I. D. No. 192

In the matter of an industrial dispute  
between

The Nidahas Karmika Saha Velanda Sevaka Vurthiya Samithiya  
and  
City Mills Co., Ltd., Mawatagama

**THE AWARD**

This is an award under section 24 of the Industrial Disputes Act, No. 43 of 1950, as amended by the Industrial Disputes (Amendment) Acts, Nos. 25 of 1956, 14 of 1957 and 62 of 1957. It relates to an industrial dispute between the Nidahas Karmika Saha Velanda Sevaka Vurthiya Samithiya of 129, Kumaran Ratnam Road, Colombo 2 (hereinafter referred to as "the Samithiya"), and The City Mills Company Limited of Mawatagama (hereinafter referred to as "the Company").

2. The Hon'ble the Minister of Labour, by his order dated 23rd June, 1959, made under section 4 (2) of the aforesaid Act referred the dispute to this Court for settlement. According to the statement of the Acting Deputy Commissioner of Labour, dated 18th June, 1959, the matters in dispute between the Samithiya and the Company are—

- (1) the non-employment by the Company of eleven persons who are named in that statement;
- (2) the demand made by the Samithiya for payment of Special Living Allowance of Rs. 17.50 with retrospective effect from 1.1.58.

3. At the inquiry before us Mr. Advocate C. T. P. Rajapakse, instructed by Mr. Arthur Samarasekera appeared for the Samithiya and Mr. Advocate J. Pathirana instructed by Mr. L. Senanayake appeared for the Company.

4. In view of the closing down of the Company's factory the Samithiya withdrew the demand for payment of a Special Living Allowance.

5. *Non-Employment of Workers.* The Samithiya story is briefly as follows:—As a result of representations made to it, the Labour Department found that the workers of the Company were entitled to certain sums of money on account of short payments to them as wages. In all a sum of Rs. 1,183 was found to be due to 29 workers. The Labour Department recovered this money from the Company and appointed a date for an officer to visit the factory to distribute it. The management of the Company, however, for some reason, told the workers that they should not take the money from the Labour

Officer. But when the officer arrived these eleven workers obtained their money from him. Thereafter they were told there was no work for them. The Company admits that there was a shortage in respect of wages and points to the readiness with which the sum due was paid to the Department of Labour. It denies that these men were refused work on the contrary it asserts that three of them who came were given work and that the rest did not come for work.

6. The workers who gave evidence before us have stated that when no work was given them on the first day they turned up for work after the distribution of short wages by the Labour Officer. They reported the matter to the Assistant Commissioner of Labour who gave them the letter R. 3 to be presented to the management of the Company. The manager admitted that he received R. 3. It is therefore clear that the men were quite seriously asking for work. Going to the Assistant Commissioner of Labour and obtaining R. 3 and presenting it to the Company—all this is not consistent with the contention that the men absented themselves from work. From all the evidence before us it is clear that the men have been refused work. The witness Ranaweera Banda who was called by the Company corroborated the evidence led on behalf of the Samithiya. One of the eleven, he subsequently asked for and was given work. The evidence he gave does not in any way show that the Company did in fact desire that he should be given work. It has been suggested that these men were casual employees who turned up for work when they had no other work. Such a suggestion overlooks the fact that they had been workers of the Company for some time and were among those to whom payment became due on account of short wages.

7. Our finding is that the non-employment of the eleven persons, named in the statement of the Acting Deputy Commissioner of Labour, referred to in paragraph 2 above, is not justified. They cannot however be re-employed by the Company as the factory has been closed down. Our Order therefore is that each of them shall receive from the Company a sum of money equal to the average of the sums received by him as wages for the months of August, September and October, 1958. This money shall be paid to the Assistant Commissioner of Labour, Kurunegala, within two weeks of the publication of this Award.

**Industrial Court at Colombo**

No. I. D. 189

In the matter of an industrial dispute  
between

The Ceylon Mercantile Union, 22 1/3, Baillie Street, Colombo 1  
and  
Savoy Cinema, Galle Road, Colombo 6

**THE AWARD**

This is an award under section 24 of the Industrial Disputes Act, No. 43 of 1950, as amended by the Industrial Disputes (Amendment) Acts, No. 25 of 1956, No. 14 of 1957 and No. 62 of 1957. It relates to an industrial dispute between the Ceylon Mercantile Union, 22 1/3, Baillie Street, Colombo 1 (hereinafter referred to as "the Union"), and the Savoy Cinema, Galle Road, Colombo 6 (hereinafter referred to as "the Cinema").

2. The Honourable the Minister of Labour, Housing and Social Services by his Order made under section 4 (2) of the said Act dated June 3, 1959, referred to me for settlement an industrial dispute between the aforementioned parties. The Acting Deputy Commissioner of Labour has, by his statement dated May 27, 1959, set out the matter in dispute between the

parties as "the non-employment of Messrs. B. M. Wimalaratne, M. Wimalasena and D. Sagayam" by the Cinema and "to what relief each of them is entitled".

3. Mr. P. B. Tampoe, the General Secretary of the Union, represented the Union at the inquiry on August 27, October 12, and 13, 1959. Thereafter Mr. Advocate T. W. Rajaratnam instructed by Mr. R. Saranavabagavan appeared for the Union and Mr. Advocate H. Rodrigo instructed by Mr. G. A. Nissanka appeared for the Cinema.

4. The Cinema is a limited liability company of which Mr. C. V. de Silva is the managing director and one Mr. Jayamaha is the other director. Wimalaratne and Wimalasena referred to above have been employed as operators of the projecting machines of the Cinema for a number of years and Sagayam has been an assistant also for a number of years. Wimalaratne and Wimalasena were each in receipt of a monthly salary of Rs. 195 while Sagayam was in receipt of Rs. 115 per month. All these three employees were suddenly dismissed, without any prior notice, on September 1, 1958.

5. Though required to do so by the Registrar of this Court, the Union has failed to file a statement setting out its case in regard to the matter in dispute as required by Regulation 20 (1) of the Regulations framed under the Act.

Mr. Tampoe, in his opening address, gave as the reason for the dismissals the fact that these men are members of the Union and it was the intention of the management of the Cinema to break the Union in that establishment.

6. The Cinema filed a statement dated July 2, 1959, setting out its case in great detail. The Regulations provide for the exchange of statements and answers thereto in regard to allegations made by the other party to the dispute. As the Union has failed to file a statement it is not possible for the management to file an answer. The failure of the Union to file even an answer to the statement filed by the management has necessarily prolonged the proceedings.

7. According to the statement filed by the management, these three persons acting in concert in pursuance of a conspiracy, committed the following acts of mischief:—

- (a) Damaged operating machines (meaning projecting machines),
- (b) Damaged the screen curtain,
- (c) Damaged electrical wires.

They also caused mischief in the course of filming pictures by—

- (i) sending blanks,
- (ii) showing a picture upside-down,
- (iii) reducing the volume of sound below audibility or increasing its volume abnormally, and impertinence and contemptuous refusal to send in explanations to queries raised.

8. The acts referred to above are set out in detail and evidence has been placed before me in regard to them. I would examine the evidence in regard to these acts.

