If there are means of communication between the tavern and an adjoining dwelling house, they must be kept permanently closed. In the case of all taverns there shall be no possible means of ingress or egress except by the front door. The interior of the tavern shall be sufficiently lighted by day and by night, and the tavern shall not be used as a place of residence, save by the renter or an authorized employee acting as a caretaker. The walls of the tavern shall not be made of cadjans.

(2) No alterations or additions shall be made to any tavern building, nor shall any wall, fence, or other enclosure be erected without the approval of the Government Agent.

(3) The Government Agent may at his discretion by special licence to be granted free of charge, permit the establishment in a particular tavern of a private bar, if he is of opinion that the furniture and equipment of the private bar and the area in which the tavern is situated justify the establishment of such private bar:

Provided that the whole of the interior of such bar is visible from the entrance thereto, and that such entrance is either through the main door of the tavern, or through a separate door which is clearly labelled or provided with a signboard to indicate the nature of such bar.

2. *Signboards for Licensed Premises.*—A signboard must be affixed to the front of each licensed distillery manufactory of any kind of liquor, brewery, wholesale warehouse, arrack renter's storehouse, bottling warehouse, premises licensed for the sale of medicated country spirits or fruit and coconut liquors, foreign liquor (off) shop, medicated wines shop, rectified spirits shop, restaurant, canteen, or tavern (including places licensed only for the sale of beer and porter), showing the number and nature of the licence, the name of the licensee and in the case of country liquor canteens or taverns also the current rate of sale. These particulars must be legibly painted in Sinhala and in Tamil. The licence and printed copies of these conditions in Sinhala, Tamil and English must be displayed in a conspicuous place within all licensed premises.

3. (1) *Prohibition of Possession of Liquor other than that licensed.*—The possession upon any licensed premises of any liquor or intoxicating drug, other than that to which the licence relates, or of any essence or substance used or capable of being used for colouring or flavouring liquor, is prohibited except under a special licence granted by the Excise Commissioner:
