### PART III.

#### CHAPTER IV.

##### REGISTRATION OF TITLES TO LAND BY SETTLEMENT OFFICER.

###### A.—*Investigation and Settlement of Claims.*

Proclamation of division and commencement of investigations.

18 (1) It shall be lawful for the Governor, with the advice of the Executive Council, on receiving the report of the Surveyor-General mentioned in the last section, by a Proclamation to be published in the *Government Gazette*, to declare that the villages, districts, or portions thereof mentioned in such report constitute a division under this chapter, and thereupon such division shall come within the operation of this chapter.

(2) It shall thereupon be lawful for the settlement officer to enter upon all lands situate within such division and to investigate all claims thereto for the purposes of registration under this chapter.

Notice to claimants.

19 (1) The settlement officer shall previous to such investigation by notice call upon all persons having or claiming any interest in any of the lands situate in such division, or in such portion thereof as shall be specified in the said notice, to appear before him at a place or places and on a day or days to be specified in such notice (not being less than ninety days from the date of the first publication of such notice in the *Government Gazette*) and to state their claims thereto.

(2) Every such notice shall be published in the English, Sinhalese, and Tamil languages in two issues at least of the *Government Gazette*, and once at least in an English, a Sinhalese, and a Tamil newspaper, published in the island, in the language in which each such newspaper is published; and a copy of such notice shall be posted on each land referred to in such notice, and copies thereof shall also be affixed to the walls of any kachcheri and courts situate within such division, including gansabhawa courts, and in such other localities as may secure the greatest possible publicity thereto, and the said notice shall likewise be advertised by beat of tom-tom once a week at least during the said period of ninety days throughout such division.

(3) Every such notice shall be worded substantially in the form A in the third schedule hereto, and the production of a copy of the *Government Gazette* containing such notice shall be received in all courts of law in this island as conclusive proof that such notice has been duly published, posted, affixed, and advertised as hereinbefore required.

(4) If the settlement officer shall have reason to think that any person having any interest in any land situate in such division would not be likely to see or hear of such notice, he shall also post a written notice addressed to such person at his last known place of abode, calling upon him to appear at a time and place to be specified in such written notice and to state his claim, if any.

Transfer of actions to the settlement officer.

20 (1) Every action or civil proceeding (including actions for partition or sale) in respect of any interest in land situate in a division pending at the time of the proclamation of such division in any district court or court of requests or village tribunal, and any claim to damages or to money or any other claim involved in any such action or civil proceeding shall be transferred to the settlement officer of such division.

Provided, however, that no pending actions for the realization of mortgages and no pending claim investigation under section 241 of "The Civil Procedure Code, 1889," shall be transferred to a settlement officer under this section.

(2) Every action or civil proceeding (including actions for partition or sale) in respect of any interest in land situate in a division instituted or commenced in any district court or court of requests or village tribunal before the date of the proclamation aforesaid, but not at the time of such proclamation pending before such court by reason of an appeal or from any other cause, shall when returned to such district court, court of requests, or village tribunal, or restored to the list of pending cases, be transferred to the settlement officer of such division, except when a final judgment or order or decree in such action or civil proceeding has been pronounced or made in appeal, revision, or review.

(3) In case of such transfer, such action or civil proceeding shall be proceeded with by the settlement officer in the same manner as far as possible as claims made under section 23.

Fiscal's claims to be reported to settlement officer.

21 (1) In case of any claim being preferred or objection offered to any fiscal or deputy fiscal against the seizure or sale of any interest in land situate within the division, and the fiscal or deputy fiscal not having reported such claim or

objection to the court at the date of the proclamation aforesaid, the fiscal or deputy fiscal shall forthwith report the claim or objection to the settlement officer of such division instead of reporting the same to the court in manner provided in section 241 of "The Civil Procedure Code, 1889." (2) The settlement officer shall upon receipt of the report of any such claim or objection from any fiscal or deputy fiscal deal with the same in the same manner as claims under sections 41 and 42 of this Ordinance.

No action (excepting mortgage suit) to be instituted in a court between date of proclamation and registration of title.

**22** (1) No action or civil proceeding—

- (a) In respect of any interest in land situate in a proclaimed division (save and except an action for the realization of a mortgage); or
- (b) For the partition or sale of such land under the provisions of the Ordinance No. 10 of 1863; or
- (c) Under section 247 of "The Civil Procedure Code, 1889," in respect of such land—

shall be instituted in any district court, court of requests, or village tribunal between the date of the proclamation of such division and the registration of the land under this chapter.

(2) If such action shall during the said period have been entertained by any such court, the action shall abate.

Settlement officer to proceed to the division and receive claims.

**23** (1) On the days appointed in the notice mentioned in section 19 the settlement officer shall proceed to the places therein specified and shall then and there, or on such other day and at such other place as he shall from time to time appoint, receive and record the claims preferred.

(2) Every person having or claiming any interest in any land other than such hypothec, lien, or charge as may arise or be created, or have arisen or have been created, under or by virtue of any Ordinance already or hereafter to be enacted, shall deliver to the settlement officer, within such time as he shall then appoint, a statement of his claim in writing signed by him or by his attorney or by a proctor duly appointed by such person or his attorney, and substantially in the form B in the Third Schedule hereto.

(3) It shall be competent for any such claimant, instead of delivering such statement in writing, to appear before the settlement officer within the appointed time, and to state orally the particulars of his claim; and the settlement officer shall record the same in writing in such form as aforesaid, and shall cause the claimant to sign the same.

(4) All such statements shall be numbered and filed by the settlement officer in the order in which they shall have been received or recorded as aforesaid.

(5) The settlement officer shall then appoint a time, as early as conveniently may be, and a place for investigating each claim, giving notice of the time and place to the claimant. The settlement officer may, if he think fit, from time to time, with the like notice, appoint any other place or time for the investigation, or may adjourn the investigation from place to place and from time to time.

Mode of appearance of claimant.

**24** In all proceedings under this chapter—

- (a) Any appearance, application, or act required or authorized to be made or done by the claimant may be made or done by the claimant in person or his attorney or a proctor appointed in writing by him or his attorney to act on his behalf, or an advocate instructed by such proctor, or any person whom the settlement officer may on sufficient cause authorize to represent the claimant. Provided that such appearance shall be made in person if the settlement officer so directs.
- (b) The Crown shall be represented by the government agent of the province or the assistant government agent of the district in which the land the subject of the inquiry is situated.
- (c) A minor or lunatic shall be represented by his next friend, curator, or manager duly appointed by a district court, or by a guardian specially appointed by the settlement officer.

- (d) An insolvent shall be represented by his assignee.
- (e) In respect of any interest in land held in community by a husband and wife, the wife may, with the leave of the settlement officer, represent her husband.
- (f) A wife may, with the leave of the settlement officer, be represented by her husband.
- (g) A corporation or a board or a public body or a company may be represented by any secretary, manager, or other principal officer thereof.

