MINUTES BY THE GOVERNOR.

HIS EXCELLENCY THE GOVERNOR has been pleased to direct that the following Regulations regarding the grant of leave of absence to Public Officers, from time to time issued under instructions from the Secretary of State, be published for general information. All previous Minutes bearing on the subject are hereby cancelled.

General.

1. All leave is granted or withheld subject to the necessities of the Public Service, and leave once granted may be recalled at any time if such a step be deemed necessary for the Public Service by the authority which granted the leave.
2. Officers temporarily employed by the Government are not entitled to any leave beyond that (if any) which may be mentioned in their respective written contracts with the Government.
3. An officer may not absent himself from his station without the permission of the Governor, except as provided by rule 13.
4. In the event of an officer absenting himself from his station or his duties without leave, or violating in any respect the rules hereby laid down, the Head of the Department in which the officer is employed, or the Senior Civil Officer of the station at which the officer is serving, will at once report the case to the Colonial Secretary, and the pay of such an officer will be stopped until the order of the Governor upon the case is made known.
5. When an application for leave or an extension of leave is based on the ground of ill-health, a certificate from a Medical Officer of the Government should invariably be sent in.

6. Heads of Departments when forwarding applications for leave, either on their own account or on that of officers of their Department, must state the amount of previous leave granted to the applicant in the following form:—

Name of Officer applying for Leave ...				
Office ...				
Date of first Appointment ...				
Total Resident Service (including Full-pay Leave) ...				
Periods of Leave already taken	Half-pay from first Appointment.		Vacation, during Current Year and during Year ended December 31 last.	
	From	To	From	To

Leave now applied for	(a)	Date of commencement ...		
	(b)	On full-pay ...		
	(c)	On half-pay ...		
Is the leave to be spent in or out of the Island?*				
REMARKS.				
[The arrangements proposed for the discharge of the duties of the applicant for leave during his absence should be here shortly stated, and also (except in the case of a Head of Department) whether the leave applied for is recommended. If the statement is necessarily of any length, it should be made in a covering letter.]				

* Applications for half-pay leave out of the Colony should state when such leave was last taken and the date of the applicant's return to the Island.

7. All applications for leave must be despatched so as to reach the office of the Colonial Secretary fourteen days at least before the day from which it is proposed that the leave applied for shall commence.

Vacation Leave.

8. Vacation leave on full pay may be granted by the Governor for periods not exceeding six weeks in respect of any one calendar year's service, or three months in respect of any two successive calendar years' service. Such leave may be accumulated in respect of two years only.

9. When vacation leave is granted to Judicial or Educational Officers, such leave may extend to the ordinary vacation of the court or the institution in which they are employed, but may not exceed it, and may not be taken at any other time of the year except that ordinary vacation.

10. Vacation leave may be granted to an officer to be followed immediately by leave on half pay.

11. Full-pay leave must be recorded under the Governor's hand.

12 a. Where an officer seeks to obtain vacation leave only, he must, with the concurrence or sanction of the Governor, make such arrangements as may be necessary for the adequate discharge of his duties without expense or inconvenience to Government.

b. Where full-pay leave is to be followed by half-pay leave, the arrangements for the discharge of the officer's duties will be made by the Governor, and every officer is liable and required to act without any increase of pay in an office ranking as high as, or higher than, his fixed appointment during the period of full-pay leave thus granted.

13. Heads of Departments may give any Deputy or Assistant leave of absence from his district or station for three days. The granting of such leave and the reasons assigned for granting it are in all cases to be at once reported to the Government.

14 a. To Clerks, Shroffs, Interpreters, and officers in similar positions who are drawing less than Rs. 3,000 a year, Heads of Departments are authorised to grant leave of absence on full pay for a period not exceeding one month in the whole in any year, whether on account of illness duly certified or any other cause, provided that proper arrangements are made for the performance of their duties, which it is expected will be carried on by the other officers of the Department.

b. To such officers leave on full pay must not exceed six weeks in any year on any ground, save in certain exceptional cases, where it may be extended to three months.

c. Leave for more than a month in any one year can be granted only by the Governor.

d. When extended leave beyond the maximum on full pay allowed (six weeks or 36 working days) in any one year is granted on half pay, half the extended period only should be reckoned as service.

Half-pay Leave.

15. After a period of six years' service in the Colony, leave of absence on the half pay of an officer's permanent appointment may be granted. It may be given before the expiration of that period in cases of serious indisposition or of urgent private affairs, if the Governor and Executive Council are satisfied that the indulgence is indispensable.

16. Half-pay leave within the Colony will be granted only in the exceptional cases mentioned in the Secretary of State's Despatch of 21st December, 1886.

Vacation and Half-pay Leave.

17 a. The whole term of leave on full pay and half pay that may be granted by the Governor will in no case be more than twelve months.

b. An officer who has obtained leave of absence must not leave his station until he has handed over to the officer who has been appointed to act for him during his absence, or to some officer authorised by the Governor thereto.

18. An officer proceeding out of the Colony on leave will be paid salary in the Colony up to and including the day next preceding the commencement of his leave.

19. He will notify to the Treasurer the date up to which he has been paid in the Colony, and thereafter will obtain from the Colonial Secretary a duplicate of the despatch to the Secretary of State reporting his leave, and of the certificate thereto annexed. Without these papers he cannot receive his salary or half salary in England. The certificate will state whether the officer intends to draw pay through the Crown Agents during leave.

20. On arrival in England he will report himself and his place of residence to the Colonial Office, to which he will notify every subsequent change of residence on his part.

21. In case of applications to the Secretary of State for extended leave, on grounds other than of ill-health, half salary will not be granted unless and until it has been ascertained from the Governor that continued absence can be conveniently allowed.

22. Except in cases of unforeseen emergency, extension of leave will be refused by the Secretary of State unless the officer concerned has, previous to his leaving the Colony, obtained the Governor's consent to such an extension. It will not be granted when the Governor has notified that the extension cannot be conveniently allowed.

23. Except in very special cases, no officer on leave will be allowed to receive half salary at any one time for more than two years, nor for a period which, added to his previous absences on similar leave, would exceed by six months one-sixth of his resident service.

24. An officer who may desire to forego a portion of his leave should obtain the previous permission of the Governor, or, if in Europe, should make application to the Secretary of State in sufficient time to allow at least one clear month's notice being given to the Governor, should the Secretary of State approve; and on his arrival in the Colony he cannot claim as a right to resume his own appointment before the expiration of the leave granted to him, but must place himself at the orders of the Governor, who will make such arrangements for his re-employment and for his eventual resumption of the duties of his office as may be convenient.

25. An officer returning from leave will be entitled to draw full salary only from the day on which he assumes the duties of his fixed office, or of the office the duties of which he may be ordered temporarily to discharge.

26. The Crown Agents have been instructed to make no advances to officers on leave except in every special cases to be determined by the Secretary of State under Colonial Regulation No. 106.
