J. R. LONGDEN.

**WHEREAS** by the 4th section of the Ordinance No. 10 of 1854, entitled "An Ordinance to make provision respecting Burial Grounds and the Burial of the Dead," it is enacted that in case it should appear to the Governor and Executive Council, upon the representation of the Board of Health of the Province, or after inquiry by such ways and means as the said Governor and Council might think fit to direct, that any burial ground situate in any place mentioned in the schedule to the said Ordinance, or to which the said Ordinance might be applied as thereinafter mentioned, is in such a state or locality as to be dangerous to the health of persons living in the neighbourhood thereof, or that by reason of the surcharged state of the vaults or graves within any place of public worship in any such place as aforesaid, or other cause, it is dangerous to the health of persons frequenting such place of public worship to permit the continuance of burials in any vaults or graves within the same, and that sufficient means of interment exist within a convenient distance from such burial ground or place of public worship, it should be lawful for the Governor, with the advice of the said Executive Council, to order that, after a time to be mentioned in such Order, burials in any such burial ground or place of public worship should be discontinued, and that every such Order should be published in the *Government Gazette*:

An Ordinance to remove doubts as to the purposes towards which the Rates on Real Property may be applied by the Municipal Council of Colombo.

Preamble.

WHEREAS doubts have been entertained as to whether the Municipal Council of Colombo may lawfully apply towards the general purposes of the Colombo Municipality any part of the rate or rates made, assessed, and levied by them under the provisions of section 127 of "The Municipal Councils Ordinance, 1887," and it is expedient to remove such doubts: Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :—

Rates on real property may be applied by the Municipal Council of Colombo towards the general purposes of the Municipality.

1 When in the aggregate any rate or rates heretofore levied or which may hereafter be levied under the provisions of section 127 of "The Municipal Councils Ordinance, 1887," shall have exceeded or shall exceed in any year or years the sum necessary for the purpose or purposes in the said section specified, for which such rate or rates shall have been or may hereafter be made and assessed, it shall be lawful for the Municipal Council of Colombo to apply such excess towards the general purposes of the Colombo Municipality.

By His Excellency's command,

Colonial Secretary's Office,  
Colombo, August 22, 1892.

J. A. SWETTENHAM,  
Acting Colonial Secretary.

MINUTE.

The following Draft of a proposed Ordinance is published for general information :—

The General Local Inscribed Rupee Stock Ordinance, 1892.

Preamble.

WHEREAS it is expedient to provide for the creation of inscribed rupee stock to be issued in this Colony: Be it enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows :—

Governor may raise by means of inscribed rupee stock money which he is authorised to raise by loan.

1 It shall be lawful for the Governor, whenever he desires to raise any sum or sums of money, being the whole or any portion of any sum which he may have been, or shall hereafter be authorised to raise, by way of loan, by any Ordinance which may have been or at any time may be passed, to raise the same or any part thereof by the creation and issue of inscribed rupee stock, under the provisions of this Ordinance.

Stock to be styled Ceylon Inscribed Rupee Stock, and issued by the Treasurer.

2 Such stock shall be styled "Ceylon Inscribed Rupee Stock," and shall from time to time be issued by the Treasurer of Ceylon, who is hereinafter defined as the registrar, upon the best and most favourable terms that can be obtained, and in such amounts and on such conditions, subject to the provisions of this Ordinance, as the Governor may before the issue thereof from time to time direct, provided that the interest on such stock shall not exceed 4 per cent. per annum.

Inscribed rupee stock to be a charge upon general revenue.

3 The principal moneys and interest secured by the inscribed rupee stock created under the provisions of this Ordinance are hereby charged upon and shall be payable out of the general revenues and assets of the Government of Ceylon.

When the principal is to be repaid.

4 All the inscribed rupee stock which may be created under the provisions of this Ordinance shall be redeemable at par on a date to be named in that behalf by the Treasurer when issuing the stock, such date not being later than fifty years from the date of issue. From and after which date all interest on the principal moneys secured thereby shall cease and determine, whether payment of the principal shall have been demanded or not.

Principal and interest where payable.

5 The principal moneys secured by the inscribed rupee stock created under this Ordinance, and the interest thereon, shall be payable at the Treasury at Colombo. Provided that it shall be lawful for the registrar to make such arrangements as the Governor may approve for making the interest payable by post dividend warrant at any kachchéri in the Colony.

Appropriation out of general revenue of sums to meet interest and principal.

6 So long as interest shall continue to be payable on any such inscribed rupee stock, the Governor shall, in each half year ending with the day on which the interest thereon falls due, appropriate out of the general revenue and assets of the Island a sum equal to one-half year's interest thereon, and shall authorise the Treasurer to pay thereout the then current half year's interest on the day when it falls due. After the date specified in the Ordinance authorising an issue of inscribed rupee stock as that on which the contribution to the sinking fund shall commence, the Governor shall further appropriate out of the said revenue and assets in each half year ending as aforesaid an additional sum for the formation of a sinking fund equal to ten shillings per centum on the total nominal amount of such inscribed rupee stock, and that sum shall be vested in the hands of the Auditor-General and of the Treasurer, who are hereby appointed trustees of the sinking fund.

Investment of sinking fund.

