THE MANNAR TOWN COUNCIL

The Butchers Ordinance

REGULATIONS made by the proper authority in that behalf, to wit, the Mannar Town Council, under section 27 of the Butchers Ordinance (Chapter 272), and confirmed by the Minister of Local Government, by virtue of the powers vested in him by that section.

E. G. GUNAWARDENA,
Permanent Secretary,

Ministry of Local Government.

Colombo, 22nd February, 1966.

REGULATION

1. The public slaughter-house proclaimed under section 26 of the Butchers Ordinance shall be in charge of the Medical Officer of Health, or any public health inspector authorised by him in that behalf subject to the direction of the Chairman. Such officer shall be responsible for the discipline and the sanitary conditions within such slaughter-house.

2. (1) No person shall slaughter any animal at the slaughter-house—

(a) unless such animal has been inspected by the Medical Officer of Health, or the officer appointed by the Chairman for the purpose, and approved by such officer as fit to be slaughtered for human consumption; and

(b) except between 7 a.m. and 9 a.m. on any day.

Provided that the Chairman may in exceptional circumstances authorise the slaughter of any animal at any time other than that specified herein.

(2) No person shall slaughter any animal at the slaughter-house—

(a) at any time after the expiry of a period of 30 hours from the time of the approval of that animal under paragraph (1); or

(b) if it has been removed alive from the slaughter-house premises after it was approved under paragraph (1), unless it is again inspected and approved under that paragraph as fit to be slaughtered for human consumption.

3. Every person who brings any animal into the premises of the slaughter-house shall take all such measures as may be necessary to ensure that the animal is adequately fed and watered while it remains in those premises.

4. Every person who brings an animal into the premises of the slaughter-house shall, if the animal is rejected as unfit for slaughter, immediately after such rejection, remove the animal or cause it to be removed from those premises.

5. Any officer referred to in regulation 2 may prohibit the slaughter of any animal if, after it has been approved under regulation 2 it is found to be diseased or unfit to be slaughtered for human consumption.

6. If the meat or offal of any animal slaughtered in the slaughter-house is, in the opinion of any officer referred to in regulation 2, diseased or unfit for human consumption, he shall

THE PANNALA VILLAGE COUNCIL

The Electricity Act

REGULATIONS made by the Village Council of the Pannala village area in the Kurunegala District, under section 46 of the Electricity Act (Chapter 205), with the approval of the Minister of Local Government given after consultation with the Minister of Land, Irrigation and Power.

E. G. GOONEWARDANE,
Permanent Secretary,
Ministry of Local Government.

Colombo, 23.2.1966.

REGULATIONS

1. In these regulations—

- “ Act ” means the Electricity Act (Chapter 205);
- “ Licence ” means the licence issued under section 2 of the Act to the Pannala Village Council in the Kurunegala District; and
- “ Licensee ” means the Pannala Village Council in the Kurunegala District; and
- “ Superintendent ” means the Superintendent of the Electricity Department of Pannala Village Council.

2. Any person desirous of obtaining the use of electrical energy from the licensee shall—

- (a) at least fourteen day before the supply is required make application to the licensee in such form as may be provided for the purpose by the licensee, and
- (b) pay in advance to the licensee the charges for the service cable or if so required by the licensee, enter into a written contract with the licensee under section 33 of the Act.

3. Every consumer of electrical energy shall pay for such energy at the rates specified in the licence.

4. (1) That portion of the service cable which is on the consumer's premises, the transformers, the main fuses, the meter and the board shall remain the property of the licensee and on no account shall these be removed or handled by any person other than an authorised employee of the licensee.

(2) The consumer shall be responsible for the maintenance of any wires, cables or any other apparatus on the consumers side of the licensee's main fuse or meter.

(3) Where any installation is reconnected after having been disconnected under section 47 (3) of the act, the appropriate fee for testing and reconnecting such installation as provided for in the licence shall be charged and shall be paid in advance by the consumer.