#### Damage to projecting machines

9. There are two projecting machines in the cabin of the Cinema installed by Westrex Company who service them from time to time and maintain them in good working order. They are expensive machines each costing about Rs. 97,000. When a show is on, each machine is worked alternately for about fifteen minutes the time depending on the length of the reel unrolled. As the reel of one machine runs out the other should commence to work so as to avoid blanks appearing. The machines are cooled by a water cooling system. The water is kept in a round vessel about the size of a large saucepan attached to each machine. The flow of water in the circulating system may be seen through a small glass chimney called the water indicator glass which forms part of the pipes through which water circulates. To replace water in the vessels one has to raise the cover to which the pipes are fixed. The cover is lifted easily. I observed these at my inspection.

Instructions had been issued to all the operators that it is essential that the water should be replaced by fresh water regularly, once a week. According to the evidence of Mr. M. W. de Zoysa, an engineer from Westrex Company, if the water is not changed regularly scum is formed in the water which blocks the pipes and the circulating system would fail. This would damage the arc lamp and necessitate very expensive repairs.

10. The evidence shows that the machines were placed in charge of Wimalaratne and Wimalasena and that they had been regularly changing the water till some day in April, 1958. At normal times their work and that of the assistant commences with the 3.30 p.m. show and ends with the end of the last show which is at about 11.30 p.m. They are expected to come for work some time before 3.30 p.m. On Saturdays and Sundays there are also morning shows. Martin, another operator, and one Piyatissa, an apprentice, work these machines during those shows. Some time in April, 1958, a particularly long picture called "Bridge over the River Qwai" was filmed in the Cinema. As it was a long picture the afternoon show commenced at 2 p.m. and Martin and Piyatissa operated the

machines from 2 to 4 p.m. when Wimalaratne and Wimalasena and Sagayam took over and continued to operate for two more shows till about 1 a.m. From the time the "Bridge over the River Qwai" began to be filmed Wimalaratne and Wimalasena failed to change the water. On or about May 27 the water indicator glass referred to above on one of the machines broke. The explanation given by the Westrex engineer is that on account of the failure to change the water the circulation system failed and the water got heated up and, therefore, the glass broke. Wimalaratne and Wimalasena admit that they failed to change the water and their explanation is that since Martin and Piyatissa commenced to work the machines at 2 p.m. they should have changed the water.

It is no doubt true that the men who start to work the machines on any day should see that everything is in proper order before they commence, but I do not think it absolves Wimalaratne and Wimalasena of responsibility. They admit that when they took over at 4 p.m. they did not even ask Martin whether the water had been changed. They also say that it is difficult to change the water between shows as people begin to come in for the next show; that they have to go some distance to get water from the tap in the bathroom. The evidence is that tickets begin to be sold for the second and third shows, after the people who had come for the previous show had left the premises. I am unable to see any serious inconvenience in fetching water between shows. There is always sufficient time. In my view these two men have been guilty of gross dereliction of duty. The management would have been perfectly justified in taking strong disciplinary action on this occasion. But, no disciplinary action appears to have been taken and though letters have been sent to them from time to time with regard to other matters to which I shall refer presently not even a letter administering an admonition had been sent till the matter is referred to in the letters of dismissal sent on September 1, 1958. To my mind this neglect of duty would appear to have been condoned by the management, for, in July they were given an increase of salary. The letter P. 9 of July 31, 1958, to Wimalaratne states "This is to inform you that your salary is increased by Rs. 10 from the month of July, 1958, which sum is not being passed by the Government, but still we pay as a matter of grace." Mr. C. V. de Silva's explanation is that the increments fell due on January 1 but because of trouble at that time with the workers increments were not paid then and so he gave the increments in July.

#### Damage to electrical wires

11. Mr. de Silva's evidence is that he could not understand the damage done to the electrical wires; that in one month the electricity bill came to Rs. 5,000 which is far in excess of the normal bill, that the Electrical Department said that the wires had been cut and earthed and the current had leaked into the ground. He also said that he could not say who was responsible for this. There is not a tittle of evidence to connect these men with the damage. As to why the damage to the electrical wires is set out as one of the acts of mischief committed by these men, I cannot understand.

#### Mischief in the course of filming pictures by sending blanks

12. William, the supervisor, stated in the course of his evidence that blanks were sent on many occasions. Copies of letters sent to these men, however, refer only to one incident. R. 15 of June 21 to Wimalaratne and R. 20 of the same date to Sagayam state "It is reported that a blank appeared on the screen yesterday at 4.30 p.m. while you were in the cabin. Please explain how it happened." Wimalaratne, however, admitted in his evidence that there had been occasional blanks. It would appear that when one reel is about to end certain marks appear on the screen which are visible only to a skilled operator. When these marks appear the next reel has to be started. If there be any delay then a blank would appear. An operator must be all attention. But, one can appreciate a man's mind wandering occasionally or his reflex being slow at times. I think the management must make allowances for human weaknesses of that kind. Occasional lapses of that kind are not matters to be taken seriously. Of course, if they are too frequent, then serious notice has to be taken. The fact that there was only one letter in regard to blanks would indicate that they were not of great frequency.

13. There was also an occasion when the picture "Looser takes All" was made to 'change over' at 11.30 p.m. on March 5, 1958. The 'change over' has been explained as sending a blank. Wimalaratne explained that when a reel ended and he started another reel he accidentally pressed a foot-rest too hard and the blank was the result of it. This explanation was given by R. 14 of April 4, 1958. Apparently it was accepted as no action followed. No material has been placed before me to reject this explanation.

#### Showing a picture upside-down

14. The evidence shows that there was only one occasion when a picture was momentarily shown upside-down. That was a portion of a picture to be shown on a future occasion, shown during the filming of another picture by way of advertisement and is known as a "trailer". The picture was "Lisbon". It was shown upside-down on February 24, 1958. Letter R. 1 of

February 26 and R. 2 of February 27, 1958, relate to this incident. There appears to be some mistake with regard to the date of one or both of these letters. R. 2 is a letter from Mr. C. V. de Silva addressed to Wimalasena, Wimalaratne and Piyatissa (not Segayam) asking for an explanation as to why the trailer "Lisbon" was shown upside-down. R. 1 is the reply to that. The reply R. 1 is that after a show was over Piyatissa had re-wound the reel on the spool properly and had put it in its proper place. Martin entered the cabin with an inquisitive outsider to whom Martin unrolled this reel and explained things and put it back without re-winding it properly. As a result when it was put on the screen the picture was shown upside-down. No inquiry into this explanation appears to have been held and the matter appears to have been dropped. If the explanation be true, then little blame attaches to these men though, no doubt, by a close examination before exhibiting the picture the error could have been detected and set right.

*Reducing the volume of sound below audibility and increasing it abnormally*

15. There is no reference to this in any of the correspondence produced except in P. 2A of September 1, 1958, addressed to Wimalaratne with copies to Wimalasena and Sagayam, which is the notice of dismissal. There are no specific dates given when the volume of sound had been too loud or too low. Mr. de Silva said that when he was present in the hall on two or three occasions blanks were shown, but he did not say that on any particular occasion when he was present the volume of sound was too high or too low. The supervisor, William, says that there is a buzzer in the hall which he presses for a bell to ring in the cabin to warn the operators that the sound is too high or too low but that the operators did not take much notice. I accept William's evidence that there have been occasions when the volume of sound has been too high or too low, but I am unable to say that this has been due to any deliberate acts with malevolent intentions. I am also unable to accept that no notice was taken when the bell was rung. If no notice was taken of the ringing of the bell I would have expected the supervisor to have gone up to the cabinroom and got the matter corrected. The supervisor does not say that he did so on any occasion.

