(b) if the installation does not comply with the regulations laid down, a supply of energy to the premises shall not be given until such time as the installation has been made to comply with such regulations.

(2) The fees payable for the inspection and testing of any installation under this regulation shall be paid in advance by the consumer.

14. If any electrical work connected with any new installation in any premises is carried out without giving notice to the licensee and obtaining the licensee's prior approval, the licensee may refuse to supply electrical energy to the premises wherein such work has been carried out or may require the consumer to effect such modifications or alterations to the wiring as the officer authorised in that behalf by the licensee may consider necessary. If such modification or alterations are duly carried out, the installation shall be re-inspected and tested by such officer and, if found to be in order, a supply of electrical energy to the premises shall be given.

15. Where any extension is made to any installation which is already connected to the licensee's electricity supply mains without prior notice to and without the permission of the licensee, the whole installation shall be liable to disconnection from the licensee's electricity supply mains.

The Accounts of the Piliyandala Town for the year 1959, as furnished by the Special Commissioner, have been audited under my direction.

2. Vouchers for payments totalling Rs. 7,994.15 have not been passed in Audit and are under correspondence with the Special Commissioner.

3. The expenditure shown in these accounts includes a payment of Rs. 2,466.46 being Assessors' fees due for the year 1955.

4. The balance shown under "Sundry Debtors" includes Rs. 4,784.14 due in respect of previous years in respect of which legal action has been taken.

5. The expenditure includes a sum of Rs. 3,401.76 spent on Electricity Scheme Extensions which have not had the approval of the Chief Electrical Inspector in terms of Section 13 of the Electricity Act, No. 19 of 1950, and the attention of the Special Commissioner has been drawn to this omission as well as the fact that job sheets in support of the expenditure had not been produced.

6. Subject to the above observations, I am of the opinion that the Statements of Assets and Liabilities and Revenue and Expenditure above set forth have been drawn up so as to present fairly the financial position of this Town as at December 31, 1959, and the results of its operations for the year ended on that date.
