2. Any person desirous of obtaining the use of electrical energy from the licensee shall—

(a) At least fourteen days before the supply is required make an application for the licensee in such form as may be provided for the purpose by the licensee; and

(b) pay in advance to the licensee the charges for the service cable or if the licensee so required, enter into a written contract with the licensee under section 33 of the Act.

3. (a) The consumer shall entrust the wiring of any electrical installation, intended to be connected to the licensee's electricity supply mains, to a firm or an individual, who is capable of carrying out the work in conformity with the wiring regulations prescribed by the institute of Electrical Engineers. The supply of Electrical energy shall be connected to such installation only after such work has been inspected and tested by an officer authorised by the licensee and the licensee is satisfied that the work has been carried out in accordance with the aforesaid wiring regulations;

(b) if the installation does not comply with the said regulations, a supply of electrical energy to the premises shall not be given until such time as the installation has been made to comply with such regulations.

4. Every consumer of electrical energy shall pay for such energy at the rates specified in the licence.

5. (a) That portion of the service cable which is on the consumer's premises, that transformers, the main fuses, the meter and the board shall remain the property of the licensee and on no account shall they be moved or handled by any person other than an authorised employee of the licensee.

(b) The consumer shall be responsible for the maintenance of any wires, cables or any other apparatus on the consumer's side of the licensee's main fuse and meter.

(c) Where any installation is re-connected after having been disconnected under section 47 (3) of the Act, the appropriate fee for testing and re-connecting such installation as provided for in the licence shall be charged and shall be paid in advance by the consumer.

(d) In the event of a leakage of electrical energy at any part of the wires or fittings of any consumer, such consumer shall be liable to pay for all metered consumption of energy his premises in accordance with section 41 of the Electricity Act.

6. (a) Every consumer wishing at any time, after the supply of electrical energy has been given to his premises, to use any lamp, fan or motor of greater size than the one already in use, or to install any additional lamp or other appliance consuming such energy, either temporarily or permanently, or in any way to alter or extend the wiring in his premises, shall, at least two days before the commencement of work on such extension or alteration, notify the licensee in writing of any such alteration or extension.

(b) No consumer shall connect or cause to be connected any extension, lamp, fan or motor of greater size than the one already in used or install any additional lamp or any other apparatus consuming electrical energy, either temporarily or permanently to the main installation unless such extensions, lamp, fan, motor, additional lamp or other apparatus has been inspected and tested and found to be satisfactory by an officer authorised in that behalf by the licensee.

7. (a) In the event of the melting of the licensee's fuse in any premises, the consumer shall forthwith inform the officer in charge of the electrical power station or sub-station; as the case may be, of the licensee.

(b) No person other than an officer authorised by the licensee or any workman employed by the licensee, shall replace any melted fuse which is the property of the licensee.

(c) Where the service of any officer or workman of the licensee are required any fuse which is the property of the consumer or the licensee, shall be made in the current monthly account of the consumer.

8. The licensee does not hold itself liable to the consumer for any loss or damage occasioned directly or indirectly by the total or partial interruption of the supply of electrical energy.

9. Where any installation is re-connected after having been disconnected under section 45 of the Act, a fee for testing and re-connecting, as provided for in the licence; shall be charged and shall be paid in advance by the consumer.

10. (a) All charges shall be deemed to be due on the date on which an account is presented.

(b) No complaint against the accuracy of any account shall be entertained by the licensee unless such complaint is made within a week after the receipt of such account by the consumer.

11. (a) Every consumer who does not require the supply of electrical energy to his premises shall give three days notice in writing to the licensee.

(b) Where the notice referred to in paragraph (a) is not given, the consumer shall be hold responsible for the licensee's equipment in his premises and shall be liable to pay for all the energy consumed on the premises until the lapse of three days from the date on which the licensee receives notice of the fact that the consumer does not require the supply:

Provided that when the supply to the premises is disconnected by the licensee before the lapse of the said three days, the consumer shall be liable to pay only for the energy consumed on the premises upto the time of such disconnection.

