N. L. ABEYWIRA,  
Deputy Commissioner of Labour.

Department of Labour,  
Colombo, 10th October, 1960.

C/I. 328.

In the matter of an industrial dispute  
between

The All Ceylon Commercial and Industrial Workers' Union,  
No. 47, Drieberg's Avenue, Colombo 10

and

The Sri Lanka Tile Works, Waikkala, Dankotuwa.

##### The Award

This is an award made in terms of section 17 of the Industrial Disputes Act, No. 43 of 1950, as amended by the Industrial Disputes (Amendment) Acts, Nos. 25 of 1956, 14 and 62 of 1957.

It refers to an industrial dispute between the All Ceylon Commercial and Industrial Workers' Union and the Sri Lanka Tile Works, Waikkala, Dankotuwa (referred to hereinafter as the "Union" and the "Company" respectively).

2. By his order dated 24th February, 1960, made under section 4 (1) of the said Act the Hon. the Minister of Labour referred the aforesaid dispute to me for settlement by arbitration.

3. By his statement dated 22nd February, 1960, the Deputy Commissioner of Labour had specified that the matter in dispute is whether the non-employment of D. J. Wijesuriya by the Sri Lanka Tile Works, Waikkala, Dankotuwa is justified and to what relief he is entitled.

4. The Company in their statement dated March, 1960, expressed their willingness to re-employ Wijesuriya as a daily paid labourer if he is in a fit state of health as he had left after due notice on account of ill-health. The Union, in their statement of 10th April, 1960, informed that Wijesuriya had been employed as a labourer for about 10 years and that he was transferred to the Walauwa as a watcher on 1.5.58, on a monthly pay of Rs. 70, but that he was not paid his full wages when he was dismissed without notice on 15.11.58. The Union demanded (1) 3 months salary for discontinuance without notice, (2) gratuity for 10 years' service on the basis of one month's salary for each year of service, (3) balance wages amounting to Rs. 285, for the period June to November 1958; and (4) "any other relief that the court may please".

5. The Company in their answer of 13th June 1960, repeated their willingness to re-employ Wijesuriya and denied that he had 10 years' service. The Company also denied that he was a watcher and submitted that as Wijesuriya was a daily paid employee, who left the employment on his own, the question of notice, gratuity and balance wages did not arise. The Union in their answer dated 17th May 1960, denied that there was any notice of termination of employment and claimed arrears of pay and gratuity as they did not expect re-employment.

6. The inquiry was fixed for the 13th June 1960, at 9.15 a.m. but the company was not represented by anyone till 10 a.m. when I decided to postpone the case to 22nd June, 1960. The Union was represented by Mr. Advocate P. K. Liyanage. Mr. Don Joachim Fernando represented the Company on the second day and explained that they were late on the first day because of an accident on the way. When I inquired if the accident was reported to the Police, the accident turned out to be a flat tyre. The excuse given by the Company to the Registrar of the Industrial Court on the first day was that they did not know their way to the Courts and that they spent much time trying to locate the place. This attitude of the Company to hide their mistakes and mislead others was apparent throughout the inquiry and I ordered the company to pay costs in a sum of Rs. 100 to the Union.

7. Mr. Liyanage explained that it was difficult for Wijesuriya to be re-employed by the Company as, after his dismissal, when he went to the Company on some other business, he was assaulted there. But the assault was not reported to the police as the Manager, one Cosmas, gave him a letter to Dr. Jayalath offering to settle the bills for medical attention. The Company denied any knowledge of this person Cosmas, though later, it was agreed that Cosmas was present in the Court premises briefing them only a few minutes before the inquiry. It was also admitted later that Cosmas is the husband of one of the partners of the Company and that the Manager and Clerk of the Company normally carry out his instructions. In fact, the letter had been written by the clerk and signed by Cosmas.

8. Wijesuriya in his evidence stated that he was unemployed from 15.11.58 to 11.1.60. He also stated that he had joined the Company one year before his witness Karunadasa and that he had joined the Company in 1947 and not in 1952. Karunadasa stated in his evidence that he joined the Company in 1953, so that the contention of the Company that Wijesuriya's services commenced in 1952 appears to be correct. It may be true that he had worked off and on from 1947 as the Manager at one stage said that Wijesuriya had worked in the Company for about 12 years, though the Manager himself had been there for only five years. Though Wijesuriya said that he had not been paid his full wages, yet, he admitted having signed the book on 15.11.58, after receiving payment. Though these books had been very badly kept, yet I am satisfied that Wijesuriya had been paid his wages up to 15.11.58. I am also satisfied, specially after examining the book, that Wijesuriya was dismissed on 15.11.58, without reason or notice.

9. Mr. Marshall Perera, Proctor for the Company, appeared on the 3rd day of inquiry and demanded that the Union prove Wijesuriya to be their member before proceeding further. The Union membership register containing the names of Wijesuriya and three others from this Company was produced but there was no other conclusive evidence of membership. However, as the Hon. Minister of Labour had by his order of 24th February, 1960, stated that there was an industrial dispute between the said parties I gave the benefit of the doubt to the Union and ruled that the inquiry should proceed. The official Manager, Joseph Rowell, in his evidence stated that the Union's District Representative, Freddie Fernando, was pursuing this case because of a personal grudge but that he was prepared to re-employ Wijesuriya.

10. Cosmas Weerasuriya was summoned by me and he stated that he allowed Wijesuriya to stay in the Walauwa as his home was several miles away. He had on several occasions helped Wijesuriya with small sums of money and out of sympathy, he gave the letter to Dr. Jayalath offering to settle the medical bills for treating Wijesuriya. It is probably true that he helped Wijesuriya while he was in service till 15.11.58, but it is difficult to believe that he continued to be sympathetic even on 13.2.60, to give this letter after he had been accused by Wijesuriya at the inquiry on 22.8.59.

11. Mr. Marshall Perera in his address maintained that the Company was prepared to take Wijesuriya back and therefore there was no question of non-employment and relief on that account. But as stated earlier, I am satisfied that Wijesuriya was dismissed on 15.11.58, without any reason and therefore he is entitled to relief in the following manner:—It was agreed by both parties that Wijesuriya as a labourer was paid Rs. 2.50 per diem. Service for 6 years with the Company entitles him to a gratuity of Rs. 180, on the basis of 2 weeks' pay for every year of service. He has been unemployed for over an year as a result of dismissal without reason or notice and should therefore be paid extra wages for 3 months amounting to Rs. 180.

My award, therefore, is that the Company shall deposit with the Assistant Commissioner of Labour, Negombo, the sum of Rupees Three Hundred and Sixty only (Rs. 360), within one month of the publication of this award, to be paid to D. J. Wijesuriya.