7 The contributions to the sinking fund shall be applied as follows :—

- (a) If the price of the inscribed rupee stock be below par at the time when the contributions are received, the trustees shall, if practicable, purchase therewith the inscribed rupee stock in the market, and shall cancel in the register the stock so purchased.
- (b) The trustees shall invest so much of the contributions as shall not be applied in the purchase of inscribed rupee stock, and the dividends, interest, or produce of such investments in the purchase of such debentures, stock, or other security, as may from time to time be approved by the Governor, and shall hold such fund in trust for repayment of the principal moneys for the time being secured by the inscribed rupee stock.

Any deficiency in sinking fund to be made good out of general revenue.

8 In case the sinking fund shall be insufficient to provide the necessary funds for the redemption of the inscribed rupee stock when it shall have become due, the deficiency shall be made good out of the general revenue and assets of the Government of Ceylon.

Expenses to be paid out of sinking fund.

9 All expenses of or incidental to the management of the sinking fund or to the repayment of the principal moneys borrowed, shall be paid out of the sinking fund.

Transfer of stock.

10 The stock to which this Ordinance applies shall be transferred as follows :—

- (a) The transfer shall be made by an agreement in writing, which shall be signed by the transferor and transferee, and each execution shall be attested by a credible witness, but no transfer under such agreement shall be registered without the production of the stock certificate referred to in section 20 of this Ordinance.
- (b) The executors or administrators of a deceased stockholder shall alone be recognised by the registrar as having any title to the stock or any dividend thereon.

- (c) The person becoming entitled to any stock or dividend thereon in consequence of the death, bankruptcy, or marriage of the stockholder, or of any devolution in law from the stockholder, or otherwise than by transfer of the stock, shall produce such evidence of his title as may be reasonably required by the registrar.

Closing of register for dividend.

11 The registrar may, for such period not exceeding fourteen days as he may from time to time fix previous to each payment of dividend on stock to which this Ordinance applies, close the register of the stock as regards transfers, upon giving not less than seven days' notice of such closing by advertisement in the *Ceylon Government Gazette* and in one newspaper published in the Colony.

The persons who on the day of such closing are inscribed as stockholders shall, as between them and their transferees of stock, be entitled to the dividend then next payable thereon.

Dividends in case of infancy, &c., of a joint stockholder.

12 Where stock to which this Ordinance applies is standing in the name of an infant or person of unsound mind jointly with any person not under legal disability, a power of attorney for the receipt of the dividends on the stock shall be sufficient authority in that behalf, if given under the hand and seal of the person not under disability, and attested.

The registrar, before acting on the power of attorney, may require proof to his satisfaction of the alleged infancy or unsoundness of mind, by the affidavit of competent persons made before a justice of the peace, or in such other manner as he may reasonably require.

#### *Stock Certificates to Bearer.*

Stock certificates to bearer.

13 The registrar, if so authorised by the Governor, shall on application and payment of the fees, if any, chargeable in respect of the certificate, grant to a stockholder a certificate (in this Ordinance called a stock certificate to bearer) which shall entitle the bearer to the stock therein described, and shall be transferable by delivery.

There shall be attached to such certificate coupons entitling the bearer or person named in the coupons to the dividends on the stock for a limited period, such interest to be payable only on the production of the certificate with its unpaid coupons complete at the Treasury at Colombo.

Any stock in respect of which a stock certificate to bearer has been so issued shall, so long as such certificate is outstanding, cease to be dealt with through the medium of the register.

Renewal of coupons or certificate.

14 On the expiration of the period for which the coupons attached to a stock certificate to bearer have been issued under this Ordinance, the certificate may be exchanged for another certificate with coupons for a further period.

Conversion into nominal stock of stock in certificate to bearer.

15 On delivery to the registrar of a stock certificate to bearer issued under this Ordinance, and of all unpaid coupons belonging thereto, the registrar shall enter the bearer in the register as proprietor of the stock described in the certificate, and thereupon that stock shall become transferable and the dividends thereon payable as if no stock certificate to bearer had been issued in respect of that stock.

Trustee not to apply for stock certificate to bearer.

16 A trustee shall not apply for or hold a stock certificate to bearer issued under this Ordinance unless expressly authorised to do so by the terms of his trust. But this provision shall not impose on the registrar an obligation to inquire whether a person applying for a stock certificate to bearer is or is not a trustee, or subject the registrar to any liability in the event of his issuing a stock certificate to bearer to a trustee, or invalidate any stock certificate to bearer issued.

Loss of stock certificate to bearer.

17 If any stock certificate to bearer issued under this Ordinance is lost, mislaid, or destroyed, the registrar shall, on such indemnity being given as he may reasonably require, and on payment of the expense of the issue, issue a fresh stock certificate to bearer in the place of the certificate so lost, mislaid, or destroyed.

Stock in certificate to bearer to have incidents of other stock, except as to transfer, &c.

18 Stock described in a stock certificate to bearer issued under this Ordinance shall, save as relates to the mode of transfer and payment of dividends, be subject to the same incidents in all respects as if it had continued to be transferable in the register.

*Register.*

Registry of stock.

