BY-LAWS made by the Kattankudy Town Council under sections 166 and 170 of the Town Councils Ordinance, No. 3 of 1946, and approved by the Minister of Local Government and Cultural Affairs by virtue of the powers vested in him by section 167 of that Ordinance, as modified by the Proclamation published in *Gazette Extraordinary* No. 9,773 of September 24, 1947.

V. C. JAYASURIYA,
Permanent Secretary,
Ministry of Local Government and
Cultural Affairs.

Colombo, November 22, 1958.

By-laws relating to pensions and gratuities

1. These by-laws shall apply to every officer and servant of the Council who is not eligible for the payment of a pension, gratuity, long service allowance or retiring allowance under the provisions of the Local Government Service Ordinance, No. 43 of 1945, and the regulations made thereunder.

2. No pension or gratuity shall be granted to any officer of the Council without the authority of the Commissioner, in order to obtain which, a certificate of good conduct from the Chairman setting out the length of service, age, and ground of retirement shall be forwarded, together with the application for pension or gratuity and the computation thereof, to the Commissioner.

3. (1) Every officer of the Council on the fixed establishment drawing a salary of not less than Rs. 360 per annum who shall have had service of ten years or more including any service which may be reckoned under the proviso to by-law 8 (1) may be awarded a pension calculated as follows :—

For the first one hundred and twenty months of such Service, a pension equal to 120/720ths of his annual salary and for each additional completed month of service an additional 1/720ths of such salary, subject to the provisions of by-law 4.

(2) Pension at the rates mentioned in paragraph (1) shall only be granted in cases of faithful and meritorious service, but where the Chairman's testimony as to the fidelity, diligence and merit of the officer is in any respect defective, a deduction from such rates may be made.

Where there has been obvious negligence, irregularity or misconduct, the grant of a pension may be altogether withheld.

4. The maximum pension that may be granted under these by-laws to an officer, in respect of his service under the Council or in respect of his combined service under the Council and elsewhere, shall not exceed two-thirds of the highest salary drawn by such officer at any time in the course of his service.

5. In the case of an officer on the fixed establishment of the Council drawing a salary of not less than Rs. 360 per annum retiring on account of illness or age before completing one hundred and twenty months' gross service, a gratuity may be granted calculated at the rate of one-twelfth of a month's pay of the permanent office or offices held at the time of his retirement, for each completed month of service.

6. No pension or gratuity shall be granted to any officer who shall be under fifty-five years of age, except upon a certificate from the Chairman and two medical practitioners that he is incapable, from infirmity of mind or body, of discharging the duties of his office, nor unless he shall have discharged such duties theretofore with diligence and fidelity to the satisfaction of the Council.

7. The Council may call upon any officer who is below the age of fifty-five to retire from the service on the ground of his inability to discharge efficiently the duties of his office. In such a case, if the Council considers that the special circumstances of the case justify the grant of a pension or gratuity, the officer so called upon to retire may, with the approval of the Minister, be given such pension or gratuity as the Council thinks just and proper but in no case exceeding the amount for which his period of service would qualify him.

8. (1) The service which shall be counted for the purposes of a pension or gratuity granted to an officer of the Council shall be service in a permanent appointment on the fixed establishment of the Council. Where such officer has also had service in a permanent appointment on the fixed establishment of a predecessor or predecessors of the Council, such service shall also be counted as service under the Council if such service has been continuous with the service under the Council :

Provided that an officer transferred from the provisional and temporary establishment to the fixed establishment may be allowed to count his provisional and temporary service when it has been continuous with his subsequent permanent service.

(2) Service by an officer who is under sixteen years of age shall not be counted for the purposes of grant of pension.

9. The service in respect of which pensions and gratuities are granted under these by-laws shall in all cases be continuous, unless interrupted by abolition of office or other temporary suspension of employment, not arising from misconduct or voluntary resignation on the part of the officer.

10. The pension or gratuity shall be computed upon the salary of the permanent office held by the officer at the time of his retirement provided he shall have held such office for at least three years; where he has not held such office for three years, the pension or gratuity shall be calculated upon the average of salaries attached to the permanent offices held by him during the three years next preceding the date of his retirement.

11. (1) In the case of abolition of office, if the officer has completed 120 months' gross service, he may be granted a pension of 1/720th of his salary for each month of his service counting for pension with an addition to such service of one month for each completed period of two months' service, the addition in no case exceeding 60 months.

