In the matter of an Industrial Dispute

between

The South Ceylon Democratic Workers' Union,
No. 1/10, Dickson Road, Galle,

and

The Galle Co-operative Stores Union, Ltd.,
No. 9, Ward Street, Galle,

This is an Award under section 17 of the Industrial Disputes Act (Cap. 131) as amended by the Industrial Disputes (Amendment) Acts, Nos. 14 and 62 of 1957 and 4 of 1962. It relates to an industrial dispute between the South Ceylon Democratic Workers' Union, No. 1/10, Dickson Road, Galle (hereinafter referred to as "the Union") and the Galle Co-operative Stores Union, Ltd., No. 9, Ward Place, Galle (hereinafter referred to as "the Society").

The Honourable the Minister of Labour by his Order dated 26th April, 1960, referred the dispute to me for settlement by arbitration. The Deputy Commissioner of Labour by his statement of matter in dispute dated 12th April, 1960, set out the matter in dispute as whether the non-employment of D. S. Hettiarachchi is justified and to what relief he is entitled.

3. After both parties to the dispute had filed their statements as required by the regulations framed under the Act, the inquiry was commenced on 3rd October, 1960. After a prolonged and exhaustive inquiry on several days of hearing I made order on 25th February, 1961, that the non-employment of Mr. Hettiarachchi was not justifiable but I was not making an award in view of my holding that I had no jurisdiction. The Union took up the matter of the correctness of my decision that I had no jurisdiction before the Honourable the Supreme Court. The Supreme Court by its order of 14th May, 1962, quashed my order of 25th February, 1961, and directed that the proceedings be remitted to me that I may make an award. The order of the Supreme Court also stated that if I considered such a course necessary a further opportunity may be given to the parties to make any submissions on the matter in dispute.

4. Accordingly, I held further sittings on the 8th September, 1962, and 22nd October, 1962. On 8th September, 1962, Mr. Advocate M. S. M. Nazeem instructed by Mr. A. Amerasekera appeared for the Union while Mr. W. G. L. Perera, Administrative Secretary, represented the Society. On 22nd October, 1962, the appearance for the Union was the same while Mr. Advocate Nandalochana instructed by Mr. Wickramanayake, Proctor, appeared for the Society assisted by Mr. W. G. L. Perera, Administrative Secretary. At these sittings submissions were made to me on the questions of re-instatement, back pay, compensation, gratuity and connected matters. Mr. Hettiarachchi was also called to give evidence relevant to the above matters. My decision that the dismissal was unjustifiable was not canvassed.

5. With regard to the question of re-instatement all parties were agreed that such an order was undesirable in view of the strained feelings existing between Mr. Hettiarachchi and the management of the Society. Where there are no cordial relations between the Management and its Administrative Secretary work itself is likely to suffer. Mr. Hettiarachchi may not enjoy that peace of mind that is essential for good work for where there is no error an error may be found, or a small error may be greatly magnified. In his own interests I would not make an order for re-instatement. Besides, such an order would perpetrate an injustice to the officer who has been appointed to take the place of Mr. Hettiarachchi after his dismissal.

6. The question is then one of relief. How is this to be measured? Mr. Nandalochana said that it was customary for Industrial Courts to order three months' salary; but that, as far as I am aware, is where the Courts had held that a termination of services was justifiable as, for example, in the case of a *bona fide* retrenchment. Mr. Nazeem asked for back pay up to date, less what Mr. Hettiarachchi had earned by employment during the interval. Mr. Nandalochana contended that back pay is tied up with re-instatement; and where there is no re-instatement, the question of back pay does not arise. Mr. Nandalochana may be right; but it is not sought to give back pay as such, it is only sought to use the measure of it as a measure for measuring out the loss sustained by the dismissed employee by reason of the wrongful dismissal. I do not, however, agree with Mr. Nazeem that the measure should be extended, as contended by him, to to-day. This Order is on an Order that should have been made on the 25th February, 1961, had I not misdirected myself in regard to the law as to jurisdiction. Had the Order of the 25th February, 1961, been made without inordinate delay I think the proper measure of relief would be the measure of the financial loss sustained by Mr. Hettiarachchi between the 14th February, 1959, when he was wrongfully dismissed and the 25th February, 1961, when an order for re-instatement could have been made. That would be as follows:—At the time of dismissal on the 14th February, 1959, Mr. Hettiarachchi was in receipt of a salary of Rs. 300 a month and an allowance of Rs. 30, totalling Rs. 330. He was paid up to the date of his dismissal. He was unemployed till 10th August, 1959, when he got an employment as Administrative Secretary of the Sat Korale Multi-Purpose Co-operative Union on a salary and allowance totalling Rs. 275 per month. After six months he was placed on a salary of Rs. 350 a month. He held this job till the 23rd October, 1960, when he was placed on no-pay leave because of an intervention by an Assistant Commissioner of Co-operative Development. He was re-instated on 15th April, 1961. So for the six months he was unemployed he suffered a loss of Rs. 330 × 6 equalling Rs. 1,980. For the six months he was on a remuneration of Rs. 275 per month he suffered a loss of Rs. 55 × 6 equalling Rs. 330. For the

