To the Candidate—

You are advised in your own interest to adhere to the following directions:—

- (i) Be in attendance at the Examination Hall well in time, at least 10 or 15 minutes before the time scheduled for a paper to commence. If you are in doubt about the location of the Hall have it settled before the day of examination.
- (ii) Any doubt regarding your entry for a paper or eligibility for it should be settled with the Supervisor before the paper commences. Otherwise your candidature in the subject concerned is liable to be cancelled.
- (iii) If you are a candidate from whom identity documents are required, you should have them with you in the Examination Hall on every occasion you present yourself for a paper. Your candidature is liable to be cancelled if you do not possess the necessary documents. If you have forgotten your identity documents, you should arrange with the Supervisor to produce them before the conclusion of the examination.
- (iv) You should bring your own pen and ink bottle, ruler, Mathematical instruments, lead pencil, eraser, coloured pencils, crayons, water colours, science stencil, etc.
- (v) Standard examination stationery (i.e., writing paper, blotting paper, graph paper, drawing paper, ledger paper, precis paper, etc.) will be supplied. You should promptly bring it to the notice of the Supervisor if you receive any material which does not conform to the usual pattern. Do not use any paper that has not been issued specifically to you. Any excess material should be left behind unmutilated on your desk. Log, tables where supplied, should be used with care and left behind on your desk.
- (vi) You should inscribe promptly the title of the examination and your Index Number on every sheet of answer paper or other paper used by you. Write neatly and legibly on both sides of the writing paper. Leave a blank line after the answer to each separate part of a question and a ruled line or several blank lines after the answer to each question. Do not crowd in your work.
- (vii) The left-hand margin of the answer paper supplied is provided for you to insert the numbers of the questions you answer while the right-hand margin which should be left blank is reserved for the use of the Examiner. Number your answers correctly, as any error may cause confusion.
- (viii) You should observe very carefully the directions given at the head of each question paper regarding any compulsory questions and the choice of others. Disregard of these instructions is bound to affect you adversely.
- (ix) Give all detailed calculations and any rough work in their natural order as part of the working of any Mathematical problem. Diagrams, figures, sketches, etc., should be accurate and sufficiently large. If an answer requiring constant reference to the diagram, figure or sketch is continued overleaf, such diagram, etc., should be repeated.
- (x) At the end of each paper, arrange your answer sheets carefully in the order you wrote them and fasten them closely and securely together at the left-hand top corner (and not at the right-hand top corner) with the string supplied.
- (xi) You should hand over your answer-script personally to the Supervisor or to an Invigilator or remain in your seat till it is collected by one of them. Failure to do so may result in the loss of your script and in your being treated as absent for that paper. On no account should your script be handed over to a peon or attendant.
- (xii) If you wish to speak to the Supervisor or an Invigilator or to be served with additional stationery, you should raise your hand and continue to be seated.

Commissioner of Examinations.

IMPORTANT NOTICE REGARDING PUBLICATION OF GAZETTE

THE Weekly issue of the *Ceylon Government Gazette* is normally published on Fridays. If a Friday happens to be a Public Holiday the *Gazette* is published on the working day immediately preceding the Friday. Thus the last date specified for the receipt of notices for publication in the *Gazette* also varies depending on the incidence of public holidays in the week concerned.

The Schedule below shows the dates of publication and the latest time by which notices should be received for publication in the respective weekly *Gazettes*. All notices received out of times specified below will not be published. Such notices will be returned to the sender by post for necessary amendment and return if publication is desired in a subsequent issue of the *Gazette*. It will be in the interest of all concerned if those desirous of ensuring the timely publication of notices in the *Gazette* make it a point to see that sufficient time is allowed for postal transmission of notices to the Government Press.

The Government Printer does not accept payments of subscriptions for the Government *Gazette*. Payments should be made direct to the Superintendent, Government Publications Bureau, P.O. Box 500, Secretariat, Colombo 1.