Court of requests  
rules of  
procedure and  
evidence to  
apply.

25 All actions and civil proceedings transferred to the settlement officer under section 20 and all claims preferred under section 23 shall, as far as possible, unless otherwise herein directed, be investigated, determined, or disposed of in accordance with the rules which regulate the procedure of courts of requests, and in accordance with the law of evidence applicable to such courts; and the settlement officer shall and may, in proceedings under this chapter, have and exercise all the powers, duties, and functions of a commissioner of a court of requests, provided that nothing contained in this section shall in any way restrict or limit the powers or jurisdiction granted to a settlement officer under this Ordinance.

Arbitration.

26 (1) In case two or more persons shall have claimed an interest in the same land adversely to each other the settlement officer shall propose to them the settlement of their rival claims by arbitration: and if they consent to such proposal the claims shall be referred to one or more arbitrators to be nominated by the parties.

(2) If the parties cannot agree to the nomination of an arbitrator, or if the person named by them refuses to accept the arbitration, each party shall name an arbitrator, and the arbitrators shall, before entering on the arbitration, name the settlement officer or some other person as umpire. And the parties and the arbitrator shall thereupon sign a paper writing substantially in the form C in the Third Schedule hereto.

(3) The provisions of chapter LI. of "The Civil Procedure Code, 1889," shall, so far as practicable and unless otherwise herein directed, apply to all proceedings by or before such arbitrators, arbitrator, or umpire, and they or he shall conform to such provisions and exercise all the respective powers, duties, and functions thereby conferred on or vested in an arbitrator or umpire.

(4) In regard to those claims which shall, at such arbitration, be in any respect upheld, the arbitrators, arbitrator, or umpire shall in their or his award record the nature of the right upheld, and whether the title made out is in their or his opinion one of the first or second class according to the principles set out in section 31.

(5) The settlement officer is hereby vested with, and shall or may exercise, all or any of the powers granted to a court by the provisions of chapter LI. of "The Civil Procedure Code, 1889."

(6) If the settlement officer sees no cause to remit the award or any part of the claim referred to arbitration for reconsideration in manner provided in chapter LI. aforesaid, and if no application has been made to set aside the award, or if it has been made and the settlement officer has refused such application, then the settlement officer shall, after the time for making such application has expired, on a day of which notice has been given to the parties, proceed to give judgment according to the award.

(7) The settlement officer shall also determine the amount of the fees to be paid to such arbitrators or arbitrator and umpire, and by whom the same shall be payable. Provided that the settlement officer shall not be entitled to any fee for acting as umpire.

Failing arbitration, settlement officer to investigate and determine claim.

27 (1) In case the claimants shall not consent to an arbitration, or in case no award shall be made and published within the time limited in that behalf or any extension or extensions thereof, the settlement officer shall fix a day for the investigation and hearing of the disputed claims, notice whereof shall be given to the claimants respectively or to the attorney, recognized agent, or duly appointed proctor of the respective claimants, or posted on a conspicuous place in the land in dispute.

List of witnesses.

(2) The claimant shall deliver to the settlement officer on or before a day to be fixed by the settlement officer a list of his witnesses and of his documentary evidence, and no witness shall be called nor any document admitted at the investigation other than those appearing in such list, unless the settlement officer shall see fit to direct otherwise.

Proviso.

Provided that it shall be competent for any such claimant, instead of delivering such list in writing, to appear before the settlement officer and to state orally the names of the witnesses, and to specify the documents intended to be relied on, and the settlement officer shall cause the same to be recorded in writing, which shall be signed by the claimant.

Procedure on default of appearance.

28 (1) If any claimant fails to appear on the day fixed for the investigation of any undisputed claim, and no good and sufficient cause is shown for such absence, it shall be lawful for the settlement officer to make such order or give such judgment as he may deem fit.

(2) If any claimant fails to appear on the day fixed for the investigation of a disputed claim and no good and sufficient cause is shown for such absence, it shall be lawful for the settlement officer to proceed with the investigation and to determine and decide upon the respective claims of the parties, or to make such order or give such judgment as he may deem fit.

(3) If any claimant appears in reasonable time and satisfies the settlement officer that his absence was due to sickness, accident, or some other cause over which he had no control, then the settlement officer shall cancel any order made or open up any judgment given under this section.

Procedure on death of a claimant.

29 (1) In case of the death of a claimant it shall be lawful for the settlement officer on the application of the legal representative of the deceased to make an order that his name be substituted for the name of the deceased claimant in the statement of claim, and thereupon to proceed with the investigation of the claim.

(2) If no application be made to the settlement officer by any person claiming to be the legal representative of a deceased claimant, the settlement officer may examine such person or persons as he deems necessary for the purpose of ascertaining the name of the legal representative of the deceased, and thereupon issue a summons to such representative to appear on a day to be therein mentioned.

(3) If the person so summoned appears and makes application as aforesaid, it shall be lawful for the settlement officer to substitute his name for the name of the deceased claimant in the statement of claim, and to proceed with the investigation of the claim.

(4) If the person so summoned appears, but does not make application as aforesaid, or neglects to appear and does not account for his absence, and the summons is reported to have been duly served on him, the settlement officer shall make an order that the claim do abate.

(5) In the event of any dispute arising as to who is the legal representative of a deceased claimant, it shall be competent to the settlement officer to decide who shall be admitted to be such legal representative for the purpose of being substituted in the place of the deceased, and this question shall in such case be dealt with and disposed of by the settlement officer as an issue preliminary to the investigation of the merits of the claims.

Settlement officer's decision of claim.

**30** At the close of the investigation of the merits of the claims the settlement officer shall determine and decide upon the respective claims of the parties, and whether the title made out is one of the first class or of the second class, according to the principles set out in section 31, and shall record his judgment accordingly. The settlement officer shall also tax the costs of the investigation and determine by whom the same shall be payable.

Title to be given according to finding.

**31** (1) If such evidence of right in the claimant to the land or interest claimed by him or to a portion thereof is adduced, as according to the laws or customs of this island would in the judgment of the settlement officer be accepted by a willing purchaser as sufficient evidence of title, the settlement officer shall record that the claimant has made out a title of the first class to such land or interest or portion, subject or not (as the case may be) to any other right or interest.

(2) If the evidence adduced by the claimant falls short of such evidence as aforesaid, and the settlement officer is satisfied that the claimant is in the actual and *bonâ fide* possession or enjoyment of the land or interest claimed by him, or a portion thereof, or that his claim thereto is otherwise reasonable and *bonâ fide*, the settlement officer shall record on the said statement of claim that the claimant has made out a title of the second class to such land or interest or portion, subject or not (as the case may be) to any other right or interest.

