## P R E F A C E

It is with great pleasure that I write this preface to the Selected Bibliography on SAARC material available in Sri Lanka. This year Sri Lanka is host to the 6th SAARC Heads of State Meeting which will be held in Colombo from 7th to 9th November.

The National Library of Sri Lanka has organised a number of events to celebrate this historical event and the SAARC International Book Fair is one such event. "

The National Library will also publish a SAARC special Issue of the Library News which is the quarterly publication of the SLNLSB, in addition to the selected Bibliography on SAARC.

This bibliography is an attempt to introduce the reader to the material available on SAARC in a number of Libraries in Sri Lanka. Although this is not a comprehensive bibliography, it will be an asset to researchers both local and foreign.

I must thank Mr. Upali Amarasiri, Director, National Library of Sri Lanka for encouraging his staff to produce works of this nature. My thanks also go to Mr. H.M.Gunaratne Banda, Assistant Director, Research & Development Division of the National Library for compiling the Bibliography amidst his busy shedule and Miss. S. Suriya Bandara of the same Division for assisting Mr. Gunaratne Banda.

## INTRODUCTION

The sixth SAARC summit will take place in Colombo in early November 1991. It is at this meeting that the Declaration of the sixth summit, to be called the Colombo Declaration would be adopted.

The charter has listed eighteen areas of economic and technical co-operation in which the SAARC countries can come together. In the field of Library, Documentation and Information Science SAARC Agriculture Information Centre (SAIC) is functioning as a Regional Institution in Dhaka since December 1988. The Male summit decided to set up a SAARC Documentation Centre in India.

The National Library of Sri Lanka is organizing a Book Fair for the SAARC Meeting in November 1991, in Colombo. In this context we have decided to compile a bibliography on SAARC literature available in Sri Lanka.

The idea of compiling this Bibliography was conceived during the month of September 1991. It should be stated that the major part of this Bibliography consists of newspaper articles. Most of the information for this bibliography was taken from the following libraries.

- (a) National Library of Sri Lanka
- (b) The Library, Bandaranaike Centre for International Studies & Non-aligned Documentation Centre.
- (c) The Library, Ministry of Foreign Affairs
- (d) The Library, Ministry of Sports

The entries have been classified under several subject headings. These subject headings are arranged alphabetically. An author and title indexes are provided. A summary of the classification used is given in the contents page. We hope this bibliography, will be of use to the large circle of scholars both here in Sri Lanka and abroad.

We are grateful to the Chairperson, Mrs. Ishvari Corea and Director, Mr. M.S.U. Amarasiri for their continuous help and encouragement. We are also thankful to our staff for their active cooperation, and particularly to Miss. Srimathi Abeysekera for typing the script efficiently.