19 The Treasurer of Ceylon shall be the registrar under this Ordinance, and shall keep a register at his office, in which all the rupee stock shall be inscribed at the time of issue in the names of the stockholders, and he may as such registrar, before the inscription of any stock, with the consent and approval of the Governor in Executive Council, make with respect to the transfer and management of such stock, regulations not inconsistent with the provisions of this Ordinance. It shall be lawful in and by such regulations to prescribe fees to be paid on such transfer or otherwise.

A printed copy of the documents containing the authority for and conditions of the issue of stock to which this Ordinance applies, and of all regulations with respect to the transfer of such stock or otherwise, in relation to such stock, shall be entered in the register of the stock.

Certificates to stockholders.

20 On the creation and issue to any person of any inscribed rupee stock under the provisions of this Ordinance, such person shall be entitled to a certificate, under the hand of the registrar, of his title to such stock.

Register to be evidence.

21 The register kept in pursuance of this Ordinance shall on its mere production from the custody of the registrar be evidence of all matters entered therein, and, as regards persons entered therein as proprietors of stock to which this Ordinance applies, of the title of those persons to the stock.

Notice of trust not receivable.

22 No notice of any trust in respect of any stock to which this Ordinance applies shall be entered in the register or receivable by the registrar or by the Government of this Colony.

Stock not liable to seizure or sale in execution.

23 Stock to which this Ordinance applies shall not be liable to sequestration, seizure, or sale in execution under chapter XXII. of the Civil Procedure Code, 1889.

Information to be given respecting register.

24 The registrar shall keep in a separate book a list of the stockholders on whose stock the dividends have been unclaimed for ten years, together with their registered addresses and description, and such list shall be open for inspection at the usual hours of transfer upon payment of such fee, not exceeding rupees \_\_\_\_\_, as may be fixed by the regulations.

The registrar shall give within a reasonable time after application a certificate stating the following particulars in relation to any stock of which he is registrar, or any part of such stock, or such of those particulars as may be required by the applicant, namely—

- (a) The total amount issued and the total inscribed in the register; and
- (b) The total number of the persons in whose names the stock or part is originally inscribed, or after the register of such stock or part has been once closed as regards transfers, the total number of the stockholders at the last preceding date at which the transfer books were closed; and

- (c) The total number of each class of persons in whose names the stock or part is originally inscribed, or after the register of the stock or part has been once closed as regards transfers of each class of stockholders at the last preceding date at which the transfer books were closed, the classification being according to the amount held, omitting fractions of two thousand rupees ; and
- (d) A copy or extract certified by the registrar or by some officer appointed for the purpose to be a true copy or extract of any conditions or regulations required by this Ordinance to be entered in the register.

Provided that the registrar shall not be required to give any such certificate in relation to any stock issued under the provisions of this Ordinance, or part of such stock, until after the expiration of one month after the stock or part of the stock to which the certificate relates has been inscribed.

Within a reasonable time after the application of any person who is a stockholder of any stock to which this Ordinance applies, the registrar shall give him a list of the registered names and addresses of the stockholders of such stock at the last preceding date at which the register was closed as regards transfers.

The registrar, before giving a certificate or list under this section, may require payment of such a fee not exceeding rupees            and a further sum of cents            for every folio of one hundred and twenty words, or in the case of a list of names and addresses of cents            for each name and address, as the registrar may from time to time fix.

Any certificate or list given under this section shall be admissible in evidence.

*Miscellaneous.*

- (3) For effecting the conversion of loans into inscribed rupee stock.

## MUNICIPAL COUNCIL NOTICES.

### MUNICIPALITY OF GALLE.

#### Minutes of Proceedings of a Meeting of the Municipal Council of Galle held at the Municipal Office on June 25, 1892, at 2.30 p.m.

*Present*:—The Chairman; Dr. W. Dias; H. J. Deslandes, Esq.; T. S. Clark, Esq.; W. Abeyesundara, Esq.; N. Dias Abeyesinha, Esq.; and W. E. de Vos, Esq.

1. Read and confirmed Minutes of last Meeting.

2. Submitted letter No. 14 of May 24, 1892, from the Clerk to the Executive Council, requesting the Council's opinion on the amendments proposed by the Municipal Council of Colombo on the Municipal Councils Ordinance.

Resolved,—That the Council agrees to the following alterations proposed in the Report of the Special Committee of the Colombo Council on revision of the Municipal Councils Ordinance:—Nos. 2, 3, 9, 10, 13, 14, 15, 16, 17, 18, and 19.

Resolved,—That in view of the depreciation of the value of house property in Galle, an alteration be made in section 11 of the Ordinance to the following effect: in sub-section (e) "ten" to be substituted for "fifteen," and in sub-section (f) "one hundred and twenty" for "one hundred and eighty."

Resolved,—That a Special Committee to revise the Ordinance be appointed, composed of the Chairman, Dr. Dias, and Messrs. Clark, De Vos, Anthonisz, and Dias Abeyesinha; two to form a quorum.

3. Submitted a letter No. 17 of June 7, 1892, from the Hon. the Colonial Secretary, transmitting copy of a report from the Attorney-General on the proposed by-laws in connection with the Waterworks.

Resolved,—That the by-laws be amended so as to meet the objections raised by the Attorney-General.

4. Submitted draft of an address to be presented to His Excellency the Governor on the occasion of his intended visit to Galle.

Resolved,—That the address be approved.

