MUNICIPALITY OF GALLE.

Minutes of Proceedings of a Meeting of the Municipal Council of Galle held at the Municipal Office on June 27, 1896, at 3 p.m.

Present.—The Chairman ; Dr. P. D. Anthonisz, C.M.G. ; Dr. J. Attygalle ; F. W. Johnson, Esq. ; C. P. Hayley, Esq. ; W. Abeyesundera, Esq. ; W. E. de Vos, Esq. ; D. G. Goonewardena, Esq. ; N. Dias Abeyesinha, Esq. ; and C. L. M. Abdul Carim, Esq.

1. Read and confirmed Minutes of last Meeting.

2. Pursuant to notice Mr. Hayley asked, "Whether the Acting Superintendent of Works has made any report to the Chairman regarding the Bikke reservoir and the land belonging to it, and if so, to move that such report or reports be laid on the table of the Council."

The Chairman laid on the table a letter from the Acting Superintendent of Works, dated May 1, 1896, and explained that there was a question as to the boundary of the land acquired, and he had asked the Surveyor-General to have it defined on the ground. It might be necessary to acquire another small strip to keep off intruders, but the by-laws passed for protection of the reservoir were stringent, and would be enforced.

3. Pursuant to notice Dr. Anthonisz asked, "With reference to my motion made on January 18 last, to begin building the retaining wall of the Kepu-ela, and the amendment thereto by the Chairman to the effect that in view of the state of the finances it is inadvisable to incur any further liability at present, how it is that within four months from that time, on the recommendation of the Acting Superintendent of Works, the Chairman gave his ready assent to the work being taken on hand? My proposal was a modest one to build at least $\frac{1}{2}$ or 200 ft. of the embankment. The present contract is to build 400 ft. at a cost of more than Rs. 1,000, yet the one was rejected and the other sanctioned."

The Chairman replied that personally he did not approve of the building of the wall in question, as he considered the improvement of the whole canal and the entrance of the flood from the Gintota river should be comprehensively dealt with ; but as he could not carry the Standing Committee with him, he raised no objection to the building of the wall, as proposed and urged by the Member putting the question, and not at the instance of the Acting Superintendent of Works, whose action had been limited to the preparation of an estimate to carry out the views of the Standing Committee. Further, that the postponement on sanitary grounds at the Member's instance of the completion of the Pettigallewatta canal during the dry season as intended had made funds available for other purposes, which at the beginning of the year it was intended to spend on that work by preference.

4. Pursuant to notice Dr. Anthonisz asked "if the drive from Havelock place to the police station, which was sanctioned by the Council in November, 1894, has been completed, as gravel has been laid on the centre portion of the drive about 10 ft. wide, the road being about 30 ft. in width, and if it is the intention to use 10 ft. on either side of the gravelled portion as grazing ground for cattle ; also to ask for the cost of the work up to date."

The Chairman laid on the table a statement of expenditure incurred on account of the road, and explained that the road had been gravelled to the usual width, and which was sufficient for all the traffic likely to use it.

5. Pursuant to notice Mr. C. P. Hayley moved "that the question of the salary of the Superintendent of Works be re-opened."

Seconded by Mr. F. W. Johnson.

The Council divided on the motion :—

6. The following recommendation of the Standing Committee was brought forward :— "Recommended that Rs. 300 be transferred from vote 'Improving Drainage, Suburbs,' to vote 'Buckets for Latrines.'"

Resolved,—That the recommendation be adopted.

7. The Chairman laid on the table applications for the post of Superintendent of Works and Head Inspector, including one from Mr. J. F. Brunton.

Moved by Mr. W. E. de Vos "that Mr. Brunton's application be not considered, as it was not made within the time prescribed in the notice calling for applications."