*Impertinence and contemptuous refusal to send explanations to queries raised*

16. The evidence with regard to this is that of Mr. de Silva who said that on one occasion he asked Wimalasena to go and see him and he had refused to comply. There is also letter R. 3 of March 10, 1958, written by Wimalaratne to Mr. de Silva. In R. 3. Wimalaratne says "I regret to inform you that as members of the All Ceylon Shop and Hotel Workers' Union we have all agreed to all the rules and regulations which our branch has laid down. As such no person is allowed to see you at your residence whatever the cause may be without consent of the union." According to the evidence, Mr. de Silva's house is about 300 yards away from the Cinema. I think to write a letter of this kind is gross impertinence. The branch union referred to consisted of himself, Wimalasena, Sagayam and a few others. So, he and a few others framed a rule and cite it as an excuse for this gross discourtesy. Much bigger persons than cinema operators go and see their superiors in their residences when required to do so. Mr. de Silva also said that on one occasion Wimalasena refused to answer a question addressed to him and replied "If you want a reply write to the union. The union will give a reply." R. 4 of July 24, 1958, probably refers to this. R. 4 is addressed to all the operators and runs as follows:—

"I have mentioned that it is impossible for any one to come to the cabin to inquire the reason for any fault or error made; they are laughed at when they come. It is also impossible to obtain any reply to any letter sent and we are told to ask from the union."

I am not attaching any great importance to the first part of the letter which says that when a person went into the cabin to inquire into any fault they are laughed at because Mr. de Silva himself did not say that he went and was laughed at. Nor has William said so. But, I do attach importance to answering back that replies should be sought from the union. My difficulty, however, is that I do not understand why disciplinary action was not taken then and there against the person who gave such impertinent replies both for the failure to submit an explanation and for the impertinent reply. It is Wimalaratne who wrote the impertinent letter R. 3 and Wimalasena who gave the impertinent oral replies. If the actual and immediate cause of the dismissal was good ground for dismissal I would regard these as additional cumulative causes for the dismissal.

17. The actual and immediate cause for the dismissal on September 1, 1958, of these three employees is the damage caused to the screen curtain. This incident is said to have occurred on August 29 at about 11.30 p.m. at the conclusion of the last show. The principal evidence with regard to this is that of Azeez, the fireman. According to him, after the show is over, the men in the cabin operate a switch to close the curtain. On this particular occasion when the curtain was being closed there was a big noise as if an iron bar was falling. So, he

shouted from where he was in the hall to the cabin to stop the curtain. At that time the curtain was half closed. After his shouting the curtain was held in the half closed condition. Then the operators opened up the curtain. After opening they closed it again and Azeez heard a sound as if a wire had snapped. Lights were then switched off and Wimalasena came down from the cabinroom. Azeez then explained to Wimalasena as to what happened and Wimalasena had replied that the keys of the cabin had been earlier given away and after locking it it was not possible to open it and switch on the lights that nothing further could be done and he went away. Azeez admitted that the key is generally handed over earlier and that the door is locked by pressing the lock. No key is necessary for locking the door. From what Azeez says, apparently Wimalaratne and Sagayam had already gone away and Wimalasena was the last to leave. Wimalasena denies this incident. According to him the curtain was properly closed as usual and the incident as described by Azeez is not true. August 29 was a Friday. On the following day, Saturday, there was a morning show operated by Martin and Piyatissa. Wimalasena's suggestion is that the curtain must have been damaged on Saturday morning. Azeez himself did not report the incident on the same night to the supervisor who lives on the premises, but himself went away. He reported the matter to William at 2 p.m. on the following day. William says that on Saturday morning he rang the bell at the usual time for the show to commence but the curtain did not open. Then Martin came running from the cabin and informed him that the curtain was not working. William then informed Mr. de Silva who was in the restaurant and he directed William to see that the curtain worked some how or other. William and others opened the curtain with the help of a ladder by pulling the curtain apart. There was a delay of about half hour in commencing the show and there was hooting and jeering from the patrons in consequence. In the afternoon when Wimalasena came to work William questioned him. Wimalasena denied any knowledge, but according to William, Wimalasena at the same time confirmed Azeez's statement and said that he wanted to go home and so he went away.

R. 17 of August 31, 1958, is a copy of a letter written by Mr. de Silva to Wimalasena in which he says that he was informed that the curtain wires were jammed on Friday night and that when it was brought to Wimalasena's notice he switched off and switched on again and although a noise was heard all over the hall indicating that the wires were being broken he continued to keep the switch on to break up the entire wires which were repaired only a week earlier. The letter further states that Mr. de Silva had instructed the labour clerk to write to Wimalasena that he would like to see Wimalasena the next morning. Wimalasena denies receipt of R. 17.

18. On the evidence before me I am inclined to believe that the curtain was damaged on the night of Friday, August 29, 1958, and not on Saturday (30th) morning and that Wimalasena is not speaking the truth. But that does not conclude the matter. The question is whether he can be held responsible for the damage. To my mind he had done what most others would have done when Azeez informed him that there was a noise when he first attempted to close the curtain. Wimalasena switched the curtain open again, it opened without difficulty. He then made a second attempt to close. On the second attempt the wire broke. If repairs had been done to the curtain only a week earlier as alleged in R. 17 it is obvious that the repairs had not been satisfactorily done. It is not as if he deliberately damaged the curtain wires by doing something directly. In the normal manner he attempted to close the curtain as usual, when there was a noise brought to his notice he stopped and as most others would do he opened out again and tried to close it for the second time when the wires gave way. I have no hesitation in exonerating him from wilful damage to the curtain. There is also no evidence to connect Wimalaratne and Sagayam with this incident.

19. As I stated earlier, the incident of August 29 was the immediate cause for the dismissal of the three men though letter P. 2A of September 1, 1958, is silent on this subject.

20. Apart from the five acts of mischief I have discussed above, the statement filed by the management also makes certain additional allegations of wrongful acts committed by these three persons in collaboration. One of them is that on February 21, 1958, there were no lights in the hall for the 6.30 p.m. show for a considerable time; also that there were no lights after the 3 p.m. show and no music before the 6.30 p.m. show on July 21, 1958.

On March 14 a fuse blew up and a switch was deliberately put off in the cabin to plunge the office and one of the bars in darkness.

Sagayam was absent without leave for some days.

Conduct calculated to humiliate the management in the eyes of the employees is another charge.

21. With regard to the delay in switching on the lights and putting on music, the employees admit their fault. Their explanation is that between shows they go for their meals or to have a cup of tea. Generally one of them returns quickly to attend to these things, but on the occasion mentioned they got a little delayed.

With regard to the fuse blowing up and switching off lights in the office and bar, they deny responsibility. They could not help the fuse blowing up, and the failure of the lights was consequential. William suggested that the fuse had been deliberately removed. I don't think that that can be so.

