THE ELECTRICITY ACT, No. 19 OF 1950

REGULATIONS made by the Village Committee of the Bentota village area in the Galle District under section 46 of the Electricity Act, No. 19 of 1950, with the approval of the Minister of Local Government and Cultural Affairs given after consultation with the Minister of Transport and Works.

N. Q. DIAS,
Acting Permanent Secretary,
Ministry of Local Government and
Cultural Affairs.

Colombo, April 1, 1959.

Regulations

1. In these regulations—

“Act” means the Electricity Act, No. 19 of 1950;

“Chairman” means the Chairman of the Bentota Village Committee;

“licence” means a licence issued under section 2 of the Act to the Bentota Village Committee;

“licensee” means the Bentota Village Committee; and

“Superintendent” means the Superintendent of the Electricity Department of the Bentota Village Committee.

2. Any person desirous of obtaining the use of electrical energy from the licensee shall, at least fourteen days before the supply is required, make application in such form as may be provided for the purpose by the licensee, and shall pay in advance to the licensee the charges for the service cable, or if so required by the licensee, enter into a written contract with the licensee under section 33 of the Act.

3. Every consumer of electrical energy shall pay for such energy at the rates specified in the licence.

4. (a) That portion of the service cable which is on the consumer's premises, the transformers, the main fuses, the meter and the board shall remain the property of the licensee, and on no account shall they be moved or handled by any person other than an authorized employee of the licensee.

(b) No consumer shall break, or tamper with, or permit any person other than employee of the licensee to break or tamper with any seal or any part of the licensee's apparatus or wires.

(c) The consumer shall be responsible for the maintenance of any wires, cables or any other apparatus on his side of the licensee's main fuse or meter.

(d) Where any installation is re-connected after having been disconnected under section 47 (3) of the Act, the appropriate fee for testing and re-connecting such installation shall be paid in advance by the consumer as provided for in the licence.

(e) In the event of a leakage of energy at some part of the wires or fittings of any consumer, such consumer shall be liable to pay for all metered consumption of energy in his premises.

5. (1) Every consumer wishing, at any time after the installation has been connected, to use any lamp, fan, or motor of greater size than the one already in use or to instal any additional lamp or other apparatus consuming energy, either temporarily or permanently, or in any way to alter or extend the wiring on his premises shall notify his wish to the licensee in writing, and if he desires that an electrical contractor should do the work he shall at the same time notify the name and address of such contractor at least two days before the commencement of work on such extension or alteration.

(2) No consumer shall connect or cause to be connected any extension, temporarily or permanently, to the main installation until such extension has been inspected and tested and found to be satisfactory by the Superintendent or an officer authorized in that behalf by the licensee.

6. (1) In the event of the melting of the licensee's main fuse in any premises, the consumer shall forthwith inform the Superintendent or the Officer-in-charge of the sub-station.

(2) No person other than one of the licensee's authorized officers or workmen shall replace any melted fuse, which is the property of the licensee.

(3) Where the services of any officer or workman of the licensee are required to replace any fuse which is the property of the consumer, a charge of one rupee shall be made in the current monthly account of the consumer.

(4) Where the melting of any fuse, which is the property of the licensee, is found to have been caused by a defect in the consumer's wiring or apparatus, a charge of one rupee shall be made for replacing the fuse in the current monthly account of the consumer.

7. The licensee does not hold itself liable to the consumer, for any loss or damage occasioned, directly or indirectly, by the total or partial interruption of the supply of energy.

8. Where any installation is reconnected after having been disconnected under section 45 of the Act, a fee of five rupees for testing and reconnecting shall be charged, and shall be paid in advance by the consumer.

9. (1) All charges shall be deemed to be due on the date on which an account is presented.

(2) Any installation disconnected under section 49 of the Act, shall not be reconnected until the amount of arrears due is paid together with a reconnection fee of five rupees.

10. The licensee shall not entertain any complaint against the accuracy of an account unless such complaint is made within a week after the presentation of the account.

11. (1) Every consumer about to vacate his premises shall give in writing three clear days' notice to the Chairman of his intention to do so.

(2) Where the notice referred to in paragraph (1) is not given, the consumer shall be held responsible for the licensee's equipment in his premises, and shall be liable for all energy consumed on such premises until the lapse of three days from the date on which the licensee receives notice of the fact that the premises have been vacated:

Provided that if the supply to the premises is disconnected by the licensee before the lapse of the said three days, the consumer shall be responsible to pay only for the energy consumed on the premises up to the time of such disconnection.

