The Government contribution in either case will be equal to 7½ per cent. of the salary paid in at the close of each financial year.

(ii) Appointees may be required to furnish security in terms of the Public Officers (Security) Ordinance, if so required by the Head of their Department.

(iii) Appointees other than those already in the Public Service will be required to pass a medical examination by a Government Medical Officer as to their physical fitness to serve in any part of the Island.

**4. New Entrant Officers—**

(i) The period of probation/trial of “New Entrant Officers” appointed to pensionable posts/non-pensionable posts, as the case may be, shall be 3 years unless a longer period is prescribed in respect of any posts.

(ii) “New Entrant Officers” will be required to comply with any rules already made or that may hereafter be made for giving effect to the Language Policy of the Government and in particular for implementing the provisions of the Official Language Act, No. 33 of 1956.

(iii) (a) These officers will be required to acquire proficiency in Sinhala during their period of probation/trial.

(b) Their confirmation, at the expiry of the period of probation/trial, will depend, *inter alia*, on the passing of a proficiency test in Sinhala.

Those who fail to reach the prescribed standard of proficiency in Sinhala during their period of probation/trial are liable to be discontinued, but discontinuance may be deferred if the appointing authority is satisfied that a genuine attempt had been made to acquire proficiency in the Official Language. Loss of seniority may be waived at the discretion of the appropriate authority if the officer passes the test within a reasonable time after the due date.

(iv) New Entrant Officers who qualify for entry into the Public Service through the Sinhala medium will be exempted from the Proficiency Test in Sinhala.
