C/I. 117.

In the matter of an industrial dispute between

United Tea Rubber & Local Produce Workers' Union
and
Messrs. Gordon Frazer & Company
Interpretation of Award

under section 34 (1) of the Industrial Disputes Act.

The Honourable Minister of Labour and Employment by virtue of the powers vested in him by Clause 4 (1) of the Industrial Disputes Act (1950) as amended, referred to me for settlement by arbitration, an Industrial Dispute between United Tea Rubber and Local Produce Workers' Union and Gordon Frazer & Company Ltd.. The reference involves 10 demands by the Union by Award dated 31st July, 1971 published in C. G. G. 14,972 of 20/8/71. I reject one of the demands by the Union for extra payment for stacking Tea Chests, by a column of 5 chests at the rate of 05 cts. for each chest. In this Award I stated, "both the Union and the Company have made their submissions on this matter, and I myself have inspected the place and made my observations. In so far as different trades are concerned Wages Boards by the decision have set down various wage scales for the workers in the different trades. I have no doubt that the Wages Boards particularly which comprise both employer and worker representatives and independent nominated members, have given careful consideration to the different aspects of each trade before fixing the wage scale. To alter any such existing scale or suggest any extra remuneration would result in confusion. I therefore reject this demand."

The Union has called upon me to interpret my finding on this matter. At the inquiry before me Mr. L. W. Panditha the General Secretary of the Union appeared for the Union and Mr. S. R. de Silva, Deputy Secretary of the Employers' Federation of Ceylon appeared for the Company.

It is no ground between the parties, that subsequent to the Award on the 10th and 11th July, 1972, the Company employed some casual labour to stack chests and paid them an extra remuneration for stacking up to 5 high and beyond 5 high. The Company's position is that when the permanent labour are required to stack more than 5 high a labour force of 12 is called upon to do this work and a gang of 8 persons when they are required to stack up to 5 high. In this particular instance the labour force of casual workers numbered only 5. In so far as this reason, that the Company paid the extra remuneration, the Union's position was that I should decide whether in view of my rejection of the demand, the Company should have made this extra payment and also whether the permanent labour should be paid extra remuneration for stacking chests beyond 5 high. Mr. Panditha urged before me that since the reason for my rejection of the demand earlier was that it would otherwise result in confusion the Company's action had this very effect. Mr. De Silva for the Company submitted that my powers in this matter being only one of interpretation under section 24 (1) of the Industrial Disputes Act, what I was being called upon to do by the Union was in fact to reconsider my rejection of the demand and was not therefore a request for interpretation of the relevant part the Award made by me earlier, in fact, Mr. de Silva urged the question of interpreting the rejection of a demand as in this case cannot probably arise. Hence the merits of the present dispute, if there is one, are irrelevant. I am in complete agreement with Mr. de Silva's submissions and it is quite clear that if I entertain the Union's request I would be far exceeding my power, which is only one of interpretation and would be acceding to what I think is a request for reconsideration of part of my Award in the earlier dispute.

I hold that the questions posed by the Union for my decision do not involve an interpretation of Award and I am therefore unable to entertain the Union's request.

W. D. THAMOTHARAM,
Arbitrator.

In the Matter of an Industrial Dispute

between

The United Tea, Rubber & Local Produce
Workers' Union

and

Gordon Frazer & Co. Ltd.

Interpretation of Award under Section 34 (1)
of the Industrial Disputes Act

The Honourable The Minister of Labour and Employment referred to me for settlement by arbitration an Industrial dispute in terms of section 4 (1) of the Industrial Disputes Act (1950), Chapter 131 as amended, between The United Tea, Rubber and Local Produce Workers' Union and Gordon Frazer & Co. Ltd. The dispute consisted of ten demands made by the Union. One demand related to the Union's demand for a loan of Rs. 500 to be paid per worker to meet any emergency. My Award covering all the demands was published in C. G. G. 14,972 of 20th

August, 1971. In regard to the demand of a loan of Rs. 500 I stated in my Award that—

"It transpired in the course of the proceedings that the two sister companies Messrs. Whittall Boustead Ltd., and Bosanquet & Skrine Ltd., have thrift society schemes, where loan facilities are available. A copy of these rules were produced marked R2. This is a contributory scheme. I order that this Company too should within a period of two months of the date of publication of the Award inaugurate a thrift society scheme on the same lines, and I recommend the adoption of the Rules as in the Appendix to this Award. I make my Award accordingly."

