WEST RIDGEWAY.

Preamble.

WHEREAS it is expedient to further amend the Ordinance No. 2 of 1877, intituled "An Ordinance to amend and consolidate the Law relating to Notaries," and hereinafter referred to as "the principal Ordinance": Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title.

1 The principal Ordinance, the Ordinance No. 10 of 1890, and this Ordinance may be cited collectively as "The Notaries' Ordinances, 1877, 1890, and 1900."

Amendment of
section 18.

2 For section 18 of the principal Ordinance the following section shall be substituted :

18 (1) On information received by the registrar-general, or by the government agent, assistant government agent, district judge, or commissioner of requests, within whose local jurisdiction any notary resides, that an offence has been committed by the notary, it shall be lawful for such registrar-general, government agent, assistant government agent, district judge, or commissioner of requests to inquire into the matter of the alleged offence, and upon proof to his satisfaction of gross misconduct in the discharge of the duties of his office by such notary, or of such notary having proved himself to be incapable of discharging them with advantage to the public, or of his having so conducted himself by repeated breaches of any of the rules contained in or made under this Ordinance, or otherwise, that he ought not to be any longer entrusted with the performance of the said duties, to report the same in writing, together with the evidence taken by such registrar-general, government agent, assistant government agent, district judge, or commissioner of requests, to the Governor; and thereupon it shall be lawful for the Governor, with the advice of the Executive Council, to cancel the warrant granted to such notary, or to suspend him from his office for such period as the Governor, with the like advice, may think fit.

(2) For the purposes of such inquiry the registrar-general, government agent, assistant government agent, district judge, or commissioner of requests shall have power to require the attendance before himself of the notary and of any witness, and the production of any document that such inquiring officer may deem material, and to examine such witness on oath or affirmation, and to examine such notary without oath or affirmation; and any person required to attend or to produce a document as aforesaid, who shall without reasonable cause fail to comply with such requirement, shall be guilty of an offence, and liable on conviction to a fine not exceeding two hundred rupees. No statement made by such notary at any such inquiry shall be used in any prosecution for violation of or for disregard or neglect to observe any of the rules and regulations contained in section 26.

(3) In no case, however, shall the inquiry referred to in (1) be held by the person who shall give information of the commission of such offence.

Amendment of
section 26.

3 For section 26 of the principal Ordinance the following shall be substituted, namely :

26. It is and shall be the duty of every notary strictly to observe and act in conformity with the following rules and regulations; that is to say :

- (2) On receiving instructions for the drawing of a deed, he shall, (a) if such instructions be in writing, carefully file the same, and immediately enter or cause to be entered in a bound book kept for the purpose the fact of the receipt of such instructions, with a reference to the file; or (b) if the instructions are given orally, enter them or cause them to be entered as soon as practicable in the said book, and after satisfying himself of the correctness of such entry sign the same.
- (3) He shall make all such entries in consecutive order according to the time of the receipt of the instructions.
- (4) He shall not authenticate or attest a deed drawn by any other person unless there shall be endorsed on such deed a certificate signed by a notary certifying that such deed has been drawn by himself.

Provided, however, that this sub-section shall not apply to any agreement to transfer, to mortgage, or to lease.
 - (19) Before attesting any deed affecting any interest in land he shall endeavour to ascertain whether any prior deed affecting any interest in such land has been registered. And if any such prior deed has been to his knowledge registered, he shall insert at the head of the deed attested by him the number of the registration volume and the page of the folio in which the registration of such prior deed has been entered.
 - (20) He shall correctly insert in every deed or instrument whatever executed before him the day, month, and year on which and the place where the same is executed.
 - (21) He shall duly attest every deed or instrument whatever which shall be executed or acknowledged before him, and shall sign and seal such attestation.

 - (23) Every such attestation shall be substantially in the following form of words, and shall be legibly signed by him in the language in which the deed or instrument is written, and also with his usual signature if the language or form of that signature be different from that in which such deed or instrument is written :

Form of Attestation.