T. SIVAPRAKASAPILLAI,  
Arbitrator.

Dated at Colombo this 29th day of September, 1960.

In the matter of an industrial dispute  
between

The Ceylon Workers' Congress, 84/4, Lauries Road, Colombo 4  
and

The Superintendent of Mahalla Group, Waharaka.

#### THE AWARD

This is an award under section 24 of the Industrial Disputes Act, No. 43 of 1950 (as amended). It relates to an industrial dispute between the Ceylon Workers' Congress (hereinafter referred to as "the Union") and the Superintendent of Mahalla Group, Waharaka (hereinafter referred to as "the Superintendent").

2. The Honourable the Minister of Labour, Industries and Fisheries by his Order dated June 22, 1960, made under section 4 (2) of the aforesaid Act, referred this industrial dispute to this Court for settlement. The Deputy Commissioner of Labour, in his statement dated June 13, 1960, has set out the matter in dispute between the above named parties as "whether the non-employment of Maruthamuthu, Velaie w/o Maruthamuthu, Mookan, Perumaie, w/o Mookan, Joseph, S. M. Govindaraj and Narayanan alias Piyasena is justified, and to what relief they are entitled."

3. At the inquiry on September 24, 1960, the parties to the dispute intimated to this Court that they had arrived at a settlement of the matter in dispute between them, the terms of settlement being as follows:—

- (1) Mookan and Perumaie have already been reinstated and compensation paid by way of back wages.
- (2) The other workers mentioned in para. 2 above will be reinstated in employment with effect from September 28, 1960, with back-wages calculated at half month's gross wages, i.e. 13 days' per month, from the date of termination of their services, up to September 27, 1960.
- (3) The amounts due to each worker will be decided upon by the parties to the dispute. If there is any dispute with regard to the computation of the back-wages, the Assistant Commissioner of Labour, Avissawella, will decide on the amounts to be paid and his decision on this matter shall be final.

- (4) S. M. Govindaraj is given the option of reporting for work on or before October 15, 1960, but he will be entitled to back-wages only up to September 27, 1960.
- (5) If the other workers mentioned in para. 2 of this award do not report for work on or before October 1, 1960, they will be regarded as having terminated their services with the Superintendent of the estate. They will, however, be entitled to the back-wages as indicated in clause (2) of the terms of settlement, but not to reinstatement if they fail to report for work on or before October 1, 1960.

4. I consider the terms of settlement arrived at between the parties to be fair and equitable and in the interests of the parties, I make my award accordingly and direct that all payments due under this award should be made through the Assistant Commissioner of Labour, Avissawella, within a period of 30 days of the publication of this award in the *Government Gazette*.

No. 129, Kumaran Rutnam Road, Colombo 2

and

L. C. A. Nursing Home, Galle Road, Colombo 3.

#### THE AWARD

This is an award under section 24 (1) of the Industrial Disputes Act, No. 43 of 1950, as amended by Industrial Disputes (Amendment) Acts, Nos. 25 of 1956; 14 of 1957 and 62 of 1957, and it relates to an industrial dispute between The Nidahas Karmika Saha Velanda Sevaka Vurthiya Samithiya aforesaid (hereinafter referred to as "the Union") and the said L. C. A. Nursing Home (hereinafter referred to as "the Management").

2. The Hon. the Minister of Labour by his Order dated 24th November, 1959, made under Section 4 (2) of the aforesaid Act referred the said dispute to this court for settlement.

3. According to the statement of the Deputy Commissioner of Labour dated 20th November, 1959, the matter in dispute between the said parties is:—

"whether the non-employment of the following three workers is justified and to what relief each of them is entitled, viz. (1) Miss. J. E. Rodrigo, (2) Mrs. N. Uduwara; and (3) Miss S. Palihakkara."

4. When the matter was taken up for enquiry on 22nd July, 1960, Mr. R. A. Saranapala appeared for the Union and Mr. A. G. Strong, Proctor, appeared for the management.

Mr. Saranapala moved to withdraw the demand made by the Union in view of the fact that the employees in question had since found other employment and stated that he had written to the Registrar of this Court and the management on 25th March, 1960, and again on 25th June, 1960, that the Union was "seeking withdrawal of the case".

5. Mr. Strong admitted that notice of withdrawal had been given but moved for an order for costs of this enquiry as well as the costs of the proceedings before the Labour Tribunal on the ground that this dispute had been pending for about one and a half years and the management had thereby been put to great inconvenience.

Taking all the facts into consideration as they appear in the statements filed by the parties it does not appear to me that this is a case in which costs should be ordered. The demand made by the Union was not a frivolous or vexatious one. Nor can it be said that it had been made without reasonable grounds. The only reason why the Union sought to withdraw its demand is because the three nurses in question have since found other employment. If these proceedings have been protracted the management itself has contributed to it by getting the enquiry transferred to this court from the Labour Tribunal.

6. I therefore make award allowing the application made by the Union to withdraw its demand and make no order for costs. I have no power to make any order for costs of the proceedings before the Labour Tribunal.

P. B. DE SILVA.

#### THE INDUSTRIAL DISPUTES ACT, No. 43 OF 1950

THE Award transmitted to the Commissioner of Labour by the Arbitrator to whom the industrial dispute which had arisen between the All-Ceylon Oil Companies Workers' Union and Standard Vacuum Oil Company, Colombo, was referred by Order dated June 4, 1959, made under section 4 (1) of the Industrial Disputes Act, No. 43 of 1950 and published in *Ceylon Government Gazette* No. 11,221 dated June 12, 1959, for settlement by arbitration is hereby published in terms of section 18 (1) of the said Act.

Deputy Commissioner of Labour.

Department of Labour,  
Colombo, 13th October, 1960.

In the matter of an industrial dispute

between

The All-Ceylon Oil Companies Workers' Union, Colombo 9,

and

The Standard Vacuum Oil Company, Colombo.

#### The Award

This is an award made under section 17 of the Industrial Disputes Act, No. 43 of 1950, as amended by the Industrial Disputes (Amendment) Acts, No. 25 of 1956, and Nos. 14 and 62 of 1957.

2. It relates to an industrial dispute between the All-Ceylon Oil Companies Workers' Union of 9, Albion Place, Colombo 9, hereinafter referred to as "the Union" and the Standard Vacuum Oil Company, Colombo, hereinafter referred to as "the Management".

3. The Hon. the Minister of Labour by virtue of the powers vested in him under section 4 (1) of the Industrial Disputes Act, No. 43 of 1950, referred the above dispute to me for settlement by arbitration by his Order of 4th June, 1959. The statement of the matters in dispute as set out by the Deputy Commissioner of Labour dated 30th May, 1959, which accompanied the Minister's Order is as follows:—

"Whether the non-employment of Messrs. H. A. Harmanis Singho and D. P. Sirisena by the Standard Vacuum Oil Company is justified and to what relief each of them is entitled".

