GE/2116.
17th December, 1962.

Sir,

TALWILA MARAWILA FISHING DISPUTE

IN terms of section 20 (1) of the Fisheries Ordinance (Cap. 212), I refer to you a dispute that has arisen between fishermen resident in the village of Marawila on the one hand and some of the persons, who are exclusively empowered by the Talwila Moderawella (Madel) Fishing Regulations, 1957, to take fish by means of a shore seine in the Talwila Padu and the Moderawella Padu, and who are not resident in the village of Marawila, on the other in regard to their respective fishing rights in the Ceylon waters adjacent to the village of Marawila in the Chilaw District.

2. The subject matter of the dispute is as follows:—

The fishermen resident in Marawila state that the Talwila Moderawella (Madel) Fishing Regulations, 1957, by empowering persons resident outside the village of Marawila to take fish by means of a shore seine in the waters adjacent to the village of Marawila, have unfairly deprived them of fishing rights which they enjoyed from time immemorial and thereby affected their means of livelihood. They request that they be given the exclusive right to take fish by shore seines in these waters.

The persons not resident in the village of Marawila who are empowered by the Talwila Moderawella (Madel) Fishing Regulations, 1957, to take fish by means of a shore seine in these waters are opposed to any adverse modification of the fishing rights conferred on them by the said regulations.

3. I have to request you to hold a Public Inquiry and report on not only the subject matter of this dispute, but also on all such matters relating to, connected with or arising from this dispute as may be mentioned in any representations that may be made in accordance with the provisions of this section.

I am, Sir,
Your obedient servant,
C. P. DE SILVA,
Minister of Agriculture, Land,
Irrigation and Power.

N. L. ABEYWIRA,
Commissioner of Labour.

Department of Labour;
Colombo 3, 14th December, 1962.

In the matter of an Industrial Dispute
between

The Independent, Industrial and Commercial Workers' Union,
407, Galle Road, Colombo 3,
and

Messrs. K. M. Kallappa Pillai & Co. Ltd., 263, Sea Street,
Colombo 11

The Award

This is an award under section 17 of the Industrial Disputes Act, Chapter 131 of the Legislative Enactments, Ceylon (Revised Edition), as amended by the Industrial Disputes (Amendment) Acts, Nos. 14 and 62 of 1957, and 4 of 1962. It relates to an industrial dispute between the Independent, Industrial & Commercial Workers' Union (hereinafter referred to as the "Union") and Messrs. K. M. Kallappa Pillai & Co. Ltd. (hereinafter referred to as the "Company").

By his order made under section 3 (1) (d) of the aforesaid Act dated the 25th of May, 1962, the Commissioner of Labour referred the above dispute to me for settlement by arbitration. According to the statement of the Commissioner of Labour, appended to his order, the matter in dispute between the parties is whether the non-employment of the Union member I. Arulmani is justified and what relief he is entitled to.

Very short statements were filed by the respective parties. The Union's case was that its member Arulmani's services had been terminated for no fault of his whilst the company's position was that the dismissal of Arulmani was with justification.

As no settlement was possible the inquiry commenced on the 26th of October, 1962, and was concluded on the 30th of November, 1962. At the inquiry Mr. H. C. VEDIWARDENA, Administrative Secretary of the Union, represented the Union whilst Mr. G. S. SIVAPRAGASAM, Proctor, appeared for the company.

