THE ELECTRICITY ACT

REGULATIONS made by the Dankotuwa Town Council under section 46 of the Electricity Act (Chapter 205), as amended by Act, No. 59 of 1957, with the approval of the Minister of Public Administration, Local Government and Home Affairs, given after consultation with the Minister of Irrigation, Power and Highways.

B. H. DE ZOYSA,
Acting Additional Permanent Secretary,
Ministry of Public Administration, Local
Government and Home Affairs.

Colombo, 3rd November, 1970.

Regulations

1. In these regulations—

“ Act ” means the Electricity Act (Chapter 205), as amended by Act No. 59 of 1957;

“ licence ” means a licence issued under section 2 of the Act to Dankotuwa Town Council;

“ licensee ” means the Chairman of the Dankotuwa Town Council.

2. Any person desirous of obtaining the use of electrical energy from the licensee shall—

(a) at least fourteen days before the supply is required, make an application to the licensee in such form as may be provided for the purpose by the licensee; and

(b) pay in advance to the licensee the charges for the service cable or, if the licensee so requires, enter into a written contract with the licensee under section 35 of the Act.

3. (a) The consumer shall entrust the wiring of any electrical installation, intended to be connected to the licensee's electricity supply mains, to a firm or an individual, who is capable of carrying out the work in conformity with the wiring regulations prescribed by the institute of Electrical Engineers. The supply of electrical energy shall be connected to such installation only after such work has been inspected and tested by an officer authorised by the licensee and the licensee is satisfied that the work has been carried out in accordance with the aforesaid wiring regulations.

(b) If the installation does not comply with the said regulations, a supply of electrical energy to the premises shall not be given until such time as the installations have been made to comply with such regulations.

4. Every consumer of electrical energy shall pay for such energy at the rates specified in the licence.

5. (a) That portion of the service cable which is on the consumer's premises, the transformers, the main fuses, the meter and the board shall remain the property of the licensee and on no account shall they be moved or handled by any person other than an authorised employee of the licensee.

(b) The consumer shall be responsible for the maintenance of any wires, cables or any other apparatus on the consumer's side of the licensee's main fuse and meter.

(c) Where any installation is reconnected after having been disconnected under section 47 (3) of the Act, the appropriate fee for testing and reconnecting such installation as provided for in the licence shall be charged and shall be paid in advance by the consumer.

(d) In the event of a leakage of electrical energy at any part of the wires or fittings of any consumer, such consumer shall be liable to pay for all metered consumption of energy in his premises in accordance with section 41 of the Electricity Act.

SPECIAL NOTICE REGARDING FORWARDING OF NOTICES FOR PUBLICATION IN THE WEEKLY GAZETTE

ATTENTION is drawn to the Important Notice, appearing at the end of each part of this Gazette, regarding dates of publication of the future weekly Gazettes and the latest times by which Notices will be accepted by the Government Printer for publication therein. All notices for publication in the Gazette received out of times specified in the said notice will be returned to the senders concerned.

Department of Govt. Printing,
Colombo, June 2, 1970.

L. W. P. PIER'S,
Government Printer.

6. (a) Every consumer wishing at any time, after the supply of electrical energy has been given to his premises, to use any lamp, fan or motor of greater size than the one already in use, or to install any additional lamp or other appliance consuming such energy, either temporarily or permanently or in any way to alter or extend the wiring in his premises, shall, at least two days before the commencement of work on such extension or alteration, notify the licensee in writing of any such alteration or extension.

(b) No consumer shall connect or cause to be connected, any extension, lamp, fan or motor of greater size than the one already in use or install any additional lamp or any other apparatus consuming electrical energy, either temporarily or permanently to the main installation unless such extension, lamp, fan motor, additional lamp or other apparatus has been inspected and tested and found to be satisfactory by an officer authorised in that behalf by the licensee.

7. (a) In the event of the melting of the licensee's fuse in any premises, the consumer shall forthwith inform the officer-in-charge of the electrical power station or sub-station, as the case may be, of the licensee.

(b) No person other than an officer authorised by the licensee or any workman employed by the licensee, shall replace any melted fuse which is the property of the licensee.

(c) Where the services of any officer or workman of the licensee are required to replace any fuse which is the property of the consumer or the licensee, the appropriate charge payable therefor, as set out in the licence, shall be made in the current monthly account of the consumer.

8. The licensee does not hold itself liable to the consumer for any loss or damage occasioned directly or indirectly by the total or partial interruption of the supply of electrical energy.

9. Where any installation is reconnected after having been disconnected under section 45 of the Act, a fee for testing and reconnecting, as provided for in the licence, shall be charged, and shall be paid in advance by the consumer.

10. (a) All charges shall be deemed to be due on the date which an account is presented.

(b) No complaint against the accuracy of any account shall be entertained by the licensee unless such complaint is made within a week after the receipt of such account by the consumer.

11. (a) Every consumer who does not require the supply of electrical energy to his premises shall give three days notice in writing to the licensee.

(b) Where the notice referred to in paragraph (a) is not given, the consumer shall be held responsible for the licensee's equipment in his premises and shall be liable to pay for all the energy consumed on the premises until the lapse of three days from the date on which the licensee receives notice of the fact that the consumer does not require the supply:

Provided that when the supply to the premises is disconnected by the licensee before the lapse of the said three days, the consumer shall be liable to pay only for the energy consumed on the premises up to the time of such disconnection.

12. No electrical work such as installation work including additions, alterations and adjustments to existing installations shall be commenced except after notice of not less than two days has been given to the licensee to enable an officer of the licensee to inspect the proposed work.

13. If any electrical work connected with any new installation in any premises is carried out without giving notice to the licensee and obtaining the licensee's prior approval the licensee may refuse to supply electrical energy to the premises wherein such work has been carried out, until formal notice has been received by the licensee and the necessary tests have been carried out.

14. Where any extension is made to any installation which is already connected to the licensee's electricity supply mains without prior notice to and without permission of the licensee, the whole installation shall be liable to disconnection from the licensee's electricity supply mains.

15. Every application for the reconnection of any installation shall be made on such form as may be provided for the purpose by the licensee, and shall be delivered at the office of the licensee not less than forty-eight hours before the supply of electrical energy is required.

IMPORTANT NOTICE REGARDING PUBLICATION OF GAZETTE

THE Weekly issue of the *Ceylon Government Gazette* is normally published on Fridays. If a Friday happens to be a Public Holiday the *Gazette* is published on the working day immediately preceding the Friday. Thus the last date specified for the receipt of notices for publication in the *Gazette* also varies depending on the incidence of public holidays in the week concerned.

The Schedule below shows the dates of publication and the latest time by which notices should be received for publication in the respective weekly *Gazettes*. All notices received out of times specified below will not be published. Such notices will be returned to the sender by post for necessary amendment and return if publication is desired in a subsequent issue of the *Gazette*. It will be in the interest of all concerned if those desirous of ensuring the timely publication of notices in the *Gazette* make it a point to see that sufficient time is allowed for postal transmission of notices to the Government Press.

The Government Printer does not accept payment of subscriptions for the Government *Gazette*. Payments should be made direct to the Superintendent, Government Publications Bureau, P. O. Box 500, Secretariat, Colombo 1.