4. Mr. Advocate Vernon Wijetunge instructed by Messrs. F. J. & G. de Saram appeared for the Company and Mr. Advocate Malcoelm Perera with Mr. Advocate Waidyasekera instructed by Mr. R. S. Baghvan appeared for the All-Ceylon Oil Companies Workers' Union. Mr. Advocate K. Shiniya appeared for the Union at a later stage.

5. On the opening day of the proceedings I heard arguments on the question as to on whom the burden of proof lay. Mr. Wijetunge for the Management maintained that the Union should prove that the dismissal was unjustified while Mr. Perera for the Union maintained that the Employer should justify the dismissal. After hearing arguments of both sides and reading all references made by the Counsel, I decided that in the circumstances of this case the burden of proof lay on the employer.

6. The Industrial Disputes Act, No. 43 of 1950, states specifically in section 36 (4):—

"In the conduct of proceedings under this Act any Industrial Court, Tribunal, Arbitrator or authorised officer or the Commissioner shall not be bound by any of the provisions of the Evidence Ordinance".

Regulation 30 framed under the above Act states:—

"At the hearing in regard to any matter before an Industrial Court or an arbitrator or a Labour Tribunal, such Court, Arbitrator or Labour Tribunal may call upon the parties in such order as the Court or the Arbitrator or the Tribunal thinks fit, to state their case".

Thus the question of deciding as to who should start the case is a matter left to the Arbitrator for his decision. Such a question has of course to be decided with reference to the principles of natural justice. In the present case the Management in its statement filed with me stated that they dismissed the workers for theft of petrol. In this case obviously the party in the best position to supply most of the facts relating to the case is the Employer. Under the circumstances it would have been easier for me to determine the case by asking the Management to place its facts in full first and thereafter it was for the worker to establish his innocence if he so pleads.

I find support for my view in the decision of the Indian Labour Appellate Tribunal in respect of a dispute between the State Bank of India, Indian Staff Association and the State Bank of India which I cite below:—

“The contention of the appellant is that the learned tribunal erred in law in throwing the burden of proof on the Workmen whereas it lay on the bank to justify its action and thus misdirected itself and that the whole finding is vitiated. We have set out above the point that was referred for adjudication. Even the Government of India posed the question as to “whether the termination of employment of D. C. Ghosh was justified”. We may also refer to the statement in “Management Functions under Collective Bargaining” by Ludwig Teller at page 75.

“The burden of proof is on the employer to show that the discharge or other disciplinary action was justified.

“We are of opinion that the learned tribunal erred in law in casting the burden of proof on the workman and that the matter has to be examined afresh. It is for the bank to justify the order of termination of service”.

(Page 97 Labour Law Journal, Volume 1 of 1957).

7. Now coming to the facts relating to the case, the case for the management is as follows:—

On March 12th, 1959, H. A. Harmanis Singho, Driver and General Workman D. P. Sirisena were in charge of Truck No. CV-5781 which was sent with a load of 1,200 gallons of petrol to the Nawalapitiya Mobilgas Station. Two officers of the Company who were on surprise check duty that morning had observed this truck enter the Pannipitiya Mobilgas Station at about 2 o'clock. They observed this from a point further than the Mobilgas Station on the Avissawella Road towards Avissawella and had driven back along the Avissawella/Colombo Road towards Colombo passing this Mobilgas Station where they had seen this truck parked. They proceeded further and returned on the same route again and found the truck missing. Under the impression that the truck had gone ahead they went along the Avissawella Road for a distance of about 2 miles and having not seen the truck they returned to the Mobilgas Station. Here they bought a gallon of petrol and finding the truck still missing they drew up further on the Avissawella Road in the direction of Avissawella and stopped at a junction close to the Mobilgas Station. At about 2.25 p.m. they sighted this truck coming along the Colombo Avissawella Road in the direction of Avissawella. They stopped the truck and brought it back to the Kolonnawa Terminal. There on examination the load was found to be contaminated with approximately 150 gallons of kerosene. Thereafter these two workers were interdicted and an inquiry held by an officer of the Company. On the results of the inquiry they were dismissed.

8. The Union maintained that these workers, particularly Harmanis Singho, were being victimised for the action they took in protesting against an attempt to appoint Mr. Satkunam as Acting Terminal Superintendent.

9. The defence was that the truck had entered Pannipitiya Mobilgas Station to attend to some minor repairs and thereafter on the resumption of the journey it was apprehended and brought back to the Terminal.

10. The Union's Counsel took up the position further that the seals of the filler caps were intact and as such they could not be found fault with even if there was any contamination.

11. In these diametrically opposed positions taken up by both parties there is some common ground. There is no dispute that the truck had entered Pannipitiya Mobilgas Station and that the seals were intact on its return to the Terminal. The matters in dispute are:—

- (a) Whether the truck had disappeared for a period of 20 minutes, and if so, where?;
- (b) Whether the load was contaminated with kerosene, and if so, how and to what extent? and
- (c) Were Harmanis Singho and D. P. Sirisena responsible for this contamination?

12. The witnesses for the Management in the first point in dispute were Messrs. Wanigasekera and Rajaratnam, both holding high positions in the Company's service. These two gentlemen stated in their evidence that they had kept watch on this truck and saw it enter the Pannipitiya Mobilgas Station and then it had been missing for about 20 minutes. Then on seeing it again approaching from the Colombo/Avissawella Road in the direction of Avissawella they stopped it and brought it back to

the Terminal. The Union summoned the Storekeeper of the Pannipitiya Mobilgas Station to refute the evidence of Messrs. Wanigasekera and Rajaratnam. The Storekeeper, Mr. Wijesuriya stated that the truck came, attended to some repairs and thereafter resumed its journey. He denied that Mr. Wanigasekera or Mr. Rajaratnam came to his Mobilgas Station that afternoon or bought petrol there.

13. Neither Mr. Harmanis Singho nor Mr. Sirisena had anything against Messrs. Wanigasekera or Rajaratnam. In fact it was known that Mr. Harmanis Singho was in the employ of Mr. Wanigasekera's grandfather and that Mr. Harmanis Singho had known Mr. Wanigasekera as a child. Mr. Harmanis admitted that he could not think that Mr. Wanigasekera would have fabricated evidence against him. I am inclined to accept the evidence of Messrs. Wanigasekera and Rajaratnam in preference to that of Mr. Wijesuriya.

14. The second matter in dispute is whether the load had been contaminated with kerosene and if so, how and to what extent?