12. No consumer shall employ any person, other than a person—

(a) who has been certified by the General Manager of the Department of Government Electrical Undertakings as having the necessary skill to undertake electrical work or who has had at least three years' practical experience in a recognized electrical workshop or firm or an electrical power station; and

(b) who has been regularly engaged for a period of not less than two years in the practice of electrical engineering, to—

(i) carry out any work in connection with the wiring or the electrical fittings or fixtures, of any new installation in any premises of the consumer, which is intended to be connected to the licensee's electricity supply mains; or

(ii) carry out or perform in connection with any installation in any premises of the consumer after such installation has been connected to the licensee's electricity supply mains, any electrical work—

(a) which consists of or is in the nature of alterations, adjustments, additions or repairs to such installation; or

(b) which is other than such ordinary replacement of lamps, fans, switches or other component

parts as in no way alters or affects the capacity and nature of such installation.

13. (1) No electrical work such as installation work, including additions, alterations, and adjustments to existing installations shall be commenced except after notice of not less than two days has been given to the licensee to enable the Superintendent to inspect the proposed work.

(2) If the Superintendent approves of the intended work, he shall determine the position of the meter, and the work shall be carried out in accordance with such regulations as may be made in that behalf under section 60 of the Act.

14. On the completion of any electrical work referred to in regulation 13, such work shall be inspected and tested by the Superintendent, and—

(a) if the installation is found to comply with the regulations laid down, a supply of electrical energy to the premises shall be given; and

(b) if the installation does not comply with the regulations laid down, a supply of electrical energy to the premises shall not be given until such time as the installation has been made to comply with such regulations.

(2) The fee payable for the inspection and testing of any installation under this regulation shall be paid in advance by the consumer.

15. If any electrical work connected with any new installation in any premises is carried out without giving notice to the licensee and obtaining its prior approval, the licensee may refuse to supply electrical energy to the premises wherein such work has been carried out, or may require the consumer to effect such modifications, or alterations to the wiring as the Superintendent may think necessary. If such modifications or alterations are duly carried out, the installation shall be re-inspected and tested by the Superintendent, and if found to be in order, a supply of electrical energy to the premises shall be given.

16. Where any extension is made to any installation which is already connected to the licensee's electricity supply mains, without prior notice to, and without the permission of the licensee, the whole installation shall be liable to disconnection from the licensee's electricity supply.

17. Every application for the re-connection of any installation shall be made on such form as may be provided for the purpose by the licensee, and shall be delivered at the office of the licensee not less than 48 hours before the supply is required.

GENERAL CONDITIONS APPLICABLE TO APPOINTMENTS TO POSTS IN THE LOCAL GOVERNMENT SERVICE ADVERTISED IN PART IV OF THE "CEYLON GOVERNMENT GAZETTE"

1. **Allowances.**—Unless otherwise stated, Rent Allowance, temporary Cost of Living Allowance and temporary Special Living Allowance are payable according to Government Rates and Conditions.

2. **Conditions of Service.**—Appointments will be subject to the provisions of the Local Government Service Ordinance, No. 43 of 1945, as amended by the Local Government Service (Transitional Provisions) Ordinance, No. 5 of 1946, any further amendments of Ordinance No. 43 of 1945, and the Regulation made thereunder, and other conditions of service as laid down by the Commission from time to time.

3. **Terms of Engagement.**—The posts specified in the Schedule published in Part IV of the *Ceylon Government Gazette* No. 10,432 of August 8, 1952, and other posts added thereto from time to time while held by members of the Local Government Service other than females are pensionable under the Local Government Service Pension Scheme Regulations, 1952.

(a) The pension rights of officers serving under Government will be conserved if released under section 21 of the Government Minutes on Pensions, and transferred to pensionable posts in the Local Government Service.

(b) In the case of employees of Local Authorities who hold pensionable posts under the Pension By-laws or Rules of the Local Authorities, the payment of their pension on ultimate retirement will be governed by the Pension By-laws or Rules of the Local Authority in whose employ they were on the date immediately preceding the date of their transfer to the Local Government Service in terms of section 48 of the Local Government Service Ordinance, No. 43 of 1945, as amended by the Local Government Service (Amendment) Act, No. 8 of 1949.

