Preface

National Library and Documentation Services Board (NLDSB) of Sri Lanka brought out the Directory of Libraries in Sri Lanka in 1993. After that, the directory was not printed but maintained as electronic databases. But various institutions, authors, publishers request list of libraries for various reasons. Therefore NLDSB made an effort to print this directory.

The directory includes addresses and contact numbers of 1160 Public libraries, 35 University libraries, 10 Teachers' Training College libraries, 21 Research libraries, 37 Technical libraries and 13 University Institutional libraries.

Entries on Public libraries are arranged in provincial and district wise and within the district entries are arranged according to the alphabetical order. University libraries are arranged according to the alphabetical order and faculty libraries of each University are kept under the relevant University. University institutional libraries are also arranged in alphabetical order in separate section.

Information on libraries of Teachers' Training Colleges, Technical libraries and Research libraries are listed alphabetically.

This directory could be used as a basic information tool to identify and gain access to libraries in Sri Lanka.

Our next attempt is for the Directory of School and Pirivena libraries in Sri Lanka.

I'm thankful to Ms. Varuni Gangabadaarachchi, Head of the Library Development Division, Ms. Sandamalee Edirisinghe and Mr. Sandaruwan Liyanaarachchi for compiling the Directory.

A.S.Hewage
Director General