Settlement officer to determine boundaries ; and

to partition by consent.

**32** (1) It shall be the duty of the settlement officer—

- (a) To determine and record in his decision with as much exactness as practicable the boundaries of every land in respect of which any claim shall be upheld ;
- (b) To partition, with the consent of the persons whose claims have been upheld, any land held in undivided shares by two or more such persons ; and
- (c) To cause boundaries to be constructed or marked on any land dealt with under (a) or (b) at the expense of the parties interested therein.

(2) Any person wilfully destroying, removing, injuring, or defacing any boundary so constructed or marked shall be guilty of an offence, and liable on conviction to be punished with imprisonment of either description for a period not exceeding six months, or with a fine not exceeding one hundred rupees, or with both.

Settlement officer's decision final on whom.

**33** The determination and judgment of the settlement officer upon each claim shall, subject to the appeal herein-after allowed, be final and conclusive upon the claimants and upon those claiming under any of them by any title acquired subsequent to the claim being made.

Settlement officer may accept claims before or during investigation.

**34** At any time before or during the investigation of a claim to a land the settlement officer may, if he thinks fit, and he shall when the other claimants consent thereto, receive and record any claim made by any person to or in respect of such land. And every such claim so received and recorded shall be dealt with and disposed of in the same manner as claims made under section 23.

Acquisition of claimant's interest by others to be notified to settlement officer.

**35** Every person who has acquired by purchase or otherwise an interest in or to any land from a claimant subsequently to such claimant having preferred his claim to the settlement officer, and prior to its investigation by the settlement officer, shall notify to the settlement officer his acquisition, and shall make his claim in the manner prescribed in section 23, and the settlement officer shall deal with it in the same manner as if such claim had been originally stated under that section.

Mode of taking evidence. Consolidation of claims.

**36** (1) All evidence taken before the settlement officer or any arbitrator or umpire shall be on oath or affirmation, and shall be recorded by him in writing.

(2) The record of all evidence, whether oral or documentary, taken by the settlement officer at the investigation of the claims to each land shall, subject to the provisions of subsection (4), be made up in a separate file, and the finding or judgment thereon, and reasons therefor, and all orders of the settlement officer in relation thereto, shall be duly entered on the said record.

(3) The record so made up shall, at all reasonable times upon a written application in that behalf, be open to the inspection of any person interested in such claim, with liberty to demand and receive copies thereof or extracts therefrom upon payment of the prescribed fees and stamp duty.

(4) The settlement officer may, when he thinks fit, consolidate the claims of one or more persons, and the same shall then form the subject of one and the same investigation, and the record of all evidence, whether oral or documentary, taken by the settlement officer at such investigation shall be filed with any one of the statements of the claims so consolidated as aforesaid, and the finding or judgment on each of such claims, and reasons therefor, and all orders of the settlement officer in relation thereto, shall be duly entered on the said record.

Translation of documents.

37 No translation of a document tendered in evidence shall be permitted to be read as a translation of such document unless the same shall be signed by—

- (a) An interpreter of the Supreme Court, of a district court, or a court of requests; or
- (b) A translator appointed by the Colonial Secretary, or by a district judge, or by a commissioner of requests, or by a settlement officer, and who shall have taken an oath before such settlement officer or before a justice of the peace faithfully to perform the duties of his office as translator.

Appeal to the Supreme Court from finding of the settlement officer.

38 (1) If any claimant be dissatisfied with any final judgment, or order having the effect of a final judgment, of the settlement officer, whether in respect of a disputed or an undisputed claim, he may within ten days (exclusive of Sundays and holidays) after the pronouncing thereof lodge with the settlement officer an appeal in writing to the Supreme Court; and the settlement officer shall without delay forward to the Supreme Court the appeal with the record made up as aforesaid, and the Supreme Court shall make such order, in conformity with the provisions of this Ordinance, as the justice of the case may require, which order the settlement officer shall duly carry into effect.

(2) No appeal shall be entertained unless the appellant shall within ten days after lodging such appeal give security for the probable costs of the appeal, the amount whereof shall be fixed by the settlement officer.

(3) No appeal shall lie against any judgment given under section 26, except in so far as such judgment is in excess of, or not in accordance with, the award.

Settlement officer may issue writ of possession.

39 (1) When the settlement officer shall have recorded in regard to a claim the nature of the right upheld and whether the title thereto is of the first class or of the second class, the claimant may apply to the settlement officer for a writ of possession, and the settlement officer may at his discretion order such writ to issue substantially in the form D or in the form D 1 in the Third Schedule hereto, and such writ shall be enforced according to the terms thereof by the fiscal, in the same manner as if such writ was issued by a court of requests.

Provided that, in any case in which an appeal is allowed to the Supreme Court, no writ of possession shall issue before the expiry of the time allowed for such appeal, and that in the event of an appeal being taken the settlement officer shall not, pending the decision on such appeal, issue such writ.

Procedure in  
case of resistance.

40 (1) If in the execution of a writ of possession issued under this section the officer charged with the execution of the writ is resisted or obstructed by any person, or if after the officer has delivered possession the person placed in possession by such officer is hindered by any person in taking complete and effectual possession, the person in whose favour the writ of possession has issued may at any time within one month from the time of such resistance or obstruction or hindrance complain thereof to the settlement officer, and the settlement officer shall appoint a day for the determination of the complaint and intimate to the person resisting or obstructing or hindering the writ that he will be heard in opposition to the complainant if he appears before the settlement officer for that purpose on the day so appointed.

(2) On the hearing of the complaint the settlement officer, if he is satisfied of the obstruction or resistance or hindrance complained of, may sentence the person or persons so obstructing or resisting, or hindering to imprisonment for a term not exceeding three months or to a fine not exceeding one thousand rupees, and direct the person in whose favour the writ of possession issued to be put in possession of the property.

(3) It shall be lawful for the settlement officer to determine by whom the costs of the hearing shall be paid, and to tax the amount of such costs.

Claims to  
property seized  
to be reported  
by fiscal and  
investigated by  
settlement  
officer.

41 (1) If in the execution of a writ issued by the settlement officer any claim is preferred to, or objection offered against the seizure, or sale of, any immovable or movable property which may have been seized thereunder as not liable to be sold, the fiscal or deputy fiscal shall, as soon as the same is preferred or offered, as the case may be, report the same to the settlement officer.

(2) The settlement officer shall thereupon proceed in a summary manner to investigate such claim or objection, and shall record the evidence, whether oral or documentary, taken at such investigation; and his finding or judgment thereon, and his reasons therefor, and his orders in relation thereto shall be duly entered on the said record.