(4) In the event of a leakage of electrical energy at some part of the wires or fitting of any consumer, such consumer shall be liable to pay for all metered consumption of energy in his premises.

5. (1) Every consumer wishing, at any time after a supply of energy has been given to his premises to use any lamp, fan or motor of greater size than the one already in use or to install any additional lamp or other apparatus consuming such energy, either temporarily or permanently, or in any way to alter or to extend the wiring in his premises, shall, at least two days before the commencement of work on such extension or alteration, notify his wish to the licensee in writing, and if he desires that an electrical contractor should do the work, he shall at the same time notify the name and address of such contractor.

(2) No consumer shall connect or cause to be connected any extension, lamp, fan or motor, of greater size than the one already in use or install any additional lamp or other apparatus consuming electrical energy, either temporarily or permanently, to the main installation unless such extension, lamp, fan, motor, additional lamp or other apparatus has been inspected and tested and found to be satisfactory by the Superintendent or by an officer authorised in that behalf by the licensee.

6. (1) In the event of the melting of the licensee's main fuse in any premises the consumer shall forthwith inform the Superintendent or the officer in charge of the electrical power station or the sub-station, as the case may be, of the licensee.

(2) No person other than an authorised officer or workman of the licensee shall replace any melted fuse which is the property of the licensee.

(3) Where the services of any officer or workman of the licensee are required to replace any fuse which is the property of the consumer or the licensee, the appropriate charge payable therefore as set out in the licence, shall be made in the current monthly account of the consumer.

(4) Where the melting of any fuse which is the property of the licensee is found to have been caused by a defect in the consumer's wiring or apparatus, the appropriate charge payable for replacing that fuse, as set out in the licence, shall be made in the current monthly account of the consumer.

7. The licensee does not hold itself liable to the consumer for any loss or damage occasioned directly or indirectly by the total or partial interruption of the supply of energy.

8. Where any installation is reconnected after having been disconnected under section 45 of the Act, a fee for testing and reconnecting, as provided for in the licence shall be charged and shall be paid in advance by the consumer.

9. (1) All charges shall be deemed to be due on the date on which an account is presented.

(2) No complaint against the accuracy of an account shall be entertained by the licensee unless such complaint is made within a week after the presentation of the account.

10. (1) Every consumer about to vacate his premises shall give in writing three clear days' notice to the licensee.

(2) Where the notice referred to in paragraph (1) is not given, the consumer, shall be held responsible for the licensee's equipment in his premises and shall be liable for all energy consumed on such premises until lapse of three days from the date on which the licensee received notice of the fact that the consumer does not require such supply. Provided that when the supply to the premises is disconnected by the licensee before the lapse of the said three days, the consumer shall be liable to pay only for the energy consumed on the premises up to the time of such disconnection.

11. No consumer shall employ any person, other than a person—

- (1) who has been certified by the General Manager of the Department of Government Electrical Undertakings, as having the necessary skill to undertake electrical work or who has at least three years' electrical experience in a recognised electrical workshop or firm or an electrical power station, and

(2) who has been regularly engaged for a period of not less than two years in the practice of electrical engineering, to—

(a) carry out any work in connection with the wiring or the electrical fittings or fixtures of any new installations in any premises of the consumer which is intended to be to the licensee's electrical supply mains, or

(b) carry out or perform in connection with any installation in any premises of the consumer after such installation has been connected to the licensee's electricity supply mains, any electrical work—

(i) which consists of, or is in the nature of, alterations, adjustments, additions or repairs to such installations; or

(ii) which is other than such ordinary replacement of lamps, fans, switches or other component of parts as in no way alters or effects the capacity and nature of such installation.

12. (1) No electrical work such as installation work including additions, alterations, and adjustments to existing installations shall be commenced except after notice of not less than two days has been given to the licensee to enable the superintendent or an officer authorised in that behalf by the licensee to inspect the proposed work.

