Note 2.—Applications from employees of Boards, Corporations, Universities and similar Government aided or sponsored Institutions should be sent through the Heads of respective institutions, who should be requested to complete the certificate in cage 27 of the application appropriately, when forwarding the application.

Note 3.—Each applicant should send only one application and should apply only for one course of study.

2. *Tenure.*—The duration of the scholarships will normally be 9 to 24 months.

Scholarships are, however, liable to be terminated at any time during the currency of the course at the discretion of the Hawaii authorities for misconduct, irregularity in attendance, absence without permission of the authorities concerned from College or Hostel or unsatisfactory progress in studies or failure to pass examinations. In such an eventuality, the scholar might be required to return to Ceylon at his/her own expense.

3. *Eligibility.*—Candidates should—

- (i) be Citizens of Ceylon ;
- (ii) be between 21 and 35 years of age on 1.9.1969 ;

In this respect a registration fee of dollars 10 will be payable and it will have to be borne by the candidates themselves. However, candidates are not required to pay the registration fee at the time of taking the test. If candidates will be finally awarded scholarships only they will have to reimburse the East-West centre for the registration fee, once they are in Hawaii. This will be done by means of deducting dollars 10 from their allowances. Details of the test will be notified to candidates in due course).

Note 1.—A candidate who has entered into a Bond or Agreement to serve the Government or in a Board, Corporation, University or other Government-aided or sponsored institution for a specific period shall not be eligible to apply unless by 1.9.1969, he/she has served the period specified in the Bond or Agreement and discharged fully the obligations entered into in the Bond or Agreement.

Note 2.—Government servants holding temporary appointments and those holding permanent appointments but not confirmed in their appointments, will similarly not be eligible to apply unless they are prepared to resign their posts in the event of their being selected for awards. Such willingness to resign, should be specifically stated in case 15 (d) of the application.

4. *Terms of Award.*—The scholarships will carry with them the following benefits :—

- (a) Travel to Hawaii and back.
- (b) Tuition and books.

No travelling or other expenses connected with this interview will be paid. They should also be prepared to produce at this interview, the originals of their certificates, birth certificate and any other documentary evidence in support of their candidature.

7. *Medical Examination.*—Selected candidates will be required to pass a medical examination, by a Special Medical Board appointed by the Government, as to their physical and mental fitness to undertake a course of studies in Hawaii.

8. The study proposed will not, in the case of Government servants, entitle them to enhance emoluments or enhance their promotion prospects. In the case of others, the Government will not undertake to provide employment on their return after completion of the scholarship.

9. Any statement in the application which is found to be incorrect will render the applicant liable to disqualification, if the inaccuracy is discovered before selection, and to withdrawal of the award if discovered after selection.

10. A successful candidate who after selection decline to be nominated or after nomination declines to accept an award will be debarred from any other scholarship award for a period of two years.