With regard to Sagayam being absent without leave, the evidence is that he was ill. He subsequently sent a medical certificate. The grievance of the management is that his falling ill coincided with the commencement of the showing of the picture " Bridge over the River Qwai " which, being a longer picture, the services of all the operators and assistants were required, and the medical certificate arrived only some days later.

The alleged conduct calculated to humiliate the management according to Mr. de Silva is that on some day he sent for Wimalaratne and asked him why the sound system was so low and Wimalaratne replied in an off-hand way that he could not hear the sound and went off.

22. I have set out the above matters to show that they are not serious acts to justify dismissal.

23. I would also advert to the fact that these men had not been served with any notice to show cause why disciplinary action should not be taken against them, setting out the charges against them. If such a course had been adopted and an inquiry was held into the explanation submitted by them it may be that the disciplinary action taken would have been something more lenient than dismissal.

24. At this stage I would refer to the evidence of Mr. S. Ratnam, Labour Officer. He produced a file of the Labour Department from the contents of which he was able to speak to certain facts of which he had no personal knowledge. It would appear that on February 13, 1958, a routine inspection of the Cinema was made by one Mr. B. D. Fernando, another Labour Officer. Mr. Fernando had discovered that short-payments had been made to the employees. Fifteen workers had been underpaid including Wimalaratne. The total amount involved was Rs. 2,120.42. There was also an allegation that some 32 workers who were entitled to overtime payments had not been paid their overtime dues. These 32 workers included Wimalaratne, Wimalasena and Sagayam. The total amount involved was Rs. 8,502.66. There was considerable correspondence and further investigations as the management took up the position that overtime was not payable. Later the Labour Department decided that overtime was not payable, but the under-payments were recovered. The evidence of Wimalaratne is that when the labour officer came to the premises they complained about these non-payments. It is not unlikely that these investigations and correspondence caused annoyance to the management. There is, however, no letter to show that the Union took up this matter with the Labour Department.

25. The motive alleged by the management for these three men to conspire and collaborate against the management is that in January, 1958, when the members of the All Ceylon Hotel and Shop Workers' Union of which these three were members went on strike, Martin did not join it. Hence, they are angry with Martin and were out to put him into trouble with the management. They made errors on numerous occasions in the discharge of their duties and blamed them on Martin. Consequent to inquiry into these errors and warnings and reprimands, their wrath has turned on the management. But, it will be noted that the strike was one of very short duration—only a matter of three hours.

I am not able to take this alleged motive seriously. I have also not been able to find any evidence of conspiracy and collaboration on the part of these men with regard to any of the acts alleged against them.

26. I hold that the non-employment of B. M. Wimalaratne, M. Wimalasena and D. Sagayam is not justified and I direct that they be re-instated in employment.

27. With regard to the question of payment for their period of non-employment, it will be seen that the dismissals were effected as from September 1, 1958. The Minister's reference of this dispute to this Court is dated June 3, 1959, several months later. Due to numerous unavoidable causes the investigation has also taken a long time. Though the workers have been without any employment all this time and have consequently suffered, I do not think it will be just to order the management to pay these employees their salaries from the date of dismissal up to the date of re-instatement. The management should not suffer for the law's delays. As I have stated earlier, these men have not had a blameless career. For some of their faults like failing to renew the water in the Westrex machine during the filming of the picture " Bridge over the River Qwai " and their impertinence for which no disciplinary action had been promptly taken I think some suffering is merited. I, therefore, order the management to pay each of the workers six months' salary only as wages for the period of non-employment, that is Rs. 135×6 each in the case of Wimalaratne and Wimalasena and Rs. 115×6 in the case of Sagayam.

I further order that the three workers should be re-instated in employment within a fortnight of the publication of this Award in the Gazette. It will be the duty of the Union to send these men to the management to enable them to be re-instated.

In regard to the payment of back-wages, this may be paid in six equal monthly instalments commencing on the 31st of May, 1960, and on the last date of each and every succeeding month till the full sum is paid, in the event of the management finding it difficult to pay this amount in one lump sum.

and

Messrs. Lanka Light Limited, Korala-wella, Moratuwa

#### THE AWARD

This is an award made under section 24 (1) of the Industrial Disputes Act, No. 43 of 1950 (as amended by Acts Nos. 25 of 1956, 14 of 1957 and 62 of 1957) relating to an industrial dispute between the Lanka Light Match Workers' Union and Messrs. Lanka Light Limited (hereinafter referred to as "the Union" and "the Company" respectively).

2. By his statement dated 3rd August, 1959, the Acting Deputy Commissioner of Labour has declared that the matter in dispute between the parties is whether the non-employment of (1) H. Silman Perera, (2) Theresa, and (3) James Peter is justified and to what relief each of the said workers is entitled.

3. The Hon'ble the Minister of Labour by Order dated 6th August, 1959, has referred the aforesaid dispute to this Court for settlement.

4. At the hearing of this matter the Union was represented by Mr. Advocate K. Shinya instructed by Mr. R. S. Baghavan, and the Company by Mr. Herman J. C. Perera, Proctor.

5. On 27th October, 1959, the first date of inquiry, Mr. Shinya stated that the case of Theresa is not being pressed and he desired it to be recorded that this is without prejudice to any action she may take legally. Hence the demand for reinstatement of this worker and any relief to which she may be entitled is rejected so far as this Court in these proceedings is concerned.

6. On March 7, 1960, when the question of non-employment and relief in regard to H. Silman Perera were taken up, the Union confined itself to the matter of relief only, having abandoned the demand for his reinstatement, inasmuch as he has now secured employment at the Wellawatte Spinning and Weaving Mills, where he chooses to remain, as he himself divulged to this Court. The Managing Director of the Company, Mr. H. E. P. de Mel, who was present in Court, readily adopted the suggestion made by us that a sum of Rs. 300 be paid to the said worker purely as an ex-gratia payment, in view of the facts that he counts service under the Company for a period of three years and nine months and had been out of employment for a term of eight months after his services had been determined on October 27, 1958. This settlement was acceptable to this worker who signified his assent thereto in our presence. The said sum of Rs. 300 along with his Provident Fund dues amounting to Rs. 97 was handed to him in open Court on March 23, 1960, by Mr. Harold Perera, the Factory Engineer. Mr. H. E. P. de Mel wishes it to be made a matter of record that this settlement should in no wise be considered or cited as a precedent in any future dispute that may arise between the Company and any of its workers whose services may terminate in circumstances similar to those that attended the termination of H. Silman Perera's employment, to wit, absence without leave as alleged by the Company. Mr. Shinya states that it should go down on record that this settlement has been arrived at without prejudice to either party. We, being

satisfied that this settlement has been reached on a fair and equitable basis and is in the interests of both parties, award accordingly.

7. Thus the inquiry proceeded in relation to the dismissal of James Peter alone. We would at this stage mention that a Member of this Court, Mr. S. B. Udurawana, ceased to be a member of the panel of the Industrial Courts after the commencement of this inquiry, and we have, notwithstanding such vacancy, acted under section 31 (1) of the Industrial Disputes Act, No. 43 of 1950, as amended.

