Preface

Compilation of different types of documentation sources such as bibliographies, directories and indexes is one of the main duties of the National Library and Documentation Services Board. This is the first time that a directory of authors is published at the national level in Sri Lanka. However, this is not a descriptive directory. We expect to publish a descriptive directory of authors in Sri Lanka in the future. Various institutions, authors, and publishers have requested to compile a directory of authors in Sri Lanka. Therefore, National Library and Documentation Services Board decided to compile this directory.

This directory consists of information on approximately 2000 Sri Lankan writers. The directory includes fully updated and detailed contact informations.

Details of authors are arranged according to the alphabetical order. This directory could be used as a basic information resource to obtain information about authors in Sri Lanka. The Directory is specially useful for writers, librarians, researchers, publishers, as well as general readers.

I am thankful to Professor Praneeth Abeyasundara, Mr. Buddadasa Galappatti and Ms. Malini Govinnage for their advice and supervision for the directory. My grateful thanks are also due to Mr. N.H.M. Chitrananda (Former Director General), Mrs. Nalini Mallawaarachchi (Former Director), Mr. W. Sunil (Director General), Ms. Chandima Wadasinghe (Assistant Director), Mr. Maithree Jayasundara (head of the Extension Services Division), and staff of the Extension Services Division of the National Library and Documentation Services Board for their assistance.

Writers we kindly requested to inform us if there are any amendments to be made on their information included in this directory. Necessary amendments will be made in the next edition.

Prof. Somaratna Balasooriya

Chairman

National Library and Documentation Services Board
