2. Tenders should be submitted in duplicate, the original being forwarded to the Principal Civil Medical Officer and the duplicate direct to the Hon. the Auditor-General, both being required to be forwarded at the same time.

3. The tenders are to be made upon forms which will be supplied upon application to the Principal Civil Medical Officer and Inspector-General of Hospitals, or to the Medical Officer in charge of the respective hospitals, and no tender will be considered unless it is furnished on the recognized form, and the tender and the schedules attached thereto, each signed in the presence of two respectable witnesses. Each tender should be for provisioning one hospital only.

4. Every tenderer will be required to make a deposit (on applying for forms) of half the amount of security for hospitals where Rs. 400 or under are required, and Rs. 500 for hospitals where security Rs. 500 or over is required; and should any person decline to enter into the contract and bond after he has tendered, or fail to furnish approved security, such deposit will be forfeited to the Crown. All other deposits will be returned after the contract has been signed. The deposit must be made at the Treasury or Kacheheri, and the deposit receipt must be produced to the officer issuing the form as his authority for making the issue. In stations where there are no Kacheheries the deposit must be made to the Medical Officer in charge of the hospital.

5. Provisions should be of the best quality, approvable by the Medical Officer of the hospital.

6. When required, samples must be deposited.

7. The successful tenderers will be required to give cash security as given opposite the name of each station, and to sign the bond given in the tender for the due fulfilment of each contract within a fortnight from date of notification of acceptance of the tenders. The amount deposited for tender forms will form part of the cash security, which will be deposited in the Colombo Kacheheri to credit of the Hon. the Treasurer. Those contractors who are required to furnish security to the extent of Rs. 500 and over may have their securities lodged in fixed deposits, if they so desire, in any one of the local banks which they must elect, the deposit being in the name of the Hon. the Treasurer. It is left to the option of the successful tenderer to substitute at any time thereafter for cash deposited by him approved title deeds and to enter into a fresh security bond at his expense.

8. In case any person makes any alterations in his tender before forwarding it, such alteration should invariably bear his initials; otherwise the tender will be treated as informal and rejected.

9. Any further information can be obtained on application to the Principal Civil Medical Officer and Inspector-General of Hospitals.

10. The Government reserves to itself the right without question, of rejecting any or all tenders, and the right of accepting any portion of a tender.

11. Tenderers for District Hospitals, in quoting rates for Native and European low diets in the tender form, should specify separate rates for the diets with milk and without milk.

Principal Civil Medical Officer
and Inspector-General of Hospitals.