8. On April 20, 1960, after the evidence of James Peter had been fully recorded, and the examination-in-chief of Mr. Lucius Mendis, the Assistant Factory Engineer, taken, the parties, on our suggestion, arrived at a settlement in the course of the cross-examination of Mr. Harold Perera, the Factory Engineer. At the time of this settlement there were present in Court Messrs. K. Shinya, Merrill Fernando and James Peter on behalf of the Union, Messrs. H. E. P. de Mel, the Managing Director of the Company, his proctor Mr. Herman J. C. Perera, Mr. Harold Perera, the Factory Engineer, and his assistant Mr. Lucius Mendis representing the Company.

9. The terms of settlement are as follows:—

"Of consent a sum of Rs. 2,100 will be paid to James Peter in full and final settlement. Both parties agree that neither of them has any further claim of any kind against the other. It is understood that the aforesaid Rs. 2,100 includes all Provident Fund monies which are due to James Peter. This settlement is without prejudice to the rights of either party. The money to be paid in cash on 21.4.1960 in open Court at 11.30 a.m. James Peter undertakes to sign the necessary receipts that may be necessary for the auditing purposes of the Company."

We are of opinion that this settlement is just and equitable and in the interests of both parties to the dispute and award in accordance therewith.

10. The sum of Rs. 2,100 was handed over by Mr. Harold Perera on behalf of the Company to James Peter in open Court on 21st April, 1960.

and

Mr. B. R. de Silva, Messrs. B. R. de Silva & Company,

#### THE AWARD

This is an award under section 17 of the Industrial Disputes Act No. 43 of 1950 (as amended by Acts Nos. 25 of 1956, 14 of 1957 and 62 of 1957). It is in relation to an industrial dispute between The Ceylon Labour Union, No. 39, Upper Chatham Street, Colombo 1 (hereinafter referred to as "the Union"), and Mr. B. R. de Silva, Messrs. B. R. de Silva & Company, Bristol Hotel Buildings, York Street, Colombo 1 (hereinafter referred to as "the employer").

2. The Hon. The Minister of Labour on 9.1.1960, by virtue of the powers vested in him under section 4 (1) of the Industrial Disputes Act No. 43 of 1950, has referred to me for settlement by arbitration an industrial dispute between the Union and the employer as set out in the statement of the Deputy Commissioner of Labour, bearing date 4.1.1960, which accompanied the said order.

3. The matter in dispute is whether the non-employment of Mr. P. Thambyrajah is justified and to what relief he is entitled.

4. On 26.4.1960 Mr. A. E. Goonesinghe represented the Union. Messrs. Advocates C. G. Weeramantry and Bodinagoda instructed by Mr. H. S. de Silva appeared for the employer.

5. Mr. Thambyrajah who was present stated that his initial is "R" and not "P" as appears in the statement of the Deputy Commissioner of Labour. The employer who was also present confirmed this. So did the representatives of the parties. I was satisfied that Mr. R. Thambyrajah was in fact the party to this dispute and hence proceeded with the inquiry.

6. After Messrs. Goonesinghe and Weeramantry had set out their respective cases, I suggested a settlement which was arrived at by the parties. It was agreed that a sum of Rs. 1,250 be paid to Mr. R. Thambyrajah by the employer as an "ex-gratia" payment in full settlement, and that neither party at any future date at any place whatsoever will have any further claim against each other in respect of this dispute, viz., the termination by the employer of the services of Mr. R. Thambyrajah. It is further agreed that the aforesaid sum of money will be handed over to Mr. R. Thambyrajah by the employer in my presence on 27.4.1960. I am satisfied that this settlement is just and equitable, as well as in the interests of both parties to the dispute. Hence I award accordingly.

7. On 27.4.1960, in accordance with the terms of the settlement mentioned above Mr. Weeramantry, counsel for the employer, hands over to Mr. R. Thambyrajah a cheque to the value of Rs. 1,250, which the latter accepts as a final settlement.

Dated at Colombo this 27th day of April, 1960.

Arbitrator.

#### THE AWARD

This is an award under section 24 (1) of the Industrial Disputes Act No. 43 of 1950, as amended by Acts Nos. 14 of 1957 and 62 of 1957.

It relates to an Industrial Dispute between the above-named Union and W. W. Fernando & Sons Ltd. The Hon. the Minister of Labour, by his order, dated

25th June, 1959, referred to this Court for settlement, the dispute between the parties. The matters in dispute are the following demands made by the said Union:—

1. The non-employment of the following workers as a result of the closure of the Kochchikade Desiccating and Oil Mills, due to repairs:—

(1) N. P. Gunadasa, (2) S. Alisendiri, (3) S. Pidilis Fernando, (4) Rosana Fernando, (5) M. Thegis Silva, (6) G. Aron Silva, (7) Vincent Fernando, (8) K. Aloysius Perera, (9) P. L. Alexander, (10) T. Francis Fernando, (11) W. A. Seebert Rodrigo, (12) Michael Fonseka, (13) P. M. Abilina Perera, (14) M. Sirimon Silva, (15) G. Pedrick Silva, (16) W. Pabilina Fernando, (17) S. Augustine Fernando, (18) Magilin Hathwyk, (19) W. Sebastian Fernando, (20) A. A. Hendrick Appuhamy, (21) M. A. Silli Nona, and (22) W. Peduru Fernando.

2. The demand of the Union for a maintenance wage to be paid to each worker during the period of the closure of the Mills.

It would appear that about December 1958, the Company decided that the Desiccating Mill required extensive repairs, and that the Mill should be closed for this purpose. This fact was notified to the workers by the notice P. 1 and the Mill was closed on 31st January, 1959. This fact is not disputed by the Union.

Mr. W. W. Fernando, the Managing Director of the Company, stated in his evidence that about the 20th May, 1959, he instructed his Kangany to inform the workers that the Mill would be re-opened on 2nd June, which was an auspicious day. A few days later the Kangany informed him that the workers had decided that they would return to work on 2nd June, only if all the discontinued workers were provided with work. Mr. Fernando stated in his evidence that as all the repairs to the mill had not been completed and he was able to give work to only some of the workers, he anticipated trouble on the day of the re-opening of the Mill. He thereupon wrote to the Superintendent of Police, Negombo, by his letter R. 1 requesting him to send a few Police Officers to the Mills on 2nd June. He also made an entry at the Police Station.

Mr. Fernando also stated that out of 51 workers who were discontinued on January 31, 1959, about 40 were outside the gate on the morning of June 2, and he ascertained from his clerk, Joseph Silva, that the workers were prepared to come to work, only if all of them were given work; otherwise they were going to create trouble. He then went to the Kochchikade Police Station and brought a sergeant and four constables to the Mill. At 7.45 a.m., which was the auspicious time, the gate was opened and Mr. Fernando informed the workers that he could give work only to some of them, as three desiccators were still being repaired, and that he would be able to give work to the others when all the repairs had been carried out. Then Aron, Alexander and Vincent and others replied that if all of them were not given work, nobody should work. Mr. Fernando stated that he told the workers that if anyone wanted work, he could go in and work, whereupon 21 went in and were given work. All those who were taken in were members of the Union.