(2) If such officer approves the intended work, he shall settle with the contractor the position of the meter, and the work shall be carried out by the contractor in accordance with such regulations as may be made in that behalf under section 60 of the Act.

13. (1) On the completion of any electrical work referred to in regulation 12, such work shall be inspected and tested by the Superintendent or by an Officer authorised in that behalf by the licensee and—

(a) if the installation, is found to comply with the regulations laid down, a supply of electrical energy to the premises shall be given; and

(b) if the installation does not comply with the regulations laid down, a supply of electrical energy to the premises shall not be given until such time as the installation has been made to comply with such regulations.

(2) The fee payable for the inspection and testing of any installation under this regulation shall be paid in advance by the consumer.

14. If any electrical work connected with any new installation in any premises is carried out without giving notice to the licensee and obtaining the licensee's prior approval, the licensee may refuse to supply electrical energy to the premises wherein such work has been carried out or may call upon the consumer to effect such modification or alteration to the wiring as the superintendent or an officer authorised in that behalf by the licensee may consider necessary. If such alterations or modifications are duly carried out the installations shall be reinspected and tested by the superintendent or other officer and if found to be in order, a supply of electrical energy to the premises shall be given.

15. Where any extension is made to any installation which is already connected to the licensee's electricity supply mains without prior notice and without the permission of the licensee, the whole installation shall be liable to disconnection from the licensee's electricity supply mains.

16. Every application for the reconnection of any installation shall be made on such form as may be provided for the purpose by the licensee and shall be delivered at the office of the licensee not less than forty-eight hours before the supply is required.

“ licensee ” means the Village Council of the Manmunai South East and Eruvil village area in the Batticaloa District.

2. Any person desirous of obtaining the use of electrical energy from the licensee shall—

(a) at least fourteen days before the supply is required, make an application to the licensee in such form as may be provided for the purpose by the licensee; and

(b) pay in advance to the licensee the charges for the service cable or, if the licensee so requires, enter into a written contract with the licensee under section 33 of the Act.

3. Every consumer of electrical energy shall pay for such energy at the rates specified in the licence.

4. (1) That portion of the service cable which is on the consumer's premises, the transformers, the main fuses, the meter and the board shall remain the property of the licensee and on no account shall they be removed or handled by any person other than an authorised employee of the licensee.

(2) The consumer shall be responsible for the maintenance of any wires, cables or any other apparatus on the consumer's side of the licensee's main fuse or meter.

(3) Where any installation is reconnected after having been disconnected under section 47 (3) of the Act, the appropriate fee for testing and reconnecting such installation shall be paid in advance by the consumer as provided for in the licence.

(4) In the event of a leakage of electrical energy at any part of the wires or fittings of any consumer, such consumer shall be liable to pay for all metered consumption of such energy in his premises.

5. (1) Every consumer wishing at any time after a supply of electrical energy has been given to his premises to use any lamp, fan or motor of a greater size than the one already in use or to install any additional lamp or other appliance consuming energy, either temporarily or permanently, or in any way to alter or extend the wiring in such premises, shall, at least two days before the commencement of work on such extension or alteration, notify the licensee in writing with particulars of the name and address of the wiring contractor.

(2) No consumer shall connect or cause to be connected any extension lamp, fan or motor of greater size than the one already in use or install any additional lamp or other apparatus consuming energy either temporarily or permanently to the main installation unless such extension, lamp, fan, motor, additional lamp or other apparatus has been inspected and tested and found to be satisfactory by an officer authorised in that behalf by the licensee.

6. (1) In the event of the melting of the licensee's fuse in any premises, the consumer shall forthwith inform the officer-in-charge of the electrical power station or the sub-station as the case may be, of the licensee.

(2) No person other than an officer authorised by the licensee or any workmen employed by the licensee, shall replace any melted fuse which is the property of the licensee.

(3) Where the service of any officer or workmen of the licensee are required to replace any fuse which is the property of the consumer or of the licensee, the appropriate charges payable therefor, as set out in the licence, shall be made in the current monthly account of the consumer.

