##### THE VILLAGE COMMUNITIES ORDINANCE

BY virtue of the powers vested in me by sub-section (1) of section 45 of the Village Communities Ordinance (Chapter 198), as modified by the Proclamation published in *Gazette Extraordinary* No. 9,773 of September 24, 1947, I, Junius Richard Jayewardene, Minister of Local Government and Housing, do by this notification, authorize the Village Committee of the Manipay village area in the Jaffna District to impose and levy in that village area a land tax under that section.

J. R. JAYEWARDENE,  
Minister of Local Government and Housing.  
Colombo, 11.6.1960.

L. D.—B. 28/59—L. G. D.—BC. 568.

##### THE BUTCHERS ORDINANCE

REGULATIONS made by the proper authority in that behalf, to wit, the Kekirawa Town Council, under section 22 of the Butchers Ordinance (Chapter 201), and confirmed by the Minister of Local Government and Housing under that section, as modified by the Proclamation published in *Gazette Extraordinary* No. 9,773 of September 24, 1947.

V. C. JAYASURIYA,  
Permanent Secretary,  
Ministry of Local Government and Housing.  
Colombo, May 30, 1960.

##### Regulations

1. In these regulations—

“Chairman” means the Chairman of the Council;  
“Council” means the Kekirawa Town Council; and  
“Slaughter house” means the public slaughter-house proclaimed under section 21 of the Butchers Ordinance, and includes a place appointed by the Council for the slaughter of cattle.

2. Every slaughter-house shall be in the charge of the Public Health Inspector of the Council. The said Public Health Inspector shall be responsible for the discipline and sanitary conditions within such slaughter-house.

3. (1) No person shall slaughter any animal at a slaughter-house—

- (a) unless such animal has been inspected by an officer appointed by the Council for the purpose and approved by him as fit to be slaughtered for human consumption; or
- (b) except between the hours of 7 a.m. and 9 a.m.: Provided that the Chairman may, in any case, authorize the slaughter of any animal at any time other than that specified herein.

(2) No person shall slaughter any animal at a slaughter-house—

- (a) at any time after the expiry of a period of 72 hours from the time of the approval of that animal under paragraph (1); or
- (b) if it has been removed alive from the slaughter-house premises after it was approved under paragraph (1), unless it is again inspected and approved under that paragraph as fit to be slaughtered for human consumption.

4. Every person who brings an animal into the premises of a slaughter-house shall take all such measures as may be necessary to ensure that that animal is adequately fed and watered while it remains in those premises.

5. Every person who brings any animal into the premises of a slaughter-house shall, if that animal is rejected as unfit for slaughter, immediately after such rejection, remove that animal or cause it to be removed from those premises.

6. The Medical Officer of Health, or the officer referred to in regulation 3, may prohibit the slaughter of any animal if, after it has been approved under regulation 3, it is found to be diseased or unfit to be slaughtered for human consumption.

7. If the meat or offal of any animal slaughtered in a slaughter-house is in the opinion of the Medical Officer of Health or of the officer referred to in regulation 3, diseased or unfit for human consumption, such officer shall cause such meat or offal to be immediately destroyed or so disposed of as to prevent such meat or offal from being exposed for sale or used for human consumption.

8. The officer in charge of a slaughter-house shall not permit the slaughter of any animal which has not been approved as fit to be slaughtered for human consumption, or the slaughter of which has been prohibited under the provisions of regulation 6.

9. (1) No person shall remove from a slaughter-house, except under the directions of the Medical Officer of Health or the officer referred to in regulation 3, any meat or offal which has been declared under regulation 7 to be unfit for human consumption.

(2) No person shall remove the carcass of any animal intended for human consumption from a slaughter-house, unless the carcass has been stamped on its fore-quarters and hind-quarters with the mark “T. C., Kekirawa” by the officer in charge of the slaughter-house.

10. No animal shall be slaughtered in the presence of any other animal, or until the carcase of every animal previously slaughtered in the premises shall have been removed or screened off and the premises cleaned.

11. (1) A fee at the following rates shall be paid in advance to the Council for the use of a slaughter-house and no animal shall be permitted to be slaughtered without an official receipt in proof of payment of such fee—

For sheep and goats ... Re. 1.00 per head

(2) Where an animal has been approved under regulation 3 as fit to be slaughtered for human consumption, the production of an official receipt in proof of payment of the fee shall not be necessary prior to the admission of that animal to the slaughter-house.

