THE INDUSTRIAL DISPUTES ACT (CHAPTER 131)

THE Award transmitted to me by Labour Tribunal II to whom the industrial dispute which had arisen between Mr. K. M. Chandrasekera, No. 165, Chilaw Road, Negombo and Municipal Council, Negombo, was referred by order dated 31st January, 1968, made under section 4 (1) of the Industrial Disputes Act, Chapter 131, as amended by the Industrial Disputes (Amendment) Acts, Nos. 14 and 62 of 1957 and 4 of 1962, and published in *Ceylon Government Gazette* No. 14,789 of 16th February, 1968, for settlement by arbitration is hereby published in terms of section 18 (1) of the said Act.

R. L. GUNASEKERA,
Commissioner of Labour.

Department of Labour,
Colombo 5, 8th May, 1970.

In the matter of an industrial dispute
between

Mr. K. M. Chandrasekera, 165, Chilaw Road,
Negombo

Vs.
Municipal Council, Negombo.

Award

This Award relates to a reference made to this Tribunal under section 4 (1) of the Industrial Disputes Act, Chapter 131 of the Legislative Enactments of Ceylon (1956 revised edition) as amended by subsequent Acts.

The matter in dispute is whether the termination of the services of Mr. K. M. Chandrasekera by the Municipal Council, Negombo, is justified and to what relief he is entitled.

It is not in dispute that Mr. Chandrasekera functioned as a Physician of the Ayurvedic Dispensary, Moor Street, Negombo, run by the Municipal Council, from 13th November, 1963 to 1st June, 1964.

Mr. Chandrasekera's case is that, as a result of an interview with the then Mayor of Negombo, one Mr. John Rodrigo, he (Mr. Chandrasekera) agreed to take up the post Ayurvedic Physician in a honorary capacity as from 6th November, 1963, for a period of 3 months, on the understanding that he will be made permanent at the end of that period. He has complained that although he continued to work for a period of 6 months in the above hope of obtaining permanent employment, his services were terminated with effect from 1st June, 1964, consequent on the appointment of another person as the

permanent physician. His contention is that the termination of his employment is wrongful in view of the promise held out to him.

The position of the Municipal Council is that Mr. Chandrasekera was appointed by exhibit A1 as an honorary Ayurvedic Physician, and that at no time was any promise given to him that he would be made permanent. The appointment was on the strict understanding that it was on a vountary basis. At the end of the period of approximately 6 months when the L.G.S.C. appointed a permanent physician, the services of Mr. Chandrasekera had to be discontinued and he was given a certificate to that effect and the Municipality had no choice in the matter.

As far as the documentary evidence goes it is clear that there is nothing to support Mr. Chandrasekera's version. However, he relied on the evidence of two witnesses, one Piyatilleke, the establishment clerk of the Municipal Council and one Ganizius de Cruz, the store-keeper, also of the Municipal Council, who, it would appear, had been present at the interview. It is not possible to say from the evidence of these two witnesses that there was any definite promise held out to Mr. Chandrasekera to make him permanent at the end of the 3 months Mr. Chandrasekera speaks of. Piyatilleke admitted the fact that it was an extra ordinary thing that nothing of the discussion was recorded. He said that it is usual to put on record matters of this nature. Witness Cruz who had introduced Mr. Chandrasekera is also not certain of the exact terms and condition discussed.

On the other hand Mr. Chinniah, the then Municipal Commissioner in his evidence has stated that he was present at the discussion that Mr. Chandrasekera had with the Mayor and he was certain that no definite promise was held out to Mr. Chandrasekera as stated by Mr. Chandrasekera. On the contrary he stated that Mr. Chandrasekera succeeded one Ayurvedic Doctor Cyril Silva. Dr. Cyril Silva had also served in honorary capacity.

It would, therefore, appear from the above evidence, although the possibility of Mr. Chandrasekera being made permanent was discussed, there had been no definite promise to that effect. At most this had been a mere gentleman's agreement and what was discussed was never intended to form a part of a binding contract.

There is also evidence to show that the Municipal Council had made every effort to get Mr. Chandrasekera appointed to the permanent post but this was not possible as it had to be made by the L.G.S.C. according to their requirements. Mr. Chandrasekera did not have the required qualification. In any event Mr. Chandrasekera would not have been appointed to this particular dispensary because appointments to such posts were made by the L.G.S.C. not on an area basis.

For these reasons I hold that the termination of Mr. Chandrasekera's services as honorary physician was justified and that he is not entitled to any relief.

K. E. W. F. SIBIWARDENE,
President,
Labour Tribunal (2).
