34 If the railway cross any public carriage road on a level, at a place not declared to be a "minor crossing" or an "occupation crossing" as hereinafter provided, the General Manager shall, before the line is opened for traffic, cause to be erected and afterwards maintained good and efficient gates closing across the railway, and such gates shall be kept closed, except when engines or vehicles passing along the railway shall have occasion to cross the road, and shall be of such

Proviso.

dimensions, and so constructed as when opened to fence off the railway from the road and prevent persons, cattle, or carriages from crossing the railway line. Provided that it shall be lawful for the Governor in any case to order that the gates shall close across the road instead of across the railway, and in such case the gates shall be erected, maintained, and closed accordingly.

If the General Manager shall wilfully fail to comply with the provisions of this section, he shall be guilty of an offence, and liable to a fine not exceeding two hundred rupees for each offence; and any police magistrate may, in case any such gates be not erected or maintained, order the General Manager to cause the same to be erected and maintained within a time to be specified in the order; and in case of wilful failure on his part to comply with such order, he shall be guilty of an offence, and liable to a fine not exceeding two hundred rupees for every day that he shall wilfully fail so to do.

Minor crossings.

35 (1) It shall be lawful for the Governor from time to time to declare by Proclamation any road or path which the railway may cross to be a "minor crossing," and whether such minor crossing shall be closed by gates or not, and such Proclamation to alter, vary, or repeal.

(2) The gates of minor crossings shall close across the road and not across the railway, and shall be kept locked by means of padlocks, the keys of which shall be kept by a person authorized thereunto by the General Manager of the Railway.

(3) Any person desiring to use a minor crossing closed by gates shall give such notice of his intention to do so to such authorized person, as will allow of arrangements being made for the opening of the gates with safety to the public.

(4) The General Manager shall provide such authorized person with a copy of the current time table applicable to the district in which such minor crossing shall be situated for his guidance as to the time at which such crossing gates may be opened, but the person authorized shall always satisfy himself before opening such gate that no train, special or ordinary, is within sight or hearing.

(5) Cattle passing over a minor crossing shall not be driven but led by a suitable and properly secured halter.

(6) Any person using or attempting to use a minor crossing closed by gates without such notice as aforesaid, and any person causing cattle to cross any minor crossing without such halter as aforesaid, shall be guilty of an offence, and liable to a fine not exceeding fifty rupees, or to imprisonment of either description for a period not exceeding three months.

(7) Any person authorized by the General Manager to keep the keys of any minor crossing who fails to keep the gates closed across the road and securely locked with padlocks, except at such times as the gates may require to be opened for the passage of vehicles or animals across the railway, shall be guilty of an offence, and liable to a fine not exceeding fifty rupees for every such offence.

(8) And it shall be the duty of the General Manager to provide and maintain at all minor crossings declared by such Proclamation to be closed by gates separate gates or styles of convenient dimensions and pattern for the use of foot passengers crossing the railway.

Occupation crossings.

36 (1) "Occupation crossings" are crossings provided and maintained for the sole use of private owners whose roads may at the time of the construction of any railway be intersected by such railway. The gates of such occupation crossings shall close across the road and not across the railway, and shall be kept closed and locked except at such times as with due and proper precaution they may be opened for the passage of cattle or vehicles, and the keys shall be

retained in the custody of the person for whom such occupation crossing is provided.

(2) The person for whom any such occupation crossing is provided shall be bound to keep the gates closed across the road at all times of the day and night, except when with due and proper precaution they are opened for the passage of any person, animal, or vehicle, and if the person for whom any such occupation crossing is provided shall leave open any such occupation crossing gate he shall be guilty of an offence, and liable to a fine not exceeding fifty rupees.

(3) The Government shall not be responsible for any loss or damage arising from the use of any such crossing.

(4) The General Manager shall provide and maintain the crossing gates and the adjacent fences, together with the approaches thereto within the railway boundaries in good and proper order, but he shall be entitled to recover from the person for whom such occupation crossing is provided the cost of repairing such damage as may be caused to the crossing gates and the adjacent fences through the negligence of the said person or his servants.