12. The keeper of a slaughter-house shall maintain a register in the following form of all cattle removed to such slaughter-house:—

No. of cattle voucher	Description	Colour	Age	Brand Marks		Name of butcher	Time and date of entry into the cattle pound	Date of inspection	Date of removal	Remarks	Initials of officer receiving the cattle
				Right side	Left side

#### THE VAVUNIYA TOWN COUNCIL

##### The Butchers Ordinance

REGULATIONS made by the proper authority in that behalf, to wit, the Vavuniya Town Council under section 22 of the Butchers Ordinance (Chapter 201), and confirmed by the Minister of Local Government and Housing by virtue of the powers vested in him by that section, as modified by the Proclamation published in *Gazette Extraordinary* No. 9,773 of September 24, 1947.

V. C. JAYASURIYA,  
Permanent Secretary,

Ministry of Local Government and Housing.

Colombo, January 6, 1960.

##### REGULATIONS

1. The Veterinary Surgeon, Vavuniya, shall be in charge of the public slaughter-house proclaimed under section 21 of the Ordinance. That officer shall be responsible for the discipline and sanitary conditions within that slaughter-house.

2. (1) No person shall slaughter any animal at the slaughter-house—

(a) unless such animal has been inspected by the officer appointed by the Council for the purpose, and approved by him as fit to be slaughtered for human consumption; or

(b) except between the hours of 7 a.m. and 9 a.m.

Provided that the Chairman may in any case authorise the slaughter of any animal at any time other than the time specified herein.

(2) No person shall slaughter any animal at the slaughter-house—

(a) at any time after the expiry of a period of 30 hours from the time of the approval of that animal under paragraph (1); or

(b) if it has been removed alive from the slaughter-house after it was approved under paragraph (1), unless it is again inspected and approved under that paragraph as fit to be slaughtered for human consumption.

3. Every person who brings any animal into the premises of the slaughter-house shall take all such measures as may be necessary to ensure that the animal is adequately fed and watered while it remains in those premises.

4. Every person who brings any animal into the premises of the slaughter-house shall, if the animal is rejected as unfit for slaughter, immediately after it is so rejected, remove the animal or cause it to be removed from those premises.

5. The Medical Officer of Health for the area or the officer referred to in regulation 2, may prohibit the slaughter of any animal if, after it has been approved under regulation 2, it is found to be diseased or unfit to be slaughtered for human consumption.

6. If the meat or offal of any animal slaughtered in the slaughter-house is, in the opinion of the Medical Officer of Health or of the officer referred to in regulation 2, diseased or unfit for human consumption, he shall cause the meat or offal to be immediately destroyed or so disposed of as to prevent such meat or offal being exposed for sale or used for human consumption.

7. The officer in charge of the slaughter-house shall not permit the slaughter of any animal which has not been approved as fit to be slaughtered for human consumption or the slaughter of which has been prohibited, as provided in regulation 5.

8. (i) No person shall remove from the slaughter-house except under the direction of the Medical Officer of Health for the area or the officer referred to in regulation 2, any meat or offal which has been declared under regulation 6 to be unfit for human consumption.

(ii) No person shall remove the carcase of any animal intended for human consumption from the slaughter-house, unless such carcase has been stamped on its fore-quarters and hind-quarters with the mark "TCV Beef", "TCV Mutton", or "TCV Pork", as the case may be, by the officer in charge of the slaughter-house.

9. No animal shall be slaughtered in the presence of any other animal or until the carcase of every animal previously slaughtered in the premises shall have been removed or screened off and the premises cleaned.

10. (i) A fee at the following rates shall be paid in advance to the Council for the use of the slaughter-house, and no animal shall be permitted to be slaughtered without an official receipt in proof of payment of the fee:—

For cattle	... 0.75 per head
For sheep, goats, or pigs	... 0.60 per head

(ii) Where an animal has been approved under regulation 2 as fit to be slaughtered for human consumption, the production of an official receipt in proof of payment of the fee shall not be necessary prior to the admission of that animal to the slaughter-house.