(3) The record shall at all reasonable times, upon a written application in that behalf, to open to the inspection of any party interested in such investigation, with liberty to demand and receive copies thereof, or extracts therefrom, upon payment of the prescribed fees and stamp duties.

Further  
proceedings  
connected  
with the  
investigation.

42 (1) If the property to which the claim or objection applies shall have been advertised for sale, the sale may (if it appears to the settlement officer necessary) be postponed for the purpose of making the investigation mentioned in the preceding section. Provided that no such investigation shall be made if it appears to the settlement officer that the making of the claim or objection was designedly and unnecessarily delayed with a view to obstruct the ends of justice.

(2) The claimant or objector must at such investigation adduce evidence to show that at the date of the seizure he had some interest in, or was possessed of, the property seized.

(3) If upon the said investigation the settlement officer is satisfied that for the reason stated in the claim or objection such property was not, when seized, in the possession of the person against whose property the writ was issued, or of some person in trust for him, or in the occupancy of a tenant or other person paying rent to him, or that, being in the possession of the person against whose property the writ issued, at such time it was so in his possession, not on his own account or as his own property, but on account of or in trust for some other person, or partly on his own account and partly on account of some other person, the settlement

officer shall pass an order releasing the property wholly, or to such extent as he thinks fit, from seizure.

(4) If the settlement officer is satisfied that the property was at the time it was seized in possession of the person against whom the writ issued as his own property, and not on account of any other person, or was in possession of some other person in trust for him or in the occupancy of a tenant or other person paying rent to him, the settlement officer shall disallow the claim.

Appeal to the  
Supreme Court.

43 (1) If any party to any proceedings under sections 40, 41, or 42 be dissatisfied with any order or judgment of the settlement officer made in such proceedings, he may, within ten days after the pronouncing thereof, appeal to the Supreme Court; and the settlement officer shall without delay forward to the said court the appeal and the record made up as aforesaid, and the said court shall make such order as the justice of the case may require; which order the settlement officer shall duly carry into effect.

(2) No appeal shall be so forwarded as aforesaid unless the appellant shall, within ten days from the date of such appeal, give security for the costs of the hearing or investigation and of the appeal, the amount whereof shall be fixed by the settlement officer.

(3) No appeal from any judgment of the settlement officer shall have the effect of staying the execution of such judgment, unless the appellant shall enter into recognizance with or without sureties, as the settlement officer shall consider necessary, to appear and abide by the order of the Supreme Court upon the appeal.

#### B.—Publication.

Preparation by  
settlement officer  
of (1) final notice  
to claimants, and  
of (2) list of  
unclaimed lands  
and notice  
regarding them.

44 So soon as the settlement officer shall have completed his inquiries respecting the lands in any division he shall prepare—

(1) A notice substantially in the Form E in the Third Schedule hereto, calling upon all persons who have not preferred claims under section 23, and who may assert a right adverse to that of any person whose claim has been wholly or partly upheld, to assert such right before the settlement officer within six months from the date specified in such notice; and

(2) A list of the lands in regard to each of which, wholly or in part, no claim has been made or upheld, together with a notice substantially in the form F in the Third Schedule hereto, calling upon all persons who may assert a right to any of the said lands or to any interest therein and have not already preferred their claim, to assert such right within six months from the date specified in such notice.

(3) In the case of any such notice the date specified therein shall not be earlier than the date of the first publication of such notice in the *Government Gazette*.

Form and proof  
of notice.

45 (1) The settlement officer shall cause copies of the list and notices to be published in the English, Sinhalese, and Tamil languages in the *Government Gazette* once a month during the said period and in two issues of an English, a Sinhalese, and a Tamil newspaper during such period, and a copy of each such notice shall be posted on each land referred to in such notice, and copies thereof shall also be affixed to the walls of any kachcheri and courts situate within such division, including gansabhawa courts, and in such other localities as may secure the greatest possible publicity thereto, and the said notices shall likewise be advertised by beat of tom-tom at least once a month during the said period throughout the said division.

(2) The production of a copy of the *Government Gazette* containing any such notice shall be received in all courts of law in this island as conclusive proof that such notice has been duly published, posted, affixed, and advertised as hereinbefore required.

Disposal of claims.

46 Every person asserting a right in pursuance of such notice shall prefer a claim in manner provided by section 23, and such claim shall thereupon be dealt with and disposed of by the settlement officer in manner therein stated.

C.—*Registration of Titles, Interests, and Incumbrances.*

After expiration of six months from notice, land and titles to be registered.

47 Immediately after the lapse of the period of six months mentioned in section 44 the settlement officer shall proceed to register, subject to the provisions of section 50, all the lands situate within the said division by entering in a book (bearing the name of such division) a map of such division and a separate map of each allotment of land situate therein, and also the name of the owner or owners of such allotment and of all other persons whose right, title or interest therein has been upheld up to date, and stating whether the title is of the first or second class, together with such other particulars and references as may be necessary to identify every allotment on the map or division in which it is situate.

Register to be kept in duplicate.

48 (1) Every such book and map shall be kept in duplicate, and one copy thereof shall be forwarded by the settlement officer to the land registry of the district in which the division is situated, and the other to the office of the Registrar-General, within such time as the Governor may direct.

(2) Every such book and map shall be carefully preserved, and shall at all reasonable hours, upon a written application in that behalf, be open to the inspection and perusal of all persons, including judgment-creditors, interested, or claiming to be interested, in any of the lands therein registered, or to their proctors or agents duly authorized thereto in writing, or to any notary acting in the discharge of the duties of his office, with liberty to demand and receive copies thereof or extracts therefrom, upon payment of the prescribed fees and stamp duties.

Registration in name of deceased or insolvent claimant.

49 In case a claimant shall die or become insolvent after the upholding of his claim, and before the registration of his title, and no claim adverse to his shall have been upheld, the registration shall be made in the name of the deceased or insolvent claimant, and the land shall devolve in like manner as if the registration had been made prior to the death or insolvency of the claimant.

When registration should be suspended.

50 (1) If any action or proceeding in respect of a land situated within the said division, or of an interest in such land, be pending before a court or before the settlement officer at the expiration of the period of six months mentioned in section 44, the registrar shall suspend the registration of the right, title, or interest thereby put in issue until the final adjudication thereof, and thereafter and after such further inquiry as he shall deem necessary he shall duly register the right, title, or interest which shall have been upheld.

(2) The settlement officer may in any other case, where he deems it necessary, suspend the registration, but any person aggrieved by such suspension may appeal therefrom to the Supreme Court, who shall make such order thereon as to the said court shall seem proper.

Issue of certificate of title.

51 After registration the settlement officer shall, on the application of the registered person or his legal representative, and on delivery of the prescribed stamp, prepare from the register, subject to the provisions of section 54, a certificate of title in duplicate, of which one shall be filed in the office of the settlement officer and the other issued to the registered person.