7. The licensee does not hold itself liable to the consumer for any loss or damage occasioned directly or indirectly by the total or partial interruption of the supply of electrical energy.

8. Where any installation is reconnected after having been disconnected under section 45 of the Act, a fee for testing and reconnecting, as provided for in the licence, shall be charged and shall be paid in advance by the consumer.

9. (1) All charges shall be deemed to be due on the date on which an account is presented.

(2) No complaint against the accuracy of an account shall be entertained by the licensee unless such complaint is made within a week after the presentation of the account.

10. (1) Every consumer who does not require a supply of electrical energy to his premises shall give in writing three days' notice to the licensee.

(2) Where the notice referred to in paragraph (1) is not given, the consumer shall be held responsible for the licensee's equipment in his premises, and shall be liable to pay for all energy consumed on the premises until the lapse of three days from the date on which the licensee received notice of the fact that the consumer does not require the supply:

Provided that when the supply to the premises is disconnected by the licensee before the lapse of the said three days the consumer shall be liable to pay only for the energy consumed on the premises up to the time of such disconnection.

11. No consumer shall employ any person other than a person—

(1) who has been certified by the General Manager of the Department of Government Electrical Undertakings, as having the necessary skill to undertake electrical work or who has had at least three years' practical experience in a recognized electrical workshop or firm or an electrical power station; and

(2) who has been regularly engaged for a period of not less than 2 years in the practice of electrical engineering, to—

(a) carry out any work in connection with the wiring or the electrical fittings or fixtures of any new installation in any premises of the consumer, which is intended to be connected to the licensee's electrical supply mains, or

(b) carry out or perform in connection with any installation in any premises of the consumer after such installation has been connected to the licensee's electricity supply mains any electrical work—

(i) which consists of, or is in the nature of, alterations, adjustments, additions or repairs to such installation, or

(ii) which is other than such ordinary replacement of lamps, fans, switches or other component parts as in no way alters or affects the capacity and nature of such installation.

12. (1) No electrical work such as installation work including additions, alterations and adjustments to existing installations shall be connected except after notice of not less than two days has been given to the licensee to enable an officer of the licensee to inspect the proposed work.

(2) If such officer approves the intended work, he shall settle with the contractor the position of the meter, and the work shall be carried out by the contractor in accordance with such regulations as may be made in that behalf under section 60 of the Act.

13. (1) On completion of any electrical work referred to in regulation 12, such work shall be inspected and tested by an officer authorised in that behalf by the licensee, and

(a) if the installation is found to comply with the regulations laid down, a supply of electrical energy to the premises shall be given; and

(b) if the installation does not comply with the regulations laid down, a supply of electrical energy to the premises shall not be given until such time as the installation has been made to comply with such regulations.

(2) The fee payable for the inspection and testing of any installation under this regulation shall be paid in advance by the consumer.

14. If any electrical work connected with any new installation in any premises is carried out without giving notice to the licensee and obtaining its prior approval, the licensee may refuse to supply electrical energy to the premises wherein such work has been carried out or may require the consumer to effect such modifications or alterations to the wiring as the officer authorised in that behalf by the licensee may consider necessary. If such modifications or alterations are duly carried out, the installation shall be reinspected and tested by such officer, and if found to be in order, a supply of electrical energy to the premises shall be given.

15. Where any extension is made to any installation which is already connected to the licensee's electricity supply mains without prior notice to, and without the permission of the licensee, the whole installation shall be liable to disconnection from the licensee's electricity supply mains.

16. Every application for the reconnection of any installation shall be made on such form as may be provided for the purpose by the licensee, and shall be delivered at the office of the licensee not less than forty-eight hours before the supply of electrical energy is required.