5. Submitted letter No. 149 of May 17, 1892, from the Provincial Engineer on the application for water pipes to be laid along Small Cross street.

Resolved,—That the recommendation of the Provincial Engineer be approved.

6. Considered letter No. 11 of April 13, 1892, from the Hon. the Colonial Secretary intimating that Rs. 1,500 will, under section 7 of Ordinance No. 2 of 1890, become due on June 30 next, as interest and Sinking Fund on loan to the Galle Waterworks:

Resolved,—That the Council refrained from answering the demand for payment of interest until it was ascertained with some degree of certainty when water could be supplied. It is now found that in consequence of the failure of the south-west monsoon rains there is no prospect of this being done before January 1 next.

That under section 5 of Ordinance No. 18 of 1891 the Council is precluded from imposing a water-rate before water is actually supplied.

That nothing will be saved out of the loan from Government, the capital amount being hardly enough to complete the work.

That the Council is consequently without funds to pay the interest before the first quarter's rate is brought in.

Under these circumstances, the Governor be requested to be pleased to add the interest for the current year to the capital sum of the loan.

7. Submitted a letter from Mr. Jas. Samerekoon, dated April 2, 1892, forwarding an amended bill for extra work done by him in connection with his contract for laying water pipes from Bikke to the Fort, and the Provincial Engineer's letter on the subject dated April 11, 1892, No. 129.

Resolved,—That the Council is willing to waive the reduction made by the Provincial Engineer for work provided in the contract but not done, but decline to admit the claim made for loss of time; and that the sum of Rs. 311.94 be offered the contractor in full discharge of his claims for work done over and above his contract.

8. Submitted summons with copy of libel in case No. 1,264 instituted by the executors of the estate of the late Abdul Cader for the recovery of damages sustained by them by the Chairman causing the outer verandah of house No. 3, Leyn Baan street, to be taken down.

Resolved,—That the Council's Proctor be instructed to defend, and that he be asked to engage the services of Mr. Advocate De Vos in the conduct of the case.

9. Read a letter No. 15 of June 1 from the Hon. the Colonial Secretary relating to the acquisition of land for widening a portion of High street bazaar.

Resolved,—That the Council is prepared to defray the cost of metalling and masonry drain in addition to the cost of compensation for the acquisition of the land required, and that application be made to Government to allow the Council to do the work under the supervision of the Provincial Engineer.

10 Submitted accounts for May, 1892.

11. Submitted reports on permanent repairs of roads and progress of works for May, 1892.

ARTICLES OF ASSOCIATION OF THE WANARAJAH TEA COMPANY OF CEYLON, LIMITED.

1. THE regulations contained in Table C in the schedule annexed to "The Joint Stock Companies Ordinance, 1861," shall not apply to this Company, which shall be governed by the regulations contained in these Articles, but subject to repeal, addition, or alteration by special resolutions. The Company may by special resolution alter or make provisions instead of or in addition to any of the regulations of the Company whether contained or comprised in these Articles or not.
2. The Company shall forthwith, after its incorporation, purchase all those two estates called and known respectively as Wanarajah and Mannickwatta, situated in Dikoya, Ceylon, and containing in extent in the aggregate 1,138 acres more or less, for the sum of two hundred and forty thousand rupees (Rs. 240,000), upon such terms and conditions as are set forth and contained in the agreement bearing No. 1,374 dated the First day of August, 1892, and attested by Richard Francis de Saram, of Colombo, Notary Public, and entered into between Frederick Hugh Mackenzie Corbet of

#### SHARES.

3. Every person taking any share in the Company shall testify his acceptance thereof by writing under his hand in such form as the Company from time to time directs.

4. The sum of Rs. 500 payable for each share shall be paid as follows:—Rs. 200 thereof upon application, Rs. 200 thereof upon allotment, and the balance thereof whenever required, in such calls from time to time as the Directors shall make upon the Shareholders; provided that three months' notice at least is given of each call by publication in the *Ceylon Government Gazette*. Each Shareholder shall be liable to pay the amount of the calls so made to the persons and at the time and places appointed by the Directors.

5. If before or on the day appointed for payment any Shareholder does not pay the amount for which he is liable, then such Shareholder shall be liable to pay interest for the same at the rate of nine per cent. per annum from the day appointed for the payment thereof to the time of the actual payment.

6. The shares, except where otherwise provided, shall be allotted at the discretion of and by the Directors who may from time to time issue any unissued shares, and may add to such shares such an amount of premium as they may consider proper. Provided that such unissued shares shall first be offered by the Directors to the registered Shareholders for the time being of the Company as nearly as possible in proportion to the shares already held by them, and such shares as shall not be accepted by the Shareholder or Shareholders to whom the shares shall have been offered, within the time specified in that behalf by the Directors, may be disposed of by the Directors in such manner as they think most beneficial to the Company.

7. If several persons are joint-holders of any share, any one of such persons may give effectual receipt for the dividend payable in respect of such share.

8. Every Shareholder shall, on payment of 50 cents per share, be entitled to a certificate under the common seal of the Company specifying the share or shares held by him and the amount paid thereon.