four months from 23rd October, 1961, to the 25th February, 1961, when I could have made the Order for re-instatement he suffered a loss of Rs. 330 × 4 equalling Rs. 1,320. So the total loss sustained by Mr. Hettiarachchi from the date of his dismissal to the 25th February, 1961, would be Rs. 1,980 plus Rs. 330 plus Rs. 1,320, totalling Rs. 3,630. But I feel that there has been an inordinate delay. Though dismissal was on the 14th February, 1959, the Hon. Minister's reference to arbitration was not made till the 26th April, 1960, a little over a year later. My inquiry commenced on the 3rd October, 1960, about five months later, no doubt due partly at least to delay in filing statements. I do not think it just or equitable that the Society should suffer for this delay. If the Minister's reference had not been unduly delayed I think the proceedings could have been concluded before the no-pay leave commenced on the 23rd October, 1960. The occasion for the no-pay leave may not have arisen. If the Union had hustled the Labour Department the Minister's reference would have been much earlier. Therefore I do not think I should award the Rs. 1,320 loss sustained by Mr. Hettiarachchi being placed on no-pay leave. I would award six months' pay and allowance amounting to Rs. 1,980 plus the loss sustained by receiving a remuneration of Rs. 275 a month for six months, Rs. 330. The total would be Rs. 2,310.

7. Mr. Nazeem urged that in assessing compensation regard should be had to the loss of bonus for the years 1957, 1958 and 1959. It would appear that at a general meeting of the members of the Society held in 1960 it was resolved that for each of the years 1958 and 1959 employees be paid a month's salary as bonus and that some time in 1959 it was resolved that a month's salary be paid as bonus for the year 1957. Mr. Nazeem asked for Rs. 990, being three months' salary which Mr. Hettiarachchi is likely to have been paid as bonus for the three years 1957, 1958 and 1959. It is clear that when the resolution was passed in 1960 Mr. Hettiarachchi was not in service. Mr. Hettiarachchi stated that he was refused bonus for 1957 because when the audit report of 1957 was discussed certain allegations were made against him. The granting of bonus is entirely within the discretion of the general meeting. It is no part of the contract of service that bonus should be paid. If Mr. Hettiarachchi had been in service he could not have claimed it as a legal entitlement. The general meeting could resolve to give more than a month's salary to some worker who had shown exceptional diligence in the performance of his duty, or less than a month's salary to a worker who had not been diligent in its judgment, or nothing at all. That being so, there is no certainty that the general meeting would have granted a bonus to Mr. Hettiarachchi in respect of the years 1958 and 1959. The failure to get the bonus cannot be regarded as a loss sustained by him by reason of the wrongful dismissal. This request is refused.

8. Mr. Nazeem also asked for gratuity based on a month's salary for each year of service under the Society. When a person's services are terminated by an employer and he takes a new employment the services under the previous employer are lost for purposes of getting any retirement benefit. That is why Industrial Courts in certain circumstances order the payment of gratuity based on a month's or half a month's salary for each year of service. But in this case retirement benefit has been provided for by a provident fund to which the employee contributes 7½ per cent. of his salary and the employer 7¼ per cent. I am told that a sum of Rs. 2,007.15 is lying to the credit of Mr. Hettiarachchi up to June, 1959, along with interest. In regard to gratuity, Mr. Nazeem referred me to the Award in the dispute between the Sri Lanka Nidahas Pakshaya Lanka Jatika Sevaka Sangamaya and Delmege Forsyth & Co., Ltd., made by Mr. S. A. Wijayatilaka and published in *Gazette* No. 12,977 of 9th March, 1962. I do not think that that Award helps Mr. Nazeem. It will be seen at paragraph 18 of that Award that Mr. Wijayatilake ordered that gratuity be paid on the basis of one month's salary for each completed year for service during the period prior to the inauguration of the Company's provident fund. In the case before me there is no evidence that the provident fund was inaugurated on a date subsequent to the commencement of employment of Mr. Hettiarachchi. So far as I understand there has been a provident fund all along during the period of service of Mr. Hettiarachchi. So if the case cited by Mr. Nazeem be applied, Mr. Hettiarachchi will not be entitled to any gratuity. The request for gratuity is refused.