Certificate of title *prima facie* evidence of its contents; and to be of three kinds.

52 Every certificate of title shall be *prima facie* evidence of the several matters therein contained, and shall be of three kinds :

- (a) A certificate of ownership.
- (b) A certificate of incumbrance.
- (c) A certificate of interest.

(a) Certificates of ownership shall be granted to those persons whose rights, as owners in possession (but not necessarily in occupation), to the land or any undivided share thereof (whether subject or not to any lease, mortgage, or other interest) shall have been upheld.

(b) Certificates of incumbrance shall be granted to mortgagees of the land or of any undivided share thereof or interest therein under any instrument valid in law.

(c) Certificates of interest shall be granted to persons whose rights by way of lease, tacit hypothec, charge, lien, planter's interest, contract, or otherwise (except such rights as would be included in a certificate of ownership or incumbrance), or whose rights in remainder, reversion, or expectancy in or to the land or any undivided share thereof have been upheld.

Forms of certificate.

53 Certificates of ownership shall be substantially in the form G, certificates of interest in one of the forms H, I, and J, and certificates of incumbrance in the form K in the Third Schedule hereto, and shall be signed by the settlement officer, and shall contain a correct map prepared by the Surveyor-General or under his authority, and a description of the land therein referred to, with the figures and references necessary to identify it on the map or division in which it is situate, and a correct statement of the right, title, or interest of the party to whom it is issued, and of all parties having a prior, preferent, or concurrent right or interest therein, together with the dates or particulars thereof.

Surrender of title deed and issue of certificate.

54 (1) Every person entitled to a certificate of ownership shall, before the same is issued to him, deposit with the registrar every deed upon which his title to the land described in the certificate was based.

(2) Upon issuing a certificate of ownership the registrar shall endorse on every deed so deposited the nature of the certificate issued in respect of the land described in the said deed or instrument.

(3) If any such deed shall relate to or include any property in respect of which no certificate has been issued, the registrar shall return such deed to the person who deposited the same, but otherwise he shall retain such deed in his office.

(4) No person shall be entitled to the inspection of any deed so retained except the person who deposited the same, or some person or persons claiming through or under him, or authorized by him, or by the order of some competent court.

Registration of unclaimed lands as Crown lands.

55 (1) If no claim shall be made to a land or part thereof under section 23 or 34, or in compliance with the notice issued under section 44 (2), or if a claim or claims being made none shall be upheld, the settlement officer shall (subject to an appeal to the Supreme Court by any aggrieved party) register such land or part thereof as the property of the Crown, and the same shall be thereupon vested in and become the property of the Crown free from all incumbrances.

(2) Every such land shall be appraised by the settlement officer and the appraised value shall be recorded in the register.

(3) If within thirty years from the date of registration any person shall establish to the satisfaction of the Governor in Executive Council that he is entitled to be paid such appraised value or any part thereof, the same shall be paid to such person by the Colonial Treasurer.

Effect of registration as bar to claims.

56 Every registration of right, title, or interest made under section 47 shall be deemed to have been made on the date when the claim to such right, title, or interest was upheld, and shall (subject to the provisions of the next section) have the effect of absolutely barring all claims thereto or therein which shall have arisen or accrued prior to the actual date of such registration, and which might have been registered under the provisions of this Ordinance, but which at such date had not been so registered.

No acquisition of title to registered land by adverse possession.

57 A title to a registered land adverse to or in derogation of the title of the registered owner shall not be acquired by any length of possession, and the benefit of the provisions of section 3 of Ordinance No. 22 of 1871 shall not be available in respect of any claim or defence made in respect of any registered land.

Provided that this section shall not apply to actions allowed under section 58 of this Ordinance.

#### CHAPTER V.

##### SUBSEQUENT REGISTRATION OF TITLES AND REGISTRATION OF DEEDS.

Prosecution of claims against registered owners in court.

58 (1) Persons having or claiming to have any interest in any land against a person registered as having a title of the first class shall be entitled to prosecute their claim by action in some court having jurisdiction in the matter within one year from the date of the registration; and against a person registered as having a title of the second class within two years from the date of the registration.

(2) Persons absent from the island, whose claims shall not have been preferred and disposed of under the provisions of this Ordinance, shall be entitled to prosecute their claims within four years from the date of the registration, whether of the first or the second class.

(3) Persons under legal disability shall be entitled to prosecute their claims within two years from their disability ceasing.

Notice of action.

59 No action mentioned in section 58 shall prevent any claims being barred unless and until written notice of such action shall have been given to the settlement officer, who shall immediately upon the receipt of such notice record the same in the register with the date of receiving the notice.

Dismissal of action.

60 If the said action be dismissed, the court shall forthwith report the same to the settlement officer, who shall immediately record it in the register.

Cancellation of registration and certificate if action succeeds.

61 If the action shall have been decided against the registered person, the court shall in its judgment declare whether the title upheld is of the first or second class, regard being had to the principles laid down in section 31, and shall cancel the certificate of title issued to the registered person, and shall direct the settlement officer to cancel or amend the entry in the register and to issue fresh certificate in terms of the judgment, and the settlement officer shall duly carry into effect such order. But in any case in which such registered person is the Crown, if the Crown has sold the land in question the court shall not cancel the certificate of title issued to the Crown nor direct any amendment of the register, but shall order that the price for which the land was so sold shall be paid by the Crown to the claimant by way of compensation, and the amount so awarded shall be in full satisfaction of the claim of the claimant and shall bar any future claim on his part in respect of the land claimed.

After two years a second class title may be registered as first class.

62 (1) It shall be lawful for a person registered as having a title of the second class to a land or interest therein to apply to the settlement officer at any time after the expiration of two years from the date of the registration, to be registered as having a title of the first class instead of the title of the second class.

(2) If the settlement officer shall have received no notice of any action having been commenced with reference to such land or interest within the prescribed time, or if any such action shall have been brought and decided in favour of the registered person, the settlement officer shall register such person as having a title of the first class in place of the title of the second class, and such registration of a title of the first class shall be deemed to have been made on the day on which the title of the second class was registered.

Purchasers and mortgagees for valuable consideration protected.

63 Should a person registered as having a title of the first class to a land or interest in land have alienated, demised, or incumbered the same for valuable consideration at any time after two years from the date of registration and before notice of action has been given to the settlement officer under section 59, and should the alienee, lessee, or mortgagee have duly registered such alienation, demise, or incumbrance, all rights and claims in or to such land or interest which shall not have been registered at the time of such alienation, demise, or incumbrance shall, notwithstanding that any claimant may have been under disability at the date of such alienation or incumbrance, be deemed to be extinguished and null and void as against the alienee, lessee, or mortgagee for valuable consideration.