(c) All appointees to pensionable posts other than females, officers above the age of 55 and officers who were holding pensionable posts in Government Service on the date immediately prior to their appointment to the Local Government Service, are required to contribute 4 per cent. of their salary to the Local Government Service Widows' and Orphans' Pension Fund established under the Local Government Service Widows' and Orphans' Pension Fund Regulations, 1952, published in the *Government Gazette Extraordinary* No. 10,429 of July 30, 1952. The Local Authority will contribute 3 per cent. of salary.

(d) Appointees may be required to furnish security either in cash or by Fidelity Guarantee Bond through a Guarantee Association approved by the Local Government Service Commission in a sum which may be decided upon by the Local Authority.

(e) Appointees not holding scheduled posts in the Local Government Service will be required to pass a medical examination by a duly qualified medical practitioner as to their physical fitness to serve in any part of the Island.

(f) The appointments will generally be on probation or subject to confirmation after a period of one year unless otherwise specified.

(g) Applicants should annex copies of their birth certificates in proof of age. No affidavits will be accepted. If no copies of birth certificates are attached, the applicants will be considered as ineligible.

4. **Qualifications Required.**—Every applicant must furnish satisfactory proof that he is a Ceylonese. The term "Ceylonese" for all purposes of recruitment to the Local Government Service is defined as a citizen of Ceylon by descent or by registration.

5. **War Service Concession.**—Provided they are qualified in all other respects, ex-Servicemen of Her Majesty's Fighting Forces and full-time members of the Auxilliary Fire, Air Raid Precautions and Civil Defence Services (excluding those who had left these Services of their own accord) will be allowed to deduct periods of such service (commencing from September 3, 1939, at the earliest and up to December 31, 1949, at the latest) from their ages for purposes of eligibility alone, provided that they joined the Forces before August 15, 1945, and that such service was satisfactory and continuous.

6. **Age Concession.**—Members of the Local Government Service are eligible to apply irrespective of age for posts advertised in the Local Government Service.

7. Members of the Local Government Service in the same class and grade as the post advertised are eligible to apply for transfer to the vacancy advertised irrespective of educational qualifications.

8. **Other Requirements.**—(i) Applications from those in a Local Body should be forwarded through the Municipal Commissioner or Chairman of the Local Authority in which they are serving.

(ii) Applications from officers in the Government Service should be forwarded through the Heads of their respective Departments; in the case of applications from officers holding permanent posts in the Government Service, the Head of the Department concerned should, when forwarding the application, state whether or not he is prepared to release the applicant if selected.

(iii) Candidates may be required to present themselves for interview or test at an appointed time and place. No travelling or other expenses will be paid in this connection.

(iv) Any person who desires to recommend a candidate may do so by giving a testimonial. Any form of direct or indirect canvassing or attempt to influence the selection of candidates will disqualify such candidates.

(v) Any statement in the application which is found to be incorrect will render the applicant liable to disqualification if the inaccuracy is discovered before the selection, and to dismissal after the selection.

(vi) Applications not conforming in every respect with the requirements of this advertisement will be rejected.

(vii) Applications should be made substantially in the form appended below and should be addressed to the Chairman, Local Government Service Commission, and NOT personally to him.

(viii) Applications received in this office after the closing date will not ordinarily be entertained.

CONSTRUCTION OF ASCOT AVENUE, EPSOM STREET AND AINTREE STREET, THIMBIRIGASYAYA

Provisional Apportionment under Section 26 of Chapter 199 of the Legislative Enactments of Ceylon

THE following is the provisional apportionment of cost made by the Special Commissioner of Colombo, under powers in section 26, Chapter 199 of the Legislative Enactments of Ceylon of the cost of providing in the private streets known as Ascot Avenue, Epsom Street and Aintree Street, Thimbirigasyaya:—

- A water bound macadam and bitumen dressed carriageway, 20 ft. wide with kerbs and channels, gravelled and bitumen dressed footways and electric street lights (except in Aintree Street where no footways are provided).
- A rainwater sewer.
- A soil sewer in Aintree Street and Epsom Street.

This apportionment is based on estimates prepared on current rates for labour and materials, but is liable to alteration due to fluctuation of price of materials and rates for labour at actual time of construction.