9. I was told by Mr. Hettiarachchi that the Society only pays the employee's contribution and interest on it and withholds the employer's contribution and interest on it when an employee is dismissed; that he feared that he might not get the full sum. Mr. Nandaloohana did not tell me of any such intention on the part of the Society to withhold a part of the sum lying to Mr. Hettiarachchi's credit. In this case where I am holding that the dismissal is not justifiable and refraining from ordering reinstatement only for the reasons I have given above, he cannot be regarded as a dismissed employee. In this connection I would invite the attention of the Society to the Canakaraine Award in I. D. 1 of 1956, paragraph 81, where certain rules were laid down for the administration of provident funds. Rule 3 says that if the services are terminated after five years of service whether by the employer or by the employee he should be entitled, subject to the provisions of rule 5, to the full amount standing to his credit; but the employer's contributions are to be paid one year after the termination of the employee's service.

Rule 5 referred to states that the employer shall have a lien on his own contributions and interest thereon in respect of any financial loss caused by the employee to the employer through fraud, misappropriation, theft, negligence, or otherwise whatsoever, or in respect of any indebtedness to the employer to the extent of such loss or indebtedness. The Award does not bind the Society as it is not a party to it, but it has been accepted by the industrial world of Ceylon as a part of the employee's charter of rights, and so far as I am aware the authorities of the Employees' Provident Fund insist on the incorporation of this rule before it approves any private provident fund. Hence I myself have no fear that the full sum lying to Mr. Hettiarachchi's credit in the provident fund will not be paid to him on application.

10. In the result I make award holding that the non-employment of Mr. Hettiarachchi is not justifiable and direct the Society to pay him Rs. 2,310 as relief. I do not order re-instatement. The Union will also be entitled to the costs of the proceedings before me which I fix at Rs. 250. Both the sums of Rs. 2,310 and Rs. 250 should be paid to Mr. D. S. Hettiarachchi and the Union respectively through the Assistant Commissioner of Labour, Colombo Industrial Relations, No. 167, Stafford Place, Colombo 10, within one month of the publication of this Award in the *Ceylon Government Gazette*.

THE INDUSTRIAL DISPUTES ACT, CHAPTER 131, OF THE LEGISLATIVE ENACTMENTS, CEYLON (REVISED EDITION)

THE decision, on a reference made by the Ceylon Newspaper Employees' Union under section 34 (1) of the Industrial Disputes Act, Chapter 131, in respect of the questions as to the interpretation of the Award of the Industrial Court in the industrial dispute between the Times Sevaka Sangamaya (presently known as Ceylon Newspaper Employees' Union) and Times of Ceylon Ltd, Colombo, published in the *Ceylon Government Gazette* No. 12,432 dated May 19, 1961, transmitted to me by the Industrial Court, is hereby published in terms of section 34 (2) of the said Act.

N. L. ABEYWIRA,
Commissioner of Labour.

Department of Labour,
Colombo, 21st November, 1962.

Industrial Court at Colombo

No. I. D. 290 B

In the matter of an interpretation of the Award made under section 24 of the Industrial Disputes Act, No. 43 of 1950, as amended by the Industrial Disputes (Amendment) Acts, No. 25 of 1956, and No. 14 and No. 62 of 1957, on 10th May, 1961, by an Industrial Court in respect of an industrial dispute (No. I. D. 290), between The Times Sevaka Sangamaya, c/o The Times of Ceylon, Limited, Colombo, and The Times of Ceylon, Limited, Times Building, Colombo, and published under section 25 (1) of the said Act, in the *Ceylon Government Gazette* No. 12,432 of 19th May, 1961.