9. If such certificate is worn out or lost, it may be renewed on payment of 50 cents per share.

#### TRANSFER OF SHARES.

10. The Company may decline to register any transfer of shares made by a Shareholder who is indebted to them.

11. The fee payable to the Company for the registration of a transfer shall be two rupees.

12. The transfer books shall be closed during the fourteen days immediately preceding the Ordinary General Meeting in each year.

13. Subject to the restriction of these Articles, any Shareholder may transfer all or any of his shares by instrument in writing. The Directors may decline to register any transfer whatever, and shall not be required to assign any reason for so declining. In the event of the Directors declining to register a transfer, they shall, upon the request of the Shareholder desirous of executing the same, convene an Extraordinary General Meeting of the Company to resolve whether the said transfer shall be registered or not; and the resolution of such General Meeting shall be absolute.

#### TRANSMISSION OF SHARES.

14. The executors or administrators or heirs of a deceased Shareholder shall be the only persons recognised by the Company as having any title to his share.

15. Any person becoming entitled to a share in consequence of the death, bankruptcy, or insolvency of any Shareholder, or in consequence of the marriage of any female Shareholder, or in any way other than by transfer, may be registered as a Shareholder upon such evidence being produced as may from time to time be required by the Directors.

16. Any person who has become entitled to a share in any way other than by transfer may, instead of being registered himself, elect to have some person to be named by him registered as a holder of such share.

17. The person so becoming entitled shall testify such election by executing to his nominee a transfer of such share.

18. The instrument of transfer shall be presented to the Company, accompanied with such evidence as the Directors may require, to prove the title of the transferrer, and thereupon the Company shall register the transferee as a Shareholder.

Provided always that the Directors shall have the right at all times to decline to register such person as aforesaid, and shall not be required to assign any reason for so declining. In the event of the Directors declining to register such person as a holder of such share, they shall, upon the request of such person, convene an Extraordinary General Meeting of the Company to resolve whether such transfer shall be registered or not, and the resolution of such meeting shall be absolute.

#### FORFEITURE OF SHARES.

19. If any Shareholder fails to pay any allotment money or call on the appointed day, the Company may at any time thereafter, during such time as the call remains unpaid, serve a notice on him requiring him to pay such call together with any interest that may have accrued by reason of such non-payment.

20. The notice shall name a further day and a place or places, being a place or places at which calls of the Company are usually made payable on and at which such call is to be paid. It shall also state that in the event of non-payment at the time and place appointed, the shares in respect of which such call was made will be liable to be forfeited.

21. If the requisitions of any such notice as aforesaid are not complied with, any share in respect of which such notice has been given may be forfeited by a resolution of the Directors to that effect.

22. Any share so forfeited shall be deemed to be the property of the Company, and may be disposed of in such matter as the Directors think fit.

23. Any Shareholder whose shares have been forfeited shall, notwithstanding, be liable to pay the Company all calls owing upon such shares at the time of the forfeiture.

## INCREASE OF CAPITAL.

24. The Directors may, with the sanction of a special resolution of the Company in General Meeting, increase its capital by the creation of new shares, of such amounts per share and in the aggregate as such resolution shall direct. All new shares shall be offered by the Directors to the registered Shareholders for the time being of the Company as nearly as possible in proportion to the existing shares held by them, and such shares as shall not be accepted by the Shareholder or Shareholders to whom the same shall have been offered, within the time specified in that behalf by the Directors, may be disposed of by the Directors in such manner as they think most beneficial to the Company.

The Directors shall have power to add to such new shares such an amount of premium as they may consider proper.

25. Any capital raised by the creation of new shares shall be considered as part of the original capital, and shall be subject to the same provisions in all respects, whether with reference to the payment of allotment money, calls, or the forfeiture of shares on non-payment of calls or otherwise, as if it had been part of the original capital.

## BORROWING.

26. The Directors shall have power to borrow money for the purposes of the Company, and for this purpose to grant bonds, promissory notes, bills, debentures, interest warrants, bonds for cash credit, trust deed, or other documents, to issue letters of credit, and to grant mortgages or other deed or deeds of security over all or any of the Company's lands, property, estate, and assets, but so that the sum so to be borrowed shall not at any one time exceed the sum of Rs. 20,000. Provided that nothing herein contained shall be held to prevent the Directors procuring from time to time, in the usual course of business, such temporary advances on the produce of the estate as they may find it to be necessary or expedient for the purpose of defraying the expenses of working the said estate.

Provided also that before the Directors execute any mortgage or issue any debentures, they shall obtain the sanction of the Company in General Meeting, whether Ordinary or Extraordinary. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article, and subscribed by two or more of the Directors or by one Director and the Secretary, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors; and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it be proved that such creditor was aware that it was so granted.

## GENERAL MEETINGS.

27. The first General Meeting shall be held at such time, not being more than twelve months after the incorporation of the Company, and at such place as the Directors may determine.

28. Subsequent General Meetings may be held at such time and place as may be prescribed by the Company in General Meeting, and if not so prescribed then at such place and at such time as soon after the first day of January in each year as the Directors shall determine.

29. The above-named General Meetings shall be called Ordinary Meetings; all other General Meetings shall be called Extraordinary.

30. The Directors may, whenever they think fit—and they shall, upon a requisition made in writing by not less than one-fifth in number of the Shareholders of the Company for the time being, or by any Shareholder or Shareholders holding not less than one-fifth part of the shares of the Company for the time being subscribed for—convene an Extraordinary General Meeting.