I, A. B., Notary Public, do hereby certify and attest that the foregoing instrument having been read over (*and explained*) by me, the said notary, to the said D. E. (*here insert the name of the person or persons executing such instrument, or, if the name differs from the signature, describe him by both that name and the name given in the*

- (28) If the land referred to in any deed or instrument which by the Ordinance No. 7 of 1840, intituled "To provide more effectually for the Prevention of Frauds and Perjuries," is required to be executed before a notary, be situated in any district other than that in which the notary before whom the same is signed, and by whom the same is attested, shall reside, such notary, or in case such deed or instrument is attested by two or more notaries, then the notary upon whom is cast the duty of transmitting to the registrar of lands the duplicate of such deed or instrument, shall on or before the fifteenth day of the month next following that in which the same was executed (besides transmitting the duplicate in manner aforesaid) deliver or transmit to the registrar of the district in which such land shall be situated a copy thereof certified by him as correct, together with a list in duplicate in the form prescribed in sub-section (a) of this rule signed by him of all such deeds or instruments as relate to lands in such last-mentioned district.
- (29) If no deed or instrument has been executed before any notary in any month, such notary shall deliver or transmit a nil list to the registrar of lands of the district within which such notary resides.
- (30) He shall carefully preserve in his protocol a draft, minute, or copy of every deed or instrument, executed or acknowledged before him, to which shall be attached his signature and those of the party and witnesses to the original deed or instrument, and he shall keep a register thereof with a convenient index for the purpose of easy reference ; and every such register shall be substantially in the form prescribed in the preceding sub-section.
- (31) If he attest any deed executed before him by means of an attorney, he shall preserve a true copy of the power of attorney with his protocol, and shall forward a like copy thereof with the duplicate deed to the registrar of lands.
- (32) He shall give one month's notice to the district judge of the district in which he is authorized to act, and also to the registrar-general, of his intention to change his residence or office or to discontinue his practice, and shall affix a written notice to that effect, signed by him, on the outside door or wall of the district court of every such district.
- (33) Whenever he shall change his residence or office he shall without delay give notice of such change to the registrar of lands of the district and the government agent of the province in which his new residence or office is situated.
- (34) He shall give notice to the district judge with as little delay as possible of the death, departure

from the island, or insolvency of any person bound as a surety for the due and faithful discharge by such notary of his office.

(35) He shall, in regard to any irregularity, error, or omission discovered or alleged to have been discovered in the discharge of his duties as notary, and which appears to the registrar-general to be a violation of the law, give an explanation in writing when so required by the registrar-general, but such explanation shall in no case be called for after the expiry of twenty-four months from the date of the commission of such irregularity or error, or of such omission.

(36) It shall be the duty of every notary, not being an advocate or proctor, strictly to observe and act in conformity with the following additional rules and regulations; that is to say:

First.—He shall live and hold office at such places as he may elect, subject to the approval of the Governor.

Second.—He shall, if so required by the Governor, unless incapacitated by illness, in which case such illness shall be at once reported by him to the registrar of lands, make in his own hand-writing the protocol or at least the rough draft of every deed attested by him, except of deeds drawn by another notary and certified and signed by such notary in manner prescribed in rule No. 4.

Third.—He shall keep his records at his office, or if he has more than one office at such office as he may elect, and shall at all reasonable times permit the registrar-general, the government agent, assistant government agent, district judge, or commissioner of requests of the province or district within which such notary resides to inspect such records at such office.

Penalty for non-observance of rules.

And if any notary shall act in violation of or shall disregard or neglect to observe any of the rules and regulations contained in this section that are binding upon him, he shall be guilty of an offence, and shall be liable on conviction thereof to a fine not exceeding two hundred rupees, in addition to any civil liability he may incur thereby.

Proviso.

Provided that no instrument shall be deemed to be invalid in consequence of the non-observance by the notary of the foregoing rules and regulations or any of them, in any matter of form. But nothing in this proviso contained shall give any validity to any instrument which may be invalid by reason of the provisions of any other law not having been complied with.

Governor to make rules.

4 Immediately after section 26 of the principal Ordinance the following section shall be inserted and numbered 26 A:

26 A (1) The Governor may, with the advice of the Executive Council, from time to time make rules for the direction and guidance of notaries, not being advocates or proctors, in the discharge of their notarial duties, and such rules he may, with the like advice, revoke, amend, or alter.