(iii) Where an animal brought to the slaughter-house is either rejected as unfit or withdrawn from the slaughter-house by the butcher after it has been approved as fit to be slaughtered—

- (a) the Council shall refund the fee paid under paragraph (i) of this regulation in respect of such animal ; and
- (b) a fee at the rate of 30 cents for each continuous period of twenty-four hours shall be paid in respect of such animal for the use of the spot appointed for the exposure of animals ; and such animal shall not be removed till the fee is paid.

11. The keeper of the slaughter-house shall maintain a register in the following form of all cattle removed to the slaughter-house :—

No. of cattle voucher	Description	Colour	Age	Brand marks		Name of butcher	Time and date of entry into cattle pound	Date of inspection	Date of removal	Initials of inspecting officer	Initials of receiving officer	Remarks
				Right side	Left side							

12. The regulations under section 22 of the Ordinance published in *Gazette* No. 8,659 of September 6, 1940, and therein referred to as "rules" are hereby rescinded in so far as they relate to the town of Vavuniya.

13. In these regulations :—

- "Chairman" means the Chairman of the Council ;

**THE ELECTRICITY ACT, No. 19 OF 1950**

REGULATIONS made by the Special Commissioner appointed to administer the affairs of the Madampe town, under section 46 of the Electricity Act, No. 19 of 1950 (read with section 197 of the Town Councils Ordinance, No. 3 of 1946, as amended by Act No. 2 of 1957), and with the approval of the Minister of Local Government and Housing given after consultation with the Minister of Posts, Works and Power.

V. C. JAYASURIYA,  
 Permanent Secretary,

Ministry of Local Government and Housing.  
 Colombo, June 2, 1960.

**Regulations**

1. In these regulations—

"Act" means the Electricity Act, No. 19 of 1950 ;  
 "licence" means a licence issued under section 2 of the Act to the licensee ; and "licensee" means the Madampe Town Council, the powers and duties which are for the time being exercised and performed by the Special Commissioner appointed to administer the affairs of the Madampe town.

3. Any person desirous of obtaining the use of electrical energy from the licensee shall—

- (a) at least fourteen days before the supply is required, make an application to the licensee in such form as may be provided for the purpose by the licensee ; and
- (b) pay in advance to the licensee the charges for the service cable or, if so required by the licensee, enter into a written contract with the licensee under section 33 of the Act.

3. Every consumer of electrical energy shall pay for such energy and other miscellaneous charges at the rates specified in the licence.

4. (a) That portion of the service cable which is on the consumer's premises, the transformers, the main fuses, the meter and the board shall remain the property of the licensee and on no account shall they be removed or handled by any person other than an authorised employee of the licensee.

(b) The consumer shall be responsible for the maintenance of any wires, cables or any other apparatus on the consumer's side of the licensee's main fuse or meter.

(c) Where any installation is reconnected after having been disconnected under section 47 (3) of the Act, the appropriate fee for testing and reconnecting such installation shall be paid in advance by the consumer as provided for in the licence.

(d) In the event of a leakage of energy at any part of the wires or fittings of any consumer, such consumer shall be liable to pay for all metered consumption of energy in his premises.

5. (1) Every consumer wishing, at any time after a supply of energy has been given to his premises, to use any lamp, fan or motor of greater size than the one already in use or to install any additional lamp or other appliance consuming energy temporarily or permanently, or in any way to alter or extend the wiring on his premises, shall, at least two days before the commencement of work on such extension or alteration, notify the licensee in writing with particulars of the name and address of the wiring contractor.

(2) No consumer shall connect or cause to be connected any extension, lamp, fan or motor of greater size than the one already in use or install any additional lamp or other apparatus

consuming energy either temporarily or permanently to the main installation, unless such extension, lamp, fan, motor, additional lamp or other apparatus has been inspected and tested and found to be satisfactory by an officer authorized in that behalf by the licensee.

6. (1) In the event of the melting of the licensee's fuse in any premises, the consumer shall forthwith inform the officer-in-charge of the electrical power station or sub-station, as the case may be, of the licensee.

(2) No person other than an officer authorized by the licensee or a workman employed by the licensee shall replace any melted fuse which is the property of the licensee.