31. Any requisition so made by the Shareholder or Shareholders shall express the object of the meeting proposed to be called, and shall be left at the registered office of the Company.

32. Upon the receipt of such requisition, the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall think fit, not being more than twenty-one days after the leaving of the requisition; and if they do not proceed to convene the said meeting within twenty-one days after the leaving of the requisition, the requisitionist or requisitionists or any other Shareholders amounting to the required number may, himself or themselves, convene an Extraordinary General Meeting to be held at such time or place as he or they shall think fit.

33. Fourteen days' notice at least, specifying the place and the hour of meeting, and the purpose for which any meeting is to be held, shall be given by advertisement in the *Ceylon Government Gazette*, or in such other manner, if any, as may be prescribed by the Company.

34. Any Shareholder may, on giving not less than ten days' previous notice of any resolution, submit the same to a meeting.

35. Such notice shall be given by leaving a copy of the resolution at the registered office of the Company.

36. In order to constitute a meeting, whether Ordinary or Extraordinary, there shall be present, either personally or by proxy, three or more Shareholders holding in the aggregate not less than one-tenth of the capital for the time being subscribed for.

37. If within one hour from the time appointed for the meeting the required number of Shareholders is not present, the meeting, if convened upon the requisition of a Shareholder or Shareholders, shall be dissolved. In any other case it shall stand adjourned to the following day at the same time and place; and if at such adjourned meeting the required number of Shareholders is not present, it shall be adjourned *sine die*.

38. The Chairman (if any) of the Board of Directors shall preside as Chairman at every meeting of the Company.

39. If there be no such Chairman, or if at any meeting he is not present at the time of holding the same, the Shareholders present shall choose some one of their number to be Chairman of such meeting.

40. The Chairman may, with the consent of the meeting, adjourn any meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place.

41. At any General Meeting, unless a poll is demanded by at least two Shareholders, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the book of proceedings of the Company, shall be sufficient evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.

42. If a poll is demanded in manner aforesaid, the same shall be taken in such manner as the Chairman directs; and the result of such poll shall be deemed to be the resolution of the Company in General Meeting.

43. In the event of a resolution being brought before a General Meeting involving the sale of the Company's estates or any portion thereof, or the winding up of the Company, a majority of three-fourths of the Shareholders present and (or) represented by proxy shall be necessary to carry such resolution.

#### VOTES OF SHAREHOLDERS.

44. Every Shareholder shall have one vote for every one share held by him.

45. If any Shareholder is a lunatic or idiot or prodigal, he may vote by his *curator*; and if any Shareholder is a minor, he may vote by his guardian, or any one of his guardians if more than one; and if any Shareholder is a married woman, she may vote by her husband.

46. If one or more persons are jointly entitled to a share or shares, the person whose name stands first in the register of Shareholders as one of the holders of such share or shares, and no other, shall be entitled to vote in respect of the same.

47. No Shareholder shall be entitled to vote at any meeting unless all calls due from him have been paid; and no Shareholder other than the trustee or assignee of a bankrupt or representative of a deceased Shareholder, or person acquiring by marriage, shall be entitled to vote at any meeting held after the expiration of three months from the registration of the Company in respect of any share which he has acquired by transfer, unless he has been possessed of the share in respect of which he claims to vote at least three months previously to the time of holding the meeting at which he proposes to vote.

48. Votes may be given either personally or by proxy. A proxy shall be appointed in writing under the hand of the appointer, or, if such appointer is a corporation, under their common seal.

49. No person shall be appointed a proxy who is not a Shareholder; and the instrument or mandate appointing him shall be deposited at the registered office of the Company not less than forty-eight hours before the time of holding the meeting at which he proposes to vote; but no instrument or mandate appointing a proxy shall be valid after the expiration of one year from the date of its execution.

#### DIRECTORS.

50. The qualification of a Director shall be holding not less than ten shares of the Company upon which all calls for the time being shall have been paid.

51. The number of Directors shall not be less than three nor more than five; but this clause shall be construed as being directory only, and the continuing Directors may act notwithstanding any number of vacancies.

52. The first Directors shall be Thomas Mackie, Joseph Charles Dunbar, and William Taylor, and they shall hold office, except in the event of their becoming respectively disqualified, until the first Ordinary General Meeting of the Company to be held in the year 1893.

53. As a remuneration for their services the Directors shall be entitled to appropriate annually a sum not exceeding Rs. 1,500, to be divided between them in such manner as they may determine; but the Company in General Meeting may at any time alter the amount of such remuneration for the future.

54. One of the Directors may be appointed by the Board to act as Managing Director and (or) Visiting Agent of the Company for such time and on such terms as the Board may determine or fix by agreement with the person appointed to the office.

#### POWERS OF DIRECTORS.

55. The Directors shall have power to carry into effect the purchase of the said Wanarajah and Mannickwatta estates hereinbefore referred to, and the lease and (or) purchase of any other lands, estates, or property.

56. The business of the Company shall be managed by the Directors, either by themselves or with the assistance of a Secretary or Secretaries, Agent or Agents, to be appointed by them for such a period and on such terms as the Directors shall think fit; and the Directors shall pay out of the funds of the Company all costs and expenses, as well preliminary as otherwise, paid or incurred in and about the formation and registration of the Company, the purchase of the said estates and the cultivation thereof, and otherwise in or about the working and business of the Company.

