may to it seem fit, and to cause the same to be kept in proper order and to be daily cleaned. And should such person neglect to provide and maintain such latrine or latrines, or to keep the same clean and in proper order, the board may construct and cause such latrine or latrines to be kept in good order and cleaned; and the expense incurred by the board in respect thereof shall be paid by the person aforesaid, and shall be recoverable from such person.

Neglect to  
enclose private  
latrine.

20 The owner or occupier of any house, or building, or land having a latrine on his premises, shall have such latrine shut out by a sufficient roof and wall or fence from the view of persons passing by or residing in the neighbourhood, and

it shall not be lawful for any owner or occupier to keep any latrine open with a door or trap-door opening on to any street. Every owner or occupier who shall omit to comply with, or shall commit any breach of, any of the provisions of this section, shall be liable to a fine of five rupees a day for each day of default or breach: Provided that the board may in its discretion permit the continuance for such time as it may think fit of any such latrine open with a door or trap-door opening on to any street, where such latrine already exists and does not create a nuisance.

If owners neglect to keep drains, &c., in good order, board may cause the same to be done and charge the owner with the expenses.

21 All drains, latrines, and cesspools within the town or village shall be under the survey and the control of the board of health of the province, and shall be altered, repaired, and kept in proper order at the cost and charges of the owners of the land and buildings to which the same belong, or for the use of which they are constructed or continued; and if the owner of any land or buildings to which any such drain, latrine, or cesspool belongs neglect, during eight days after notice in writing for that purpose, to alter, repair, and put the same in good order in the manner required by the board, the board may cause such drain, or latrine, or cesspool to be altered, repaired, and put in good order in the manner required; and the expense incurred by the board in respect thereof shall be paid by the owner, and shall be recoverable from him.

Penalty for making or altering drains, &c., contrary to the orders of the board.

22 If any such drain, or latrine, or cesspool be constructed after this Ordinance comes into operation, contrary to the direction and regulations of the board of health of the province, or contrary to the provisions of this Ordinance, or if any person, without the consent of the board, construct any new drain, or latrine, or cesspool, or construct, rebuild, or unstop any drain, or latrine, or cesspool, which has been ordered by the board to be demolished or stopped up, or not to be made, every person so doing shall be liable to a fine not exceeding fifty rupees; and the board may cause such amendment or alteration to be made in any such drain, or latrine, or cesspool as it may think fit, and the expenses thereof shall be paid by the person by whom such drain, or latrine, or cesspool was improperly constructed, rebuilt, or unstopped, and shall be recoverable from him.

Inspection of drains and latrines.

23 The board of health of the province or any person appointed by it for that purpose may, subject to the restrictions of this Ordinance, inspect any such drain, or latrine, or cesspool, and for that purpose at any time may enter upon any lands and buildings with such assistants and workmen as are necessary, and cause the ground to be opened, where such board or person may think fit, doing as little damage as may be; and if upon such inspection it appears that the drain, or latrine, or cesspool is not in good order and condition, or that it has been constructed after this Ordinance comes into operation contrary to the provisions thereof, the expenses of such inspection shall be paid by the person to whom such drain, or latrine, or cesspool may belong, and shall be recoverable from such person; if such drain or latrine, or cesspool be found to be in proper order and condition, and not to have been constructed in violation of the provisions of this Ordinance, the board or person as aforesaid shall cause the ground to be closed and made good, as soon as may be, and the expenses of the opening, closing, and making good such drain, or latrine, or cesspool shall in that case be defrayed by the board.

Power to fill up unwholesome tanks on private premises.

24 When any private tank or low marshy ground or any waste or stagnant water, being within any private land, appears to the board of health of the province to be injurious to health or to be offensive to the neighbourhood, the board shall, by notice in writing, require the owner of the said premises to cleanse or fill up such tank or marshy ground, or to drain off or remove such stagnant water; and if the said owner shall refuse or neglect to comply with such requisition during seven days from the service thereof, the board or any

person appointed by it and its workmen may enter into the said premises and do all necessary acts for all or any of the purposes aforesaid, and the expense incurred thereby shall be paid by the owner of such premises, and shall be recoverable from him.

Place of deposit for filth.

25 The board of health of the province from time to time shall provide places convenient for the deposit of the night soil, dung, and other filth, and for dust, dirt, ashes, and rubbish.

Proviso.

Provided that no such dust, dirt, ashes, rubbish, night soil, dung, and other filth shall be deposited in the neighbourhood of populous localities, nor within the limits of the town or village.