Saving, however, to every claimant the right to proceed against the person originally registered or his estate to recover the value of such land or interest at the time when the same was so alienated or incumbered, or such greater sum as may, in the opinion of the court before which the claim is prosecuted, be equivalent to the injury which he has sustained by the loss of the land or interest.

Power of registrar to correct errors.

64 (1) It shall be lawful for the registrar, after due notice to all parties interested and upon such evidence as shall appear to him sufficient in that behalf, to correct errors and supply omissions in any certificate of title or in the register book or entries therein: and if in so correcting errors, or supplying omissions, it becomes necessary to in any respect alter any plan entered in the register book, he shall cause such alterations to be made by the Surveyor-General.

(2) In the correction of any such error or in the supplying of such omission the original entry shall not be erased or made illegible, and the officer making such corrections or alterations shall affix the date on which such correction was made or omission supplied, and his initials.

Registrar may call for production of certificate of title for cancellation or correction.

65 In case it shall appear to the satisfaction of the registrar that any certificate of title has been issued in error, or contains any misdescription of land or of boundaries, or that any entry in any certificate of title has been made in error, or that any certificate of title or entry has been fraudulently or wrongfully obtained, or that any certificate of title is fraudulently or wrongfully retained, he may summon the person to whom such certificate of title has been so issued or by whom it has been so obtained, or so retained, and in whose possession such certificate may be, to deliver up the same for the purpose of being cancelled or corrected, or for the substitution and issue of such certificate of title as the circumstances of the case may require.

Registrar may apply to court to compel delivery of certificate of title.

66 (1) In case such person cannot be served with such summons, or shall refuse or neglect to comply with such summons, the registrar may apply to a district court having jurisdiction over the district within which is situate the land for which the certificate of title issued, to summon such person to appear before such court and show cause why such certificate of title should not be delivered up to be cancelled or corrected; and if such person when served with such summons shall neglect or refuse to attend before such court at the time therein appointed, it shall be lawful for such

court to issue a warrant authorizing and directing the person so summoned to be apprehended and brought before the court for examination.

(2) Upon the appearance before the court of any person summoned or brought up by virtue of a warrant as aforesaid, it shall be lawful for the court to examine such person upon oath and to order him to deliver up such certificate of title; and upon refusal or neglect of such person to comply with the order, to commit him to jail for any period not exceeding six months, unless such certificate of title shall be sooner delivered up.

Court may direct registrar to cancel or correct certificate of title.

67 In the case of such refusal or neglect, or in case the court is satisfied after due inquiry that a summons or warrant cannot be served, the court may direct the registrar to cancel or correct any entry in the register book relating to such land, and to substitute and issue such certificate of title and make such entries as the circumstances of the case may require, and the registrar shall give effect to such order.

Loss of certificate.

68 If a certificate is lost or destroyed, the registrar may, on application supported by affidavit stating the fact and circumstances of the loss or destruction, and after such inquiry and advertisement as he may deem necessary, and on being satisfied of the fact of such loss or destruction, and on the applicant paying the prescribed fees and stamps, and giving such indemnity (if any) as the registrar shall think fit, issue a new certificate, and shall state thereon that it is issued in substitution of the former certificate.

Registration of deeds affecting registered lands.

69 When the settlement officer has under the provisions of section 47 registered the lands situate in any division in a book bearing the name of such division—

(a) All subsequent alienations or incumbrances or discharges of incumbrances affecting any interest in any such land; and

(b) All alienations or incumbrances or discharges of incumbrances affecting any interest in any such land and executed by a claimant after the upholding of his claim and before the registration of his title—

shall be registered in such book.

No deed valid unless registered.

70 No such alienation or incumbrance shall be of force or avail in law unless so registered.

Proviso.

Provided that if the deeds recording the alienations and incumbrances mentioned in clause (b) of the preceding section are presented with the prescribed stamps for registration to the settlement officer before the expiration of six months from the issuing of the notice mentioned in section 44 (1), such alienations and incumbrances shall be deemed to have been registered on the date when they were presented, and shall be registered in the said book as soon as it is opened, and meanwhile shall, after such inquiry as the settlement officer may deem fit to make for the purpose of identifying the land on the map or division in which it is situate, be provisionally registered in a book to be specially kept for the purpose.

Partition of land pending registration of title.

71 No land situated in a proclaimed division shall be partitioned before registration of title to the land, except in terms of clause 1 (b) of section 32.

Effect of partition when land is subject to mortgage.

72 If at the time any such partition shall be made an undivided share only of the land partitioned, and not the whole thereof, shall be subject to mortgage, the right of the mortgagee shall be limited to the share in severalty allotted to his mortgagor by and under the same conditions, covenants, and reservations as shall be stipulated in the mortgage, so far as the same shall apply to a share in severalty; and the owner of the share in severalty so subject to mortgage shall, without a new deed of mortgage, warrant and make good to the mortgagee the said several part after such partition as he was bound to do before such partition.

Registration of partition of a registered land.

**73** (1) Every registered person or persons or his or their successors in title partitioning any land after the title to such land has been registered shall forthwith furnish information of such partition to the settlement officer substantially in the form L in the third schedule hereto, with a map prepared by a licensed surveyor and distinctly exhibiting every allotment into which the land has been so divided, marked with distinct numbers or symbols and showing the areas, and shall apply for the registration of the new allotments.

(2) It shall thereupon be lawful for the settlement officer to make such inquiry as he may deem expedient to verify the right of the applicant or applicants and the correctness of the map, and if they are not established to his satisfaction he shall, subject to an appeal to the Supreme Court, refuse to register the new allotments.

(3) But if he is satisfied, he shall register the new allotments in separate and fresh pages of the register, with separate maps of the allotments which he shall cause to be prepared by the Surveyor-General, and with such references as may be necessary to identify the registration of the new allotments with the original registration.

(4) The settlement officer shall recall the original certificate, and on payment of the prescribed stamp duty issue fresh certificates to the owners of the allotments.

Notices to be given to Registrar-General where no settlement officer.

**74** All notices required to be given to a settlement officer under the provisions of this chapter shall, when the Governor has made order under sub-section 8 (4), be given to the Registrar-General instead of the settlement officer, and the Registrar-General shall thereupon perform the duties required to be exercised by the settlement officer under this chapter.

Deeds affecting registered lands and inconsistent with the entries in the register.

**75** (1) Whenever a deed or instrument affecting a registered land is tendered for registration, and any statement, plan, or other matter in such deed is inconsistent with the entry made in the register, it shall be lawful for the registrar, after due notice to the parties interested, to hold inquiry regarding such inconsistency or discrepancy.

(2) If the entry in the register be found to be erroneous or defective, he shall make the necessary correction in terms of section 64.