**CONSTITUTION OF A MUNICIPAL COUNCIL
FOR RATNAPURA**

THE Honourable Minister of Local Government has decided to examine whether a Municipal Council should be constituted for the Town of Ratnapura. He has, therefore, been pleased to appoint H. Wanigatunga, Esq., Advocate, to examine and make recommendations to him on the following:—

- (a) Whether the constitution of a Municipal Council for Ratnapura at this stage would be in the best interests of the public;
- (b) If so, whether any developed areas presently outside the administrative limits of the present Ratnapura Urban Council should be included in the proposed Municipal Council;
- (c) The definition of the proposed Municipal Council's limits;
- (d) The number of Councillors the proposed Municipal Council should have having regard to the area, population and any other factors;

(e) The definition of the limits of each of the Wards of the proposed Municipal Council.

Members of the public or any Organization who wish to make representations on all or any of the matters falling within the scope of the above terms of reference of the Commission are requested to do so in writing in the first instance and forward all such representations to reach the undersigned within two weeks of the publication of this notice.

The representations should be in triplicate and preferably typewritten.

Posts—Vacant

GENERAL CONDITIONS APPLICABLE TO APPOINTMENTS TO POSTS IN THE LOCAL GOVERNMENT SERVICE ADVERTISED IN PART IV OF THE "CEYLON GOVERNMENT GAZETTE"

1. Allowances.—Unless otherwise stated Rent Allowance, temporary Cost of Living Allowance and temporary Special Living Allowance are payable according to Government Rates and Conditions.

2. Conditions of Service.—Appointments will be subject to the provisions of the Local Government Service Ordinance (Chapter 264), and any amendments thereof, and the Regulations made thereunder and other conditions of service as laid down by the Commission from time to time.

3. Terms of Engagement.—The posts specified in the Schedule published in Part IV of the *Ceylon Government Gazette* No. 10,432 of August 8, 1952, and other posts added thereto from time to time while held by members of the Local Government Service other than females are pensionable under the Local Government Service Pension Scheme Regulations, 1962.

(a) The pension rights of officers serving under Government will be conserved if released under section 21 of the Government Minutes on Pensions, and transferred to pensionable posts in the Local Government Service.

(b) In the case of employees of Local Authorities who hold pensionable posts under the Pension By-laws or Rules of the Local Authorities the payments of their pensions on ultimate retirement will be governed by the Pension By-laws or Rules of the Local Authority in whose employ they were on the date immediately preceding the date of their transfer to Local Government Service in terms of section 48 of the Local Government Service Ordinance, No. 43 of 1945, as amended by the Local Government Service (Amendment) Act, No. 8 of 1949.

(c) All appointees to pensionable posts other than females, officers above the age of 55 and officers who were holding pensionable posts in Government Service on the date immediately prior to their appointment to the Local Government Service, are required to contribute 4 per cent. of their salary to the Local Government Service Widows' and Orphans' Pension Fund established under the Local Government Service Widows' and Orphans' Pension Fund Regulations, 1952, published in the *Government Gazette Extraordinary* No. 10,329 of July 30, 1952. The Local Authority will contribute 3 per cent. of salary.

(d) Appointees may be required to furnish security either in cash or by Fidelity Guarantee Bond through a Guarantee Association approved by the Local Government Service Commission in a sum which may be decided upon by the Local Authority.

(e) Appointees not holding scheduled posts in the Local Government Service will be required to pass a medical examination by a duly qualified medical practitioner as to their physical fitness to serve in any part of the Island.

(f) The appointment will generally be on probation or subject to confirmation after a period of 3 years unless otherwise specified.

(g) Applicants should be prepared to produce their birth certificates or certificates of probable age in lieu thereof when called upon to do so.

4. New-Entrant Officers.—(i) The period of probation/trial of "New-Entrant Officers" appointed to pensionable posts/non-pensionable posts, as the case may be, shall be 3 years unless a longer period is prescribed in respect of any posts.

(ii) "New-Entrant Officers" will be required to comply with any rules already made or that may hereafter be made for giving effect to the Language Policy of the Government and in particular for implementing the provisions of the Official Language Act, No. 33 of 1956.