The position taken up by the Union, was, that the closing of the Mill was only a ruse to get rid of the ring leaders of the Union, and that on the 2nd June only those whom the Managing Director wanted, were taken in. There is a good deal of substance in this contention. It seems strange that the management decided to close the Mill for repairs during the boom season of the industry. The management need not have closed the entire mill for repairs. They could have staggered the repairs. They could also have agreed to give two weeks' notice to the Union before the re-opening on 2nd June, but preferred to deal with the labourers individually. The management did not follow the normal practice of re-employing the workers according to the length of their past services, namely "last to come first to go". It would appear from the document P.4 that the Company gave preference to the seven families who were occupying the lines in the premises, without any reference to their length of service. Another circumstance which we view with suspicion, is the failure of the management to give notice to the workers of the probable date of the re-opening. Although Mr. Fernando stated that he ordered his Kangany to inform the workers before the re-opening, this important witness was not called. Furthermore the police officers who were brought to the Mill on the 2nd June, were not called to support the respondent's case. They are disinterested parties, and

therefore their evidence would have been of vital importance as to what happened on 2nd June. From the respondent's failure to call them, we are justified in drawing the inference that had they been called they would not have supported the respondent's case.

In view of the above we are of the opinion that there has been victimisation of the 18 workers for union activities.

Originally there were 22 workers referred to in the statement of the union of whom three have since been re-employed by the Company. They are N. P. Gunadasa, S. Alisandiri and S. Agostin Fernando. The name of Magilin Hathwyk has been wrongly inserted. She had left the Mill before it was closed. The inquiry therefore proceeded in respect of the remaining 18 persons. To these 18 workers we award 2 weeks' gross wages for each year of service, in the Company, up to a maximum period of five years. Any advances taken should be deducted from the compensation. We also order that they be given preference when future recruitments become necessary on the completion of the repairs to the Mill. If there is any dispute as to the length of service of each worker or the amount of advance taken, the Commissioner of Labour shall investigate and his decision shall be final.

We are also of the view that these workers are not entitled to a maintenance wage as they were given a month's notice before their discontinuance.

We also order that the Union shall pay the sum of Rs. 210 to the respondent as costs ordered on 11th January, 1960.

#### THE AWARD

This is an award under section 24 (1) of the Industrial Disputes Act No. 43 of 1950, as amended by Acts Nos. 25 of 1956, 14 of 1957 and 62 of 1957.

It relates to an industrial dispute between the above-named Union and Adamjee Lukmanjee and Sons Limited.

2. The Hon. the Minister of Labour by his Order dated 29th June, 1959, referred to this Court for settlement the dispute between the parties. The matters in dispute were the following demands made by the said Union:—

- (1) Provident fund for all workers to be established from 1st December, 1958.
- (2) One month's gross wages for each year of service to be paid to each worker as gratuity for past services.
- (3) The non-employment of the following nineteen persons: D. M. S. Jayamanne, Daniel Joseph, B. M. Seelawathie, J. V. Premawathie, B. Don Joseph Anthony, W. A. Mangonona, W. V. Thomas, W. P. Lanty Singho, K. L. D. Podisingho, K. Lily Nona, R. Nandawathie, L. Peiris, A. Mary Nona, K. A. Charlotte Nona, S. Murin, V. H. Sumanapala, H. M. Abeypala, A. Malini, W. D. Marynona, by the Company.

3. At the outset of the inquiry the Union moved to delete the names of the following four persons appearing in demand No. 3, to wit, D. M. S. Jayamanne, W. V. Thomas, L. Peiris, W. D. Mangonona, and this application was allowed and the inquiry proceeded in respect of the other fifteen persons.

In the course of the inquiry the Union withdrew demands Nos. 1 and 2. The only demand, therefore, which we have to consider is the last, namely, the non-employment of the fifteen persons above-named.

Mr. U. E. Perera, who originally appeared for the Union, stated at the commencement of the inquiry that the Union was proceeding on the basis of victimization, but Mr. Lionel Fernando, who appeared for the Union at a very late stage, denied this. Even if there was any victimization, sufficient evidence was not adduced to substantiate it.

4. It would be convenient to deal with the case of the Storekeeper, Joseph Anthony, first, as he was a monthly paid worker. He was at first employed as the Storekeeper of the Copra Section and was later transferred to the rubber section on the same terms and conditions of service. He got married about this time and was given an increase of salary, although his work was not up to the standard required. Mr. Tyebally, the Manager of the firm, stated in his evidence that this increase was given on compassionate grounds. Joseph Anthony's work got worse. He was slow in his work; his books were badly kept; and there were many mistakes in the entries. His incorrect entries were not altogether free of the implication of dishonesty although the Firm did not impute dishonesty for want of clear evidence. Both Mr. Tyebally and Mr. Rupasinghe, the rubber clerk, stated in their evidence that Joseph Anthony's work was in arrears and that he did not appear to be interested in his work. Things became so bad that Mr. Tyebally had to send Mr. Rupasinghe and Mr. Kamaldeen, another clerk, to help him in his work. Mr. Tyebally also offered to send Joseph Anthony to another firm to be trained in his work, which offer was declined. He was offered alternative employment on the same terms and conditions, which also was refused. He was therefore discontinued for inefficiency and was offered a month's salary in lieu of notice which he refused to accept. It was argued on his behalf that he could not have been inefficient because he was given an increase of salary, but according to Mr. Tyebally this was done on compassionate grounds as Joseph Anthony had recently got married and had asked for an increase. Within a month of the discontinuance of Joseph Anthony the Union took up the matter and the firm offered him alternative employment but the Union turned it down. The Union wanted him reinstated in the same job. When the matter was brought up at a conference with the Labour Department, Joseph Anthony was offered either six months' salary or alternative employment on the same terms and conditions, but the Union turned it down.

While giving evidence, Joseph Anthony went out of his way to impute dishonesty on the part of the firm. Furthermore, his evidence concerning the theft of a large stock of rubber from the stores was unconvincing and tended to throw suspicion on himself.

Mr. W. T. P. Goonetilleke, Counsel for the firm, argued on the authority of the award in I. D. 32, that the firm could not be called upon to pay compensation to Joseph Anthony because he was offered reinstatement and it was turned down. In I. D. 41 it was held that reinstatement need not be in the same job, provided the salary, the allowances and other emoluments were the same.

On the evidence before us we hold that the discontinuance of Joseph Anthony was justified. He is, however, entitled to a month's salary in lieu of notice. He has already received a sum of Rs. 613.30 due to him out of the Provident Fund as a terminal benefit.

5. Daniel Joseph was a watcher of the stores and was employed as such for nine months, six months of which he was on a temporary basis. The reason for his dismissal was that he was found in the premises of the stores when he was off duty. He had been warned previously for a similar offence. Furthermore, he was friendly with a reconvicted criminal named Rapiel who also was found in the premises at the same time. Rapiel had previously been charged with the theft of round iron belonging to the firm and Daniel Joseph was a witness for him in that case. Rapiel was acquitted after trial.

At the time of his discontinuance, Daniel Joseph was offered two weeks' salary in lieu of notice, but he refused to accept it. The management no doubt felt that the continuation in service of a watcher, who was a friend of a reconvicted criminal who had been charged with the theft of iron from the firm, was undesirable. On the evidence, therefore, we are satisfied that the discontinuance of Daniel Joseph was justified.

