7. *Opening of Tenders.*—Tenderers may be present when the tenders are opened. The names of the tenderers as well as the rates will be read out to the tenderers present. Any tenderer who wishes to scrutinize a tender will, by arrangement with me or my authorised representative, be permitted to scrutinize the duplicate of any tender that has been submitted.

8. *Decision of Tenders.*—The total cost of the services arrived at on the rates quoted for items in Schedule "B"—Diets in the tender form—will be the basis for a decision on the tenders received.

Tenderers should, however, quote for items in Schedule "C"—Extras in the tender form—but the price to be paid shall be the rate quoted in the tender or the ruling market rate, whichever is the lower, and if the price be controlled then the controlled rate.

9. *Validity of Tendered Rates.*—The rates quoted by the tenderers should be valid for the period of contract mentioned at paragraph 1 above and in no circumstance will the rate be permitted to be varied during such period, unless specifically provided for in the Agreement.

10. *Security Deposits.*—The selected tenderer will be required to sign the Agreement after furnishing the required security mentioned in column III of the Schedule hereto.

11. *Storage Accommodation.*—Successful tenderers will not be provided with facilities in the nature of store room accommodation in the institution or within the premises.

12. *Tender Conditions.*—Prospective tenderers should study the tender conditions on the reverse of the tender form and comply with the requirements therein. Tenderers should also note the conditions of the Agreement in the tender form.

13. (i) The rates quoted by the tenderers should be for the supply of two rice meals to patients at 3½ ounces of uncooked rice per meal on a full diet.

(ii) The supplementary issue of bread in addition to rice will not be needed from October, 1972, as the quantity of uncooked rice in the Schedule of Diets which at present provides for 9 ounces of rice is amended to 7 ounces.

(iii) Rice will be supplied by the Food Commissioner at unsubsidised rate and the tenderer should pay for such rice at the rate that may be fixed by the Food Controller from time to time. Whenever donated rice or free rice is supplied to the contractor for cooking, deduction for such rice will be made from the contractor's diet voucher at the rate applicable to unsubsidised rice. Whenever subsidised rice is supplied the contractor should pay for such rice at the subsidised rate and deductions for such rice will be made from the contractor's diet voucher according to the difference in price between the unsubsidised and the subsidised rice.

(iv) Servants will be supplied with bread diets unless they surrender coupons in which case the recovery in respect of the cost of bread not supplied will be made from the contractor's vouchers as follows:—

(a) when the rice obtained on the coupons is free as now, the full cost of the bread not supplied will be deducted;

(b) when rice issued on such coupons is at subsidised rates which the contractor pays the recovery will be according to the difference between the cost of the bread not supplied and the cost of the subsidised rice.