(3) Where the services of any officer or workman of the licensee are required to replace any fuse which is the property of the consumer or the licensee, the appropriate charge payable therefor, as set out in the licence, shall be made in the current monthly account of the consumer.

7. The licensee does not hold itself liable to the consumer for any loss or damage occasioned directly or indirectly by the total or partial interruption of the supply of energy.

8. Where any installation is reconnected after having been disconnected under section 45 of the Act, a fee for testing and reconnecting as provided for in the licence shall be charged and shall be paid in advance by the consumer.

9. (1) All charges shall be deemed to be due on the date on which an account is presented.

(2) No complaint against the accuracy of an account shall be entertained by the licensee unless such complaint is made within a week after the presentation of the account.

10. (1) Every consumer who does not require a supply of energy to his premises shall give in writing three days' notice to the licensee.

(2) Where the notice referred to in paragraph (1) is not given, the consumer shall be held responsible for the licensee's equipment in his premises and shall be liable for all energy consumed on such premises until the lapse of three days from the date on which the licensee receives notice of the fact that the consumer does not require such supply: Provided that, when the supply to the premises is disconnected by the licensee before the lapse of the said three days, the consumer shall be liable to pay only for the energy consumed on the premises up to the time of such disconnection.

11. No consumer shall employ any person other than a person—

(a) who has been certified by the General Manager of the Department of Government Electrical Undertakings as having the necessary skill to undertake electrical work or who has had at least three years' practical experience in a recognised electrical workshop or firm or an electrical power station, and

(b) who has been regularly engaged for a period of not less than two years in the practice of electrical engineering, to—(a) carry out any work in connection with the wiring or the electrical fittings or fixtures of any new installation in any premises of the consumer which is intended to be connected to the licensee's electricity supply mains, or

(b) carry out or perform, in connection with any installation in any premises of the consumer after such installation has been connected to the licensee's electricity supply mains, any electrical work—

(i) which consists of or is in the nature of alterations, adjustments, additions or repairs to such installations, or

(ii) which is other than such ordinary replacement of lamps, fans, switches or other component parts as in no way alters or affects the capacity and nature of such installation.

12. (1) No electrical work such as installation work including additions, alterations and adjustments to existing installations, shall be commenced except after notice of not less than two days has been given to the licensee to enable an officer of the licensee to inspect the proposed work.

(2) If the officer referred to in paragraph (1) approves the intended work, he shall settle with the contractor the position of the meter, and the work shall be carried out in accordance with such regulations as may be made in that behalf under section 60 of the Act.

13. (1) On the completion of any electrical work referred to in regulation 12, such work shall be inspected and tested by an officer authorized in that behalf by the licensee and—

(a) if the installation is found to comply with the regulations laid down, a supply of electrical energy to the premises shall be given, and

(b) if the installation does not comply with the regulations laid down, a supply of electrical energy to the premises shall not be given until such time as the installation has been made to comply with such regulations.

(2) The fee payable for the inspection and testing of any installation under this regulation shall be paid in advance by the consumer.

14. If any electrical work connected with any new installation in any premises is carried out without giving notice to the licensee and obtaining the licensee's prior approval, the licensee may refuse to supply electrical energy to the premises wherein such work has been carried out or may call upon the consumer to effect such modifications or alterations to the wiring as the officer authorized in that behalf by the licensee may think necessary. If such modifications or alterations are duly carried out, the installation shall be re-inspected and tested by such officer, and if found to be in order, a supply of electrical energy to the premises shall be given.

15. Where any extension is made to any installation which is already connected to the licensee's electricity supply mains without prior notice to and without the permission of the licensee, the whole installation shall be liable to disconnection from the licensee's electricity supply mains.

16. Every application for the reconnection of any installation shall be made on such form as may be provided for the purpose by the licensee, and shall be delivered at the office of the licensee not less than 48 hours before the supply is required.

L. D.—B. 22/53—L. G. D.—BC. 561.

#### THE ELECTRICITY ACT, No. 19 OF 1950

REGULATIONS made by the Kalpitiya Town Council under section 46 of the Electricity Act, No. 19 of 1950, with the approval of the Minister of Local Government and Housing given after consultation with the Minister of Posts, Works and Power.

V. C. JAYASURIYA,  
Permanent Secretary,

Ministry of Local Government and Housing.