12. No electrical work such as installation work including additions, alterations and adjustments to existing installations shall be commenced except after notice of not less than two days has been given to the licensee, to enable an officer of the licensee to inspect the proposed work

(c) In the case of employees of Local Authorities who hold pensionable posts under the Pension By-laws or Rules of the Local Authorities, the payment of their pension on ultimate retirement will be governed by the Pension By-laws or Rules of the respective Local Authorities in whose employ they were on the date immediately preceding the date of their transfer to Local Government Service under the Local Government Service Act, No. 18 of 1969.

(d) The Widows' and Orphans' Pension Scheme will not apply to persons appointed to monthly-paid Posts in the Local Government Service. However, all those who hold pensionable posts in Local Government Service and are appointed or promoted to any other pensionable post in the Service, other than females, those above the age of 55 and those who were holding pensionable posts in the Government Service on the date immediately prior to their appointment to the Local Government Service, are required to contribute 4% of their hypothetical basic salary to the Local Government Service Widows' and Orphans' Pension Fund established under the Local Government Service Widows' and Orphans' Pension Fund Regulation, 1952, published in the *Government Gazette Extraordinary* No. 10,329 of July 30, 1952. The Local Authority will contribute 3% of the hypothetical basic salary of the officer concerned.

(e) Appointees may be required to furnish security either in cash or by Fidelity Guarantee Bond through a Guarantee Association approved by the Local Government Service Commission in a sum which may be decided upon by the Local Authority.

(f) Appointees not holding scheduled posts in the Local Government Service will be required to pass a medical examination by a duly qualified medical practitioner as to their physical fitness to serve in any part of the Island.

(g) The appointment will generally be on probation or subject to confirmation after a period of 3 years unless otherwise specified.

(h) Applicants should be prepared to produce their Birth Certificate or certificates of probable age in lieu thereof when called upon to do so.

(i) Appointees should serve in any part of the Island.

4. *New-Entrants to the Local Government Service.*—(i) The period of probation/trial of "New-Entrant Officers" appointed to pensionable posts/non-pensionable posts, as the case may be, shall be 3 years unless a longer period is prescribed in respect of any posts.

(ii) All New-Entrant Officers must subscribe to the conditions that they will conform to the provisions of the Official Language Act, No. 33 of 1956, and any laws and rules that now exist or may be introduced in future for giving effect to the language policy of the Government.

(iii) They should acquire a working knowledge of the Official Language—Sinhala—during their period of probation/trial except on exceptional cases where it is not essential for the efficient discharge of their duties.

(iv) Their confirmation at the expiry of the period of probation/trial will depend, *inter alia*, on their passing within the prescribed period of time prescribed Proficiency Tests in Sinhala leading up to a level not higher than the J.S.C. Standard. Failure to pass these tests within the prescribed period will result in the non-payment of increments falling due until the tests are passed.

The service of those officers who do not reach the required standard of Proficiency in Sinhala by the end of their period of probation/trial will be liable to be terminated.

(v) *Educational and other Qualifications.*—In all schemes of recruitment where the minimum qualification prescribed is a pass in the S.S.C. examination or equivalent or higher examination a candidate who is a Sinhalese educated in the Sinhala medium should have a pass in the Sinhala Language or its equivalent obtained at the Senior School Certificate or equivalent examination.

This requirement will not apply to those officers who have been in the Local Government Service from a date prior to February 8, 1963, and who seek appointments to other posts in the Local Government Service.

*Note.*—(i) Those who qualify for entry into the Local Government Service through the Sinhala medium will be exempted from passing these proficiency tests in Sinhala as a pre-requisite for confirmation.

*Note.*—(ii) The term "New Entrants" shall for the purpose of the Official Language policy, apply to an officer who was first appointed to a post in the Local Government Service in response to a *Gazette* Notification published on or after 29.01.60.

