## DRAFT ORDINANCE.

### MINUTE.

The following Draft of a proposed Ordinance is published for general information:—

An Ordinance to impose a General Tax on Dogs.

Preamble.

WHEREAS it is expedient to levy a general tax on dogs in this island: Be it therefore enacted by the Governor of Ceylon, by and with the advice and consent of the Legislative Council thereof, as follows:

Short title.

1 This Ordinance may be cited as "The Dog Tax Ordinance, 1901."

Repeal.

2 There shall be repealed, as on and from the date of this Ordinance coming into operation—

(a) The Ordinances specified in schedule A to this Ordinance, to the extent in the third column of that schedule mentioned.

(b) So much of any other Ordinance as is inconsistent with this Ordinance. Provided that this repeal shall not affect—

(1) The past operation of any enactment hereby repealed, nor anything duly done or suffered thereunder; nor

- (2) Any right, privilege, obligation, or liability acquired, accrued, or incurred under any enactment hereby repealed; nor
- (3) Any penalty, forfeiture, or punishment incurred in respect of any offence committed against any enactment hereby repealed; nor
- (4) Any legal proceeding or remedy in respect of any such right, privilege, obligation, liability, penalty, forfeiture, or punishment as aforesaid, and such legal proceeding or remedy may be carried on as if this Ordinance had not passed.

Interpretation clause.

3 In this Ordinance—

“Proper authority” shall mean within any town wherein a municipal council or local board of health and improvement has been or may hereafter be established, the chairman of such municipal council or local board, and without the limits of any such town the government agent or any person duly authorized by him in writing.

“Government agent” shall include the government agent for the time being of the province and the assistant government agent for the time being of the district in which anything shall be done or may be required to be done under the provisions of this Ordinance.

Governor may bring provinces, towns, &c., under the operation of this Ordinance.

4 It shall be lawful for the Governor with the advice of the Executive Council, by Proclamation to be for that purpose published in the *Government Gazette*, to bring any province, district, town, or place under the operation of this Ordinance, and to define the limits of such province, district, town, or place for the purposes of this Ordinance, and such Proclamation to amend, alter, or revoke as and whenever the Governor shall, with the like advice, determine.

Dog license.

5 When any province, district, town, or place has been brought under the operation of this Ordinance, it shall be lawful to the proper authority, and such proper authority is hereby authorized and empowered, to impose an annual tax not exceeding one rupee and fifty cents on each dog kept within such province, district, town, or place, and to make from time to time such by-laws as shall be necessary for collecting and levying the same; and any person residing in any such province, district, town, or place having in his custody or possession any dog or dogs shall take out a license for each such dog from the proper authority, and the proper authority shall issue in respect of each such dog a license to such person, which shall entitle such person to keep such dog for one year from the date of such license.

Provided that within any town wherein a municipal council has been or may be hereafter established the powers vested in the proper authority under this section of imposing an annual tax and making from time to time such by-laws as shall be necessary for collecting and levying the same shall be exercised by such municipal council, and not by the chairman thereof.

Publication of by-laws.

6 All by-laws made under the preceding section shall be published in the *Government Gazette* in the English, Sinhalese, and Tamil languages respectively and from the date of such publication shall have the same force as if they had been enacted in this Ordinance.

Occupier of house liable.

7 The occupier of any house or premises where any dog or dogs are kept or permitted to live or remain shall be liable to pay the license duty for such dog or dogs, and in default of such payment shall be liable to the penalties incurred by persons keeping unlicensed dogs, unless the said occupier can prove to the satisfaction of the police magistrate of the division within which he resides that he is not the owner or has not the custody of such dog or dogs, and that such dog or dogs were kept or permitted to live or remain in the said house or premises without his sanction or knowledge: Provided always that where there are more

occupiers than one of the house or premises let in separate apartments or lodgings or otherwise, the occupier of that particular part of the premises in which such dog or dogs shall have been kept or permitted to live and remain shall be liable to pay the license duty for such dog or dogs.

Register of licenses.

8 Every proper authority shall keep a book to be called "The Register of Dogs' License Book," in which he shall register the issue of every license, the date thereof, and the name and residence of the person to whom such license issued, as also the description of the dog or dogs as contained in the license.