The company was called upon to begin its case. Mr. SUNDARAM, Director of the company, gave evidence. He stated that Arulmani joined the company as a lorry driver on the 1st of June, 1960, and that his normal working hours were from 8 a.m. to 5 p.m. and he was paid Rs. 152.42 per month. He also stated that on the 3rd of April, 1962, a building in the Head Office of the company was demolished and there was some debris particularly some timber which he called upon Arulmani to transport from the Head Office in Sea Street to another piece of land owned by the company at Mattakuliya. This order was given at 4.30 p.m. but Arulmani declined to carry out the instructions stating that he had to meet a friend. This excuse Mr. SUNDARAM claimed was a lame one, more so as Arulmani had about a month prior to the 3rd of April, 1962, given the same excuse when he was called upon to carry out some work. It was suggested to Mr. SUNDARAM by the Union that the company never paid overtime for work beyond the normal working hours. This was denied. Mr. SUNDARAM claimed that except for short spells of 15 to 30 minutes overtime had always been paid when workers were called upon to perform long hours of overtime work. It was also suggested to Mr. SUNDARAM by the applicant Union that he had victimized Arulmani because the latter had been instrumental in causing the Department of Labour to carry out an inspection which resulted in the detection of under-payments. Mr. SUNDARAM vehemently denied that he was aware that his lorry drivers and cleaners were members of a Union. He maintained, however, that he did become aware of the fact that the lorry drivers and cleaners were members of the Union after the Union had commenced a strike on the termination of the Union member Arulmani's services. The burden of Mr. SUNDARAM's evidence was that he terminated Arulmani's services for disobedience.

Arulmani, the Union member, gave evidence. He stated that he was engaged by the company on the 1st of June, 1960, as a lorry driver and had continued in service without any complaint being made against him till the 3rd of April, 1962, when his services were wrongfully and summarily terminated. He further stated that he joined the Union in October, 1961, and thereafter became President of the Branch Union which was established in the company. His working hours were from 8 a.m. to 6 p.m. and as no overtime was paid for work done in excess of the normal working hours he complained to the Parent Union and was instrumental in getting the Parent Union to represent matters regarding overtime and non-payment of correct wages to the Department of Labour. He also stated that on the 3rd of April, 1962, he was instructed by Mr. SUNDARAM, a Director of the company, to transport some timber at 5.30 p.m. and he declined to carry out this instruction as he had to meet a friend with a view to assisting him to obtain employment. The burden of Arulmani's evidence was that as he was an active unionist the company by terminating his services has victimized him.

In further support of this allegation of victimization the Union led the evidence of P. Y. SOMASIRI, a lorry cleaner, of Mr. B. F. L. PERERA, Assistant Commissioner of Labour of the Industrial Relations Division of the Department of Labour, and of Mr. W. M. D. A. WIJEMANNE, Labour Officer attached to the Enforcement Division of the Department of Labour. Somasiri's evidence was that he was the cleaner attached to the lorry which the applicant drove and counted service in the company from the 15th of May, 1958, but had been dismissed on the 12th of October, 1962, by the company for driving a lorry without authority and damaging its brakes. Somasiri's further evidence was that he generally reported for work at 8 a.m. and work terminated at 5 p.m. and as no overtime was paid as Secretary of the Branch Union at the workplace he did represent matters to the Labour Department. He admitted that on the 3rd of April, 1962, when Arulmani was asked to transport some timber Arulmani declined to carry out this order on the ground that he had to meet a friend. Mr. B. F. L. PERERA, Assistant Commissioner of Labour attached to the Industrial Relations Division of the Department of Labour, spoke to the fact that he did hold two conferences on the 13th and 17th of April, 1962, notes of which were marked A. 1 and A. 2, on receipt of a letter from the Union complaining that Arulmani's services were terminated for no fault of his nor was he paid a month's salary in lieu of notice nor compensation for his past services. Mr. WIJEMANNE, Labour Officer attached to the Enforcement Division of the Department of Labour, stated that on receipt of a letter from the Union dated the 22nd of December, 1961, on behalf of lorry drivers and cleaners that they were not being paid overtime, holiday wages and minimum wages under the Wages Board for the Motor Transport Trade he carried out an inspection on the 17th of January, 1962, and thereafter called upon the company by letter dated the 21st of March, 1962, to remit a sum of Rs. 817/91 as under-payments and holiday wages. Mr. WIJEMANNE further stated in evidence that the entries made in the

attendance record indicated that the motor transport workers in the company worked from 9 a.m. to 6 p.m. These entries were supported by the signatures of the workers and no overtime was therefore due to them. Mr. Wijemanne further explained that the company disputed the amount called for and on the production of other documents and subsequent discussions with the company the amounts claimed as under-payments were revised.