*Note.*—(iii) The provisions of paragraph 4 (iii) and (iv) will not apply to old entrant officers serving in Government Departments and who have been released from their posts to accept appointments in the Local Government Service.

5. Every applicant must furnish satisfactory proof that he is a Ceylonese. A Ceylonese is a citizen of Ceylon by descent or by registration.

6. *Concessions to ex-Servicemen.*—(a) Ex-servicemen will be allowed to deduct their period of service in the Regular Force from their ages, where such deduction will enable them to be brought within the maximum age prescribed in the posts applied for.

(b) Ex-servicemen will be allowed to reduce the minimum educational standards laid down in the scheme of recruitment to any post in the Service to the next lowest examination.

7. *Age Concession.*—Employees of Local Authorities holding permanent posts with two years' continuous service are eligible to apply irrespective of age for posts advertised in the Local Government Service.

8. *Other Requirements.*—(i) Applications from those in Local Body should be forwarded through the Municipal Commissioner or Chairman of the Local Authority in which they are serving.

(ii) Applications from officers in the Government Service should be forwarded through the Heads of their respective Departments. In the case of applications from officers holding permanent posts in the Government Service, the Head of the Department concerned should when forwarding the application, state whether or not he is prepared to release the applicant, is selected.

(iii) Candidates may be required to present themselves for interview or test at an appointed time and place. No travelling or other expenses will be paid in this connection.

(iv) Any person who desires to recommend a candidate may do so by giving a testimonial. Any form of direct or indirect canvassing or attempt to influence the selection of candidates will disqualify such candidates.

(v) Any statement in the application which is found to be incorrect will render the applicant liable to disqualification if the inaccuracy is discovered before the selection and to dismissal after selection.

(vi) Applications not conforming in every respect with the requirements of this advertisement will be rejected.

(vii) Applications should be made in the form appended below and should be addressed to the Secretary, Local Government Service Commission, and NOT personally to him.

(viii) Applications received in this office after the closing date will not ordinarily be entertained. No allegations that an application has been lost or delayed in the post can be considered. Candidates who delay their applications until the last days will do so at their own risk.

**METERS**

16. (5) All meters for measuring the supply of water from the Council's waterworks to any premises shall be supplied and fixed by the Village Council and shall remain the property of the Council.

(6) The cost of fixing meters (including labour, materials and supervision) shall be paid in advance by the owner of the occupier of the premises to which the water is supplied.

(7) The owner or occupier of any premises to which water is supplied by meter shall not be liable to pay the cost of the maintenance and repair of the meter:

Provided, however, that where any repair or renewal is necessitated by any damage caused to the meter by any wilful act or negligence of such owner or occupier, he shall, on demand made therefor by the Chairman, pay the Council the cost of such repair or renewal.

(8) (a) The owner of any premises to which water is supplied by meter shall pay or cause to be paid to the Council quarterly in advance rent calculated at the following rates per quarter or part thereof for the use of the meters:—

Description	Rs. c.
For a 2 inch meter ...	25 0
For a 1½ inch meter ...	20 0
For a 1 inch meter ...	15 0
For a ¾ inch meter ...	10 0
For a ½ inch meter ...	5 0

(b) A quarter for the purpose of this by-law means the period of three consecutive months commencing on January 1, April 1, July 1, and October 1 in each year.

(9) (a) The consumption of water for any quarter shall be calculated by reckoning the difference between the first and the last readings of the meter taken at the commencement and at the termination respectively of that quarter in the manner provided in the succeeding provisions of this by-law.

(b) The first reading shall, in the case of a newly fixed meter be the reading taken when such meter is fixed, and in any other case, the last reading taken for the quarter immediately preceding. The last reading for any quarter shall be that taken on any day not more than ten days before or after the termination of that quarter:

Provided that where the meter is removed for repairs and it is not possible to take the last reading during the aforesaid period the last reading shall be taken before such meter is removed.

