Note 2.—Applications from employees of Boards, corporations, Universities and similar Government-aided or sponsored Institutions should be sent through the Heads of respective Institutions, who should be requested to complete the certificate in page 27 of the application appropriately, when forwarding the application.

Note 3.—Each applicant should send only one application and should apply only for one course of study.

2. *Tenure.*—The duration of the scholarships will normally be 2 years.

Scholarships are, however, liable to be terminated at any time during the currency of the course at the discretion of the Nigerian authorities for misconduct, irregularity in attendance, absence without permission of the authorities concerned from College or Hostel or unsatisfactory progress in studies or failure to pass examinations. In such an eventuality, the scholar might be required to return to Ceylon at his/her own expense.

3. *Eligibility.*—Candidates should—

- (i) be Citizens of Ceylon;
- (ii) be not more than 35 years of age on 1.10.66;

the period specified in the Bond or Agreement and discharged fully the obligations entered into in the Bond or Agreement.

Note 2.—Government servants holding temporary appointments and those holding permanent appointments but not confirmed in their appointments, will similarly not be eligible to apply unless they are prepared to resign their posts in the event of their being selected for awards. Such willingness to resign should be specifically stated in page 15 (d) of the application.

4. *Terms of Award.*—The scholarships will carry with them the following benefits :—

- (a) Fares—normally 1st class sea or tourist air passage to Nigeria and return on completion of study or research.
- (b) Approved tuition, laboratory and examination fees.
- (c) A personal allowance of £700 per annum.
- (d) An allowance of £25 a year for books and apparatus.
- (e) An allowance for approved travel in Nigeria for the purpose of study or research, not exceeding £100 per annum.

As hostels in Nigerian Universities are designed presently for single students and because suitable lodgings may not be readily available, candidates for the awards are expected to be single, or if married, to leave their families behind.

Note.—The grant of leave to Government servants selected for these scholarships will be governed by the Treasury and Departmental rules and regulations in force at the time.

5. *Interview.*—Eligible candidates will be required to present themselves for an interview to be held in Colombo at an appointed time and place. No travelling or other expenses connected with this interview will be paid. They should also be prepared to produce at this interview the originals of their certificates, birth certificate and any other documentary evidence in support of their candidature.

6. *Agreement.*—The selected candidates should, before their departure for Nigeria, enter into Agreements with the Government of Ceylon—

- (a) undertaking among other things to pursue faithfully and diligently the prescribed course of studies and complete it satisfactorily, and to serve the Government of Ceylon, if so required, for a specific period (to be determined by Government) after completion of the course of studies; and
- (b) undertaking to repay to the Government of Ceylon the full cost of the scholarship (i.e. all expenses incurred by the Government of Ceylon and the Awarding Agency in connection with the entire scholarship, including in the case of Government servants, salary, allowances, fees &c.) in the event of their failure to comply with the terms and conditions of their Agreement.

7. *Medical Examination.*—Selected candidates will be required to pass a medical examination, by a Special Medical Board appointed by the Government, as to their physical and mental fitness to undertake a course of studies in Nigeria.

8. The study proposed will not, in the case of Government servants, entitle them to enhanced emoluments or enhance their promotion prospects. In the case of others the Government will not undertake to provide employment on their return after completion of the scholarship.

9. Any statement in the application which is found to be incorrect will render the applicant liable to disqualification if the inaccuracy is discovered before selection, and to withdrawal of the award if discovered after selection.

10. A successful candidate who declines to accept an award will be debarred from any other scholarship award for a period of two years.

11. It should be clearly understood that nomination by the Ceylon authorities should not be treated by any applicant as acceptance of his case for an award, because acceptance is a matter entirely within the discretion of the awarding agencies to whom nominations are forwarded.

12. Any form of canvassing or attempt to influence the selection of a candidate will disqualify such candidate.

13. Applications not conforming in every respect with the requirements of this advertisement will be rejected.

14. Applications, which should be made on a special form to be obtained from this office, should be sent addressed to the Permanent Secretary to the Ministry of Education and Cultural Affairs, "Sirimathipaya", Colombo 3, to reach him before 4.30 p.m. on 13.9.65. Failure to do so will deprive the applicant of any claim for consideration.