The Company led evidence to show that the truck had no product when petrol was loaded in the afternoon and that there could possibly be no contamination with the kerosene load which had gone that morning. They further maintained that only two of the three compartments were contaminated and as such the contamination could not have been from the previous product.

The Management produced its Analyst to give evidence with an analysis of the load and the results he obtained. They also explained that it was rumoured that behind this Mobilgas Station at Pannipitiya there was a garage where petrol was being pilfered from Company's bowsers. The Company said that contamination was to the extent of 150 gallons.

15. The Union's Counsel maintained that the analysis of the Company was not perfect and that the figures quoted were highly exaggerated and maintained that in case there was slight contamination it must have been due to the kerosene load which this truck had taken earlier in the morning. They denied any knowledge of any garage behind the petrol shed which was indulging in such practices as alleged by the Company.

16. No evidence was placed before me to satisfy me that there was a garage behind this petrol shed indulging in the theft of petrol. The Management said that there were rumours and anonymous complaints indicting or incriminating this garage, which is according to the Management owned by the owner of the Mobilgas Station. The evidence of the Analyst regarding the extent to which the petrol was contaminated was subject to severe cross-examination by the Union's Counsel and at some stages the Analyst admitted that there could be errors in his calculations and that his analysis was not perfect, and stated that he had not given the exact percentage involved or the exact extent of contamination.

17. This leaves doubt as to whether such a large extent of contamination was involved. It becomes all the more intriguing when one notices that all these transactions were over within a period of 20 minutes and that both the seals of the filler caps and discharge pipes were intact. In the circumstances I am not satisfied that the contamination was to that extent as claimed by the Management.

18. The final point to be resolved now is whether Harmanis Singho did commit theft or wilfully cause theft to be committed. The Union's defence was (1) that they attended to certain repairs to the truck during the period the truck was off the road and (2) that the seals were intact and so the load had not been tampered with.

19. The Company did not dispute the first point although it maintained that the driver had no right to attend to repairs himself or to deviate from his track. If further maintained that even if the driver had attended to some repairs, the truck was missing thereafter for about 20 minutes. I accept the position of the Company that the truck was missing for a period of 20 minutes without a satisfactory explanation. Regarding the second point the Company said that it was possible to open the filler cap without breaking the seals and this was demonstrated to me. In my opinion this appears to be an unsatisfactory security system. Under this system if the seals are broken or tampered with the worker will be held responsible. If the seals are intact yet the worker does not stand absolved of his responsibility. I think this is not fair by the workers and am of opinion that the Company should make its security system more effective.

20. The Union further maintained that Harmanis Singho was only a last minute choice which is admitted by the Company and as such could not have conspired to commit theft of petrol. This is a point in favour of the worker. The Union's final point was that there was no evidence whether direct or indirect to prove that this truck had entered the garage adjoining the Mobilgas Petrol Station at Pannipitiya or it was seen by anyone coming out of this garage.

21. The Charge Sheet presented to Harmanis Singho stated that he was seen at 2.35 p.m. on the said day leaving the Pannipitiya Mobilgas Station. This has not been sustained by the Management during the course of the inquiry. The truck was only seen on the road by the witnesses as stated by me earlier.

22. It is true Harmanis Singho and D. P. Sirisena have failed to offer satisfactory explanation for their “disappearance” for approximately a period of 20 minutes between 2.05 and 2.35 p.m. on March 12th, 1959, and as such rendered themselves liable to be punished by the Company.

23. On the other hand the short duration of time during which the alleged transaction is said to have taken place, the fact that the seals were intact and the fact that there was no direct evidence relating to the entry of the truck into the garage or its exit from the garage, and the evidence of the Analyst regarding the extent of contamination leaves a certain amount of doubt as to whether this could have happened as stated by the Management.

24. In all these circumstances I consider dismissal as too harsh and severe a punishment.

25. The question now arises as to what relief each of these workers is entitled to. I will take the case of Harmanis Singho first.

26. The Union demanded that he be reinstated. I have given very serious thought and I am of opinion that reinstatement of Harmanis Singho is not advisable in all the circumstances. Instead he shall be paid a sum of Rs. 3,500 which will consist of Rs. 2,212.64 which the Company offered to pay him on his dismissal the balance which is nearly six months gross salary as ex-gratia payment within two weeks of the publication of this award in the *Gazette*.

27. In the case of D. P. Sirisena I alter the punishment of the Company to one of suspension from dismissal and the period of suspension shall be the period he was out of employment. He shall be reinstated within two weeks of the publication of this Award.

and

M. D. Gunasena & Co. (Printers), Ltd.,

#### THE AWARD

This is an Award under section 24 (1) of the Industrial Disputes Act, No. 43 of 1950, as amended by Acts No. 25 of 1956, No. 14 of 1957, and No. 62 of 1957. It relates to an industrial dispute between the above named Union and M. D. Gunasena & Company (Printers) Limited.

2. The Honourable the Minister of Labour, by his Order dated 21st April, 1959, referred to this court, for settlement, the dispute between the parties. The matters in dispute are the following demands made by the said Union:—

- (i) The non-employment of the following workers:—D. H. Ranasinghe, T. D. Wijedasa, H. T. P. Piyadasa, M. Amaradasa, R. M. Michael, R. D. Nandasena, M. H. M. Farook, L. S. Anthony, A. P. Cassim, R. Almeida, K. M. Simon Singho, J. N. J. Leitan, L. P. M. Amérasinghe and R. P. Carolis Singho, by M. D. Gunasena & Company;
- (ii) the suspension of Mr. J. H. David without pay for a period of one month commencing 1st August, 1958;
- (iii) the non-provision of provident fund benefits to the employees as from the date of the winding up of the company's provident fund in May 1958;

(iv) the non-payment of a bonus in the year 1958. These were the original demands put forward by the Union, but on the 19th May, 1959, the Union put forward a further demand, namely;

- (v) an increase of Rs. 17.50 in the special living allowance. The position taken up by the Union is that these workers were dismissed because they joined the Mercantile Union and then formed a Branch Union of which Messrs. Wijedasa and Piyadasa were the Vice-President and Treasurer respectively. They allege victimisation. We cannot uphold this contention in as much as the dismissals were for acts of dishonesty and inefficiency.

