*Meetings —*

Twelve meetings were held during the year.

*Slave Island Improvement Scheme.—*

Legislation to amend the Housing and Town Improvement Ordinance to enable the Board to take possession of land or buildings required for the purpose of an Improvement Scheme was enacted in November, 1954, and the execution of the Slave Island Improvement Scheme was commenced in December. This scheme provides for the improvement of a slum area  $1\frac{1}{2}$  acres in extent, consisting of 87 dwelling houses, 12 shops, with a population of 615 persons comprising of 102 families. The whole scheme, except for the repairs of the buildings, was completed during the year. Under this scheme 631 lineal feet of 12 feet wide lanes with a tar macadam surface were constructed and drains, dustbins and electric lighting were also provided. Ten insanitary houses were demolished and the families living in them were removed to 10 houses in the Municipal Housing Scheme at Cattle Mart Road. The lands for the new roads were deemed to be dedicated in terms of section 43 (3) of the Housing and Town Improvement Ordinance by the owners for public use and no compensation was paid to owners for the houses that were demolished.

With regard to the repairs to the existing houses, notices were served on the landlords to carry out the necessary repairs. Most of the landlords have not so far complied with the requirements of the notices. The Board is exploring the possibility of getting these repairs carried out by the Municipality. The estimated cost of these repairs prepared by the Municipality was Rs. 39,772.29 and this amount was allocated to the Board as a grant by the Commissioner of Local Government but up to the end of the financial year this sum has not been utilized.

*Gintupitiya Improvement Scheme.—*

The execution of an improvement scheme in an area at Gintupitiya Road of approximately one acre in extent was sanctioned by the Minister of Local Government. This scheme provides for the demolition of a row of 18 houses and the repairs to 30 other houses in this area to be carried out by the owners or by the Board in default of the owners. Accommodation for the families de housed has been found in the flats constructed by The Special Areas (Colombo) Development Board at Ratnam Road. The demolitions and the transfer of the 18 families were completed during the year. No compensation was paid to the owners for the houses demolished under this scheme.

*Other Improvement Schemes.—*

Improvement schemes for the following areas were prepared during the year.—

- (a) *Kew Lane Scheme*—This scheme provides for the improvement of an area approximately  $4\frac{1}{2}$  acres in extent. It also provides for the demolition of 50 houses, the repairs to 339 other houses, the construction of several new lanes between 14-30 feet in width in this area and the transfer of the de housed families to 48 flats which the Colombo Municipality will construct at Glennie Park in Slave Island with a grant allocated to it by the Commissioner of Local Government. The execution of this scheme will be taken in hand early in the next financial year.
- (b) *Dematagoda Scheme*.—The execution of an Improvement scheme in an area at Dematagoda Road of about  $1\frac{1}{2}$  acres in extent was approved by the Minister of Local Government. This scheme provides for the demolition of about 15 houses which are insanitary and for the repairs to 85 other houses in this area to be carried out by the owners or by the Board in default of the owners. Accommodation will be found for the families de housed in Municipal Housing Schemes. The execution of this scheme will be taken up in the next financial year.

*Staff —*

During the year the staff of the Board consisted of the following —

1. Secretary,
2. Typist-Clerk,
3. Assistant Inspector,
4. Draughtsman,
5. Peon

The Assistant Inspector resigned in August, 1955, and the post has remained unfilled.

*Matters of Interest —*

The Mayor of Colombo, Dr. N. M. Perera, inspected the Slave Island Improvement Scheme in September, 1955, and the following minute of the visit to the Municipal Commissioner was sent to the Chairman:—

“I think you and I were both impressed by the work that has been done. While complete slum clearance is the desired ideal, this is a great alleviation of the present position. It offers a partial remedy at least at a modest expense and more expeditiously.”

*Conclusion.—*

The work carried out during the year has shown that the slum areas in the City could be improved at modest expense. In Slave Island besides improving the sanitary conditions of the area, the execution of the scheme has eradicated illegal trades such as sale of illicit liquor, running of houses of ill-fame that existed there and has generally aroused among the residents an interest in their homes and their neighbourhood which did not exist before.

 Secretary.
