(b) In the case of employees of Local Authorities who hold pensionable posts under the Pension By-laws or Rules of the Local Authorities, the Payment of their pension on ultimate retirement will be governed by the Pension By-laws or Rules of the Local Authority in whose employ they were on the date immediately preceding the date of their transfer to the Local Government Service in terms of section 48 of the Local Government Service Ordinance, No. 43 of 1945, as amended by the Local Government Service (Amendment) Act, No. 8 of 1949.

The Accounts of the Town Council, Polgahawela for the year 1959, as furnished by the Chairman, have been audited under my direction.

2. Vouchers for payments amounting to Rs. 40,586.39 made during the year have not been passed in Audit and are under correspondence with the Chairman.

3. The amounts shown as outstanding Property Rates, Conservancy Rates, Conservancy Fees, and Warrant Costs in the Statement of Assets and Liabilities do not agree with those in the subsidiary books.

4. Out of the unexpended balance of the loan obtained for the construction of the Town Council Office, a sum of Rs. 6,526.58 was diverted towards the construction of the Council's Slum Clearance Housing Scheme, without the approval of the C. L. G. An explanation has been called for.

5. Arrears of Electricity dues amounting to Rs. 64.83 were waived during the year by resolution of the Council and the procedure followed is under correspondence with the Chairman.

6. The expenditure for the year does not include Rs. 82.12 charged as debit tax by the Bank, and Rs. 5 credited to the Current Account in the Bank had not been brought to account in the Cash Book.

7. Although final payment for the Housing Scheme has been made and a portion of the contractor's security released, the Report of the Government Town Planner has not yet been obtained. This has been pointed out to the Chairman.

8. Subject to the above observations, I am of the opinion that the Statement of Assets and Liabilities and Revenue and Expenditure above set forth have been drawn up so as to present fairly the financial position of the Council as at December 31, 1959, and the results of its operations for the year ended on that date.

I, T. Tambiraja, Chairman, Urban Council, Matale, do hereby affirm that to the best of my knowledge and belief, the above is a true and correct statement of the Assets and Liabilities of the Urban Council, as at December 31, 1959.

T, TAMBIRAJA,
Chairman.

Urban Council Office,
Matale.

Affirmed to before me this 13th day of February, 1960.

Certified Correct.
N. L. T. DEEN,
Member.

V. P. WIJESENA, J.P.

The Accounts of the Urban Council, Matale, for the year 1959, as furnished by the Chairman of the Council, have been audited under my direction.

2. The previous approval of the Commissioner of Local Government has not been obtained for the assignment to each of the posts of the three Electrical Apprentices of salaries and allowances which in the aggregate exceeded Rs. 100 per mensem. The payments made to the apprentices have, therefore, not been passed in audit and are under correspondence with the Chairman.

3. The expenditure during the year includes payments totalling Rs. 5,892.85 which have not been passed in Audit. These payments represent cost of purchase of G. I. pipes, which were not entered in the register of materials as required by the Financial Rules nor certified by the technical officer of the Council as belonging to the class and quality recommended by him. A further sum of Rs. 7,277.50 paid for the construction of drains has also not been passed in audit as the work was done without preparing site plans showing cross sections, etc., in the absence of which no check on the satisfactory execution of the work was possible. An opportunity has been afforded to the Chairman to obtain the sanction of the Minister to enable both payments totalling Rs. 13,170.35 to be passed in audit.

4. The expenditure during the year includes payments of travelling allowances in respect of journeys performed by the Chairman to the office of the Council and the Minister has refused to sanction this expenditure. As the Chairman is since dead, no surcharge action is possible.

5. The expenditure for the year exceeded the revenue by Rs. 21,541.42 and this resulted in the deficit which stood at Rs. 8,026.22 being increased to Rs. 29,567.64 at the end of the year.

6. Subject to the above observations I am of opinion that the Statement of Assets and Liabilities gives a true and fair view of the state of affairs of the Urban Council, Matale, as at December 31, 1959.

Auditor-General.