(c) If two or more meters have been in use in any premises during any quarter, the consumption for that quarter shall be the sum of the quantities indicated by the respective meters.

(10) (a) Whenever a meter is found to be out of order or is removed for repair or alteration, or a new meter is fixed, or an old meter is refixed a memorandum to that effect shall be left at the premises supplied through such meter.

(b) Where the meter is out of order or removed for repairs or for any other reason from the premises, the consumption for the period during which the meter was out of order or the service was without a meter shall, notwithstanding the provisions of by-law 16 (9) (A) be calculated according to the average rate of daily consumption that obtain during the quarter immediately preceding such period.

11. (a) If any occupier doubts the accuracy of the meter in his premises, the chairman shall, on demand made by the occupier and on prepayment by such occupier of one-half of the sum of the testing fee of ten rupees, cause the meter to be tested in the presence of the occupier or any person authorized by such occupier in that behalf. The result of such test shall be binding on the chairman and on the occupier, and the quantity of water indicated by the meter for the quarter as defined in by-law 16 (b) shall be corrected according to the result of the test.

(b) Where the quantity recorded by the meter is correct or differs from the actual quantity of water supplied by not more than two per centum of the actual quantity supplied, the testing fee prepaid under paragraph (a) shall be retained by the Council and the balance fee shall be paid to the Council by such occupier.

(c) Where the quantity recorded by the meter differs from the actual quantity of water supplied by more than two per centum of the actual quantity supplied the testing fee prepaid under paragraph (A) shall be refunded to the occupier.

12 (A) Meters shall be read at such times as the Chairman may specify, but not less frequently than three times a quarter.

(b) Whenever a meter is read a memorandum of the reading, addressed "The Occupier" shall be left at the premises to which water is supplied by the meter.

(13) Water drawn from a private service shall not be used for other than domestic purposes unless the person drawing the supply shall have entered into an agreement in form C set out in the Schedule hereto:

Provided that notwithstanding any such agreement the Council may, without incurring any liability for damages or penalty, withhold or suspend or diminish the supply of water to that person for such purposes if such supply interferes or is likely to interfere with the supply for domestic purposes to any other person or persons.

14. The charges for water supplied to any private premises shall be paid by the owner or occupier thereof to the Chairman or an officer of the Council authorized by the Chairman in that behalf within fifteen days of the date on which an account is presented in form D set out in the Schedule hereto.

EARTHING CONNECTIONS

29. (1) No person shall make any earthing connection from the casing of any transformer or other electrical apparatus dealing with electric current of a pressure of 500 volts or more, to any pipe or apparatus forming part of the water works for any private service connected to the Council's water works.

(2) The earthplate or any part of the earthing connection of any transformer or other electrical apparatus referred to in paragraph (1) shall be at least two feet away from any pipe or apparatus forming part of the Council's water works or of any private service connected to the water works.

30. Where any earthing connection is necessary for a wireless set supplied with electric current from the electric lighting system such earthing connection shall be made by means of an earth plate fixed not less than two feet from any pipe or apparatus forming part of the Council's water works or of any private service connected to the Council's water works.

31. Any person making any earthing connection on any premises in which there is installed a water meter connected to the Council's water works, shall either make such connection on the inlet side of such meter or insert an electrical bond across such meter.

PREVENTION OF WASTE

32. (1) The Chairman may, whenever he has reason to believe that the arrangement, size, position, nature or condition of any pipe, tap, valve, meter or other fitting forming part of the private water service on any premises connected with the Council's water works is likely to lead to waste misuse, undue consumption or contamination of the water supplied from the water works for public or private use or its likely to be prejudicial to the proper control and distribution of water from the water works, serve a notice in Form E set out in the Schedule hereto, upon the owner or the premises.

(2) Every such notice shall specify the alteration which the Chairman considers necessary and such alteration shall be made by the owner to the satisfaction of the Chairman within such period as may be specified in the notice.