(2) If such officer has not completed 120 months' gross service, he may be granted a gratuity of 1/12 of a month's salary for each month of service counting for pension with an addition to such service of one month for each completed period of two months' service, the number of months to be so added in no case exceeding that which, if added to the age of the retiring officer, would make that age sixty or more.

12. If any person being in receipt of a pension from the Council shall be convicted of any offence in any court in the Island for which he shall be sentenced to death or to any term of imprisonment with hard labour exceeding six months, such pension shall forthwith determine and cease to be payable, unless such person shall, within three months after his conviction, receive free pardon or unless the Council shall otherwise order.

13. Officers on the fixed establishment of the Council may be required to retire on or after attaining the age of fifty-five, upon the receipt by them of twelve months' notice to that effect, but they may continue in office till sixty years of age with the consent of the Council.

14. (1) Every officer who is transferred to or from the service of the Council from or to any other public service and whose aggregate service would have entitled him, had it been wholly under the Council, to a pension under these rules, shall on his ultimate retirement from service, if he has served for a period of at least 12 months under the Council, be entitled to a pension which shall bear the same proportion to that to which he would have been entitled had the whole of his service been under the Council as the aggregate amount of the salary which he has drawn from the Council bears to the total sum made up of such aggregate amount and the aggregate of the amounts received by him in the course of his public service elsewhere than under the Council.

(2) In this by-law—

“public service” means employment under the Government or under any Municipal Council, Urban Council, Town Council or Village Committee; and

“aggregate amount of the salary” shall be interpreted as the amount of the aggregate salary of the substantive posts held by an officer in the course of his career, disregarding extra emoluments such as duty allowances, and regarding leave on half pay or without pay as leave on full pay.

15. Should an officer who retires on pension find after such retirement employment under the Council or employment elsewhere in a service which constitutes public service within the meaning of by-law 14 (2), on a salary not less than that which he drew from the Council at the time of his retirement, his pension shall be suspended so long as such employment continues, and if he obtains such employment on a salary less than that which he drew from the Council at the time of his retirement, he shall be entitled to only so much of his pension as when added to the salary

of the new appointment would make his total emoluments equal to the salary last drawn by him previous to his retirement.

16. Employees on the fixed establishment of the Council drawing salaries of less than Rs. 360 per annum and retiring on account of age or infirmity after serving continuously for any period not less than fifteen years may, if the Council be satisfied that they are unfit, owing to age or infirmity of body or mind, further to discharge efficiently the duties of their offices, be granted pensions, to be called long service allowances, not exceeding Rs. 7.50 per mensem in each case, as the Council may think fit. Employees in receipt of daily pay who have completed a period of fifteen years of continuous service, retiring under like circumstances, may, at the discretion of the Council, be awarded gratuities calculated at the rate of one-eighteenth of a month's pay, as drawn at the time of retirement, for each completed month of service.

17. (1) If any case which is not covered by these by-laws and which, in the opinion of the Council, merits the award of a pension or gratuity, shall arise, the circumstances of such case shall be reported by the Council, together with the recommendation of the Council, to the Commissioner for submission to the Minister. The Council may, in such a case, grant only such award as may be approved by the Minister.

(2) The employees of the Council who are paid on a commission-basis shall not be eligible for the receipt of a pension or gratuity under this by-law.

18. (1) The Council may, with the approval of the Minister, pay a gratuity in accordance with the provisions of this by-law to the widow or the children or the dependants of any officer or servant who dies in the service of the Council after he has completed five years' public service as defined in by-law 14 (2).

(2) (a) in the case of any officer or servant referred to in paragraph (1) who was holding a post on the fixed establishment of the Council and was in receipt of a salary of not less than Rs. 360 per annum at the time of his death, the gratuity payable under this by-law shall be a sum equal to twelve times the monthly salary drawn by him in respect of that post at that time.

(b) In the case of any officer or servant referred to in paragraph (1) who was not holding a post on the fixed establishment of the Council but was in receipt of a salary of not less than Rs. 360 per annum at the time of his death, the gratuity payable under this by-law shall be a sum equal to three times the monthly salary of the post held by him at that time, together with an additional sum computed at the rate of one month's salary for each minor child surviving him: Provided, however, that such additional sum shall not be payable in respect of more than six such minor children in any one case.

- (3) The gratuity shall be payable—

- (d) where there is no widow or child of the deceased officer or servant surviving him, to the dependants of the deceased officer or servant who were living with and were maintained by him at the time of his death.