All rubbish, &c., collected to be the property of board.

26 All dirt, dust, ashes, rubbish, sewage, soil, dung, and filth collected from streets, houses, latrines, sewers, and cesspools shall be the property of the board of health of the province, and the board shall have power to sell or dispose of the same as it may think proper; and the money arising from the sale thereof shall be paid to the credit of the fund created by section 3 of this Ordinance.

The deposit must be made at the Treasury or Kacheheri, and the deposit receipt must be produced to the officer issuing the form of tender as his authority for making the issue.

No tender will be considered unless it is on such printed forms—to be obtained at the office of the Colonial Storekeeper—and unless accompanied by a letter signed by

two responsible persons, whose addresses must be given, engaging to become sureties for the due fulfilment of the contract.

The amount of security to be given, and all other necessary information, can be ascertained on application at the Colonial Storekeeper's office, where catalogue of articles required and dimensions thereof can be inspected.

The person whose tender has been accepted by Government will be required to bear the expense of having security bonds prepared for the due performance of his contract, which bond will be subject to the approval of the Attorney-General, but may be drawn by the tenderer's own lawyers, in which case the name or stamp of the

Proctor who drafted the bond should be affixed to the document.

The security bond should be furnished before September 1, 1892. All alterations or erasures should bear the initials of the tenderers, otherwise the tenders will be treated as informal and rejected.

The Government reserves to itself the right, without question, of rejecting any or all tenders, and the right of accepting any portion of a tender.

H. L. CRAWFORD,  
for Colonial Secretary.

28. *Transfer of Shares.*—Subject to the restrictions of these Articles, any Member may transfer all or any of his shares. The instrument of transfer of any share shall be in writing signed both by the transferor and the transferee, and the transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the register in respect thereof.

29. *Method of Transfer.*—Every transfer of a share shall be conducted in the following manner:—

(a) The transferring member shall first, in writing, offer the share (hereinafter called the "offered share") to the Directors for purchase by the nominee or nominees of the Directors, either at a price specified in the said offer or, in the option of the Directors, at the price hereinafter defined as the standard price.

(b) If the Directors shall, within three weeks from the date of such offer in writing, accept the offered share on behalf of any nominee or nominees of the Directors, who may agree to accept the same at the price specified in the offer or at the standard price, the transferring Shareholder shall sell and transfer the offered share to such nominee or nominees, as the case may be, and the Directors shall have absolute discretion in selecting such nominee or nominees.

(c) If the Directors shall not accept the offer within three weeks, or shall refuse the offer within that period, the transferring Shareholder shall, if debentures have been issued by the Company charged on the Company's property or any part thereof, offer the offered share in writing to the trustees of the debenture holders or such of the trustees as shall be then resident in the Island of Ceylon in like manner as the same was offered to the Directors.

(d) If the trustees of the debenture holders or such of the trustees as shall be then resident in the Island of Ceylon shall, within three weeks from the date of such offer in writing, accept the offered share on behalf of any nominee or nominees of the trustees or such of the trustees as shall be then resident in the Island of Ceylon who may agree to accept the same at the price specified in the offer, or at the standard price, the transferring Shareholder shall sell and transfer the offered share to such nominee or nominees, as the case may be, and the trustees or such of the trustees as shall be then resident in the Island of Ceylon shall have absolute discretion in selecting such nominee or nominees.

(e) If the trustees or such of the trustees as shall be then resident in the Island of Ceylon or (if no debentures shall have been issued by the Company charged on the Company's property or any part thereof, or none of the trustees for the debenture holders are then resident in Ceylon) the Directors alone shall not accept the offer within three weeks, or shall refuse the offer within that period, the transferring Shareholder may transfer the share to any purchaser approved of by the Board.

30. *Standard Price of Shares.*—The standard price shall be held to be the sum fixed as such by the Company at the annual General Meeting in each year, and shall regulate the dealings of parties during the immediately succeeding year; and failing such price being so fixed, then the same shall be a price ascertained and fixed by the Auditor or Auditors of the Company for the time being, as the intrinsic value of the share on the last preceding balance sheet without taking into account anything for the value of goodwill, or prospective or unexecuted contracts, or other circumstances which might increase the market value, but taking into account actual loss or abnormal cause of depression which may have occurred since the last balance sheet; and the Auditor or Auditors for the time being shall, in regard to that matter, be, and he or they are hereby appointed, sole arbiter or arbiters between the parties interested, and his or their decision and certificate shall be final and binding upon all concerned.