(3) If the entry is found to be correct and irreconcilable with the deed tendered for registration, he shall refuse to register the deed.

(4) The registrar's order under this section shall be subject to an appeal to the Supreme Court.

Certificate to be produced to registrar for endorsement.

**76** (1) On every entry in the register of an alienation or encumbrance of a land or interest therein by a registered owner, and on every registered transmission under section 77 and on every rectification of the register, the certificate of title relating to such land or interest shall be produced to the registrar, who shall endorse on the certificate a note of every such entry, transmission, or rectification.

Certificate to be delivered to purchaser.

(2) In case of the sale of a registered land the certificate of title to the land shall be delivered by the vendor to the purchaser on the completion of the purchase; or if only a part of the land comprised in the certificate is sold, a certificate for such part shall be prepared by the registrar in duplicate, of which one shall be issued to the purchaser and the other filed in the office of the registrar, and an entry of the sale shall be made in the vendor's certificate.

Registration of legal representative of deceased owner.

**77** (1) On the death of any person registered as owner of any interest in a land, his legal representative shall, on a written application in that behalf to the registrar and after such inquiry as the registrar may deem fit to make, be registered as the owner of the interest of the deceased, and

until such registration is made no dealing by such representative with the said interest shall be of force or avail in law.

(2) Every person to whom probate of a will or letters of administration have been granted shall—

- (a) Forthwith apply for registration in terms of the last section ; and
- (b) Execute in favour of the persons entitled thereto the necessary conveyances of lands of the estate of the testator or intestate.

Future tacit hypothecs abolished.

78 No lien, charge, mortgage, or hypothec (other than such as may arise or be created under or by virtue of statutory enactment) shall be created or effected so as to be of any legal validity upon or in respect of a registered land, unless the same be created or effected by a last will, of which probate is registered under this Ordinance, or by the order of a competent court, or by a duly executed deed, such order or deed being duly registered under this Ordinance.

Duties of notaries in regard to deeds affecting registered lands.

79 It shall be the duty of every notary, from and after the expiration of the period of six months mentioned in section 44, before attesting any deed or instrument affecting any registered land—

- (a) To inspect the register in which such land has been registered, or a certified copy of such register, and to satisfy himself that the deed about to be attested is consistent with the registered title ; and to refuse to attest the deed if inconsistent with the registered title, or if the person at whose instance he prepares such deed fails to pay him the prescribed charges for the inspection of the register or to produce a certified copy thereof ;
- (b) To insert at the head of the deed the number of the allotment of such land in the registered plan.
- (c) To register every such deed or instrument attested by him: Provided that if the person at whose instance he prepares the deed fails to pay him the stamp duty payable for such registration, he may refuse to attest such deed or instrument.

Provisions of this chapter to apply to lands in divisions brought under the Ordinance 5 of 1877.

80 The provisions of chapter IV. and this chapter shall, so far as practicable, apply to lands situated in the divisions already brought under the operation of the Ordinance No. 5 of 1877 and to deeds affecting such lands, provided that—

#### PART IV.

#### CHAPTER VI.

#### INTERIM REGISTRATION OF DEEDS.

Preamble.

Whereas the preparation of surveys and the investigation and registration of titles hereinbefore provided for are likely to be attended with delay, and it is expedient to provide for the registration in the meantime of deeds affecting land independently of the registration of titles, it is therefore enacted that—

Books for registration and inspection thereof.

82 (1) At each registry there shall be kept a set of books for the registration therein of any deed which may be brought to such registry for registration as hereinafter provided, to each book being allotted some defined portion of the district or districts or part thereof annexed to such registry in manner provided by section 6, so that every deed relating to lands situate therein may be registered so as to facilitate reference to all existing alienations or incumbrances affecting the same lands, and such registration shall be substantially in the Form M in the Third Schedule hereto, or in such other form as may be prescribed by the Governor.

(2) The said books shall at all reasonable hours, upon a written application in that behalf, be open to the inspection and perusal of all parties, including judgment creditors, interested, or claiming to be interested therein, or to their proctors or agents duly authorized thereto in writing, or to any notary acting in the discharge of the duties of his office, with liberty to demand and receive copies thereof or extracts therefrom upon payment of the prescribed fees and stamp duties.

(3) The volumes and books kept under section 37 of the Ordinance No. 8 of 1863 and section 15 of the Ordinance No. 14 of 1891 shall be deemed to be parts of the volumes and books kept under this Ordinance.

All deeds affecting land to be registered.

83 (1) Every deed and every discharge of an incumbrance affecting land or any interest in land may be registered in the land registry of the district in which such land or property is situate, in the books mentioned in the preceding section unless or until books have been opened under section 47, and immediately thereafter in such books.

(2) "Deed," for the purposes of this section, means any instrument duly executed in this island on or after the first day of January, 1864.

(3) Deeds and instruments already registered under the provisions of Ordinances No. 8 of 1863 and No. 14 of 1891 shall not require re-registration under this Ordinance; and such rights, benefits, or privileges as have arisen in respect of such deeds and instruments under the said Ordinances No. 8 of 1863 and No. 14 of 1891 shall be unaffected by the provisions of this Ordinance.

Effect of  
non-registration.

**84** Every such deed, unless so registered, shall be deemed void as against all parties claiming an adverse interest thereto on valuable consideration by virtue of any subsequent deed which shall have been duly registered as aforesaid.

Provided that—

- (1) Fraud or collusion in obtaining such last-mentioned deed, or in securing such prior registration, shall defeat the priority of the person claiming thereunder;
- (2) Priority shall not be lost merely in consequence of the person claiming under the registration having been affected with actual or constructive notice, except in cases of actual fraud; and
- (3) Nothing herein contained shall be deemed to give any greater effect or different construction to any deed registered in pursuance hereof, save the priority hereby conferred on it.
- (4) Such priority shall not be affected by the subsequent registration of any deed executed before the deed first registered.

Production of  
deed for  
registration.

**85** (1) It shall be lawful for the party gaining an interest or benefit under any deed registrable under section 83, personally or by his agent to produce or send the same, or a duplicate, or authenticated copy thereof to the registrar of the district in which the land or property thereby affected is situate.

(2) Such registrar shall forthwith, upon receipt of the deed with the proper stamp for registration, enter the deed consecutively according to the order of its receipt in a book to be kept substantially in the form N in the Third Schedule hereto, and which shall be called "the day book;" and he shall thereafter register the deed on the appointed page of the book assigned for the division or village wherein the land or property is situated.

(3) Upon such registration the deed shall be deemed to have been registered at the time of its entry in the day book.

Registration of  
probates and  
letters of  
administration.

**86** When a party applies to have a probate or letters of administration registered in respect of any land, he shall produce to the registrar an authenticated copy of the inventory or list of appraisement filed in the case in which application for probate or administration was made, and shall further give such description of the land as the registrar shall require for the purposes of registration.