THE DECISION

1. This is a decision under section 34 of the Industrial Disputes Act, Chapter 131 of the Legislative Enactments, Ceylon (Revised Edition, 1956), as amended by the Industrial Disputes (Amendment) Acts, No. 14 of 1957, No. 62 of 1957, and No. 4 of 1962.

2. Consequent on an application (R1) dated 30th November, 1961, addressed by The Ceylon Newspaper Employees' Union, c/o The Times of Ceylon Limited, Colombo, to the Registrar of the Industrial Court under section 34 (1) of the Industrial Disputes Act, the Honourable the Minister of Labour and Nationalised Services selected me in accordance with the provisions of section 22 of the aforesaid Act, to constitute the Industrial Court for the purpose of deciding on two questions which had arisen as to the interpretation of the Award made by the Industrial Court with reference to the dispute set out for decision in No. I. D. 290. That dispute related to the question whether the salary scale of the Editorial Staff of the Times of Ceylon Limited, Colombo, should be on the lines of the salary scale adopted by the Associated Newspapers of Ceylon Limited.

3. The decision of the Industrial Court in I. D. 290 with regard to this question is embodied in paragraphs 11 and 12 of the Award therein. The Court awarded a certain salary scale set out in paragraph 11 and proceeded to set out, in paragraph 12, an alternative scale (identical with the scale operating in the Associated Newspapers of Ceylon Limited) which The Times of Ceylon Limited, could adopt if it so wished.

4. Subsequently difference of opinion arose between the Times Sevaka Sangamaya, which was the Union concerned in I. D. 290, and The Times of Ceylon Limited, in regard to—

(i) the interpretation of paragraph 11 of the Award in I. D. 290;

(ii) the selection of the scale to be implemented.

On an application made by the Sangamaya the matter was referred to the Court that had made the Award concerned (Mr. T. C. P. Fernando) for interpretation. The Court, having heard the two parties, gave its decision in the matter (I. D. 290A) on 30th August, 1961. In paragraph 4 of his decision Mr. Fernando stated that both parties had agreed that the scale set out in paragraph 12 of the Award in I. D. 290, was the scale which had been adopted by the Company since the publication of the Award and that, accordingly, the interpretation of paragraph 11 of the Award did not seem to be necessary.

5. The scale set out in paragraph 12 of the Award in I. D. 290 provided for three grades of which the intermediate grade, viz., Grade II, was to be the stagnation grade.

6. Now the two matters referred to me (since Mr. T. C. P. Fernando had died in the interim) for interpretation in the present dispute (I. D. 290B) are as follows:—

1. Whether the Management has or has not the right to place all employees on the stagnation grade pending the consideration of each individual case by the Special Board on the understanding that implementation will take effect from May 10, 1961, the date of the publication of the Award.

2. Is it correct, as the Union contends, that journalists holding special posts in the Lankadipa should be paid the same salaries as their counterparts in The Times of Ceylon, or are such salaries in excess of the scales a matter within the discretion of the Management? (Vide R1).

7. In the course of my hearing of the two aforesaid matters it became apparent that it might be possible for the Union and the Company to iron out their differences of opinion if they had the opportunity of discussing matters among themselves with the assistance and guidance of their respective counsel. I accordingly decided to adjourn my hearing and give them the desired opportunity.

8. Friendly discussions appear to have been held and eventually, by agreement between the two parties, the Company's interpretation of the Award in I. D. 290 in regard to the salaries of the editorial employees was set out in detail in a letter dated 10th May, 1962 (which I have marked X1 and which is reproduced as an appendix to this decision) which Messrs. Julius Creasy, acting on behalf of The Times of Ceylon Limited, addressed to Mr. S. P. Amarasingam, the Counsel who represented the Ceylon Newspaper Employees' Union, the other party to the dispute.

9. In view of the correspondence that passed between the parties with reference to the agreement arrived at, Mr. Felix Goonewardene, Managing Editor of The Times of Ceylon, Limited, by his letter of 7th July, 1962 (marked by me X3) informed the Registrar of this Court that the matters in dispute with regard to the interpretation of the Award in I. D. 290 had been settled along the lines of Messrs. Julius & Creasy's letter of 16th May, 1960 (X1). It was also agreed *vide* X2 and X3 that clause E in the letter of 16th May, 1962, had by mutual agreement been dropped.

10. This agreement concludes the matters of difference that have arisen between the parties in regard to the interpretation of the Award in I. D. 290—both of which matters are dealt with and embodied in the agreement. In view of the agreement between the parties it is possible for me to make my decision without hearing the parties further.

