APPENDIX A.

To His Excellency Sir HENRY ARTHUR BLAKE, G.C.M.G., Governor and Commander-in-Chief in and over the Island of Ceylon, and the Dependencies thereof.

MAY IT PLEASE YOUR EXCELLENCY,—WE, the Chairman and Members of the Municipal Council of Kandy, as representatives of the townspeople, beg to offer to Your Excellency and Lady Blake a hearty welcome on your arrival in the capital of the Kandyan Provinces, and to respectfully offer our congratulations on Your Excellency's appointment to the Government of the Island.

The town of Kandy has long enjoyed many privileges, not the least amongst which has been the interest shown by Your Excellency's predecessors in the prosperity and embellishment of the town and its surroundings, an interest which the Council venture to hope will be continued by Your Excellency.

We feel confident that during Your Excellency's administration of the affairs of the Colony, Municipal institutions will have your cordial support and encouragement.

With the assistance rendered by Government the Council has been enabled to provide for the town not only a good water supply, which has so much conduced to its general healthiness, but also means for the preservation of the purity of the water supply.

For improvements in the drainage of the town the Council look for substantial aid from Government, their revenue unaided being unequal to the cost of such an expensive scheme.

The want of additional postal facilities has been the subject of correspondence with Government, and the Council, while thankful for recent provision to supply them to some extent, would continue to ask for favourable consideration of the remaining wants of the town in this respect.

We beg to assure Your Excellency of the loyalty of all classes of the community to His Majesty the King, and to assure Your Excellency of our readiness to further, to the best of our means, any measures which Your Excellency may approve of for the advancement of the material and social condition of the people.

Wishing Your Excellency and Lady Blake every prosperity and happiness, we remain

S. HAUGHTON, Chairman.
W. D. GIBBON.
J. H. SPROULE.
E. BEVEN.
R. W. JONKLAAS.
P. T. HAREEBOO LEBBE.
H. F. TOMALIN.
C. VANDERWALL.
G. P. SCHOKMAN.

His Excellency the Governor's Reply.

MR. HAUGHTON AND GENTLEMEN, MEMBERS OF THE MUNICIPAL COUNCIL,—I thank you for your welcome to Lady Blake and myself. I have heard of Kandy all my life ; I have read of its beauties ; and I have tried to form in my imagination a picture of it, but the picture falls far short of the reality. For nine years I governed the Island of Jamaica in the Western Ocean and revelled in its exquisite and varied beauties. Now, after an interval, I find myself in this Pearl of the Eastern Seas, and almost dazed as I am by the grandeur and the unspeakable loveliness of the road from the sea to this ancient capital, with its thrilling interests reaching back continuously through the centuries to the earliest dawn of history, I feel that it will be to me a lasting happiness that it has been my lot to govern two of the fairest lands in all the world.

I assure you, Gentlemen, that Municipal institutions have my entire support and sympathy, feeling that Municipal institutions afford in the first place an opportunity of personal supervision of the most closely interested and a restraint upon undue expenditure by the influence of those who themselves will have to bear the burden of Municipal taxation. I shall gratefully consider any questions and proposals that you may place before me, with every desire to meet your wishes as far as practicable.

I need no assurance of the loyalty of Ceylon, for Ceylon has given proofs that she is ready to take her part and stand shoulder to shoulder with other portions of the Empire, in opposing the enemies of His Majesty the King, and the records of your Legislature show with what consideration and care and capacity your representatives have always considered the measures for the common good that have been placed before them from year to year.

I assure you, Gentlemen, that nothing will be wanting on my part to secure the continuance of those happy relations between the Governor and the people, of which the proceedings at the departure of my predecessor, Sir West Ridgeway, have given me ample and complete evidence.

Again I thank you for your hearty welcome, welcome to Lady Blake and myself, and for your good wishes, which we most heartily reciprocate.

NOTICES TO MARINERS.

HIS EXCELLENCY THE GOVERNOR has been pleased to direct that the following Notices to Mariners be published for general information.

By His Excellency's command,

EVERARD IM THURN,
Colonial Secretary.

Colonial Secretary's Office,
Colombo, March 8, 1904.

BENGAL.—No. 56.

Australia, South—Spencer Gulf—Shoalwater Point—A large Buoy placed.

The President, Marine Board, Port Adelaide, has given Notice (No. 10 of 1903) that a large buoy painted black, with staff and diamond-shaped head, has been placed in 19 ft. O.L.W., with Shoalwater Point, bearing N. W. $\frac{1}{2}$ W., distant $2\frac{1}{2}$ miles.

Approximate position : lat. $33^{\circ} 42' 30''$ south, long. $137^{\circ} 15' 30''$ east.

Mariners navigating Spencer Gulf, north of Tipara shoal, are cautioned against making too free with the western shore, as between Franklin harbour and Point Lowly the shoalwater extends in several places from one and a half miles to four miles from the shore line, which in many places is very low and often distorted by mirage.

Vessels beating up or down the Gulf against strong head winds are therefore cautioned to keep about the middle of the Gulf, towards the Middle Bank Lightship, which may be passed close to. They may also anchor anywhere north of Tipara shoal and await a slant of wind.

E. J. BEAUMONT, Comdr., R.I.M.,
Port Officer of Calcutta.

Calcutta, February 12, 1904.

Approximate position : lat. $3^{\circ} 6'$ S., long. $132^{\circ} 17'$ E.

This reef, which was estimated to be about 4 cables long and 1 cable wide, is distinguished by discoloured water. Variation, 2° easterly in 1904.

Approximate position : lat. $22^{\circ} 26'$ N., long. $69^{\circ} 35'$ E.

This notice affects the following Admiralty Charts :—Coasts of Sind and Kutch including the Gulf of Kutch, No. 42 ; Gulf of Kutch, No. 43 ; Salaya Harbour, No. 3,284 ; Gulf of Kutch to Viziadurg, No. 2,736 ; Karachi to Vengurla, No. 826 ; and Arabian Sea, No. 1,012 ; also West Coast of Hindustan Pilot, 1898 ; page 281 and List of Lights, part VI., 1902, No. 209.
