This is an award in terms of section 17 of the Industrial Disputes Act. The Commissioner of Labour referred to me for settlement by voluntary arbitration under section 3 (i) (d) the dispute between the parties above named which has been described as follows:—

“ Whether the termination of services of W. B. M. Premaratne is justified and to what relief he is entitled ”.

The parties having filed their statements inquiry was fixed for the 19th of July, 1969, on which date Proctor Palitha Wanasinghe, appeared for the applicant and Proctor C. L. W. Gunasekera for the respondent.

A settlement was proposed and Mr. Gunasekera moved for time to obtain confirmation from the management. Thereafter the case was taken up on the 6th of August and adjourned for the 29th of August. On this date the following settlement was arrived at:—

“ The employer agrees to offer work to the workman on terms not less favourable than what he was enjoying at the time of his non-employment as soon as is possible and in any event not later than the 30th November, 1969, on condition that the workman hypothecate land to the value of Rs. 450 by way of security in favour of the Union.

The workman accepts this offer of employment and undertakes to hypothecate land to the value of Rs. 450 on or before the 15th of October, 1969, and further undertakes to release the bond by the payment of cash within 6 months of his employment.

It is agreed that the workman will be entitled to emoluments as from the 1st of November, 1969, on terms not less favourable than those he enjoyed at the time of his employment.

Both parties signed the record.

Sgd.	Sgd.
W. B. M. Premaratne, Applicant.	D. S. Ranatunge, for and on behalf of Kadawata Meda Korale M.P.C.S. Union Limited.

The workman will not be entitled to back wages or any other benefits for the period of his non-employment but his services will be deemed not to have been interrupted by the period of his non-employment.

Thereafter the case was directed to be called on the 6th of December, 1969, to ascertain whether the settlement had been implemented. In the event of the workman being absent it was agreed that it be presumed that the settlement had been implemented.

On the 6th of December, 1969, the counsel informed me that the workman had been re-instated in terms of the settlement arrived at and was back in employment.

Under these circumstances the settlement is confirmed by this award.

Colombo, August 9, 1969.

REPORT OF THE AUDITOR-GENERAL ON THE ACCOUNTS OF THE TEACHERS' WIDOWS' AND ORPHANS' PENSION FUND FOR THE FINANCIAL YEAR ENDED SEPTEMBER 30, 1968

(All figures in this report have been rounded off to the nearest rupee.)

The Balance Sheet as at September 30, 1968, of the Teachers' Widows' and Orphans' Pension Fund and the Income and Expenditure Account for the year ended on that date, furnished by the Board of Management on August 13, 1969, have been certified by me subject to the following observations.

2. *Income and Expenditure Account: Contributions—Rs. 1,722,390.*—(i) In paragraph 2 of my report on the Accounts for 1966-67, it was stated that the Membership Registers, required to be maintained in terms of Section 9 (a) of the Teachers' Widows and Orphans' Pension Fund Regulations, 1954 giving the undermentioned particulars, had been maintained—

- the date of birth of every contributor and of every wife and child who may become entitled to a pension;
- particulars of all contributions paid in to the Fund by each contributor and the Government;
- the pension or pensions for the time being payable in respect of each contributor in the event of his death;
- the dates of death and such other dates and particulars relating to contributors and their families.

It was also stated that particulars referred to at (b) and (c) have not been recorded therein. The Secretary and Accountant Teachers' Widows' and Orphans' Pension Fund had explained in September, 1968, that the failure to record all particulars required under this regulation was due to the non-receipt of declarations of contributors from the Education Department, and to the delay on the part of the Education Department to render duly reconciled Recovery Registers. The Secretary and Accountant, Teachers' Widows' and Orphans' Pension Fund, informed me on January 10, 1970, that no substantial progress has been made in this regard.