D. H. Ranasinghe and K. D. Wijedasa were dismissed on 9.1.58 for using indecent language in the premises of the Company on 7.1.58. According to them there was no incident on that day and there was no inquiry held and they do not know why they were dismissed. The evidence of Cassim, a foreman, as well as document R.27 which he wrote on 8.1.58 together with the evidence of Mr. Thomas Perera and the affidavit of Mr. Witchell, R.48, clearly established the fact that Ranasinghe and Wijedasa used indecent language in the premises on 7.1.58. According to the witness Karunadasa, the abuse was directed at two of the directors, namely, Mr. Thomas Perera and Mr. Witchell. Ranasinghe appears to be an unruly character and had given trouble on three previous occasions. On the first occasion he was suspended and on the other two occasions he was warned. Wijedasa, who was the Vice-President of the Branch Union, also behaved himself in a disgraceful manner on 7.1.58, and the management was constrained to take a serious view of it. Such conduct could not be tolerated in business premises as it tended to undermine discipline. In the circumstances we are of the view that the action taken by the management against Ranasinghe and Wijedasa was justified.

H. T. P. Piyadasa who was the Assistant Secretary and Treasurer of the Branch Union was dismissed on 2.2.58, for abusing the foreman, Ebert, and for insubordination and insolence to the director, Mr. Gunasena, who was inquiring into his conduct, and also for refusing to carry out lawful orders. According to him one Ebert, who was a compositor, inquired whether he had finished the previous day's work, and he replied "mind your own business; there is no need for you to come and interfere in my work". It would appear that Mr. Thomas Perera had appointed Ebert as an Acting Foreman, in the absence of a regular foreman. This appears to have annoyed Piyadasa who refused to take orders from Ebert. Later that day Mr. Sepala Gunasena sent for him and inquired why he had scolded Ebert, but he denied it. Piyadasa also stated that Mr. Gunasena said "we do not work in the way you want but in the way we want" and pushed him out of the premises. According to him he returned to work at 8 a.m. on the next day, but the watcher pushed him out of the gate and he went home. Both Mr. Gunasena and Mr. Thomas Perera denied this and stated that Piyadasa refused to take orders from Ebert and was insolent to the directors. Ebert made his complaint against Piyadasa in writing and this was inquired into by Mr. Gunasena and Piyadasa was dismissed. In this instance too we consider his dismissal justified.

R. M. Michael was dismissed on 9.5.58 for damaging a valuable printing machine. It would appear that on that day Amaradasa, another machine minder, and he were working on a machine and Amaradasa took out some proofs and stopped the machine and went to hand over the proofs to the foreman when Michael re-started the machine and damaged it. There was an investigation and it was found that the machine had been re-started without a proper adjustment of the rollers. According to Amaradasa's written statement R.16, the damage appears to have been caused through Michael's negligence. The General Manager was satisfied with Amaradasa's explanation and dismissed Michael, and Amaradasa was warned that in future he would be held responsible for the machine.

The case against M. Amaradasa is that he operated a machine on 16.6.58 with damaged tapes either deliberately or through negligence. Amaradasa stated that Mr. Witchell had told him that whenever the tape broke he should work the machine by joining the same tape. Mr. Witchell, however, found that the damaged tape had been joined together by means of a staple wire, contrary to instructions. It was suggested by the witness for the Company that these were acts of sabotage in order to cause loss to the firm. This view is supported by Cassim, a witness for the Union, and there appears to be some ground for this suspicion. Taking all the evidence and the circumstances into account we hold that the dismissals of Amaradasa and Michael are justified and that it would be dangerous to continue their employment as further damage might be caused to the valuable machinery.

R. D. Nandasena and M. H. M. Farook were dismissed after a court case. They were convicted in the Magistrate's Court of Colombo for causing hurt to a fellow worker named Bandula within the premises of the Company. These two workers chased after Bandula and when the latter took refuge in the canteen they seized him and assaulted him. In view of this highhanded act and their subsequent convictions, we are of the opinion that their dismissals were justified.

In the case of L. S. Anthony we are of the opinion that his dismissal was not justified. He is alleged to have gone up to Mr. Gunasena, the Managing Director, and asked for an increase of salary and when told to go away, he took up a truculent attitude and went on to argue with Mr. Gunasena and for this reason he was dismissed. He then complained to the Labour Department who sent R.17 to the Company. Taking all the circumstances into consideration we think that the dismissal of Anthony was too drastic a punishment. A fine might have been more appropriate. We therefore award him three months salary as compensation.

A. P. Cassim was dismissed for incompetence in connection with work entrusted to him as foreman. The immediate cause of his dismissal was his incompetent handling of the printing of the Shell Magazine. He virtually admitted his incompetence and was prepared to be reduced to the post of compositor. Although we hold that he was incompetent we cannot say he was wilfully negligent and therefore find that his instant dismissal was not justified. We consider that he should have been given a month's notice of discontinuance and we therefore order that he be given a month's salary in lieu of notice. He cannot in any circumstances be reinstated because, since his dismissal, he has written a letter to the Shell Company derogatory of Gunasena & Company. Furthermore, after his departure, copies in his handwriting of highly confidential papers were found in the drawer of his desk showing that he had from time to time extracted confidential information from the books of the Company for some purpose.

R. Almeida was dismissed for entering in the register the time of departure at the time of his arrival for work and then leaving the premises at 12 noon without altering the time of departure. When he returned to work after two days the timekeeper directed him to the Managing Director. We note that it had been the practice among foremen to enter the time of departure at the time of arrival and to alter the time of departure subsequently whenever they left at an earlier hour. We have considered Almeida's case very carefully and we feel that the punishment meted out to him is out of all proportion to the offence in as much as he had no opportunity of altering the time of departure when he returned to work two days later. In view of these circumstances we order that he be paid three months' salary as compensation.

K. M. Simon Singho a machine minder does not appear to have been dismissed. His eyes gave him trouble and he was ordered by the firm to have his eyes tested at the Eye Hospital and he kept away from work for a long time. According to him he received a letter A.16 from the firm requesting him to get his eyes tested at the Eye Hospital and he did so and got the prescription A.18. When he went back to work the Manager, Mr. Thomas Perera, wanted him to bring a report from the doctor and he replied that the doctor had told him that he would send his report to the firm. According to him he was not told anything after that but in the same breath he stated that Mr. Thomas Perera told him not to come to work and also instructed him to go to the Managing Director and beg his pardon. He stated that he did not go to the Managing Director as he had done no wrong. He also stated that he was not given work after that and was not allowed to go into the premises. He thereupon informed the Union. In his cross examination, however, he stated that the doctor told him to get spectacles but he did not do so as he could not afford it. It is difficult to believe this because according to both Mr. Gunasena and Mr. Thomas Perera there is a scheme in the Company by which workers whose sight is bad are given spectacles free. It is not correct to say that Simon Singho was dismissed. He kept away from work probably taking Ayurvedic treatment in the meantime. Mr. Gunasena stated in answer to the court that if Simon Singho returned to work he would have provided him with work if he was able to work. This worker is totally blind in one eye and the sight of the other is greatly impaired. It is our view that Simon Singho who has been a worker at Gunasena and Company since 1945 deserves special consideration owing to his age and his long term of faithful service in the Company. We order that he be given a gratuity of three months' salary. He has already drawn his provident fund benefits.