(3) In the event of the name or residence of the owner being unknown, the notice referred to in paragraph (1) shall be deemed to be duly served on the owner if it is affixed in a conspicuous place upon the premises to which it relates.

33. The Chairman may withhold, suspend or diminish the supply of water to any premises or disconnect the private service pipe in those premises from the Council's mains or water works—

- (a) at the request of the owner or occupier of such premises; or
- (b) if default to made in the payment of any money due under the provisions of these by-laws from the owner or the occupier of such premises; or
- (c) if the construction or laying of any such service by the owner or occupier of such premises is not carried out or altered in accordance with the provision of these by-laws, or.
- (d) if any act or thing is done or omitted to be done by the owner or by the occupier of such premises contrary to the provisions of these by-laws relating to damage to, or pollution of, the water works or waste or abuse of the use of water.

34. The occupier of a house or premises to which a private water service, has been laid from the Council's water works shall immediately notify the Chairman whenever water is running to waste from any tap, pipe, meter or other fitting forming part of such service.

35. Whenever water is found running to waste from any tap, pipe, meter or other fitting forming part of the private water service in any premises, the Chairman or any person authorized by him in that behalf shall disconnect the service from the Council's mains within three days and such service shall not be re-connected until the cause of the waste is eliminated by the owner or occupier of the premises.

36. The amount estimated by the Chairman as the cost of re-connecting to the Council's mains or water works any private service-pipe disconnected on any of the grounds set out in by-laws 33 and 35 shall be paid by the owner or occupier of such premises in advance to the Council. The unexpended balance,

if any shall be returned to the owner or occupier on completion of the work. In the event of the actual cost exceeding the estimated cost, the amount of the excess shall be paid by the owner or occupier forthwith on the completion of the work.

GENERAL

37. The Chairman may, without prejudice to any water rate, meter rent or other sums which may be or become due under the Ordinance or these by-laws withhold, suspend, diminish, discontinue or divert the supply of water through any mains, public fountain, service pipes or other appliances connected to the Council's water works either wholly or in part whenever the Chairman is satisfied—

- (a) that the water available in the waterworks is insufficient; or
- (b) that such action is expedient or necessary for the purpose of extending, altering or repairing the mains or water works or for the purpose of the connection of service pipes to mains; or
- (c) that such action is expedient or necessary by reason of any damage caused to a public stand-pipe or any pollution or waste of the water thereof; or
- (d) that damage is caused or likely to be caused, to the waterworks by an outbreak of fire.

38. The approval of any private service pipe or fittings under by-law 15 or the grant of any permission or concession under any of these by-laws to the owner or occupier of the premises in which that service pipe is laid shall not be deemed for any purpose to attach to the Council any liability for any damage caused by the bursting of any part of the pipe or the overflow of water from any part of the pipe fittings.

39. The Council shall not be liable in damages for failure on its part to supply water, whether under a contract or agreement or otherwise, if such failure is due to unusual drought, or to any temporary interference with the supply caused by carrying out any work or to any other unavoidable cause or accident.

40. (1) Where water is supplied to any premises by a temporary connection from the Council's water works for the purpose of erecting any building or buildings the supply shall be discontinued when such building or buildings have been erected.

(2) The charges for water supplied for the purpose referred to in paragraph (1) shall be according to the rates prescribed in by-law 16 (4) (c).

41. All moneys payable to the Council under these by-laws shall be paid to the Chairman or to an officer authorized in writing by the Chairman in that behalf.

PENALTY FOR CONTRAVENTION OF THESE BY-LAWS

42. Every contravention of any of these by-laws shall be punishable with a fine not exceeding fifty rupees and, in the case of a continuing offence with an additional fine not exceeding ten rupees for every day during which the offence is continued after conviction or service of a written notice from the Chairman or an officer authorized by the Chairman directing attention to such contravention.