57. The Directors shall have power to make, and may make, rules or regulations for the management of the property of the Company; and for that purpose may appoint managers, agents, superintendents, officers, clerks, and servants, with such remuneration and at such salaries, as they may consider advisable, and may pay the expenses occasioned thereby out of the funds of the Company, and may from time to time remove or suspend all or any of the managers, agents, superintendents, officers, clerks, or servants for such reasons as they may think proper and advisable, and without assigning any cause.

58. The Directors shall also have power to open, from time to time, on behalf of the Company, any account or accounts with such bank or banks as they may select or appoint; and also, by such signatures as they shall appoint, to draw, accept, make, endorse, sign, and enter into cheques, bills of exchange, promissory notes, bonds, mortgages, proxies to any proctor or proctors, contracts or agreements on behalf and for the purposes of the Company.

59. The seal of the Company shall not be affixed to any instrument except in the presence of two or more of the Directors, or of one Director and Secretary, who shall attest the sealing thereof.

60. The Directors shall exercise, in the name and on behalf of the Company, all such powers of the Company as are not expressly required to be exercised by the Company in General Meeting.

#### DISQUALIFICATION OF DIRECTORS.

61. The office of a Director shall be vacated—

- (1) If he ceases to hold the due qualification in shares;
- (2) If he becomes of unsound mind or bankrupt, or take proceedings under the Bankruptcy Law for liquidation of his affairs by arrangement of, or composition with, his creditors.

62. No contract, arrangement, or transaction entered into by or on behalf of the Company with any Director, or with any Company or co-partnership of which a Director is a partner, or of which he is a Director, Managing Director, or Manager, shall be void or voidable; nor shall such Director be liable to account to the Company for any profit realised by such contract, arrangement, or transaction, by reason only of such Director holding that office, or of the fiduciary relation thereto established, provided that the fact of his interest or connection therewith be fully disclosed to the Company or its Directors; but no Director shall vote in respect of any contract, arrangement, or transaction in which he is directly or indirectly interested.

## ROTATION OF DIRECTORS.

63. At the first Ordinary Meeting of the Company to be held in the year 1893, all the Directors shall retire; and at the first Ordinary Meeting in every subsequent year one-third of the Directors for the time being of the number next below one-third shall retire from office.

64. The Directors to retire in any year shall always be those who have been longest in office, and in case of Directors equal in length of office, shall, unless such Directors agree among themselves, be determined by ballot.

65. A retiring Director, if qualified, shall be re-eligible. The Company at the Ordinary General Meeting shall fill up the offices vacated by the retiring Directors by electing a like number of persons.

66. If at any meeting at which an election of Directors ought to take place no such election is made, the meeting shall stand adjourned till the next day, at the same time and place; and if at such adjourned meeting no election takes place, the former Directors shall continue to act until new Directors are appointed at the first Ordinary Meeting of the following year.

67. The Company may from time to time, by special resolution in General Meeting, increase or reduce the number of Directors, and may also determine in what rotation they are to go out of office.

68. Any casual vacancy in the Board of Directors may be filled up by the Directors, but any person so chosen shall retain his office so long only as the vacating Director would have retained the same if no vacancy had occurred.

## PROCEEDINGS OF DIRECTORS.

69. The Directors may meet together for the despatch of business, adjourn, and otherwise regulate their meetings as they think fit, and determine the quorum necessary for the transaction of business. Questions arising at any meeting shall be decided by a majority of votes. In case of an equality of votes, the Chairman, in addition to his original vote, shall have a casting vote. A Director may at any time summon a meeting of the Directors.

70. The Directors may elect a Chairman of their meetings, and determine the period of which he is to hold office; but if no such Chairman is elected, or if at any meeting the Chairman is not present at the time appointed for holding the same, the Directors present shall choose some one of their number to be Chairman of such meeting.

71. All acts done by any meeting of the Directors, or by any person acting as a Director, shall, notwithstanding that it be afterwards discovered that there was some defect in the appointment of any such Directors, or persons acting as aforesaid on that day, or that they or any of them were disqualified, be as valid as if every such person had been duly appointed and was qualified to be a Director.

72. The Directors shall cause minutes to be made in a book or books provided for and used solely for that purpose—

- (1) Of all appointments of officers made by the Directors;
- (2) Of the names of Directors present at each meeting of Directors;
- (3) Of all orders made by the Directors; and
- (4) Of all resolutions and proceedings of meetings of the Company and of the Directors.

73. And any such minute as aforesaid, if signed by any person purporting to be the Chairman of any meeting of Directors, shall be receivable in evidence without any further proof.

74. The Company in General Meeting may, by a special resolution, remove any Director before the expiration of his period of office and appoint another qualified person in his stead. The person so appointed shall hold office during such time only as the Director in whose place he is appointed would have held the same if he had not been removed.

## DIVIDENDS.

75. The Directors may, with the sanction of the Company in General Meeting, declare a dividend to be paid to the Shareholders in proportion to their shares.

76. No dividends shall be payable except out of the profits arising from the business of the Company and with the sanction of the Directors.