In the case of J. N. J. Leitan, Compositor, the Company alleges that he made a defamatory statement in the presence of two Labour Officers who were holding an inquiry into a complaint made by him. The defamatory statement was that the Company kept two sets of books. Leitan made a complaint to the Labour Department that the Company had deducted a sum of Rs. 1.18 twice as interest on a loan he had taken from his provident fund. Two Labour Officers came for inquiry into this complaint. Leitan stated that he told the Labour Officers that there were several books maintained by the Company and that they may have made a mistake. Mr. Rutnam, an Accountant of Messrs. Pope & Company, who was present at the time gives the lie direct to Leitan. According to him Leitan's complaint was a frivolous one. Mr. Rutnam also stated that Leitan pushed the checkrolls away saying that they were false, and that the Company kept two sets of books. This is a serious allegation to make against a reputable company and his dismissal is therefore justified.

L. P. M. Amerasinghe who was a compositor was dismissed after four and half years' service for altering the date on a medical certificate. It is in evidence that he got ill on the 21st of July while working and submitted a sick note and went home. He stated that he went to the Ayurvedic Hospital that day and stood in the queue but could not meet the doctor. On the next day too he failed to meet the doctor but met him on the 23rd July and received treatment. He met the doctor again on the 26th and 28th July respectively and on the latter date he requested the doctor to give him a medical certificate from the 23rd to the 28th July which the latter refused to do and said that he would give one from the 26th to the 30th of July, and he accepted it. Armed with this certificate he went back to work on the 29th July but the timekeeper stopped him at the gate and told him to wait till Mr. Thomas Perera came there. Mr. Perera came there later and took him to office and examined the medical certificate saying "although you say you are sick you had been loafing about the roads." This remark was made because Mr. Thomas Perera stated that he had seen Amerasinghe talking to the workers outside the premises nearly every day between the 22nd and the 28th July. Mr. Thomas Perera instructed Amerasinghe to see Mr. Gunasena and the latter examined the certificate and said that the figure "6" had been altered to "1". Amerasinghe denied that he altered it. It was suggested by the Union that it would be the easiest thing in the world for anyone in seeking some method of getting rid of the Secretary of the Branch Union to draw a line against the figure "6" and accuse him of having done it. In his evidence he held that Mr. Thomas Perera would have done it, but he did not say so categorically. In his cross examination, however, he stated that the figure "6" had been altered to "1" when the doctor gave him the medical certificate. Dr. Sabapathypillai who issued the certificate, R 35, stated in court that he issued it recommending six days' leave from 26th July. He produced a copy of the certificate marked R. 41 and denied that he altered the figure "6" to "1". Amerasinghe had a motive for altering the date because it was on the 21st July that he left the premises of the Company stating that he was ill and when the doctor gave him the certificate recommending leave from the 26th July he altered the figure "6" to read as "1", so as to cover up the period from 21st to 25th. The alteration of a medical certificate is a serious thing because it is a dishonest act and renders the person who does it liable to a criminal prosecution. Amerasinghe should be thankful that he was not prosecuted for altering the certificate. For the above reason we hold that the dismissal of Amerasinghe was justified.

R. P. Carolis Singho. This worker joined the company in 1949, as an apprentice compositor. He was later promoted as a proof reader and it is alleged by the Company that he was slow and inefficient. In 1957 he was re-transferred to the Composing Department, but his work remained unsatisfactory. He was given several warnings that his work should improve, but there was no change. The Union alleged victimisation because Carolis Singho joined in the strike. Carolis Singho stated that after the strike the management harassed him and reduced him in status although he received the same salary. We cannot hold that there was victimisation as no evidence of victimisation was led by the Union but we do hold that he was not given a fair trial. He was taken on as an apprentice compositor and after only ten months training he was promoted as proof reader. It is in evidence that it takes a period of five years to train a compositor. His inefficiency and slowness therefore must be the result of an insufficient training for which he was not entirely to blame. Taking all the circumstances into consideration we have come to the conclusion that the dismissal of Carolis Singho was not justified. We order that he be paid three month's salary as compensation.

(ii) *The suspension of David without pay for a period of one month commencing from 1st August, 1958.*

David was called upon by A. 34 to show cause why he should not be dismissed for carelessness resulting in heavy losses to the Company. Mr. Witchell stated in his affidavit that he was entrusted with a job which he spoilt and in attempting to explain in a way his neglect he deliberately uttered a number of untruths. David purported to show cause by the letter A. 35 to which the Company replied by A. 36 stating that they were not satisfied with his explanation and therefore suspended him for a month from 1st August 1958, without pay. We have the evidence of Mr. Thomas Perera and the affidavit of Mr. Witchell supporting the case for the Company. David did not choose to give evidence on his own behalf. We are satisfied that the suspension of David was justified.

(iii) *The non-provision of the provident fund benefits to the employees as from the date of the winding-up of the Company's provident fund in May, 1958.*

The Company started a provident fund in 1952, contributing 8 1/3 percent. On the eve of the formation of the Employees' Provident Fund by the Government the workers pressed for and secured the winding-up of the Company's provident fund in spite of the Company's advice and wishes. The employees feared that if the Employees Provident Fund, which is a Government sponsored fund, took over the Company's provident fund they would not be able to draw their benefits until the time of their

retirement. They therefore demanded the winding up of the Company's provident fund so that they could straightway draw their benefits. The moneys lying to the credit of the employees were accordingly paid to them and the Company obtained documents indemnifying themselves. The Company thereafter joined the Employees Provident Fund in July, 1959, so that between May, 1958 and July, 1959, there was no provident fund in existence. It is unreasonable to expect the company to contribute their share as if the provident fund was in existence. If any payment is to be made it would have to be an *ex-gratia* payment and we cannot call upon the Company to make such a payment.

(iv) *The non-payment of a bonus for the year 1958.*

We are satisfied from Mr. Rutnam's evidence and from the statement of profits shown to us that the profits of the Company for the year 1957 had dwindled. This, it was claimed, was due to a strike of the workers of the Company and evidence was led before us to prove that after the strike the recovery of business was slow and that the profits at the end of the year, in the words of Mr. Rutnam, "were insufficient to cover interest on capital investment." We are satisfied in the circumstances that the Company was justified in not paying a bonus in 1958. We, however, note that the Company paid a bonus in 1959.

