Note.—2. Government servants holding temporary appointments and those holding permanent appointments but not confirmed in their appointments, will similarly not be eligible to apply unless they are prepared to resign their posts in the event of their being selected for awards. 10. A successful candidate who after selection declines to be nominated or after nomination declines to accept an award, will be debarred from any other scholarship award for a period of two years.

11. It should be clearly understood that nomination by the Ceylon authorities should not be treated by any applicant as acceptance of his case for an award, because acceptance is a matter entirely within the discretion of the awarding agencies to whom nominations are forwarded.

12. Any form of canvassing or attempt to influence the selection of a candidate will disqualify such candidate.

13. Applications not conforming in every respect with the requirements of this advertisement and the instructions printed on the application form will be rejected.
