RULES FOR CANDIDATES

All candidates are bound by the Rules given below. A candidate who violates any one of them is liable to be punished, at the discretion of the Commissioner, in one or more of the following ways:—

- (i) Suspension from the whole or part of the examination or from the whole or part of a paper.
- (ii) Disqualification from a paper or from the examination.
- (iii) Debarment from examination for a period of one or two years.
- (iv) Debarment for life.
- (v) Suspension of certificate for a period.
- (vi) Reporting of the candidate's conduct to his superior or handing the candidate to or placing the matter in the hands of the Police.

Rules

1. Every candidate should so conduct himself in the precincts of the Examination Hall as not to cause disturbance or inconvenience to the Supervisor or his Staff or to other candidates. In entering and leaving the Hall he should conduct himself as quietly as possible.
2. Candidates are under the authority of the Supervisor and should assist him by carrying out his instructions and those of his invigilators during the examination and immediately before and after it.
3. Under no circumstances whatsoever will a candidate be admitted into the Examination Hall after the lapse of half an hour from the commencement of a paper. Nor will he be permitted to leave the Hall till this period of time has elapsed. In the case of a Practical or Oral examination a candidate who is late may be refused admission.
4. Every candidate should sit at the particular desk assigned to him by the Supervisor and at no other. No change should be made without the express permission of the Supervisor. The occupation by a candidate of a seat not assigned to him is liable to be considered as an act motivated by dishonesty.
5. Absolute silence must be maintained in the Examination Hall. A candidate is not permitted to communicate or have any dealings with any other candidate or person inside or outside the Hall other than with the examination staff for any reason whatsoever, in case of urgent necessity the Supervisor's prior permission should be obtained.
6. A candidate should not write his name on his answer-script which should be identified only by his Index Number. A candidate who inserts on his script Index Number of another candidate is liable to be considered as having attempted to cheat while a candidate whose script bears an Index Number which cannot be identified will have it rejected.
7. Candidates should not write on the blotting paper, on the question paper, on the desk or anywhere else other than on the paper supplied to them for the purpose. Disregard to this Rule may be treated as an act with dishonest intentions.
8. No sheet of paper or answer book supplied to a candidate may be torn, crumpled, folded or otherwise mutilated. Every sheet of paper used including any sheet with rough work, outline, etc., must form part of the answer-script. (Such rough work, etc., should be neatly crossed out.) Nothing that has been written in the Examination Hall may be removed outside. If the same question has been attempted in more than one place, the answer or answers that are not to be counted should be neatly crossed out. A breach of any of these requirements may be considered as an attempt to cheat.

9. The submission in regard to Mathematical questions of correct answers with incorrect or no working, and in regard to art of work which is identical with or greatly similar to another candidate's in idea, intent plan, execution, etc. is liable to be interpreted as an act of dishonesty.
10. No writing paper or other material issued to candidates should be removed from the Hall. Such paper and material remain the property of the Commissioner. Disregard of this Rule is liable to be interpreted as an act with dishonest intentions.
11. While in the Examination Hall no candidate should have with him or near him anywhere any book, pocket book, note-book, exercise book etc., sheets or pieces of any paper other than what is supplied to him in the Hall, nor any hand-bag, vanity box, parcel, etc., other than his box of colours or of Mathematical instruments when necessary, nor any file cover, cardboard, pad, folded newspaper, brown paper, etc. Any candidate who disregards this Rule is liable to punishment.
12. No candidate in the Examination Hall should have on his person any book or notes whatsoever. Should the Supervisor so require, every candidate is bound to declare everything he has on his person. Any violation of these requirements will be interpreted as an attempt at dishonest practice.
13. Candidates are warned against copying or attempting to copy from the script of another candidate or from any book or paper notes whatsoever. No candidate should attempt to look at the script of another candidate. Nor should any candidate either help another candidate or obtain help from another candidate or person whomsoever. Every sheet of paper on which answers have been written should be placed under the sheet on which an answer is being written. No sheet should be left lying about on the desk.
14. During the course of a paper no candidate will be permitted under any circumstances to leave the Examination Hall temporarily. In an emergency, however, the Supervisor will grant such permission, but the candidate will be under the surveillance of an invigilator and be subject to search both before leaving the Hall and before returning to it.
15. Impersonation whether in the Examination Hall or before the examination is an offence. Tampering with or falsifying Identity Papers or attestation of identity are likewise offences. Candidates are warned against them.
16. Serious notice will also be taken of any dishonest assistance given to a candidate by a person who is not a candidate.

To the Candidate—

You are advised in your own interest to adhere to the following directions:—

- (i) Be in attendance at the Examination Hall well in time, at least 10 or 15 minutes before the time scheduled for a paper to commence. If you are in doubt the location of the Hall have it settled before the day of examination.
- (ii) Any doubt regarding your entry for a paper or eligibility for it should be settled with the Supervisor before the paper commences. Otherwise your candidature in the subject concerned is liable to be cancelled.
- (iii) If you are a candidate from whom identity documents are required, you should have them with you in the Examination Hall on every occasion you present yourself for a paper. Your candidature is liable to be cancelled if you do not possess the necessary documents. If you have forgotten your identity documents, you should arrange with the Supervisor to produce them before the conclusion of the examination.

- (iv) You should bring your own pen and ink bottle, ruler, Mathematical instruments, lead pencil, eraser, coloured pencils, crayons, water colours, science stencil, etc.
- (v) Standard examination stationery (i.e., writing paper, blotting paper, graph paper, drawing paper, ledger paper, precis paper, etc.) will be supplied. You should promptly bring it to the notice of the Supervisor if you receive any material which does not conform to the usual pattern. Do not use any paper that has not been issued specifically to you. Any excess material should be left behind unutilized on your desk. Log tables, where supplied, should be used with care and left behind on your desk.
- (vi) You should inscribe promptly the title of the examination and your Index Number on every sheet of answer paper or other paper used by you. Write neatly and legibly on both sides of the writing paper. Leave a blank line after the answer to each separate part of a question and a ruled-line or several blank lines after the answer to each question. Do not crowd in your work.
- (vii) The left-hand margin of the answer paper supplied is provided for you to insert the numbers of the question you answer while the right-hand margin which should be left blank is reserved for the use of the Examiner. Number your answers correctly, as any error may cause confusion.
- (viii) You should observe very carefully the directions given at the head of each question paper
- regarding any compulsory questions and the choice of others. Disregard of these instructions is bound to affect you adversely.
- (ix) Give all detailed calculations and any rough work in their natural order as part of the working of any Mathematical problem. Diagrams, figures, sketches, etc., should be accurate and sufficiently large. If an answer requiring constant reference to the diagram, figure or sketch is continued overleaf, such diagrams, etc., should be repeated.
- (x) At the end of each paper, arrange your answer sheets carefully in the order you wrote them and fasten them closely and securely together at the left-hand top corner (and not at the right-hand top corner) with the string supplied.
- (xi) You should hand over your answer script personally to the Supervisor or to an Invigilator or remain in your seat till it is collected by one of them. Failure to do so may result in the loss of your script and in your being treated as absent for that paper. On no account should your script be handed over to a peon or attendant.
- (xii) If you wish to speak to the Supervisor or an Invigilator or to be served with additional stationery, you should raise your hand and continue to be seated.