11. In view of the agreement arrived at between the parties my decision with regard to the contending views as to the interpretation of the Award as set out in the document R1 is as follows:—

(1) The Management has the right to place all employees on the stagnation grade (viz. Grade II) pending the consideration of each case by the Special Board set up by the Company to investigate individual cases in regard to efficiency, etc. With regard to the question as to the stage at which the efficiency bar should operate, it would appear from clause D of paragraph 2 of the agreement that the question of the determination of an employee's efficiency by reference to the Special Board arises only where his promotion from Grade II to the higher grade, viz., Grade III, is concerned. Where such an employee is recommended by the Special Board as meriting promotion he will accordingly be placed in Grade III at a point higher than the last salary he drew in Grade II.

(2) In regard to the matter referred to in item 2 of the document R1, this matter too is covered by the agreement, clause G of which provides that "the payment of salaries in excess of the maximum laid down in the Award will be a matter entirely in the discretion of the Management." (Vide X1).

12. In view of the agreement between the parties it becomes unnecessary for me to deal with the preliminary objection which learned Counsel for The Times of Ceylon, Limited (Mr. S. J. Kadrigamar) raised in regard to my jurisdiction to make an interpretation in terms of section 34 of the Industrial Disputes Act. Had it been necessary to decide the point I would have been prepared to hold that the disputed interpretations put forward by both parties clearly raised a question for interpretation within the meaning of section 34 and that it would have been possible to make a decision as to the correct interpretation solely on the explicit terms of the Award as laid down without having recourse to any extraneous evidence even though the form in which these matters were submitted for my interpretation gave the opportunity for the argument that the matters as set out in the Union's application (R1) were really new matters in dispute.

S. A. WIJAYATILAKE,
Arbitrator.

APPENDIX

Copy of X1

S. P. Amarasingam Esqr.,
Advocate,
82, New Bullers Road,
Colombo 4.

Dear Sir,

Further to your conversation with Mr. Felix Goonewardene on the 2nd instant, we set down below for purposes of record the Company's interpretation of the Fernando Award in regard to the salaries of Editorial Employees.

1. The Award will be applicable to all journalists (including photographers and cartoonists) attached to The Times of Ceylon, Lankadipa and the Daily Mirror.

2. Before the Award came into force all promotions were automatic and hence the need for maintaining proper record sheets of employees for purposes of assessing their efficiency did not arise. The Award makes it clear that the Management had the right to enforce efficiency bars for promotion from one grade to another. In the circumstances the procedure in regard to promotions will be as follows:—

(a) Each paper will have its own promotion board or panel consisting of the Managing Editor, the Editor, the Senior Assistant and the News Editor or Chief Sub-Editor as the case may be.

(b) It will be obligatory for each employee to maintain his own record of work and make such record available to the panel as and when it is needed.

(c) Because of the non-availability of any records prior to May, 1961, all employees on reaching the maximum of the initial grade, viz., Rs. 250 have been placed on the stagnation grade.

(d) The case of each employee on the stagnation grade will be referred to the respective panel and if found satisfactory, the employee will be placed in the higher grade at a point higher than his last salary.

(e) The cadre for the higher grade will be determined by the Management.

(f) Where an employee is not promoted to the higher grade such employee will be given the opportunity to show cause why the decision of the panel should not be implemented. If an employee is dissatisfied with the decision of the Management, his case will be referred to the Board of Directors whose decision will be final.

(g) As the Company's own salary scales have ceased to function, the payment of salaries in excess of the maximum laid down in the Award will be a matter entirely in the discretion of the Management.

(h) Notwithstanding the scale of salaries laid down in the Award, the Management reserves to itself the right to give any employee holding any post any salary in excess of that prescribed in the Award. The payment of such salary must not be regarded as a precedent. It is a payment made at the discretion of the Management on grounds of efficiency and merit and must not be regarded as a salary attached to a post.

(i) As an indication of the Company's sincerity and willingness to implement the Award, it has already sanctioned a number of promotions where the benefits to the employees concerned are far in excess of those prescribed in the Award.

Yours faithfully,
JULIUS & CREASY.