Registrar may  
call for proof, and  
give notice to  
third parties.

**87** (1) Every such registrar shall be entitled, if he see fit so to do, to require any person applying for the registration of a deed to prove its due execution, the identity of the land affected by the deed or of the parties to it, and in the case of an authenticated copy the loss or destruction of the original. And where he may have reason to apprehend that a fraud has been or is about to be committed on any person, he shall give notice to such person of the intended registration in order to prevent the same being effected to his prejudice.

(2) If the registrar is satisfied upon inquiry that the deed was duly made, and in the case of an authenticated copy of the loss or destruction of the original, and as to the identity of the land or the parties, and that there is no reason to believe that a fraud has been or is about to be committed, he shall register the deed, and the registration shall take effect from the time of the entry in the day book.

(3) If he is not satisfied, he shall refuse to register the deed, and shall return the same unregistered, and shall record the fact in the day book.

(4) For the purposes of the inquiry under this section the registrar shall have power to cite and examine witnesses upon oath or affirmation, and to call for the production of any document material to the inquiry from the person who has the custody of such document.

Deed to be stamped before registration.

88 No deed shall be registered unless the same has been stamped with the prescribed registration stamp.

Registrar in case of doubt may apply to the Registrar-General.

89 (1) If a registrar is in doubt as to whether an instrument should be registered, or as to whether it is liable to stamp duty for its registration, and if liable to what amount of duty it is liable, he shall, after entering the deed in the day book, apply in writing to the Registrar-General for his decision thereon. The Registrar-General shall thereupon declare his decision.

(2) Any person dissatisfied with such decision may appeal against the same to the Supreme Court within ten days from the decision being communicated to him. The registrar shall, in terms of the decision of the Registrar-General or in case of an appeal being taken of the Supreme Court in appeal, register or refuse to register the said instrument.

Registration ordered conditionally should take effect from time of compliance with condition.

90 (1) If the registration of the deed be ordered by the Registrar-General or the Supreme Court to be made on condition of payment of stamp duty or on other terms, then upon the compliance of the person seeking registration with such condition or terms the registrar shall register such deed in the manner hereinbefore prescribed, and the same shall be deemed to have been registered on the date of such compliance.

(2) If the Registrar-General or the Supreme Court in appeal shall decide that the deed should have been registered when originally tendered to the registrar, the deed shall upon registration be deemed to have been registered at the time of its entry in the day book.

Registration to be endorsed on document.

91 The registrar shall immediately after registration make and sign an endorsement thereof on the deed registered, and deliver the same to the person who delivered it for registration, or his agent or representative, and the endorsement shall be substantially in the Form O in the Third Schedule hereto.

Deed affecting lands lying in different districts.

92 (1) When several lands are affected by the same deed and lie in more districts than one, the deed may be produced or sent for registration to the Registrar-General in Colombo, or to the registrar of each of the districts in which the lands are situate.

(2) If produced to the Registrar-General, he shall, on payment of a stamp duty of ten rupees in addition to the prescribed duty, cause the deed to be registered in the land registry of each district and sign the endorsement of registration.

(3) If produced to the registrar of each district, the first registrar to whom the deed is produced shall levy the prescribed duty, and the deed shall be registered free in the other land registries.

Mode of description of lands in deeds.

93 (1) Every deed or authenticated copy thereof produced for registration shall contain embodied therein, or in a schedule annexed thereto, an accurate and clear description of the property affected thereby, its boundaries, extent, and situation with respect to the village, pattu, korale, or other division of the district; and in case such property is situated in any town, the name of the street in which it is situated and its assessment number and name, if any.

(2) If such property consists of a portion only of a land or allotment, such portion shall be clearly and accurately defined by its particular boundaries and extent.

(3) If such property consists of an undivided share in a land, the proportion which the share bears to the entire land shall be stated, and a description of such land shall be given as required by sub-section (1).

Volume and folio of previous registration to be quoted.

94 When any property which shall have been once registered shall be subsequently sold, encumbered, or otherwise affected or dealt with, the deed purporting to transfer or otherwise deal with or affect such property shall state the volume and folio of the register in which such property has been previously registered.

Treatment of deeds executed in violation of sections 92 and 93.

95 No deed which does not state the particulars required by the two preceding sections shall be admitted to registration, except with the sanction of the Registrar-General, upon the necessary particulars being supplied by affidavit by the person producing the deed for registration, and on such other terms as the Registrar-General may think expedient.

Registration of Crown grants.

96 Every Crown grant shall, before delivery to the grantee, be registered in the land registry of the division in which the land affected by the grant is situated, and for the purpose of such registration it shall be lawful for the Crown to recover from the grantee at the time of the sale of the land, or before delivery of the deed, the stamp duty payable for the registration.

Caveat against registration of deeds.

97 (1) It shall be competent to any party to lodge with the registrar a caveat substantially in the form P in the Third Schedule hereto to prevent the registration of any deed affecting any land, and such caveat shall state a postal address in the island of the party lodging the same, and shall bear the prescribed stamp and shall be registered free of further duty.

(2) On such caveat being registered the party lodging the same shall be entitled to notice of any application for registration as regards such land, which notice shall be deemed to have been duly given if posted to the address stated in the caveat.

(3) Where the caveat limits the time of its operation it shall cease to have any force upon the lapse of such time.

(4) No caveat shall be sufficient to prevent a registration applied for unless it be followed up within thirty days after the posting of the notice of application for such registration by an action before some competent court and notice thereof to the registrar, in which case the registrar shall suspend the registration until the final adjudication of such action, and shall then give effect to such adjudication.

On partition a fresh registration shall be effected.

98 When a deed affecting a divided share of any land which has been registered as one allotment is tendered for registration, the registrar shall, after such inquiry as he may deem fit to make, register such share on separate and fresh pages of the book, with such references as may be necessary to connect the same with the original registration.

No sequestration or seizure operative unless notice thereof registered.

99 No sequestration by order of court or seizure in execution of any immovable property shall render null and void or invalidate any subsequent alienation or incumbrance of such property, unless a notice of such sequestration or seizure shall have been registered in the land registry of the district in which such property is situate, in accordance with the provisions of the 237th section of the Civil Procedure Code.

## PART V.

### CHAPTER VII.

Such stamp duties, fees, or forms as shall not be so annulled within the said forty days shall be proclaimed in the *Government Gazette*, and shall come into force on the proclamation thereof or on such other day as may be specified in such Proclamation.

Rules of courts

apply.

107 So far as practicable, and unless otherwise herein directed, every appeal under this Ordinance to the Supreme Court shall be dealt with and disposed of in the same manner and subject to the same rules as appeals from courts of requests are dealt with and disposed of.