The question for my determination is whether the non-employment of I. Arulmani is justified and what relief he is entitled to. I must say at the very outset that the Union has taken up different positions at different times. In its letter to the Department of Labour after the termination of Arulmani's services it had complained that Arulmani's services had been terminated for no fault of his. At the conference which was held on the 13th of April, 1962, the notes of which are marked A. 1, the Union took up the position that Arulmani declined to carry out the order given to him by the company on the 3rd of April, 1962, as the management did not pay overtime for work done outside normal working hours. In the course of the arbitration proceedings before this Tribunal there was a further change in the position of the Union. It alleged, for the first time, victimization on the part of the company. It was suggested that Arulmani being the President of the Branch Union at the company was instrumental in causing the Parent Union to complain to the Department of Labour regarding the non-payment of overtime and under-payments to the workers and the company was therefore actuated by this reason to terminate Arulmani's services. To support this allegation of victimization, the Union led the evidence of Mr. B. F. L. Perera, Assistant Commissioner of Labour, of Mr. W. M. D. A. Wijemanne, Labour Officer, and also the evidence of P. Y. Somasiri, an ex-worker. Mr. Perera was only able to speak to the fact that he had convened two conferences after the termination of Arulmani's services. From the evidence of Somasiri and of the Labour Officer Mr. Wijemanne I am satisfied that the Union did complain to the Department of Labour regarding the non-payment of overtime and holiday wages to the workers and the Department did after investigation call upon the company to pay a certain sum of money by way of under-payments and holiday wages but from these facts alone it is not possible to conclude that Arulmani was singled out for punishment for his Union activities. On the other hand, it is common ground that Arulmani did on the 3rd of April, 1962, decline to carry out a legitimate order to transport timber. On Arulmani's own evidence he declined to transport this timber on the evening of the 3rd of April, 1962, not because he was not paid overtime but because he had "to meet a friend". This excuse is admittedly a lame one. Had Arulmani urged by way of an excuse sickness of a family member or some other cogent reason the company could have given due consideration to it. Had it not done so, its *bona fides* would then have been questionable. There is however a conflict of evidence

regarding the time this order to transport timber was given. Mr. Sunderam's evidence is that it was at 4.30 p.m. that he gave this order. Arulmani's contention is that the order was given at 5.30 p.m. Be that as it may, the refusal to carry out the order was not on the ground of non-payment of overtime but on the ground of a lame excuse. Arulmani also in his evidence alleged as an act of victimization his having to sign at the end of March, 1962, in acknowledgment of his March salary, in a new Pay Book. He also alleged that during the period of his employment under the company he had never been paid overtime. I called upon Mr. Sunderam to refute these allegations and on the second day of the inquiry Mr. Sunderam produced before me the Pay Roll. On an examination of this Pay Roll I am abundantly convinced that the same Pay Roll has been used in respect of January, February, and March, 1962, except that in the month of March the relevant page had been ruled to provide for information regarding the age and class of work, which the company would appear to have done after it had received instructions from the Department of Labour by its letter of the 21st of March, 1962. Mr. Sunderam also produced marked R. 1 a signed receipt obtained from Arulmani in support of the payment of Rs. 12 as overtime in respect of the 9th, 10th and 11th of March. The Union did neither assail the genuineness of this overtime receipt nor the signature of Arulmani thereon. Arulmani's allegation therefore that he had never been paid overtime by the company is without foundation. On a consideration of the evidence in its entirety I am constrained to hold that Arulmani did on the 3rd of April, 1962, without a valid excuse disobey the instructions of the Director of the company given to him during normal hours and is therefore guilty of conduct subversive of discipline. Arulmani's non-employment is therefore justified. The punishment meted out for the offence has been summary dismissal. This to my mind is excessive. What is required of this Tribunal is to make a just and equitable award on the facts of the case. Having regard to the length of service of Arulmani, which is less than 2 years, and also considering the special circumstances of this case the ends of both justice and equity would be met if the dismissal is converted into one of discharge and Arulmani paid a month's salary in lieu of notice.

I therefore award that the sum of Rs. 152/42 being a month's salary be paid by the company to the Union member I. Arulmani through the Assistant Commissioner of Labour (Industrial Relations), 167, Stafford Place, Colombo 10, within 2 weeks of the publication of this award in the *Government Gazette*.