77. The Directors may, before recommending any dividend, set aside out of the profits of the Company such sum as they think proper as a reserve fund to meet contingencies, or for equalising dividends, or for repairing or maintaining the works connected with the business of the Company or any part thereof; and the Directors may invest the sum so set apart as a reserve fund upon such securities as they, with the sanction of the Company, may select.

78. The Directors may deduct from the dividends payable to any Shareholder all such sums of money as may be due from him to the Company on account of calls or otherwise.

79. Notice of any dividend that may have been declared shall be given to each Shareholder, or sent by post or otherwise to his registered place of abode; and all dividends unclaimed for three years after having been declared may be forfeited by the Directors for the benefit of the Company.

80. No dividend shall bear interest as against the Company.

## ACCOUNTS.

81. Once at the least in every year the Directors shall lay before the Company in General Meeting a statement of the income and expenditure for the past year, made up to a date not more than three months before such meeting.

82. The statement so made shall show, arranged under the most convenient heads, the amount of gross income, distinguishing the several sources from which it has been derived, and the amount of gross expenditure, distinguishing the expense of the establishment, salaries, and other like matters. Every item of expenditure fairly chargeable against the year's income shall be brought into account, so that a just balance of profit and loss may be laid before the meeting; and in cases where any item of expenditure which may in fairness be distributed over several years has been incurred in any one year, the whole amount of such items shall be stated, with the addition of the reasons why only a portion of such expenditure is charged against the income of the year.

83. A balance sheet shall be made out in every year and laid before the General Meeting of the Company, and such balance sheet shall contain a summary of the property and liabilities of the Company, arranged under the heads appearing in the form annexed to the table referred to in schedule C to "The Joint Stock Companies Ordinance 1861," or as near thereto as circumstances admit.

84. A written or printed copy of such balance sheet shall, seven days previously to such meeting, be delivered at or sent by post to the registered address of every Shareholder.

## AUDIT.

85. The accounts of the Company shall be examined, and the correctness of the balance sheet ascertained, by one or more Auditors to be elected by the Company in General Meeting.
86. If not more than one Auditor is appointed, all the provisions herein contained relating to Auditors shall apply to him.
87. The Auditors need not be Shareholders in the Company. No person is eligible as an Auditor who is interested otherwise than as a Shareholder in any transaction of the Company; and no Director or other officer of the Company is eligible during his continuance in office.
88. The first Auditor or Auditors of the Company shall be appointed by the Directors, and shall hold office until the second General Meeting; and afterwards the Auditor or Auditors shall be from time to time appointed by the Company in General Meeting.
89. The remuneration of the Auditor or Auditors shall be fixed by the Company at the time of their election have that in case of the first Auditor or Auditors it shall be fixed by the Directors.
90. Any Auditor shall be re-eligible on his quitting office.
91. If any casual vacancy occurs in the office of Auditor, the Directors may appoint another Auditor, who shall hold office until the next Ordinary General Meeting.
92. If no election of Auditor is made in manner aforesaid, the Directors may appoint an Auditor or Auditors for the year then current, and fix the remuneration to be paid to him or them by the Company for his or their services.
93. Every Auditor shall be supplied with a copy of the balance sheet, and it shall be his duty to examine the same with the accounts and vouchers relating thereto.
94. Every Auditor shall have a list delivered to him of all books kept by the Company, and he shall at all reasonable time have access to the books and accounts of the Company. He may, at the expense of the Company, employ accountants or other persons to assist him in investigating such accounts, and he may, in relation to such accounts, examine the Directors or any other officer of the Company.
95. The Auditors shall make a report to the Shareholders upon the balance sheet and accounts, and in every such report they shall state whether, in their opinion, the balance sheet is a full and fair balance sheet, containing the particulars required by these regulations, and properly drawn up, so as to exhibit a true and correct view of the state of the Company's affairs; and in case they have called for explanation or information from the Directors, whether such explanations or informations have been given by the Directors, and whether they have been satisfactory; and such report shall be read together with the report of the Directors at the Ordinary Meeting.

## NOTICES.

96. Notices by the Company may be authenticated by the signature (printed or written) of the Secretary or other person appointed by the Directors to do so.
97. Every Shareholder shall give an address in Ceylon which shall be deemed to be his place of abode, and shall be registered as such in the books of the Company.
98. Notices requiring to be served by the Company upon the Shareholders may be served, either personally or by leaving the same or sending them through the post in a letter addressed to the Shareholders at their registered places of abode, and any notice so served shall be deemed to be well served for all purposes, notwithstanding that the Shareholder to whom such notice is addressed may be dead, unless and until his executors or administrators shall have given notice to the Managing Director or Secretary of the Company of some address in Ceylon.
99. All notices directed to be given to the Shareholders shall, with respect to any share to which persons are jointly entitled, be given to whichever of the said persons is named first in the register of Shareholders; and notice so given shall be sufficient notice to all the holders of such share.
100. All notices required to be given by advertisement shall be published in the *Ceylon Government Gazette*.
101. Every Shareholder residing out of Ceylon shall name an address in Ceylon at which all notices shall be served upon him, and all notices served at such address shall be deemed to be well served. If he shall not have named such an address, he shall not be entitled to any notices.