(ii) Section 10 and 11 of the Teachers' Widows' and Orphans' Pension Fund Regulations, 1954, require every contributor to the Fund to furnish a declaration to the Board within three months of the date he becomes a contributor to the Fund. The Secretary and Accountant informed me that up to December 29, 1969 out of a total of 44,000 contributors, declarations had been received from only 27,561. Contributions received from 16,439 persons had been credited to the Fund without obtaining declarations.

(iii) Registers relating to recoveries of contributions amounting to Rs. 3,800,578 were not made available for examination in audit up to December 31, 1969. Particulars are given below:

Department	Period	Registers due for recoveries made amounting to	
		Rs.	c.
(1) Director-General of Education	From 1958-59 to 1967-68	3,740,234	51
(2) Director of Pensions, General Treasury	From 1965-66 to 1967-68	51,475	79
(3) Director of Accounts and Payments, General Treasury	From 1963-64 to 1967-68	6,864	30
(4) Ministry of Nationalised Services	From 1967 to 1968	2,003	68
	Total	3,800,578	28

3. *Government Contributions—Rs. 1,751,248.*—According to Regulation 23, Government contributions should be equal in amount to the contributions made by the members. While the members' contributions amounted to Rs. 1,722,390 the amount actually credited to the Fund as Government contributions during the year was Rs. 1,749,983. The difference of Rs. 27,593 was made up of Rs. 27,474 and Rs. 119 being amounts over credited to the Fund. This difference has subsequently been adjusted during 1968-69.

4. *Pensions Paid—Rs. 3,15,284.*—Paid documents in respect of pensions amounting to Rs. 2,213 had not been received for audit up to the end of September, 1969.

A satisfactory audit of the pension payments could not be carried out in the absence of duly reconciled Recovery Registers from 1958-59 onwards and of completed Membership Registers. Pensions were awarded on the basis of statements of recoveries certified by the Director-General of Education and the correctness of the pensions so paid can be verified in audit only when the Recovery Registers from 1958-59 to 1967-68 together with the completed Membership Registers are made available.

Balance Sheet

5. *Suspense Account—Rs. 26,877.*—The debits to the suspense account remaining uncleared as at September 30, 1968, amounted to Rs. 1,564 while the credits awaiting clearance totalled Rs. 28,441 in the suspense account as at the same date.

General

In paragraph 6 of my report on the 1966-67 accounts, it was stated that a quinquennial valuation of the Fund by a qualified Actuary as required by section 7 of the Regulations fell due on 1.10.1956, 1.10.1961 and 1.10.1966 and that the first valuation was made in January, 1963. It was further stated that the Secretary and Accountant, Teachers' Widows' and Orphans' Pension Fund, had informed me that the report of the Actuary furnished in January, 1963, was being considered by the Government and the periodical valuation of the Fund would have to await Government decision on the Actuary's report.

On December 14, 1969, the Secretary and Accountant informed me that it is proposed to implement some of the recommendations of the Actuary shortly.

C. MUTHUUMABASAMY,
for Auditor-General.

IMPORTANT NOTICE REGARDING PUBLICATION OF GAZETTE

THE Weekly issue of the *Ceylon Government Gazette* is normally published on Fridays. If a Friday happens to be a Public Holiday the *Gazette* is published on the working day immediately preceding the Friday. Thus the last date specified for the receipt of notices for publication in the *Gazette* also varies depending on the incidence of public holidays in the week concerned.

The Schedule below shows the dates of publication and the latest time by which notices should be received for publication in the respective weekly *Gazettes*. All notices received out of times specified below will not be published. Such notices will be returned to the sender by post for necessary amendment and return if publication is desired in a subsequent issue of the *Gazette*. It will be in the interest of all concerned if those desirous of ensuring the timely publication of notices in the *Gazette* make it a point to see that sufficient time is allowed for postal transmission of notices to the Government Press.

The Government Printer does not accept payments of subscriptions for the Government Gazettes. Payments should be made direct to the Superintendent, Government Publications Bureau, P.O. Box 500, Secretariat, Colombo 1.