Colombo, June 14, 1960.

#### Regulations

1. In these regulations—

" Act " means the Electricity Act, No. 19 of 1950 ;  
" licence " means the licence issued under section 2 of the Act to the Kalpitiya Town Council ;  
" licensee " means the Kalpitiya Town Council ; and  
" Superintendent " means the Superintendent of the Electricity Department of the Kalpitiya Town Council.

2. Any person desirous of obtaining the use of electrical energy from the licensee shall,

(a) at least fourteen days before the supply is required, make application to the licensee in such form as may be provided for the purpose by the licensee ; and

(b) pay in advance to the licensee the charges for the service cable, or if so required by the licensee, enter into a written contract with the licensee under section 33 of the Act.

3. Every consumer of electrical energy shall pay for such energy at the rates specified in the licence.

4. (1) That portion of the service cable which is on the consumer's premises, the transformers, the main fuses, the meter and the board shall remain the property of the licensee, and on no account shall they be moved or handled by any person other than an authorized employee of the licensee.

(2) The consumer shall be responsible for the maintenance of any wires, cables or any other apparatus on the consumer's side of the licensee's main fuse or meter.

(3) Where any installation is reconnected after having been disconnected under section 47 (3) of the Act, the appropriate fee for testing and reconnecting such installation shall be paid in advance by the consumer as provided for in the licence.

(4) In the event of a leakage of energy at some part of the wires or fittings of any consumer, such consumer shall be liable to pay for all metered consumption of energy in his premises.

5. (1) Every consumer wishing, at any time after a supply of energy has been given to his premises, to use any lamp, fan or motor of greater size than the one already in use or to install any additional lamp or other apparatus consuming energy, either temporarily or permanently, or in any way to alter or extend the wiring in his premises, shall, at least two days before the commencement of work on such extension or alteration, notify his wish to the licensee in writing, and if he desires that an electrical contractor should do the work, he shall at the same time notify the name and address of such contractor.

(2) No consumer shall connect or cause to be connected any extension, lamp, fan or motor of greater size than the one already in use or install any additional lamp or other apparatus consuming energy, either temporarily or permanently, to the main installation, unless such extension, lamp, fan, motor, additional lamp or other apparatus has been inspected and tested and found to be satisfactory by the Superintendent or by an officer authorized in that behalf by the licensee.

6. (1) In the event of melting of the licensee's main fuse in any premises, the consumer shall forthwith inform the Superintendent or the officer in charge of the power station or the sub-station, as the case may be, of the licensee.

(2) No person other than an officer authorized by the licensee or a workman employed by the licensee, shall replace any melted fuse which is the property of the licensee.

(3) Where the services of any officer or workman of the licensee are required to replace any fuse which is the property of the consumer, the appropriate charge payable therefor, as set out in the licence, shall be made in the current monthly account of the consumer.

(4) Where the melting of any fuse which is the property of the licensee is found to have been caused by a defect in the consumer's wiring or apparatus, the appropriate charge payable for replacing the fuse, as set out in the licence, shall be made in the current monthly account of the consumer.

7. The licensee does not hold itself liable to the consumer for any loss or damage occasioned, directly or indirectly, by the total or partial interruption of the supply of energy.

8. Where any installation is reconnected after having been disconnected under section 45 of the Act, a fee for testing and reconnecting, as provided for in the licence, shall be charged and shall be paid in advance by the consumer.

9. (1) All charges shall be deemed to be due on the date on which an account is presented.

(2) No complaint against the accuracy of an account shall be entertained by the licensee unless such complaint is made within a week after the presentation of the account.

10. (1) Every consumer who does not require a supply of energy to his premises shall give in writing three clear days' notice to the licensee.

(2) Where the notice referred to in paragraph (i) is not given, the consumer shall be held responsible for the licensee's equipment in his premises and shall be liable to pay for all energy consumed on such premises until the lapse of three days from the date on which the licensee receives notice of the fact that the consumer does not require such supply: provided, that where the supply to the premises is disconnected by the licensee before the lapse of the said three days, the consumer shall be liable to pay only for the energy consumed on the premises up to the time of such disconnection.

