Commonwealth Scholarships in Malaya, 1965

APPLICATIONS are invited for the award of Scholarships offered under the Commonwealth Scholarship and Fellowship Plan and tenable in Malaya from May, 1965.

There is no restriction of fields of study; but the scholarships are meant only for post-graduate study or research leading to a post-graduate degree, a post-graduate diploma or similar qualification.

The scholarships are meant for persons of good intellectual promise who may be expected to make a significant contribution to the life of the country on their return after completion of the scholarship.

Note : (1) No application from a Government servant will be entertained unless the Head of his/her Department certifies in terms of Treasury Circular

No. 514 of 16.5.60 that the training provided by the scholarship is essential in connection with a project and the particulars of such project are indicated as required in that circular.

(2) Applications from employees of Boards, Corporations, Universities and similar Government-aided or sponsored Institutions should be sent through the Heads of respective institutions, who should be requested to complete the certificate in page 23 of the application appropriately, when forwarding the application.

(3) Each applicant should send only one application and should apply only for one course of study.

2. *Tenure :* The duration of the scholarships will normally be two years from May, 1965.

Scholarships are, however, liable to be terminated at any time during the currency of the course at the discretion of the Malayan authorities for misconduct, irregularity in attendance, absence without permission of the authorities concerned from College or Hostel or

unsatisfactory progress in studies or failure to pass examinations. In such an eventuality, the scholar might be required to return to Ceylon at his/her own expense.

3. *Eligibility* : Candidates should—

- (i) be Citizens of Ceylon ;
- (ii) be not more than 35 years of age on 1.1.1965 ;
- (iii) If Government servants, be able to produce evidence that they have a knowledge of Sinhala of 8th standard level ;
- (iv) be graduates of a recognised University in subjects relevant to the desired field of study ;
- (v) have requisite basic qualifications that would adequately qualify them to undertake post-graduate study in the proposed field of study ; and
- (vi) have a high proficiency in English to profit by a course of study in Malaya.

Note : (1) A candidate who has entered into a Bond or Agreement to serve the Government or in a Board, Corporation, University or other Government-aided or sponsored institution for a specific period shall not be eligible to apply unless he/she has served the period specified in the Bond or Agreement and discharged fully the obligations entered into in the Bond or Agreement.

(2) Government servants holding temporary appointments and those holding permanent appointments but not confirmed in their appointments, will similarly not be eligible to apply unless they are prepared to resign their posts in the event of their being selected for awards. Such willingness to resign, should be specifically stated in case 12 (d) of the application.

4. *Terms of Award* : The scholarships will carry with them the following benefits :—

- (a) transportation to Malaya and return, normally by tourist air passage, as arranged by the Malayan Committee ;
- (b) approved tuition, laboratory and examination fees ;
- (c) a personal maintenance allowance, payable monthly, at the rate of M\$ 5,400 per annum (£ 630 sterling) ;
- (d) a grant for books or equipment of M\$ 150 per annum ;
- (e) a grant of up to M\$ 200 per annum for approved travel within Malaya ;
- (f) an additional marriage allowance at the rate of M\$ 1,200 per annum for a male married scholar accompanied by his wife, plus the cost of the wife's fare to Malaya and return. This allowance will not be payable during the first year of the tenure of the scholarship unless the scholar was married at the time of his application for an award, and will not be payable if the wife herself holds a scholarship or is in paid employment while in Malaya.

Note.—The grant of leave to Government servants selected for these scholarships will be governed by the Treasury and Departmental rules and regulations in force at the time.

5. *Interview* : Eligible candidates will be required to present themselves for an interview to be held in Colombo at an appointed time and place. No travelling or other expenses connected with this interview will be paid. They should also be prepared to produce at this interview the originals of their certificates, Birth certificate and any other documentary evidence in support of their candidature.

6. *Agreement* : The selected candidates should, before their departure for Malaya, enter into Agreements with the Government of Ceylon—

- (a) undertaking among other things to pursue faithfully and diligently the prescribed course of studies and complete it satisfactorily, and to serve the Government of Ceylon, if so required, for a specific period (to be determined by Government) after completion of the course of studies ; and
- (b) undertaking to repay to the Government of Ceylon the full cost of the scholarship (i.e. all expenses incurred by the Government of Ceylon and the Awarding Agency in connection with the entire scholarship, including in the case of Government servants, salary, allowances fees, &c.) in the event of their failure to comply with the terms and conditions of their Agreement.

7. *Medical Examination* : Selected candidates will be required to pass a medical examination, by a Special Medical Board appointed by the Government, as to their physical and mental fitness to undertake a course of studies in Malaya.

8. The study proposed will not, in the case of Government servants, entitle them to enhanced emoluments or enhance their promotion prospects. In the case of others, the Government will not undertake to provide employment on their return after completion of the scholarship.

9. Any statement in the application which is found to be incorrect will render the applicant liable to disqualification, if the inaccuracy is discovered before selection, and to withdrawal of the award if discovered after selection.

10. A successful candidate who declines to accept an award, will be debarred from any other scholarship award for a period of two years.

11. It should be clearly understood that nomination by the Ceylon authorities should not be treated by any applicant as acceptance of his case for an award, because acceptance is a matter entirely within the discretion of the awarding agencies to whom nominations are forwarded.

12. Any form of canvassing or attempt to influence the selection of a candidate will disqualify such candidate.

13. Applications not conforming in every respect with the requirements of this advertisement will be rejected.

14. Applications which should be made on a special form to be obtained from this office, should be sent addressed to the Permanent Secretary to the Ministry of Education and Cultural Affairs, "Sirimathipaya", Colombo 3, to reach him on or before 31st March, 1964. Late applications will not be entertained.

15. Applicants already in Government service should send their applications through the Heads of their Departments ; and those attached to Boards, Corporations, Universities and similar Government-aided or sponsored institutions, through the Heads of respective institutions.

16. All applications will be acknowledged and any applicant who does not receive an acknowledgment within 7 days of the closing date should at once notify the Permanent Secretary to the Ministry of Education and Cultural Affairs. Failure to do so will deprive the applicant of any claim for consideration.