31. *Form of Transfer.*—Shares when transferable may be transferred by any usual common form of instrument of transfer.

32. *Board may decline to register Transfers.*—The Board may decline to register any transfer of shares by a Shareholder who is indebted to the Company, or of any share on which the Company has a lien, or any transfer of shares made by any person in any case where they shall consider the proposed transferee to be an irresponsible person, or that the transfer will not be conducive to the interests of the Company, or in case of shares not fully paid up to any person not approved by them.

33. *Not bound to state Reason.*—In no case shall a Shareholder or proposed transferee be entitled to require the Directors to state the reason of their refusal to register, but their declinature shall be absolute.

34. *Registration of Transfer.*—Every instrument of transfer must be left at the office of the Company to be registered, accompanied by such evidence as the Directors may reasonably require to prove the title of the transferor or his right to transfer his shares, and a fee of rupees two and cents fifty (Rs. 2.50), or such other sum as the Directors shall from time to time determine, must be paid, and thereupon the Directors, subject to the powers vested in them by Articles 29 and 32, shall register the transferee as a Shareholder and retain the instrument of transfer, but any instrument of transfer which the Directors may decline to register shall on demand be returned to the person depositing the same.

35. *Title to Shares of Deceased Holder.*—The executors or administrators of a deceased member shall be the only persons recognised by the Company as having any title to the registered shares or stock of such member, and such right or title shall be limited to the right to receive dividends and to transfer according to these Articles and the regulations of the Company.

36. *Rights of Persons entitled to a Share otherwise than by Transfer.*—Save as aforesaid, no person interested in a share in consequence of the death, bankruptcy, or insolvency of any Shareholder, or by any lawful means other than by transfer in accordance with these regulations, shall have any right in respect of the said share other than the right to offer the same to the Directors for purchase in manner aforesaid, or to transfer the same in accordance with these Articles and regulations.

37. *Exercise of Rights.*—No person shall exercise any rights of a member until his name shall have been entered in the register of members, and he shall have paid all calls and other moneys for the time being payable on every share in the Company held by him.

#### SURRENDER OF SHARES.

38. The Directors may accept, in the name and for the benefit of the Company, upon such terms and conditions as may be arranged, the surrender of any shares in the capital of the Company, and any share so surrendered shall be dealt with in the same manner as is provided in these Articles with regard to forfeited shares.

#### FORFEITURE OF SHARES.

39. *If Call or Instalment be not paid, notice to be given to Member.*—If any Member fail to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may, at any time thereafter during such time as the call or instalment remains unpaid, serve a notice on such member, requiring him to pay the same, together with any interest that may have accrued and all expenses that may have been incurred by the Company by reason of such non-payment.

40. *Terms of Notice.*—The notice shall name a day (not being less than twenty-eight days from the date of the notice) and a place or places on and at which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

41. *In default of payment Shares to be forfeited.*—If the requisitions of any such notice as aforesaid are not complied with, any shares in respect of which such notice has been given may, at any time thereafter, before payment of all calls or instalments, interest, and expenses due in respect thereof, be forfeited by a resolution of the Directors to that effect.

42. *Forfeited Shares to be Property of Company, and may be sold, &c.*—Any shares so forfeited shall be deemed to be the property of the Company, and the Directors may sell, re-allot, or otherwise dispose of the same in such manner as they think fit.

43. *Shareholder still liable to pay Money owing at time of Forfeiture.*—Any member whose shares have been forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment, at the rate of seven per cent per annum; and the Directors may enforce the payment of such moneys or any part thereof if they think fit.

44. *Forfeiture may be annulled.*—The Directors may at any time before any share so forfeited shall have been sold, re-allotted, or otherwise disposed of, annul the forfeiture thereof upon such conditions as they think fit.

#### LIEN ON SHARES.

45. *Company's Lien on Shares.*—The Company shall have a first and paramount lien upon all the shares not fully paid up registered in the name of any member (whether solely or jointly with others) for his debts, liabilities, and engagements, solely or jointly with any other person to or with the Company, whether the period for the payment or discharge thereof shall have actually arrived or not, and such lien shall extend to all dividends declared on such shares.

46. *Lien how made available.*—For the purposes of enforcing such lien the Directors may sell the shares subject thereto in such manner as they think fit, but no sale shall be made until such period as aforesaid shall have arrived and until notice in writing of the intention to sell shall have been served on such member, his executors, or administrators, and default shall have been made by him or them in the payment, fulfilment, or discharge of such debts, liabilities, or engagements for seven days after such notice.

