### Regulations respecting Naval Cadets.

*For the information of Candidates.*

1. Appointments to Naval Cadetships will be made by limited competition, with the under-mentioned exceptions:—

Six Cadetships given annually to sons of gentlemen in the Colonies, on the recommendation of the Secretary of State for the Colonies.

Service Cadetships, the total number of which is not to exceed seven in any one year. Service Cadets will be selected by the Board of Admiralty from (a) sons of officers of the Army, Navy, or Marines who have been killed in action, or who have been lost at sea on active service, or killed on duty, or who have died of wounds received in action or injuries received on duty within six months from the date of such action or injury, (b) sons of officers of the Navy who have performed long or distinguished service, and who hold or have held rank or relative rank on the Active List not lower than that of Commander. Not more than three Service Cadets will be nominated annually under Clause (b).

Applications for Service Cadetships should be addressed to the Military Secretary, Horse Guards, if the candidate is the son of an officer of the Army; to the Secretary of the Admiralty, if the candidate is the son of an officer of the Navy or Marines; and to the Military Secretary, India Office, if the candidate is the son of an officer of the Indian Army.

Colonial and Service Cadets will be entered on qualifying as specified in paragraph 10, and will in all other respects be subjected to these Regulations.

Candidates must be of pure European descent, and the sons either of natural-born British subjects or of parents naturalized in the United Kingdom.

If any doubt arises upon this question, the burden of clear proof that he is qualified will rest upon the candidate himself.

The educational examination of all candidates will be conducted by the Civil Service Commissioners (address Cannon Row, Westminster), who will deal with all questions connected with such examination and will announce the results. A fee of 1*l.* will be required from each candidate.

2. Except in special circumstances, not more than one-third of the number of candidates actually presenting themselves before the Civil Service Commissioners will be entered.

3. All nominations of candidates for Naval Cadetships are made by the First Lord, with the exception of a limited number which are at the disposal of individual members of the Board and of the Secretaries to the Board of Admiralty.

A Flag Officer or a Commodore, First Class, appointed to the chief command of a station, or to a separate command, and a Captain, on first appointment as such to the command of a ship, will be allowed to nominate one candidate, provided the privilege is exercised within six months of appointment and that the candidate is not less than 13 years of age when nominated. The examination of candidates will not take place until they are eligible by age under clause 6.

No Captain will be entitled to nominate more than one candidate during the time he holds the rank of Captain, but a Flag Officer or a Commodore, First Class, may claim the privilege each time he is appointed to a command as above.

In the event of a candidate's nomination being cancelled before he has commenced the examination, the Officer who nominated him will be allowed to select another candidate for the same or following examination.

4. The nomination will be made three times a year, as soon as convenient after the report of the last examination has been received from the Civil Service Commissioners.

5. The examinations will be held in London and at Portsmouth, in March, July, and November, about six weeks before the commencement of each term, and the appointments will date from the 15th May, 15th September, 15th January, following respectively, and the terms will commence as shown in Regulation 15.

6. A candidate will not be eligible for the examination in March, who is less than 14½ or more than 15½ years of age on May 15 following, nor for the Examination in July or November, who is not within those limits of age on September or January 15, following respectively.

7. Every candidate must be in good health and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and in all respects well-developed and active in proportion to his age. Before being examined by the Civil Service Commissioners, he will be required to pass the medical examination according to the prescribed regulations, and must have been found physically fit for the Navy; rejection at such examination will finally exclude him from the Navy.

8. The candidate will be required to produce (1) a Registrar's certificate of the date of his birth, or a declaration thereof made before a magistrate (*a certificate of Baptism will not be accepted*); (2) a certificate of good conduct from the masters of the school or schools at which he may have been educated during the two previous years, or, if educated at home, from his tutor or the clergyman of the parish in which he resides; and (3) proofs of good health.

9. Candidates will be examined in the following subjects grouped in Class I. 12. A candidate who, owing to illness, fails to appear at the examination for which he has obtained his nomination, may receive another nomination, provided he is still within the limits of age.

