INTRODUCTION

For the compilation of the Newspaper Article Index 1991 (English), 2 daily newspapers namely the Ceylon Daily News and the Island and 3 weekend newspapers namely the Sunday Observer, Sunday Island and Sunday Times have been selected. All the articles appeared in the newspapers were indexed according to the Anglo – American Cataloguing Rules 2nd edition (AACR II). Subject classification is mainly based on the 20th edition of the Dewey Decimal Classification and words in the current usage are used as subject headings in relation to the appropriate subjects.