11. No consumer shall employ any person other than a person—

- (1) who has been certified by the General Manager of the Department of Government Electrical Undertakings as having the necessary skill to undertake electrical work or who has had at least three years' practical experience in a recognized electrical workshop or firm or an electrical power station, and
- (2) who has been regularly engaged for a period of not less than two years in the practice of electrical engineering,

to—(a) carry out any work in connection with the wiring, or the electrical fittings or fixtures, of any new installation in any premises of the consumer, which is intended to be connected to the licensee's electricity supply mains, or

(b) carry out or perform in connection with any installation in any premises of the consumer, after such installation has been connected to the licensee's electricity supply mains, any electrical work—

- (i) which consists of or is in the nature of alterations, adjustments, additions or repairs to such installations, or
- (ii) which is other than such ordinary replacement of lamps, fans, switches or other component parts as in no way alters or affects the capacity and nature of such installation.

12. (1) No electrical work such as installation work, including additions, alterations and adjustments to existing installations, shall be commenced except after notice of not less than two days has been given to the licensee to enable the Superintendent or any other officer authorized in that behalf by the licensee to inspect the proposed work.

F 2

(2) If the officer referred to in paragraph (1) approves the intended work, he shall determine the position of the meter, and the work shall be carried out in accordance with such regulations as may be made in that behalf under section 60 of the Act.

13. (1) On the completion of any electrical work referred to in regulation 12, such work shall be inspected and tested by the Superintendent or an officer authorized in that behalf by the licensee and,—

(a) if the installation is found to comply with the regulations laid down, a supply of electrical energy to the premises shall be given, and

(b) if the installation does not comply with the regulations laid down, a supply of electrical energy to the premises shall not be given until such time as the installation has been made to comply with such regulations.

(2) The fee payable for the inspection and testing of any installation under this regulation shall be paid in advance by the consumer.

14. If any electrical work connected with any new installation in any premises has been carried out, without giving notice to the licensee and obtaining the licensee's prior approval, the licensee may refuse to supply electrical energy to the premises wherein such work has been carried out or may call upon the person who has carried out such work to effect such modifications or alterations to the wiring as the Superintendent or an officer authorized in that behalf by the licensee may consider necessary. If such modifications or alterations are duly carried out, the installation shall be re-inspected and tested by such officer and if found to be in order, a supply of electrical energy to the premises shall be given.

15. Where any extension is made to any installation which is already connected to the licensee's electricity supply mains, without prior notice to and without the permission of the licensee, the whole installation shall be liable to disconnection from the licensee's electricity supply mains.

16. Every application for the reconnection of any installation shall be made on such form as may be provided for the purpose by the licensee, and shall be delivered at the office of the licensee not less than 48 hours before the supply is required.

**Posts—Vacant**

**GENERAL CONDITIONS APPLICABLE TO APPOINTMENTS TO POSTS IN THE LOCAL GOVERNMENT SERVICE ADVERTISED IN PART IV OF THE "CEYLON GOVERNMENT GAZETTE"**

1. **Allowances.**—Unless otherwise stated, Rent Allowance, temporary Cost of Living Allowance and temporary Special Living Allowance are payable according to Government Rates and Conditions.

2. **Conditions of Service.**—Appointments will be subject to the provisions of the Local Government Service Ordinance, No. 43 of 1945, as amended by the Local Government Service (Transitional Provisions) Ordinance, No. 5 of 1946, any further amendments of Ordinance No. 43 of 1945, and the Regulation made thereunder, and other conditions of service as laid down by the Commission from time to time.

3. **Terms of Engagement.**—The posts specified in the Schedule published in Part IV of the *Ceylon Government Gazette* No. 10,432 of August 8, 1952, and other posts added thereto from time to time while held by members of the Local Government Service other than

females are pensionable under the Local Government Service Pension Scheme Regulations, 1952.

(a) The pension rights of officers serving under Government will be conserved if released under section 21 of the Government Minutes on Pensions, and transferred to pensionable posts in the Local Government Service.

(b) In the case of employees of Local Authorities who hold pensionable posts under the Pension By-laws or Rules of the Local Authorities, the payment of their pension on ultimate retirement will be governed by the pension By-laws or Rules of the Local Authority in whose employ they were on the date immediately preceding the date of their transfer to the Local Government Service in terms of section 48 of the Local Government Service Ordinance, No. 43 of 1945, as amended by the Local Government Service (Amendment) Act, No. 8 of 1949.