6. We now come to the two daily-paid workers, Seelawathie and Premawathie. They were employed to do a particular job, viz. clean, wash, sort and stack a large consignment of mouldy rubber, and were discontinued as the result of a fight between themselves in the premises. There had been several quarrels between these two women previously and they had been warned against a repetition of it. Although they denied in Court that they had a fight, they admitted it to the Labour Officer. The management took up the position that this type of behaviour was not conducive to good discipline. We hold that the discontinuance of Seelawathie and Premawathie was justified.

7. The other thirteen workers were, like Seelawathie and Premawathie, daily paid casual workers. They were recruited to do a specific job, viz. to clean, wash, sort and stack a consignment of mouldy rubber, and when this work was completed their services automatically came to an end. It was argued on their behalf that they were "temporary" and not "casual" workers and were therefore entitled to notice before discontinuance, and that in the absence of such notice they were entitled to at least one month's salary. It is in evidence, however, that they were informed about ten days earlier that their work would be over and that their services would not be required thereafter. The Union took up the position from the commencement that the fifteen labourers were "casual" workers, and it was only at a very late stage of the inquiry that they shifted their ground and argued that they were "temporary" workers; but they failed to prove this. We are of the view that the fifteen workers were recruited for a specific purpose, viz. to clean, wash, sort and stack the mouldy rubber, and when that purpose was accomplished their work came to an end. We therefore hold that these fifteen labourers were "casual" workers and therefore not entitled to any notice.

In the result, we hold that the non-employment of the fifteen workers above-named was justified and we make our award accordingly.

**THE INDUSTRIAL DISPUTES ACT, No. 43 OF 1950**

THE Award transmitted to the Commissioner of Labour by the Arbitrator to whom the industrial dispute which had arisen between The Ceylon General Workers' Union, 123, Union Place, Colombo 2, and the Burma Teak Trading Company Limited, "Teak House", 62, Bloemendhal Road, Colombo 13, was referred under section 3 (1) (d) of the Industrial Disputes Act, No. 43 of 1950, as amended by the Industrial Disputes (Amendment) Acts, No. 25 of 1956, No. 14 of 1957 and No. 62 of 1957, for settlement by arbitration, is hereby published in terms of section 18 (1) of the said Act.

N. L. ABEYWIRA,  
Deputy Commissioner of Labour.

Department of Labour,  
Colombo 3, 2nd May, 1960.

Award under Section 17 of The Industrial  
Disputes Act, No. 43 of 1950.

An Industrial Dispute

between

The Ceylon General Workers' Union

and

Burma Teak Trading Co., Ltd.,

was referred to me by the Acting Commissioner of Labour, by his letter dated 11.8.59, for settlement by arbitration under section 3 (1) (d) of the aforesaid Act. The matter in dispute, as stated by the Deputy Commissioner of Labour, is the non-employment of the following workmen by the said Burma Teak Trading Co. Ltd. :—

- (1) Peter Fernando
- (2) V. S. Dharmapala
- (3) J. Eugene
- (4) P. Mustapha

2. The inquiry commenced on 16.10.59 when Mr. Stanley Tillekeratne, Advocate, appeared and outlined his case for the Union; Mr. S. Kanagarajah, Proctor S. C., appeared for the Company.

3. Mr. Stanley Tillekeratne in his submission detailed the incidents which led to the discontinuance of the above-named workers. He stated that Peter Fernando was employed in the capacity of a Machine Operator and that V. S. Dharmapala was his assistant. Peter Fernando had joined the Company in 1947 in the year of its inauguration into a limited liability company. He referred to the practice of the stoppage of the machines, prior to 28.5.59, at 5 p.m. allowing time for workers till 5.30 p.m. to clean the machines, sweep the place, and wash themselves before they left the work place. The alteration to this practice of the stoppage of machines from 5 p.m. to 5.15 p.m. was introduced on the morning of the 28th May, 1959. He contended that the employees concerned had carried out the instructions as they had stopped the machines as directed at 5.15 p.m. on 28.5.59.

4. Mr. S. Kanagarajah, Proctor, on behalf of the Company alleged that :—

- (a) Peter Fernando and V. S. Dharmapala were discontinued for disciplinary reasons as they had stopped operating the machines before 5.15 p.m. on 28.5.59 contrary to express instructions by the management, and had further refused to clean the machines as expected;
- (b) J. Eugene was found guilty of misappropriation and fraud as he had loaded some pine pieces into a customer's lorry without authority;
- (c) P. Mustapha's conduct was most unsatisfactory in that he was abusive and subversive of discipline.

5. (a) *Peter Fernando and V. S. Dharmapala*

It would appear that the main allegation against Peter Fernando and V. S. Dharmapala was their alleged refusal to carry out the directive of the management to extend the actual operation of the machines till 5.15 p.m. from May 28, 1959 instead of 5 p.m. as in the past. The issue before the court is whether the alleged cause of discontinuance of these employees was substantiated by the management. There is strong diverse evidence both with regard to the display of notices re the extension of the time of operating the machines till 5.15 p.m.—a change from previous practice—and the failure of the above workers to honour the directive of the management. The story deposed to by the management with regard to the use of black boards on the premises warning the workers of the alteration was discounted by the workers in their evidence as mere myth. Be it as it may, the fact remains that such an internal administrative matter which does not affect the statutory hours of work of the employees does not warrant the formality of any such notice. It is well within the employer's sphere to issue the directive on the previous day or even on the same day, if he considers it expedient and in the best interests of his business.

6. It now remains for the Court to analyse the evidence on the alleged refusal of these workers to operate the machines till 5.15 p.m., as directed by the management. Mr. Stanley Tillekeratne, counsel for the Union, contended that Peter Fernando and V. S. Dharmapala had operated the two machines on the day in question till 5.15 p.m., as directed by the Management, and had already cleaned one machine. Mr. C. B. Mody, the Managing Director, in answer to his Proctor, Mr. Kanagarajah, deposed to the fact that the above-named workers were discontinued by him, as they had stopped the machines on 28.5.59 before 5.15 p.m. in contravention of the instructions, vide Log Book entry R.8d. of 28.5.59. He also stated in reply to Court, that these workers were summarily dispensed with their services, as they had refused to continue working the machines till 5.15 p.m. in spite of his asking them to do so.

7. It seems paradoxical that when the same Mr. C. B. Mody was questioned by the counsel for the Union, he deposed to the fact that on the first day of the notice, that is 28.5.59, these workers must have worked the machines till 5.15 p.m., in conformity with the instructions, since there were no reports against them. There seems to be some confusion of thought in Mr. C. B. Mody's mind over the exact date. In any event, if the first day of the notice was not 28.5.59 but a day or two days prior, the reasonable conclusion is that the workers had worked the machines till 5.15 p.m. even earlier.