TEACHERS' WIDOWS' AND ORPHANS' PENSION FUND

Report of the Board of Management, for the period October 1, 1960 to September 30, 1961

1. *The Board of Management.*—There was no change in the composition of the Board of Management during the year under review. Mr. R. S. Jayawickrema continued to be the nominated member. Mr. B. V. George who functioned as Secretary and Accountant to the Board since October 1, 1958, was succeeded by Mr. R. Ponnampalam with effect from July 1, 1961.

2. *Contributors.*—As a result of the amendment to Regulation 4 of the School Teachers' Pension Regulations framed under the School Teachers' Pension Act, No. 44 of 1953, and published in *Gazette* No. 12,266 of January 6, 1961, a large number of uncertificated teachers become eligible to contribute to the Teachers' Pension Scheme. Hence, they are eligible for membership in the Teachers' Widows' and Orphans' Pension Fund as well. In all, the number of contributors would be about 30,000 but up to the end of September, 1961, declarations of family particulars under Regulation 10 have been received from about 17,250 contributors only.

3. *Registers of Recoveries.*—Duly reconciled registers of recoveries have not been furnished by the Director of Education in respect of the financial year 1957/58 onwards. As a result, pensions to widows of deceased teachers are being sanctioned on certificates of credit furnished by the Director of Education subject to verification of recoveries when the registers are made available. This practice is not very safe but there is no alternative as otherwise the dependants of deceased contributors will have to undergo undue delay and hardship.

4. *Actuarial Valuation of the Fund.*—The data required by the Actuary for the first quinquennial valuation of the Fund as at September 30, 1956, were furnished in December, 1959, and his report is awaited.

The second actuarial valuation of the Fund as at September 30, 1961, is now due but unless the declarations from all eligible teachers and the registers of recoveries up to the end of the financial year 1960/61 are received and individual accounts of contributors posted, a valuation of the Fund will not have the desired results.

5. *Claims.*—During the period under review 56 pensions were sanctioned making a total of 442 as at September 30, 1961. The total liability in respect of pensions sanctioned for the first ten years is about Rs. 92,500/- per annum.

The number of refunds authorised under Regulation 27 and 28 during the period is 28 making a total of 204 in all as a September 30, 1961.

6. *Cost of Establishment.*—The Government contributions paid to the Fund in respect of this year amount to Rs. 1,046,570.43 while a further sum of Rs. 2,242.90 was paid in on account of the previous year. The total payment on this account during the previous financial year was Rs. 989,501.60. The Government also meets the cost of establishment and other expenses incidental to the management of the Fund and the cost of living allowances payable on pensions under the Fund.

7. *Investments.*—In terms of Section 5(1) of the School Teachers' Pension Act, No. 44 of 1953, surplus monies of the Fund are invested in the securities prescribed in Section 20 of the Trusts Ordinance (Chapter 87). During the year under review the total amount invested in Rs. 2,533,800.00 worth of 4½ per cent Ceylon Government loans is Rs. 2,533,726.00.

The total amount invested in respect of the ten years ended September 30, 1961, is Rs. 13,096,083.00 in the purchase of Government stock worth Rs. 13,064,100.00 at interest rates ranging from 2½% to 4½% per annum. The total amount of interest receivable annually in respect of these investments is Rs. 453,713.00 as shown below:—

Purchase Price	Stock Worth	Interest Rate	Annual Interest
Rs. c.	Rs. c.		Rs. c.
5,176 00 ..	6,000 00 ..	2½% ..	150 00

<u>13,096,083 00</u>	<u>13,064,100 00</u>		<u>453,713 00</u>

The sum of Rs. 672,646.30 being balance with the Deputy Secretary to the Treasury as at September 30, 1961, has since been invested in 4½% Ceylon Government Loans.

8. *Interest.*—The total amount received on account of interest during the year is Rs. 371,875.19 as against Rs. 284,082.21 during the previous year. The amount of interest receivable on account of investment of monies of the Fund during the next financial year is estimated at about Rs. 500,000.00.

9. *Accounts.*—A statement of Receipts and Payments of the Fund for the year ended September 30, 1961, a statement of investments made during the year together with a cumulative statement of Receipts and Payments for the ten years ended September 30, 1961, and a statement of assets of the Fund as at September 30, 1961, duly audited by the Auditor-General are appended.

The Accounts of the Teachers' Widows' and Orphans' Pension Fund for the year ended September 30, 1961, were audited under my direction in terms of Regulation 6(1) of the Teachers' Widows' and Orphans' Pension Fund Regulation 1954.