(iii) (a) These officers will be required to acquire proficiency in Sinhala during their period of probation/trial.

(b) Confirmation at the expiry of the period of probation/trial will depend, *inter alia*, on the passing of prescribed proficiency tests in Sinhala within prescribed periods of time. Failure to pass these proficiency tests within the prescribed periods will result in the suspension of increments and if a test is not passed within a further period of time beyond the prescribed period suspension will be converted to stoppage, such stoppage operating until the test is passed (Vide conditions relating to the implementation of the Official Language Act, published in *Gazette* No. 13,387 of 9.11.62).

(c) **Educational and other Qualifications.**—In all Schemes of Recruitment where the minimum qualifications prescribed is a pass in the S.S.C. examination or equivalent or higher examination, a candidate who is a Sinhalese, educated in the Sinhala medium should have a pass in the Sinhala Language or its equivalent obtained at the Senior School Certificate or equivalent examination.

(This requirement will not apply to those officers who have been in the Local Government Service from a date prior to February 8, 1963, and who seek appointments to other posts in the Local Government Service.)

(d) **Efficiency Bars.**—New-Entrant Officers may be required to pass a prescribed Efficiency Bar test in the Sinhala Language of the Senior School Certificate standard within two years from the date of confirmation in the appointment. Failure to pass this test will result in suspension in the first instance, stoppage in the second instance and deferment thereafter of the officer's increments.

(iv) New-Entrant Officers who qualify for entry into the Local Government Service through the Sinhala medium will be exempted from the Proficiency test in Sinhala.

(v) Provisions of Local Government Service Regulations 21 and 22 will apply if the prescribed standard of proficiency in Sinhala is not reached by the end of the period of probation/trial.

"(Conditions (iii) (a), (b) and (v) above will apply to those recruited through the Tamil/English medium.)"

Note.—The term "New-Entrant Officers" in this context means officers appointed to posts in the Local Government Service in response to advertisements published on or after 29th January, 1960.

5. Qualifications Required.—Every applicant must furnish satisfactory proof that he is a Ceylonese. The term "Ceylonese" for all purposes of recruitment to the Local Government Service is defined as a citizen of Ceylon by descent or by registration.

6. Concessions to Ex-Servicemen.—(a) Ex-Servicemen will be allowed to deduct their period of service in the Regular Force from their ages, where such deduction will enable them to be brought within the maximum age prescribed in the posts applied for.

(b) Ex-Servicemen will be allowed to reduce the minimum educational standards laid down in the scheme of recruitment to any post in the Service to the next lowest examination.

7. Age Concession.—Members of the Local Government Service are eligible to apply irrespective of age for posts advertised in the Local Government Service.

8. Other Requirements.—(i) Applications from those in a Local Body should be forwarded through the Municipal Commissioner or Chairman of the Local authority in which they are serving.

(ii) Applications from officers in the Government Service should be forwarded through the Heads of their respective Departments; in the case of applications from officers holding permanent posts in the Government Service, the Head of the Department concerned should, when forwarding the application, state whether or not he is prepared to release the applicant if selected.

(iii) Candidates may be required to present themselves for interview or test at an appointed time and place. No travelling or other expenses will be paid in this connection.

(iv) Any person who desires to recommend a candidate may do so by giving a testimonial. Any form of direct or indirect canvassing or attempt to influence the selection of candidates will disqualify such candidates.

(v) Any statement in the application which is found to be incorrect will render the applicant liable to disqualification if the inaccuracy is discovered before the selection, and to dismissal after the selection.

(vi) Applications not conforming in every respect with the requirements of this advertisement will be rejected.

(vii) Applications should be made substantially in the form appended below and should be addressed to the Chairman, Local Government Service Commission, and NOT personally to him.

(viii) Applications received in this office after the closing date will not ordinarily be entertained. No allegations that an application has been lost or delayed in the post can be considered. Candidates who delay their applications until the last days will do so at their own risk.
