An objection may be made under this sub-section on behalf of the Railway by the General Manager of Railway or any other officer of his Department authorized by him for the purpose; no fee shall be payable in respect of any such objection.”

Objections must be made in the manner stated below to the Commissioner of Motor Traffic, 33, Torrington Place, Colombo, so as to be received by him not later than 10 30 a.m. on Saturday, May 19, 1956.

2. Every statement of objection shall be made in duplicate and the original shall, except where the objection is made by or on behalf of the General Manager of the Railway, bear stamps to the value of Rs. 2.50.

3. Every statement of objection shall indicate by reference to the serial number given in the notice and to the name of the applicant, the application in respect of which the objection is made and shall set out the specific grounds on which the objection is based.

Objectors are requested to state clearly in their objections the facts entitling them to object, i.e., whether they are already providing transport facilities, &c., and if so, by what means, and if by lorries, the registered numbers of the lorries. If the objection is in respect of a particular lorry or lorries only being specified in the permit the numbers of those lorries should be indicated in the statement of objections.

Objections not conforming to these requirements will be of no avail.