8. It seems clear that the basic reason for the summary dismissal of the two workers was their alleged refusal to "continue working the machines till 5.15 p.m." If it was so, the action of the Managing Director, Mr. C. B. Mody, would be deemed to be proper and justifiable. It must be observed, however, that there is great weightage of evidence in favour of the workers to discredit this allegation; the workers on their part deny the allegation. Their contention that they had worked the machines till 5.15 p.m. was supported by both Messrs. H. Pandya and C. K. Shanmugam who gave evidence on behalf of the Management, and to a large extent by Mr. C. B. Mody, the Managing Director. Mr. Pandya, Stores Manager, stated in evidence that the workers "have carried out instructions and worked till 5.15 p.m. and without cleaning the machines they went away". Mr. C. K. Shanmugam in reply to Court confirmed the statement that the machine on which the two workers were working, was stopped at 5.15 p.m. on 28.5.59. It is therefore conclusive that the two workers operated the machines till 5.15 on 28.5.59 in deference to the directive of Mr. C. B. Mody, the Managing Director.

9. The alleged refusal of these workers to clean up the machines after 5.15 p.m. is subsidiary to the basic reason which I have already dealt with. There seems to be some misunderstanding, and consequent misconception over the attitude adopted by the workers to the Managing Director's order to clean up the machines. If the workers had worked the machines, as analysed and concluded by me elsewhere, till 5.15 p.m. on 28.5.59, the natural inference is that they would have spent a little time in cleaning up at least one machine. Assuming that this was not done in a spirit of defiance, it was inconceivable, why the Managing Director did not probe into the matter further by allowing a little time to Peter Fernando to reply to his letter R.9 of 29.5.59 in view of his loyal, efficient service of twelve years in the firm. On the contrary R.10 of 30.5.59 followed R.9 of 29.5.59 in hot pursuit. If his explanation was awaited, as demanded, the mystery and doubt created as a result of two entirely different versions given to this Court by the parties, would have been cleared.

10. It is apparent that Mr. C. B. Mody had acted more on the basis of a report from his executive when he went to the spot, to investigate the incident as a typical constitutionalist of the old school. But even a constitutionalist would have in a spirit of forbearance and consideration for a senior employee of his, awaited the explanation demanded of him, and held an inquiry in the interests of equity and justice before a peremptory action was contemplated. In reply to the counsel for the Union he said that he had not questioned them but "from outside he told them to clean it; they refused."

11. (b) *J. Eugene* (c) *P. Mustapha*

The above-named were labourers engaged in loading customers' lorries with timber and asbestos sheets purchased by customers. The former joined the Company in 1952 and counted seven years' service at the time of his discontinuance on 15.5.59. The latter had served the management for eleven years. Eugene and Mustapha appeared to have got on satisfactorily, and with great acceptance to the executives of the firm for several years; it was in 1958 that the trouble really began. *Eugene*.—The first warning to Eugene was P.1—the letter dated 2.9.58—followed by P.2 dated 8.5.59. P.1 referred to Eugene's insubordination in that he refused to carry out his superiors' instructions. The management seemed satisfied of the salutary effect of P.1 in that there were no complaints against him till May 1959—a period of nine months.

12. The incident of 8.5.59 relating to Eugene was correlated with the report of 16.5.59. On 8.5.59 Eugene was alleged to have loaded a few pine pieces 2" x 2" into the lorry of a customer, T. Heron Silva, without authority. Eugene denied the allegation. If this allegation was proved, instant dismissal or interdiction of Eugene by the Management as a disciplinary action, would have been justified. The charge was inconclusive, and could not be related to him. The driver of T. Heron Silva, M. P. Carolis, whom the Court had summoned, testified in his evidence that the pine pieces in question were removed by him, as he had done before sometimes, from a heap of discarded pieces, and fitted into the lorry by him while Mr. Odiris Silva, the clerk, had gone to the office as directed by Eugene, to obtain permission for it. Eugene at the time happened to be away elsewhere carrying asbestos sheets to the lorry. There is no reason to discredit this story.

13. The Managing Director, Mr. C. B. Mody, who had come to the lorry by then with Mr. Odiris Silva, the clerk of T. Heron Silva, to see the pieces, found them already loaded in the lorry and took Eugene to task rather impatiently and impulsively without an on-the-spot inquiry. Human instincts are prone to be swayed and influenced so speedily so as to create a prejudice in a person. Even a single incident of this nature can breed bitterness in an employer against an employee resulting in unsavoury repercussions. The allegation of 15.5.59, which was a report against Eugene, should therefore be reasonably inferred as a possible repercussion of the incident of 8.5.59 I therefore hold the view that Eugene was innocent of the charge of fraud and dishonesty preferred against him on 8.5.59.

14. It was, however, apparent that a certain laxity of discipline had set in among a section of the workmen in the years 1958 and 1959 due to certain influences—external and internal—at work. The Management quite rightly introduced the 'Log Book', which is really a complaint book, wherein such complaints of the directors or other executives were recorded. This was used merely as a medium of record or warning to the workmen concerned but not as an instrument of effective check to ensure future harmony. It would have served the desired purpose, had the management duly investigated the matter, and conducted an inquiry and brought home to the workmen their guilt and then meted out the punishment. In certain cases an undertaking or assurance of good conduct or an apology might have been demanded in the interests of industrial peace. The method followed, however, was one sided, and savoured of a semblance of autocracy.

15. *P. Mustapha*: The demeanour of P. Mustapha in the course of his evidence left much to be desired. He impressed the Court as a tough character with an exalted notion of himself and his functions as a labourer. There were a series of allegations against him with regard to his general conduct. He was depicted by the witnesses for the management, as a cantankerous individual of a morbid temperament, reluctant to carry out instructions of the foreman or supervisors, even of a director. This was borne out by his own words in the witness box. In reply to Mr. Kanagarajah, proctor for the Management, with regard to certain specific instructions given to him by Mr. Pandya on 7.1.59, he said "it

is not necessary for him (Mr. Pandya) to tell that; we are the labourers; we will do what is necessary." Mustapha continued to answer questions in the same arrogant manner and in a spirit of aggressiveness such as "it is not necessary for anyone to do so. That is our job and we do it perfectly." His perverse notion and attitude in general combined with his physical disability to cope with his work as stated by him, had driven him to resort to grumble and abuse of those who, in his opinion, had the temerity to tell him anything regarding his work.

16. In conclusion I hold that the discontinuance of Peter Fernando, V. S. Dharmapala and J. Eugene was not justified for reasons stated earlier. I order:—

- (a) the conditional reinstatement of Peter Fernando, V. S. Dharmapala and J. Eugene within two weeks of the publication of this Award in the Government Gazette;
- (b) in the light of my observations in paragraph 14, I also order that the above named should, in the interests of harmonious employer-employee relations, hand over to Mr. C. B. Mody, the Managing Director, a written undertaking assuring their full co-operation and loyalty in the service of the Burma Teak Trading Company Limited. The same should be duly witnessed by the Labour Officer of the area and the President or the Secretary of the Union that had sponsored their case in this Court;
- (c) In the event of the workers being reinstated, subject to (b) I would order the management to pay them compensation as follows:—
  - (i) Peter Fernando Rs. 475
  - (ii) V. S. Dharmapala Rs. 300
  - (iii) J. Eugene Rs. 250
 Both the reinstatement and the payment of compensation are subject to the proviso (b).
- (d) I hold that the discontinuance of P. Mustapha was justified as I have no reason to disbelieve, in the circumstances, the allegations levelled against him.

I make my Award accordingly.

A. D. CANAGARETNA,  
Arbitrator.
