(a) The pension rights of officers serving under Government will be conserved if released under section 21 of the Government Minutes on Pensions, and transferred to pensionable posts in the Local Government Service.

(b) In the case of employees of Local Authorities who hold pensionable posts under the Pension By-laws or Rules of the Local Authorities, the payment of their pension on ultimate retirement will be governed by the Pension By-laws or Rules of the Local Authority in whose employ they were on the date immediately preceding the date of their transfer to the Local Government Service in terms of section 48 of the Local Government Service Ordinance, No. 43 of 1945, as amended by the Local Government Service (Amendment) Act, No. 8 of 1949.

**Report of the Auditor-General on the Local Government Service Commission Provident Fund  
for the years 1954 and 1955**

THE Accounts of the Provident Fund of the Local Government Service Commission for the years ended December 31, 1954, and December 31, 1955, have been audited under my direction in terms of section 42 of the Local Government Service Ordinance, No. 43 of 1945. The Balance Sheets as at December 31, 1954, and December 31, 1955, have been certified subject to the observations in this report.

**INCOME APPROPRIATION ACCOUNT**

- (a) Interest accrued on Members Contributions ;  
(b) Interest accrued on Local Authorities Contributions.

It was stated in my report dated October 12, 1955, on the accounts for the year 1953 that regulations had not been framed under section 35 of the Local Government Service Ordinance, No. 43 of 1945, to permit the credit of interest to individual members' accounts and prescribe the rate of interest. The Chairman, Local Government Service Commission, had informed me by letter No. EPF. 14 dated September 2, 1955, that action was being taken to frame the necessary regulations to regularise this procedure. Although two years have elapsed, the regulations have not been framed as yet.

**BALANCE SHEET**

RESERVE ACCOUNT—Rs. 2,694.05

As in the case of interest referred to above, regulations have not been framed to authorise the creation of a reserve account and to lay down the purposes for which the reserve account could be utilized.

The Accounts of the Local Government Service Provident Fund for the year ended December 31, 1957, have been audited under my direction. Subject to the observations contained in my report No. M-2 (1) 10 dated July 27, 1959, made to the Chairman, Local Government Service Commission, I am of opinion that the Balance Sheet and Financial Statements above set forth have been drawn up so as to exhibit fairly the financial position of the Provident Fund as at December 31, 1957.

My No. M-2 (1) 10,  
Audit Office,  
Colombo 7, 27th July, 1959.

**REPORT OF THE AUDITOR-GENERAL ON THE LOCAL GOVERNMENT SERVICE COMMISSION PROVIDENT FUND  
FOR THE YEARS 1956 AND 1957**

*Income Appropriation Account :*

- (a) Interest accrued on Members' contributions.  
(b) Interest accrued on Local Authorities' Contributions.

It was stated in my reports dated October 12, 1955 and September 27, 1957, on the Accounts for the years 1953, 1954 and 1955 that regulations had not been framed under section 35 of the Local Government Service Ordinance, No. 43 of 1945, to permit the credit of interest to individual members' accounts and prescribe the rate of interest. The Chairman, L. G. S. C., had informed me by letter No. EPF 14 dated September 2, 1955, that action was being taken to frame the necessary regulations to regularise this procedure. Although nearly four years have now elapsed, the regulations have not been framed as yet.

*Balance Sheet—Reserve Account—Rs. 2,694.05.*

As in the case of interest referred to above, regulations have not been framed to authorise the creation of a reserve account and to lay down the purposes for which the reserve account could be utilized.

I, Wilfred Abeyratne Ratwatte, Chairman, Urban Council, Badulla, do hereby affirm that the above is to the best of my knowledge and belief, a true and correct account of the Assets and Liabilities of the Urban Council, Badulla, for the year, 1959.

W. A. RATWATTE,  
Chairman.

Certified as correct.

A. K. MURUGESU,  
Member.

Affirmed to before me, at Badulla, this 23rd day of February, 1960.

A. M. ABDULLA SAHIB,  
Justice of the Peace.

The accounts of the Urban Council, Badulla, for the year 1959, as furnished by the Chairman of the Council have been audited under my direction.

The expenditure during the year includes payments under contracts totalling Rs. 97,859.13 which have not been passed in audit as the procedure followed in incurring the expenditure was found to be defective in that details of measurements of work done have not been recorded in the books of the Council. An opportunity has been afforded to the Chairman to obtain the sanction of the Honourable Minister.

The expenditure for the year exceeded the revenue by Rs. 163,399.78 and this resulted in the accumulated surplus which stood at Rs. 37,760.79 being converted to a deficit of Rs. 125,638.99 at the end of the year.

Subject to the above observations, I am of opinion that the Statement of Assets and Liabilities gives a true and fair view of the state of affairs of the Urban Council, Badulla, as at December 31, 1959.

Audit Office,

The accounts of the Town Council, Point Pedro, for the year 1959, as furnished by the Chairman, have been audited under my direction.

(i) The expenditure shown in these accounts includes an unauthorised excess of Rs. 50.34 under Vote EL 10. The Chairman has been afforded an opportunity to obtain the Minister's covering approval to enable the excess to be passed.

(ii) Fifty-five Vouchers for payments totalling Rs. 55,582.41 included in these accounts have not been passed in audit and are under correspondence with the Chairman.

(iii) Electricity expenditure shown in these accounts includes a sum of Rs. 7,851.90 spent in connection with a case in the District Court, Point Pedro, arising from the disconnection of electricity supply to the T. C., Valvettiturai. This expenditure has not been passed in audit and is under correspondence with the Chairman.

(iv) Expenditure on Repairs to Engines and Road Works included in these accounts and amounting to Rs. 3,316.25, which has been met from Advance Account instead of from Votes has not been passed in audit and is under correspondence with the Chairman.

(v) These accounts include a sum of Rs. 6,523.73 debited to the Surplus and Deficit Account (Electricity) in adjustment of excess recoveries made during the period December, 1952 to September, 1957, from the T. C., Valvettiturai. The matter is under reference to the Commissioner of Local Government.

(vi) Sums amounting to Rs. 3,140.49 due as Property Rates and Conservancy Rates were waived during the year by resolutions of the Council on grounds of irrecoverability and poverty.

(vii) A statement showing the details of the balance of Rs. 20,287.28 shown under "Sundry Debtors" has not been furnished.

(viii) The balance shown in the statement of Assets and Liabilities under "Property and Conservancy Rates due for recovery", "Rent", "Grants for Playgrounds" and "General Deposits" do not agree with the balances reflected by the subsidiary ledgers kept by the Council.

Subject to the above observations, I am of opinion that the statements of Assets and Liabilities and Revenue and Expenditure above set forth have been drawn up so as to present fairly the financial position of this Council as at December 31, 1959, and the results of its operations for the year ended on that date.