47. *Proceeds how applied.*—The net proceeds of any such sale shall be applied in or towards satisfaction of the debts, liabilities, or engagements of such member, and the residue (if any) paid to such member, or his executors, administrators, or assigns.

48. *Transfer on Sale how executed.*—Upon any sale in purported exercise of the powers given by these Articles, the Directors may cause the purchaser's name to be entered in the register in respect of the shares sold, and the purchaser shall not be bound to see to the regularity of the proceedings or the application of the purchase money; and after his name has been entered in the register in respect of such shares, the sale shall not, as against him, be impeached by the former holder of the shares or any other person, and the remedy of any member or person aggrieved by such sale shall be in damages only, and against the Company exclusively.

#### BORROWING POWERS.

49. *Power to borrow.*—The Directors may from time to time, at their discretion, borrow or raise from the Directors or other persons any sum or sums of money for the purposes of the Company, provided that the moneys so borrowed or raised, and owing at any one time shall not, without the sanction of a General Meeting, exceed rupees One hundred thousand; only with the sanction of a General Meeting the Board shall be entitled to borrow such

further sum or sums, and at such rates of interest as such meeting shall determine. A certificate under the hands of one Director and the Secretary, or two Directors, to the effect that in taking any loan the Directors are not exceeding their borrowing powers, shall be sufficient and binding on the Company and all concerned.

50. *Security for repayment.*—For the purpose of securing the repayment of any such moneys so borrowed or raised, or for any other purpose, the Directors may create and issue any mortgages, debentures, debenture stock, bonds, or obligations of the Company charged upon all or any part of the undertaking, revenue, property, and rights of the Company (both present and future), including uncalled capital, or unpaid calls, or by giving, accepting, or endorsing on behalf of the Company any promissory notes or bills of exchange. Any such securities may be issued either at par or at a premium or discount, and may from time to time be varied or exchanged as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise.

*Two Buoys on Britto Bank.*

Two whistling buoys (Courtenay's system) are placed at the N.E. and N.W. edge of Britto bank.

Their line of bearing is N. 71 W., and the distance separating them is one mile.

The meridian of the two buoys comprise the entire bank, which differs from the ones on the chart; the bank runs N.N.W. or S.S.E.

The N.E. buoy is white with three horizontal black stripes, and is moored in 12 metres of water.

The N.W. buoy is white with three vertical black stripes, and is moored in 13 metres of water.

These soundings are brought to zero on chart. From the N.E. buoy the bearing of Kega Point is N. 36 E., and the South Pinnacle bears N. 18° W. From the N.W. buoy the bearing of Kega Point is N. 40 E., and the Pinnacle South bears N. 16° W.

Each buoy has painted on it "Britto."

Ships wishing to pass to the north of Britto bank must leave both buoys south, and not go nearer to their line of bearing than 200 metres, so as to avoid the spit that crosses the line of bearing a third of the distance from the N.W. buoy towards the N.E., by doing that they will not find less than 14 metres of water.

With a little breeze and moderate swell one can hear the sound of a whistle at a distance of 1,500 to 2,000 metres; with a good breeze one must not calculate on hearing it further off than 400 or 500 metres.

*Buoy on Hollandais Bank.*

A whistling buoy, entirely white, bearing name "Hollandais," has been moored in 13 metres of water 2 miles west of the centre of the Hollandais bank. The position of this buoy, taken from chart No. 2,471, is as follows:—Lat. 10° 39' 25" N., long. 106° 21' 31" E.

The bearing of summit of Pulo Cecir-de-mer is S. 71 E., and that of Mount Guio N. 35 W.

*Shanghai District—Bonham Strait—Wreck of ss. Peking—Position of and Marks for Clearing.*

Notice is hereby given that observations taken on the 2nd and 3rd instant, at the wreck and from the shore, fix its position as—

Lying in a straight line drawn from the summit of Napier Island [368 feet hill] to the south-western extreme of Gutzlaff Island, and with Bonham Island Lighthouse bearing S. 33° 25' E., true, distant 6  $\frac{1}{8}$  miles.

The Button islet open its own length to the eastward of Pirie Island leads clear to the westward of the wreck; and the eastern extreme of The Button in line with eastern extreme of Pirie Island leads clear to the eastward of the wreck.
