Permits to cut ebony in Crown forest will be issued only under special circumstances on payment of royalty at the rate of Rs. 100 per ton on logs weighing over 15 cwt., Rs. 75 per ton on logs weighing from 10 to 15 cwt., Rs. 50 per ton on logs weighing from 5 to 10 cwt., and Rs. 25 per ton on logs weighing under 5 cwt.

The full royalty due or, if it cannot be accurately calculated, the estimated amount, must be paid before any permit to fell timber is issued.

Royalty must be paid on the whole of the bole of any tree felled on permit, and not only on the log that the license-holder may remove.

In measuring logs for payment of royalty no allowance will be made for sapwood, buttresses, bark, &c. Permit-holders may, however, square logs (provided there is no unnecessary waste of timber), remove the bark, &c., before measurement.

Logs felled by permit-holders and found rotten or hollow must be taken over and paid for at such reduced rates of royalty as may be fixed by the Assistant Conservator of Forests.

A tree will not be considered "dead" unless every part of it is dead and dry.

No log will be considered a "kottu" (well pipe) unless the hollow extends the whole length of the log, and is nowhere less than nine inches in diameter.

Permits to fell in Crown forest trees to be made into dug-out canoes at reduced rates of royalty will be issued only to villagers requiring canoes for local and personal use, and not for sale.

Should any person obtain, at the reduced rate of royalty, a permit to fell in Crown forest any tree for the declared purpose of being made into a dug-out canoe and use the log for any other purpose, it will be liable to seizure and confiscation.

If trees of valuable kinds other than marutu are required for making dug-out canoes, full royalty must be paid.

Special rates will be charged for (a) flowered satinwood, (b) sawn balks of timber, (c) timber in the log exceeding 20 ft. in length, and (d) all sawn timber, any side of which exceeds 12 in., supplied on indent or issued from any depôt.

Rejected, waste, or surplus sawn timber lying in any depôt will be issued to applicants at rates 25 per cent. less than those fixed for timber sawn on indent.

It is hereby notified that His Excellency the Lieutenant-Governor has been pleased to sanction the following Rates of Royalty to be charged on Timber and other Forest Produce in the Province of Uva, with effect from November 1, 1899. The *Gazette* notice dated November 4, 1893, is hereby cancelled.
