NATIONAL DIRECTORY OF WRITERS

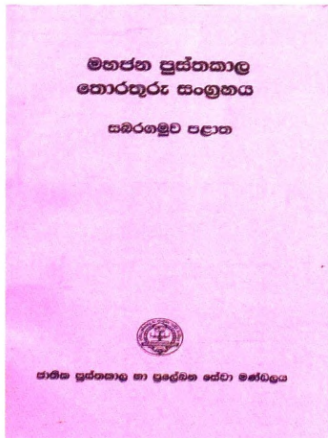

The National Directory of Writers compiled by NLDSB consists of information on approximately 2000 Sri Lankan writers. The directory includes fully updated and detailed contact information of authors. A compilation of different types of documentation sources such as bibliographies, directories and indexes, is one of the main duties of the National Library and Documentation Services Board. However, this is not a descriptive directory. NLDSB expects to publish a descriptive directory of authors in Sri Lanka in the future. Various institutions, authors, and publishers requested the NLDSB to compile a directory of authors in Sri Lanka. On these requests, National Library and Documentation Services Board decided to compile this directory.

Details of authors are arranged in alphabetical order. This directory can be used as a basic information resource to obtain information about authors in Sri Lanka. The Directory is especially useful for writers, librarians, researchers, publishers, as well as general readers.

DIRECTORY OF PUBLIC LIBRARIES SABARAGAMUWA PROVINCE

The Research Division of the National Library and Documentation Services Board has compiled a Directory of Public Libraries in Sabaragamuwa Province. information on publications published in Sri Lanka, publications on Sri Lanka published in foreign countries and publications written by Sri Lankans published in foreign countries. Bibliographic information in Sinhala, Tamil and English publications are included. The following bibliographies have been completed and published so far.

AUTHORITY LIST OF TAMIL AUTHORS

Compilation of the author lists is one of the main responsibilities of the NLDSB. The objective of the project is to share authority information in national level. In editing the old Tamil literacy books, author's names have been given in different ways. Due to the differences in author's names, organization of information has become a difficult task. Therefore the objective of an authority list is to bring authors of all editions under one common author name. This is a useful guide for maintaining the uniformity in cataloguing, avoiding duplication and providing search facilities related to Tamil literature.