(v) In the course of the proceedings on 4th November, 1959, the Union put forward a further demand, namely, the payment of an extra allowance of Rs. 17.50. This demand was originally made by the Union in March, 1958, by a letter to the Company. In the same month the Wages Board decided a payment of Rs. 7.80 from 1st April, 1958, as a Special Living Allowance. This, the company paid to its employees. The Union does not appear to have pursued the demand thereafter. By an order in August, 1958, the Wages Board decided on a further payment of a sum of Rs. 9.62 as from 1.9.58. The position taken up by the Union now is that the demand had been met as from 1.9.58 and not from 1.4.58 and for that period 1.4.58 to 31.8.58, the sum of Rs. 9.62 a month should be paid to each employee. In support of their claim they refer to the payment of the sum of Rs. 17.50 by the Associated Newspapers Limited and the Times of Ceylon Limited who paid from 1.1.58, but those payments by the two companies referred to were the result of negotiation. The Company urged that they did in fact pay in accordance with the Wages Board Regulations, and are not in a position to pay out of the profits for 1958, at this distant date. We find that the Company paid a bonus in 1959, out of the profits for 1958. This bonus would have been less if the profits had been reduced by the payment of the sum now demanded. We therefore disallow this demand.

The sums awarded to the various employees should be paid by the Company within two weeks of the publication of this Award.

During the course of these proceedings, Mr. P. B. de Silva, the other member of the Industrial Court, resigned for personal reasons.

**Telwatta Waraya Fishing Dispute**

**AWARD**

In pursuance of the provisions of section 18 A (1) of the Fisheries Ordinance, No. 24 of 1940, as amended by the Fisheries (Amendment) Acts, No. 25 of 1952 and 30 of 1956, the Honourable the Minister of Industries and Fisheries has referred to me for settlement certain disputes that have arisen between certain groups or sections of persons in regard to the operation of madel nets in the Telwatta Waraya in the Galle District.

The subject matters of the disputes as contained in the mandate of the Honourable Minister dated January 18, 1960, are as follows:—

- (1) The registration of madel nets for the allocation of turns to operate madel nets at Telwatta Waraya is at present carried out by the Government Agent, Galle District. For a number of years only the following persons, namely: A. Andoris Silva, A. Geedrick Silva, N. H. Ayeneris Silva, A. Baron Silva, Anthony Aron Silva, A. Mathosingho and L. Dieson Silva, all of Telwatta have been allocated turns to operate madel nets at Telwatta Waraya. A group of fishermen who have formed the Telwatta Peraliya Fishermen's Co-operative Credit and Sales Society also request that they be allocated turns to operate madel nets at Telwatta Waraya. Some of the persons who have been allocated turns to operate madel nets at Telwatta Waraya object to this society being granted any turns.
- (2) A dispute has also arisen between A. Geedrick Silva of Teywatta and A. Andoris Silva of Telwatta and between L. Dieson Silva of Telwatta and N. H. Ayeneris Silva of Telwatta, in regard to the respective number of turns to operate madel nets to which each is entitled.
- (3) A request has also been made by Wilbert Piyadasa of Telwatta that he be permitted to operate madel nets in Telwatta Waraya.

I have also been requested to hold a Public Inquiry into and report on not only the subject matters of these disputes, but also on all such matters relating to, connected with, or arising from these disputes as may be mentioned in any representations that may be made in accordance with the provisions of this Section.

The provisions of the same Section 18A were followed by me and a Public Inquiry into the matters in dispute was held by me starting on the 28th of May, 1960, and continued on four other dates at the Rest House, Hikkaduwa, after sufficient and due publicity had been given to this inquiry by following the provisions regarding notice to the public of such inquiry as laid down in Section 18A (3). Written representations were also made as provided for in Section 18A (4) and all these as well as further representations both oral and written made to me or to the Director of Fisheries during the course of the inquiry were also considered. At all the public sittings referred to, most of the parties were represented by Counsel whose help was invaluable, and I place here on record my deep sense of obligation to these gentlemen but for whose aid, the proceedings would have been unnecessarily and unduly protracted.

Although the Fishery Harbour where the madel net operations under review take place is called the Telwatta Waraya, it extends opposite the foreshore of the two adjacent villages of Telwatta and Peraliya. According to the statistics provided by the Patabendi Aratchchi and the Divisional Revenue Officer, the male adult fishing population of Telwatta is 74 and of Peraliya is 111.

Three kinds of madel nets are being used in this waraya, namely:

- (1) *Noodel*—A rather elaborate contraption with small mesh not easily manoeuvrable, made of hemp cord costing in the neighbourhood of Rs. 20,000 each from which no manner of fish, when caught, from the seer and the parawa down to the tiny sprat could escape.
- (2) *Lanudel*—A net made mostly of coir yarn and costing about Rs. 2,000 each, which is used as an adjunct to the noodel to catch fast moving fish like paraw who move on before a noodela could be manoeuvred round a shoal.
- (3) *Kapudel*—Made on the lines of the noodela but much smaller in size and costing about Rs. 3,000 to Rs. 5,000 each used to catch fish that follow on a shoal surrounded by a noodela.

All these nets, of course, must have a boat capable of carrying them and one of these boats with its tackle may cost from Rs. 1,000 to Rs. 2,000. Where there is not enough capital to invest on a noodela, fishermen here provide themselves with a kapudela which requires a layout of less capital; the kapudela is no doubt much less effective as a means of catching fish than the noodela.

Although occasions when bigger fish that could be caught in nets are caught in this waraya are not very rare, yet the largest income made by net-owners seems to be from sprats and other small fish which are caught in rather large quantities during the fishing season.

As regards the history of madel net fishing in this waraya, it is not necessary to go beyond the year 1950 as in that year, an inquiry was held by Mr. H. De Z. Siriwardena the then Parliamentary Secretary to the Ministry of Industries, Industrial Research and Fisheries and a working solution agreed to by all the parties was arrived at whereby each of the following three groups was given five turns of fishing and this division appears to have been adhered to till 1958, when certain events occurred whereby it became necessary to give three turns to a society that had been just formed called the Telwatta Peraliya Fishermen's Union, hereafter called "The Union", so that instead of a 15 day cycle, one of 18 days had to be substituted. The three groups referred to consisted of:—

L. Dieson and Nallahendi Ayeneris of whom the first named was allocated 3 turns and the second named was allocated 2 turns. These two persons were close relations of each other and out of the 15 day cycle of fishing, the two of them had allocated to them 5 fishing days.

Group No. 2 consisted of Anthony Baron, Anthony Mathosingho and Anthony Aron, who were cousins. This group also had 5 fishing days allocated to them and these 5 days were allocated in the following manner. Baron got 3 and Mathosingho and Aron each got 1 day.

The last group consisted of Anthony Andoris and Anthony Geedrick who were brothers. Of these two, the former, Andoris, was allocated 4 fishing days and Geedrick 1, according to the Siriwardena Award.