(c) All appointees to pensionable posts other than females, officers above the age of 55 and officers who were holding pensionable posts in Government Service on the date immediately prior to their appointment to the Local Government Service, are required to contribute 4 per cent. of their salary to the Local Government Service Widows' and Orphans' Pension Fund established under the Local Government Service Widows' and Orphans' Pension Fund Regulations, 1952, published in the *Government Gazette Extraordinary* No. 10,329 of July 30, 1952. The Local Authority will contribute 3 per cent. of salary.

(d) Appointees may be required to furnish security either in cash or by Fidelity Guarantee Bond through a Guarantee Association approved by the Local Government Service Commission in a sum which may be decided upon by the Local Authority.

(e) Appointees not holding scheduled posts in the Local Government Service will be required to pass a medical examination by a duly qualified medical practitioner as to their physical fitness to serve in any part of the Island.

(f) The appointment will generally be on probation or subject to confirmation after a period of two years unless otherwise specified.

(g) Applicants should annex copies of their birth certificates in proof of age. No affidavits will be accepted. If no copies of birth certificates are attached, the applicants will be considered as ineligible.

**4. New Entrant Officers.**—(i) The period of probation/trial of "New Entrant Officers" appointed to pensionable posts/non-pensionable posts, as the case may be, shall be 2 years unless a longer period is prescribed in respect of any posts.

(ii) "New Entrant Officers" will be required to comply with any rules already made or that may hereafter be made for giving effect to the Language Policy of the Government and in particular for implementing the provisions of the Official Language Act, No. 33 of 1956.

(iii) (a) These officers will be required to acquire proficiency in Sinhala during their period of probation/trial.

(b) Their confirmation at the expiry of the period of probation/trial, will depend, *inter alia*, on the passing of a proficiency test in Sinhala.

Those who fail to reach the prescribed standard of proficiency in Sinhala during their period of probation/trial are liable to be discontinued, but discontinuance may be deferred if the Local Government Service Commission is satisfied that a genuine attempt had been made to acquire proficiency in the Official Language. Loss of seniority may be waived at the discretion of the Commission if the officer passes the test within a reasonable time after the due date.

(iv) New Entrant Officers who qualify for entry into the Local Government Service through the Sinhala medium will be exempted from the Proficiency Test in Sinhala.

**Note.**—The term "New Entrant Officers" in this context means officers appointed to posts in the Local Government Service in response to advertisements published on or after 29th January, 1960.

**5. Qualifications required.**—Every applicant must furnish satisfactory proof that he is a Ceylonese. The term "Ceylonese" for all purposes of recruitment to the Local Government Service is defined as a citizen of Ceylon by descent or by registration.

**6. War Service Concession.**—Provided they are qualified in all other respects, ex-Servicemen of Her Majesty's Fighting Forces and full-time members of the Auxiliary Fire, Air Raid Precautions and Civil Defence Services (excluding those who had left these Services of their own accord) will be allowed to deduct periods of such service (commencing from September 3, 1939, at the earliest and up to December 31, 1949, at the latest) from their ages for purposes of eligibility alone, provided that they have joined the Forces before August 15, 1945, and that such service was satisfactory and continuous.

**7. Age Concession.**—Members of the Local Government Service are eligible to apply irrespective of age for posts advertised in the Local Government Service.

**8.** Members of the Local Government Service in the same class and grade as the post advertised are eligible to apply for transfer to the vacancy advertised irrespective of educational qualifications.

**9. Other Requirements.**—(i) Applications from those in a Local Body should be forwarded through the Municipal Commissioner or Chairman of the Local Authority in which they are serving.

(ii) Applications from officers in the Government Service should be forwarded through the Heads of their respective Departments; in the case of applications from officers holding permanent posts in the Government Service, the Head of the Department concerned should, when forwarding the application, state whether or not he is prepared to release the applicant if selected.

(iii) Candidates may be required to present themselves for interview or test at an appointed time and place. No travelling or other expenses will be paid in this connection.

(iv) Any person who desires to recommend a candidate may do so by giving a testimonial. Any form of direct or indirect canvassing or attempt to influence the selection of candidates will disqualify such candidates.