By letter dated 20th May, 1972, addressed to me the Union claimed that Gordon Frazer & Co. Ltd., was not willing to make a contribution to the thrift society as there is no provision for it in the rules. The Union alleged that Whittall Boustead Ltd., had made a contribution to the loan scheme and hence this Company also should do so. The Union therefore wanted me to interpret my Award.

At the inquiry before me the Union was represented by its General Secretary Mr. L. W. Panditha and the Company by Mr. S. R. de Silva, Deputy Secretary of the Employers' Federation of Ceylon. The Union's position was that since I had asked Gordon Frazer & Co., to inaugurate a thrift society scheme on the same lines as the sister companies, they also should make a contribution. The Company's position was that its only obligation under the Award was to inaugurate a thrift society scheme in terms of the rules in the Appendix to the Award.

I hold that my Award is as stated on behalf of the Company and the Company is not obliged, under the Award, to contribute to the fund. The Company, of course, is free to make any contribution at its discretion if it so wishes but such a requirement is not part of my Award.

In the matter of an industrial dispute

between

Ceylon Mercantile Union, 22, 1/1, Upper Chatham Street,
Colombo 1,

and

Messrs. Ceylon Oxygen Limited, No. 50, Sri Pannananda
Mawatha, P. O. Box 322, Colombo

Award

The Commissioner of Labour by virtue of the powers vested in him under section 3 (1) (d) of the Industrial Disputes Act with the amendments thereto, has referred the following dispute to me for settlement by arbitration, by his order dated 18th February, 1972.

The matter in dispute between the Ceylon Mercantile Union and Messrs. Ceylon Oxygen Limited is whether the termination of the employment of Mr. M. E. G. Gooneratne by Messrs. Ceylon Oxygen Ltd., was justified, and to what relief, if any, is Mr. M. E. G. Gooneratne entitled.

Mr. Gooneratne joined the Company in April, 1970, as a Counter Typist. At the time of the termination of his services, he was drawing a salary of Rs. 270 per mensem.

On the day of the incident, namely, 4th June, 1971, one Ariyaratne, an old customer of Messrs. Ceylon Oxygen Limited, had come there to buy some oxygen. The bills had to be typed by Gooneratne or some other officer, who was working side by side with him.

Ariyaratne complains that Gooneratne took the bill from the man who was standing behind him and served him. Thereupon, Ariyaratne had said to Gooneratne that he was an old customer of his and why he acted in that fashion. He was rather annoyed. However, he was served by another officer. He (Ariyaratne) put the Oxygen cylinders into his car and went up to the Company gate. There at he was told by the Gate-Keeper that he was wanted at the office. He concluded that Gooneratne was responsible for recalling him to the office for no purpose at all. He came back and he says that he went to the Boss straight and explained the situation. After an inquiry Gooneratne was dismissed from service on 21st June, 1971.

Gooneratne states that on the day in question Ariyaratne tried to jump the queue and demand oxygen. However, he served the right man who was in front of him. Ariyaratne turned abusive, and scolded not only himself but the other officers, too.

Ariyaratne denied that he was abusive. It may well be that Ariyaratne was greatly incensed that the man behind him was served by Gooneratne and he turned abusive right and left.

Gooneratne had telephoned the Gate-Keeper and asked him to send back Ariyaratne. At the beginning Gooneratne had denied that he used the telephone, but was forced to admit later he had telephoned the Gate-Keeper and recalled Ariyaratne. To my mind it was done in a spirit of revenge, not to apologise to Ariyaratne. If he really wanted to apologise, he could have done that in the office itself before Ariyaratne left the office premises.

I am satisfied on the evidence before me that Gooneratne is mainly to blame for this matter. His conduct may be culpable, and he deserves some kind of penalty, but not capital punishment of dismissal. Justice will be amply satisfied if I deprive him of all his back wages and suspend his increments for one year from the date of his reinstatement. Therefore, I order that—

- (i) Gooneratne be reinstated from 21st June, 1973;
- (ii) Gooneratne be deprived of all his back wages up to that date; and
- (iii) the suspension of all his increments from 1st June, 1973 to 31st May, 1974.

I make award accordingly.

Arbitrator.
