SERVICE and Persons eligible to Tender.—The Superintendent of Health Service, Matara, will receive separate sealed tenders from Ceylonese or Ceylonese firms for the supply of cooked provisions without milk to the institutions mentioned in column 1 of the Schedule hereto, for the period 1st January, 1974 to 31st December, 1974.

2. (i) *Tender Deposits.*—A cash deposit of the sum specified in column 2 of the Schedule hereto should be made at the Kachcheri in my favour and a receipt obtained.

Approved Rural Development Societies or registered Co-operative Societies including Multi-purpose Societies and Unions of Multi-purpose Societies may apply for tender forms without making tender deposits. They should, however, furnish the number of registration, etc., when making their application for tender forms.

(ii) *Tender Forms.*—Tender forms will be issued up to 12 noon prior to the date of closing of tenders either at this office or at any of the offices of the Superintendents of Health Services at Anuradhapura, Badulla, Batticaloa, Colombo, Galle, Jaffna, Kalutara, Kandy, Kegalle, Kurunegala, Matale, Puttalam, Ratnapura and Vavuniya. No tender will be considered unless it is on the appropriate form.

Application for tender forms by post should be made sufficiently early to enable prospective tenderers to obtain the forms and submit their tenders before the closing date and time. Applications for tender forms should be made attaching the receipt obtained for the tender deposits made.

3. *Particulars of Worth.*—All tenderers should, before applying for tender forms, furnish well in advance of the closing date for tenders, the particulars of their worth to me or the Superintendent of Health Services from whom they wish to obtain tender forms.

Forms for this purpose could be obtained from any of the offices mentioned in paragraph 2 above.

FAILURE TO FURNISH THE PARTICULARS OF WORTH OR PROOF OF FINANCIAL STATUS MAY RESULT IN THE FORFEITURE OF THE TENDER DEPOSIT.

4. *Quantities.*—Approximate quantities of supplies required are given in column 5 of the Schedule hereto.

(i) The rates quoted by tenderers should be for the supply of two rice meals to patients at 3½ ounces of uncooked rice per meal on a full diet.

(ii) The supplementary issue of bread in addition to Rice will not be needed from October, 1970, as the quantity of uncooked rice in the schedule of diets which at present provides for 9 ounces of rice is amended to 7 ounces.

(iii) Rice will be supplied by the Food Commissioner at unsubsidised rate and the tenderer should pay for such rice at the rate that may be fixed by the Food Controller from time to time. Whenever donated rice of free rice is supplied to the contractors for cooking, deductions for such rice will be made from the contractor's diet voucher at the rate applicable to unsubsidised rice. Whenever subsidised rice is supplied the contractors should pay for such rice at the subsidised rate and deductions for such rice will be made from the contractor's diet voucher according to the difference in price between the unsubsidised and the subsidised rice.

(iv) Servants will be supplied with bread diets unless they surrender coupons in which case the recovery in respect of the cost of bread not supplied will be made from the contractor's voucher as follows :—

(a) When the rice obtained on the coupons is free as now, the full cost of the bread not supplied will be deducted.

(b) When rice issued on such coupons is at subsidised rate which the contractor pays the recovery will be according to the difference between the cost of the bread not supplied and the cost of the subsidised rice.

5. *How tender should be forwarded.*—All tenders should be forwarded in duplicate and be enclosed in a cover addressed to the SUPERINTENDENT OF HEALTH, SERVICES, MATARA. 9. *Validity of Tender Rates.*—The rates quoted by the tenderers should be valid for the period of contract mentioned at paragraph 1 above, and in no circumstances will the rates be permitted to be varied during such period, unless specifically provided.
