## Health Officer's Report for the Month of March, 1900.

SIR,—I HAVE the honour to submit my report for the month of March.

*Scavenging.*—The town during the month was clean and well scavenged.*Market.*—Clean and well kept. The vegetable stalls have not yet been altered so as to be in keeping with the beef stalls. The grounds round about the market have been altered and improved by the removal of superfluous trees.*Food Supply.*—Ample, and of good quality. 465 cattle, 94 buffaloes, and 402 sheep and goats were inspected and passed as fit for food.*Bakeries.*—Clean and well kept.*Boutiques* were periodically inspected by me. I found the articles exposed for sale of good quality and fit for food, with one exception, in which the vendor was prosecuted and fined.*Dairies.*—Two of the dairy-keepers were fined for keeping their premises in a filthy condition. The other dairies were in order.*Laundries.*—In good order, with the exception of those at Peradeniya road, Trincomalee street, and Malabar street (Talwatta).*Night Soil Depot.*—In good order.*Latrines.*—In good order.*Water Supply.*—Ample, and of good quality.*Alleys.*—Unsatisfactory and insanitary. The alley in Castle Hill street belonging to Mr. Alwis is being improved, and the barrel drain which runs across it is undergoing repairs.*Cooly Lines.*—Permanent ones in order. Temporary ones unsatisfactory, owing to want of space and ventilation.*Filthy Premises.*—168 prosecutions for keeping premises filthy were entered during the month, and most of the offending parties were heavily fined.*Drainage.*—Surface drains in good order. Deep barrel drains were kept in as good order as possible by frequent flushing.

The health of the town was exceptionally good.

Kandy, April 3, 1900.

I am, &amp;c.,

FRED. KEYT, M.D.,  
Health Officer.