(v) Any statement in the application which is found to be incorrect will render the applicant liable to disqualification if the inaccuracy is discovered before the selection, and to dismissal after the selection.

(vi) Applications not conforming in every respect with the requirements of this advertisement will be rejected.

(vii) Applications should be made substantially in the form appended below and should be addressed to the Chairman, Local Government Service Commission, and NOT personally to him.

(viii) Applications received in this office after the closing date will not ordinarily be entertained.

I, Piyadigamage Gamini Ariyatilake, Chairman, Urban Council, Hatton-Dickoya, do hereby affirm that to the best of my knowledge and belief the above is a true and correct statement of the Assets and Liabilities of the Hatton-Dickoya Urban Council as at December 31, 1959.

Urban Council Office,  
Hatton, March 16, 1960.

Certified as correct.

V. VAMADEVAN,  
Member.

Affirmed to before me at Hatton on the 16th day of March, 1960.

P. G. ARIYATILAKE,  
Chairman.

A. Z. A. DEEN,  
Justice of the Peace.

The accounts of the Urban Council, Hatton-Dickoya, for the year 1959, as furnished by the Chairman of the Council, have been audited under my direction.

2. Expenditure amounting to Rs. 25,717 incurred on extensions to Electricity Mains has not been passed in audit as the requirements of sections 13 and 33 (2) (b) of the Electricity Act, No. 19 of 1950, had not been complied with. An opportunity has been afforded to the Chairman to obtain the sanction of the Minister to enable the payments to be passed in audit.

3. The work of constructing a road was entrusted to the contractor of the Council's Housing Scheme on an extra-contractual basis without calling for tenders or entering into an agreement for this purpose, and an expenditure of Rs. 11,250 incurred up to December 31, 1959, on the work has not been passed in audit. The matter is under correspondence with the Government Town Planner.

4. The expenditure for the year includes an unauthorised excess of Rs. 12,000 under Head D—Council Lands and Buildings, Sub-head 7—New Works. The Chairman has been requested to apply for the Minister's sanction.

5. Subject to the above observations I am of opinion that the Statement of Assets and Liabilities gives a true and fair view of the state of affairs of the Urban Council, Hatton-Dickoya as at December 31, 1959.

Audit Office,  
Colombo 7, June 20, 1960.

L. A. WEERASINGHE,  
Auditor-General.

CONSTRUCTION OF PRIVATE STREETS OFF PAMANKADE LANE

Provisional Apportionment under Section 26 of Chapter 199 of the Legislative Enactments of Ceylon

THE following is the provisional apportionment of cost made by the Municipal Commissioner, Colombo Municipal Council, under Section 26 of the Housing and Town Improvement Ordinance (Chapter 199 of the Legislative Enactments of Ceylon) of providing in the private streets of Pamankade Lane:—

- (a) a penetration macadam carriageway, 20' 0" and 14' 0" wide respectively with kerbs and channels on either side, gravelled and bituman dressed footways and electric street lights,
- (b) a soil sewer, and
- (c) a rainwater sewer.

This apportionment is based on estimates prepared on current rates for labour and materials but is liable to alteration due to fluctuation in prices for materials and rates for labour, at the actual time of construction. The apportionments of cost published in Government Gazettes No. 10,790 of April 29, 1955, and No. 10,947 of July 6, 1956, are hereby cancelled.

### Miscellaneous Notices

#### CONSTRUCTION OF ABHAYA PLACE, DEMATAGODA

##### Provisional Apportionment under Section 26 of Chapter 199 of the Legislative Enactments of Ceylon

THE following is the provisional apportionment made by the Municipal Commissioner of Colombo under powers in Section 26 Chapter 199 of the Legislative Enactments of Ceylon of the cost of providing in the private street known as Abhaya Place, off Kolonnawa Road, Dematagoda.

(a) A 4" penetration macadam carriageway, 24 ft. wide with kerbs and channels, gravelled and bitumen dressed footways and Electric Street lights.

(b) A Rainwater Sewer.

This apportionment is based on estimates prepared on current rates for labour and materials but is liable to alteration due to fluctuation of price of materials and rates of labour at the actual time of construction.

The apportionment of cost published in the *Ceylon Government Gazette* No. 10,964 of August 24, 1956 is hereby cancelled.