13. For all Cadets entered under these regulations the payments will be at the rate of £75 per annum for the period in the "Britannia," to be paid every term in advance to the Cashier of the Bank of England, on receipt of claim from the Accountant-General of the Navy. But the Lords Commissioners of the Admiralty reserve the power of selecting, from among the Cadets entered at each examination, a number, not to exceed six, being sons of officers of the Navy, Army, or Marines, or of Civil Officers under the Board of Admiralty, with respect to whom the annual payment will be £40 only. In this selection their Lordship will have regard solely to the pecuniary circumstances of the Cadet.

Applications for the reduced scale must be received at the Admiralty not later than 1st January, 15th April, and 1st September.

14. In addition to the annual payments mentioned in the foregoing paragraph, the parent or guardian will be charged with the personal expenses incurred by the Cadet for washing, repairing boots and cloths, hair cutting, pocket-money, &c.

15. The period of training on board the "Britannia" will be four terms; there will be three terms in each year. The first term of each year will be approximately from 14th January to 14th April; the second, from 5th May to 5th August; and the third, from 16th September to 16th December.

The vacations will be four weeks at Christmas, three weeks at Easter, and six weeks at Midsummer.

16. (a) Reports of progress in Seamanship, Mathematics, Navigation and Technical subjects, will be made to the Admiralty at the end of each term, and an intermediate examination will be held at the end of the second term.

(b) Cadets who are reported at the end of any term as having made unsatisfactory progress through idleness or want of attention, will be "warned," and in the event of a second report to the same effect being received they will be liable to be discharged.

(c) Cadets who fail at the final examination to obtain 45 per cent. of the maxima marks in the Mathematical subjects, including the Theory of Navigation and Nautical Astronomy, or in Seamanship and 40 per cent. in Charts, Instruments, French, Steam and Drawing combined, will be ordered to be withdrawn.

(d) Reports of conduct will be made to the Admiralty at the end of each term or at any time during the period of training on board, if considered desirable. Cadets, who are reported to the Admiralty at any time for unsatisfactory conduct, will be "warned," and should they again be reported they will be liable to be discharged. Any Cadet, however, who is reported for unsatisfactory conduct during his final term, will be liable to be discharged without being allowed to present himself at the examination for passing out of the "Britannia."

(e) Any Cadet who shall at any time appear to their Lordships to be unfit for the Naval Service, for any reason whatever, will be moved from the "Britannia," and it must be understood that this rule will apply to those who are considered unfit from insufficient physical development or weakness of constitution, although no actual organic disease may have been developed.

17. It is to be distinctly understood that the period of training on board the "Britannia" is a time of probation, and the parent or guardian of every Cadet will be required to sign a declaration (on the admission of the Cadet to the "Britannia"), to the effect that he shall be immediately withdrawn on the receipt of an official intimation of his being considered unfit for the Navy.

18. Cadets will, on passing out of the "Britannia," rank according to the amount of sea time they obtain at their final examination, and those who obtain equal amounts of sea time will rank in the order of merit in which they pass out of the "Britannia."

Sea time will be awarded according to the following scale:—

Classes obtained.	Mathematic ands Navigation.	Extra Subjects.	Seamanship.	Conduct.	} Under revision.
1st class ...	3 months	2 months	1 months	Very Good 2 months Good 1 month	
2nd class ...	2 months	1 months	—		

19. The parent or guardian of every Cadet will be required to provide outfit under the regulations in force.

20. No pay will be allowed by Government to Cadets in the "Britannia." The pocket-money allowed to Cadets will be charged to the parents.

21. As only Cadets who are able to swim are permitted to use the boats belonging to H.M.S. "Britannia," the Lords Commissioners of the Admiralty desire to impress upon parents and guardians the importance of Cadets being taught to swim before they join the Training Ship, so as to enable them to obtain the full benefits of use of the boats.

The age on entry having been raised, it is hoped that boys who are members of the Church of England will, if possible, be confirmed before joining the "Britannia." The demands made upon the time of Cadets owing to the shortened period of training, will render it difficult to prepare such a large number for confirmation with the necessary care.

By command of their Lordships,

EVAN MACGREGOR.

Admiralty, April 23, 1897.