At the inquiry before me, it was stressed by most of the parties that were represented by Counsel, that the Union came into existence as a result of the enterprise of L. Dieson and although it is registered as a Co-operative Fishing Society, it is only a sort of subsidiary of the activities of Dieson most of whose men are members of this Union. There seems to be some justification for these statements as Bastian works as "Mandary".

for this Union and also for Dieson, whenever the Union had a chance of requisitioning the services of a noodel net, they requisitioned Dieson's net.

This Union has no noodel at all and the nets that were shown to me as belonging to this Union, when Mr. Kularatne stressed that this Union had no nets of its own at all, were small and of poor quality. Whether Dieson has stolen a march over the other two sets of noodel owners by getting this Union registered as a Co-operative Fishing Society or not, and he gets invisible benefits by so doing, once three fishing turns have been conceded to this Union, it will be very unfair to take away any rights hitherto enjoyed by this Union and my recommendation is that this Union is to continue to get its 3 turns for the present but at the licensing of boats and nets in 1962, it will have to get better kapudel and also a noodela as its equipment if it is to continue its 3 days of fishing in a cycle of 18 days any longer after October, 1962. This is a matter for the licensing authority, who happens, in this case, to be the Government Agent, Galle.

As regards the application of the so-called Telwatte Peraliya Fishermen's Co-operative Credit and Sales Society, hereafter called "The Society", for whom Mr. S. M. H. Silva appeared, I am quite satisfied that it is an attempt by some adventurers who were encouraged by the easy manner in which the Union got 3 turns of fishing in this waraya to get a similar advantage for themselves. Nothing appears to have been done by the members of this so-called society beyond writing all at one sitting what is stated to be the Notes of Inspection starting from 13th May, 1960, (after it became known that this inquiry was going to be held) and on three subsequent dates (C 4) and depositing Rs. 200, out of which Rs. 100 has since been withdrawn. If the Dieson inspired Union managed to take the officials concerned for a ride and got 3 turns for themselves, it does not follow that I should allow myself to be hoodwinked by this society and repeat the same mistake. I refuse this society any turns of fishing in the waraya. After the last date of inquiry, when the matter was adjourned for my Award, I have received some communications from this Society to the effect that they have bought some boats and/or nets. This comes too late: I have no way of verifying whether what is stated in these letters that have reached me is correct or not and the other parties who have participated in this inquiry also will have no chance of testing the veracity of these statements.

The numbers of this primitive fishing society of the two adjacent villages of Telwatte and Peraliya have, no doubt, increased rapidly during the last ten years, but the size of the Fishery Harbour at their disposal and the amount of fish that could be had from it has remained more or less constant and it would be grossly unfair to the parties who already enjoy madel net fishing rights inside the waraya to allow all new-comers who applied to be allowed to participate in this fishing also to be given such rights. If that is done, it will not be worthwhile for the noodel operators to continue to own such nets and keep them in good repair. The remedy lies in the hands of these new applicants themselves: the deep sea outside this fishery harbour is open and it costs comparatively little to equip a deep sea fishing boat which could go out everyday without let or hindrance and catch fish in the deep sea. The fishing folk here who are not attached to any of the madel nets should take more and more to deep sea fishing. There is also no reason why even those who are attached to madel nets should not go deep sea fishing during their off days from madel net fishing.

As regards the dispute between A. Geedrick Silva of Telwatte and A. Andoris Silva of Telwatte who are brothers, soon after the Siriwardena Award, Geedrick Silva wanted to appeal from it and the document G. 2 shows that he was appeared by his brother Anthony Andoris and those that worked under him by Anthony Andoris restricting his rights to 3 days out of 5 and Geedrick getting 2 days out of the 5. There is no reason, whatever litigation there may have been between these two brothers which will not be affected by this award, why they should not adhere to this settlement so that my order is that Anthony Andoris should have only 3 turns and his brother Geedrick should get 2 turns out of the 5 turns allotted to them.

The dispute between Dieson and his cousin N. H. Ayeneris seems to be that the Siriwardena Award gave them 5 turns of fishing—Dieson to have 3 and Ayeneris to have 2. As they have now separated, Ayeneris also wants 3 turns. This is a preposterous demand which I am not prepared to give. Dieson will get his 3 turns and Ayeneris will get his 2 turns. If Ayeneris gets and extra day, either Dieson or the other noodel operators will be affected.

Wilbert Piyadasa who had requested that he be permitted to operate madel nets in the waraya did not appear before me and claim this right nor has any evidence in support of his claim been placed before me I see there is no merit in his application which is rejected.

To sum up:

The three groups of madel net owners will continue to operate as provided for in the Siriwardena Award but in cycles of 18 days. These groups will be allocated turns in the following manner:—

Dieson	...	...	3 turns
Ayeneris	...	...	2 turns
Baron	...	...	3 turns
Mathosingho	...	...	1 turn
Aron	...	...	1 turn
Anthony Andoris	...	...	3 turns
Anthony Geedrick	...	...	2 turns

The Union will have its 3 days of fishing in the 18 day cycle but subject to the conditions as mentioned by me earlier.

The groups of fishermen who have formed themselves into what is called the Telwatte Peraliya Fishermen's Co-operative Credit and Sales Society will not be allocated any turns to operate madel turns in this waraya.

The dispute between Geedrick Silva and his brother Anthony Andoris Silva is only as regards an extra turn for Geedrick Silva who will get it, this turn being reduced from his brother Andoris Silva's according to the settlement arrived at as evidenced by the document G. 2.

The dispute between Dieson Silva and Ayeneris Silva is that Ayeneris Silva is asking for an extra turn which Dieson is not prepared to grant. There is no reason why he should be given an extra turn and Ayeneris Silva will continue to have 2 turns and Dieson Silva 3 turns.

Wilbert Piyadasa's application for permission to operate madel nets in the Telwatte Waraya is rejected.

During the closing stages of the Inquiry on the 6th of August, 1960, by consent of parties, the net-owners agreed to restrict their share to 40 per cent. of the catch and the permanent workers were to share 60 per cent. of the catch in all kinds of nets. This will be out of the nett proceeds of each catch after the casual workers have been paid off.

As regards the other suggestions by Counsel, made at the close of the Inquiry, on the 6th of August, it is considered that these suggestions, if put into practice will result in unworkable situations arising. It will be left to the good sense of the noodel and other net owners not to employ permanent employees working under other net owners for the sake of harmony in the waraya fishing.

Finally, I thank the Police who kept excellent order here and the officers of the Fisheries Department and the Revenue Department who helped me in conducting this Inquiry smoothly.

Arbitrator,  
Telwatte Waraya Fishing Dispute.