Certificate to be obtained on transfer of a dog.

9 Where any dog shall be transferred by sale or gift by its owner to any other person it shall not be necessary for such person to take out a new license for such dog if such dog shall have been licensed within the year, but such person shall obtain from the proper authority who issued such license a certificate in the form in the schedule B to this Ordinance, and such person shall within fifteen days after such transfer cause such certificate to be registered in "The Register of Dogs' License Book" kept for the province, district, town, or place in which such person resides, and the proper authority of such province, district, town, or place shall, on application, register such certificate, and shall certify such registry at the foot or at the back of the certificate; and in default of causing such registry to be made such person shall be liable to the penalties incurred by persons keeping unlicensed dogs.

Seizure of stray dogs.

10 Every proper authority shall cause all stray dogs to be seized, and such dog shall be dealt with as follows :

(1) Every dog so seized shall be detained in some proper place and be there kept for such period, not less than three days from the date of such seizure, as the proper authority may think expedient, provided that where the owner or other person who had charge of the dog is known, the proper authority shall cause notice to be forthwith given to either of them of the seizure and detention of the dog; and upon receiving payment of the reasonable expenses incurred in respect of such seizure and detention, together with the tax in the case of an unlicensed dog, shall deliver the dog to the person noticed or his agent, without prejudice however to the recovery of any penalty for the infringement of any of the provisions of this Ordinance.

(2) If the dog so seized and detained be not claimed within two days after the notice aforesaid has been served, or in case no owner or other person is known to be in charge of the dog within such period, not less than three days after such seizure as the proper authority may think expedient, or in case of non-payment of the reasonable expenses incurred in respect of such seizure and detention, and the tax if it be due as aforesaid, it shall be competent to the proper authority to cause the dog to be destroyed or otherwise disposed of in such manner as to the proper authority shall seem fit.

Penalties.

11 (1) Any person who shall from and after the thirty-first day of March in each year after the coming into operation of this Ordinance have in his possession or custody within any province, district, town, or place brought under the operation of this Ordinance any dog not duly licensed in accordance with the provisions of this Ordinance shall be liable on conviction to a fine not exceeding twenty rupees, and in default of payment to simple imprisonment for a period not exceeding two weeks, and the police magistrate shall further order such person forthwith to take out a license for such dog, and the proper authority shall thereupon issue such license upon payment of the proper license duty by such person, and such license shall be held to be valid until the thirty-first day of March next following the date of such license; and if after

such order such person shall continue to keep any dog without having obtained a license, he shall, in addition to the fine imposed for the second and any subsequent offence, pay a sum not exceeding fifty cents for each day he shall have kept a dog without a license.

(2) Any person committing a breach of any by-law made under the provisions of section 5 shall be liable on conviction to a fine not exceeding twenty rupees, and in default of payment to simple imprisonment for a period not exceeding two weeks.

Production of license.

12 Every person having in his possession any dog shall produce the license for such dog whenever so required by a police magistrate, police officer, or peace officer, or by a proper authority, or any other person duly authorized by him in writing, and in case of refusal he shall, if such dog has been duly licensed, be liable to a fine not exceeding five rupees.

Fine not to be imposed when default not wilful.

13 No fine shall be imposed by a police magistrate in any case in which it shall appear to his satisfaction that the person failing to comply with the provisions of this Ordinance or any by-law made thereunder has not wilfully been guilty of such failure, but that such failure has been occasioned by accident; provided always that such police magistrate shall forthwith order such person to take out a license for the dog or dogs in his possession or custody, or otherwise comply with the provisions of this Ordinance, and that such person shall forthwith comply with such order.

Municipal Councils and local boards entitled to duties.

14 All sums paid for stamp duties for licenses under the provisions of this Ordinance, and all penalties recovered under the provisions of this Ordinance from the inhabitants of any municipal town, shall be taken and received by the municipal council of such town for the municipal fund, and all such like sums and penalties paid by or recovered from the inhabitants of any local board town shall be taken and received by the local board of health and improvement of such town for the local fund, and in the case of the town of Nuwara Eliya shall be taken and received by the Board of Improvement of Nuwara Eliya for the purposes of "The Nuwara Eliya Board of Improvement Ordinance, 1896."
