1. Allowances.—Unless otherwise stated, Rent Allowance, temporary Cost of Living Allowance and temporary Special Living Allowance are payable according to Government Regulations.

2. Conditions of Service.—Appointments will be subject to the Public Service Commission Rules, the Financial Regulations, the Regulations of the Manual of Procedure, Departmental Orders or Regulations, and any other orders or regulations issued from time to time by the Government.

3. Terms of Engagement.—(i) In the case of appointments to the non-pensionable establishment (excluding those on daily rates of pay) appointees will be required to contribute 5 per cent. of their salary to the Public Service Provident Fund, and they will be allowed to contribute, at their option, a further 5 per cent. The Government contribution in either case will be equal to 7½ per cent. of the salary paid in at the close of each financial year.

(ii) Appointees may be required to furnish security in terms of the Public Officers (Security) Ordinance, if so required by the Head of their Department.

(iii) Appointees other than those already in the Public Service will be required to pass a medical examination by a Government Medical Officer as to their physical fitness to serve in any part of the Island.

4. New Entrant Officers.—

(i) The period of probation/trial of “New Entrant Officers” appointed to pensionable posts/non-pensionable posts, as the case may be, shall be 3 years unless a longer period is prescribed in respect of any posts.

(ii) “New Entrant Officers” will be required to comply with any rules already made or that may hereafter be made for giving effect to the Language Policy of the Government and in particular for implementing the provisions of the Official Language Act, No. 33 of 1956.

(iii) (a) These officers will be required to acquire proficiency in Sinhala during their period of probation/trial.

(b) Their confirmation, at the expiry of the period of probation/trial, will depend, *inter alia*, on the passing of a proficiency test in Sinhala.

Those who fail to reach the prescribed standard of proficiency in Sinhala during their period of probation/trial are liable to be discontinued, but discontinuance may be deferred if the appointing authority is satisfied that a genuine attempt had been made to acquire proficiency in the Official Language. Loss of seniority may be waived at the discretion of the appropriate authority if the officer passes the test within a reasonable time after the due date.

(iv) New Entrant Officers who qualify for entry into the Public Service through the Sinhala medium will be exempted from the Proficiency Test in Sinhala.

Note.—The term “New Entrant Officers” in this context means officers appointed to posts in the Public Service on or after September 24, 1956, who are not deemed to be old entrant officers in terms of sub-paragraphs 2 (ii) (b) and 2 (ii) (c) of Treasury Circular No. 379 of 23rd May, 1957.

5. Qualifications required.—Every applicant must furnish satisfactory proof that he is a Ceylonese. A “Ceylonese” is a citizen of Ceylon by descent or by registration.

6. War Service Concession.—Provided they are qualified in all other respects, ex-Servicemen of Her Majesty’s Fighting Forces and full-time members of the Auxiliary Fire, Air Raid Precautions and Civil Defence Services (excluding those who had left these Services of their own accord), will be allowed to deduct periods of such service commencing from September 3, 1939, at the earliest, and up to December 31, 1949, at the latest, from their ages for purposes of eligibility alone, provided that they joined the Forces before August 15, 1945, and that such service was satisfactory and continuous.

7. Other Requirements.—(i) Applications from officers of the Public Service who are qualified must be forwarded through the Heads of their respective Departments. In the case of applications from officers holding permanent posts in the Public Service, the Heads of the Departments concerned should, in forwarding the applications, state whether or not they are prepared to release the applicants (if selected) in accordance with Administrative Regulation 109 of the Manual of Procedure.

(ii) Candidates may be required to present themselves for interview at an appointed time and place. No travelling or other expenses will be paid in this connection.

(iii) Anyone desiring to recommend a candidate should do so by giving a testimonial. Any form of canvassing or attempt to influence the selection of a candidate will disqualify such candidate.

(iv) Any statement in the application which is found to be incorrect will render the applicant liable to disqualification if the inaccuracy is discovered before the selection, and to dismissal if discovered after the selection.

(v) Applications not conforming in every respect with the requirements of this advertisement will be rejected.

EDUCATION DEPARTMENT

Selection of Student Delegates to the 1961 New York Herald Tribune Forum for High Schools

A. Purpose of the Forum.—

TO give a representative group of secondary school students of all parts of the world a chance to :—

- (i) Make friends with each other ;
- (ii) Discover the United States of America—not as tourists, but by becoming members of typical American School Communities and family groups ;
- (iii) Teach Americans about their countries. Delegates are used literally as "walking textbooks" in all host schools here.

B. General Qualifications required from Delegates :—

- (i) An active interest in world affairs, combined with basic knowledge of the home country and some understanding of its problems.
- (ii) Intellectual curiosity, ability to adapt readily to unfamiliar situations, interest in new experience for its own sake.
- (iii) Working knowledge of the English Language. Delegates must be articulate if they are to represent their countries well in forums and class room discussions in United States. Lack of fluency in English can be an insuperable handicap to an otherwise qualified delegate.
- (iv) Excellent health is an absolute requisite.
- (v) Personal appearance is an important consideration since delegates come into brief contact with so many people who will judge the delegates and the countries by fleeting first impressions.
- (vi) Both boys and girls are eligible. The Forum Authorities would wish to have a fairly equal distribution of boys and girls at the forum.
- (vii) Age. No delegate can be accepted who is younger than sixteen years or older than eighteen and a half years. Preference will be given to candidates who have not completed secondary school education before their departure for the United States.
- (viii) No delegate can be accepted who has the intention or hope of asking permission to deviate from the schedule programme of forum activities. This specifically includes departure from the United States and itinerary of the homeward trip.

C. Rules of the Competition :—

- (i) The contest is open to students of Senior Secondary Government, Assisted and Unaided Schools. The competitors should be Citizens of Ceylon by birth who have a good working knowledge of the English Language and who will have passed their sixteenth birthdays before January 1, 1961, but who will not be nineteen years old before June 30, 1961.

- (ii) Preliminary selection of candidates will be made on the basis of a 1,500 word essay in English, entitled "Do youth today have any problems their Parents did not have?"
- (iii) Each competitor should hand over, on or before July 20, 1960, his or her essay to the Principal of the school together with a signed statement by the competitor's parents that he or she will be permitted to make the trip if finally selected.
- (iv) The Principal of the school will forward the best essay from his school together with the signed statement of the competitor's parents and also a certificate giving the actual date of birth of the competitor, under registered cover to the Director of Education, Branch M, Malay Street, Colombo 2. The essay should reach the Director not later than August 5, 1960.
- (v) The selection will be made at a final contest before a panel of three judges. This contest will be held towards the end of August, 1960.

D. The selected delegate from Ceylon will be required to travel by air to New York on or about December 26, 1960, and will return to Ceylon on or about March 31, 1961. Free transportation will be provided from Colombo. Board and Lodging is furnished by host families in U. S. A.