(5) Occupation crossings may be sanctioned and opened upon any existing line at the discretion of, and upon conditions imposed by, the General Manager, the first cost of construction and an annual rent for maintenance being payable by the person for whom such crossing may be constructed.

(6) All crossings which at the time of the publication of this Ordinance shall be deemed and proclaimed to be occupation crossings shall, upon due and proper notice being given to the occupier thereof, become subject to the conditions provided by this Ordinance for the regulation and conduct of occupation crossings.

(7) It shall be at all times within the power and discretion of the General Manager to close any occupation crossing; or, in the event of the neglect of the owner or occupier to comply with the conditions imposed, to appoint and maintain at such crossing an officer of the railway at the expense of the owner or occupier, and such expense shall be payable in addition to any other sums recoverable under this Ordinance.

Penalty for driving an animal upon or across the railway.

37 (1) Any person who shall wilfully ride, lead, or drive upon or across the railway any animal (except in directly crossing the railway at a road or place appointed for that purpose and at a time at which he shall be lawfully authorized so to do) shall be guilty of an offence, and liable to a fine not exceeding fifty rupees for each offence.

Penalty for opening gates.

(2) And any person who shall open any gate, or pass or attempt to pass, or drive or attempt to drive, any cattle, carriage, or other animal or thing across the railway at a time when any engine or train approaching along the same shall be within sight or hearing, or when it shall be due, or who shall forcibly open any gate which has been closed across the road by any authorized gateman or person in charge of such gates, or who shall in any way impede or interfere with any such gateman or person while in the execution of his duty, shall be guilty of an offence, and liable to a fine not exceeding one hundred rupees.

Rules for the construction of the Ordinance.

38 In the construction to be placed upon this Ordinance, every railway official shall be deemed to be legally bound to do everything necessary for, or conducive to, the safety of the public, which he shall be required to do by this Ordinance, or by any rule which shall be made by the Governor, with the advice of the Executive Council, and of which rule such official shall have had notice; and every such official shall be deemed to be legally prohibited from doing every act which shall be likely to cause danger.

Apprehension of offenders.

39 Every person who shall commit any offence mentioned in this Ordinance may be lawfully apprehended, without any warrant or written authority, by any railway official, or by any other person whom such railway official shall call to his aid, or by any police officer, anything in

“The Criminal Procedure Code, 1898,” to the contrary notwithstanding; and every person so apprehended shall, with all convenient despatch, be taken before a police magistrate to be dealt with according to law.

Jurisdiction of magistrates.

40 For the purposes of this Ordinance the police magistrates of Colombo, Kandy, Matale, Gampola, Nuwara Eliya, Hatton, Badulla, Haldummulla, Panadure, Kalutara, Balapitiya, Galle, Matara, and also any other police magistrate who may hereafter be specially authorized thereto by Proclamation issued by the Governor, with the advice of the Executive Council, shall each have jurisdiction over all offences, acts, matters, and things cognizable by police courts, although such magistrates may otherwise have no jurisdiction in the place where the offence was committed, or where the act, matter, or thing took place.

Cases may be tried before police courts, though otherwise out of their jurisdiction.

41 And whereas the punishments assigned to certain offences under this Ordinance are beyond the jurisdiction of police courts, but it would be frequently more advantageous that such offences should be brought for trial before such courts in order that the punishment of offenders may be more prompt, even though it should be less severe: It is therefore enacted that in case of any person committing an offence under this Ordinance, which would not otherwise be cognizable by a police court by reason of the punishment to which the same is subject, and a certificate shall be presented to any police court signed by the Attorney-General to the effect that such offence or act may be prosecuted before such court, it shall be competent to such court to take cognizance of such offence or act, and to award in respect thereof so much of the punishment assigned thereto as police courts are empowered by law to award.

Punishment of children for breach of Ordinance.

42 And whereas many of the offences declared punishable by this Ordinance may be committed by children whom it would not be expedient to punish in manner herein provided: It is therefore enacted that it shall be competent to any police magistrate before whom any person under the age of sixteen years shall be convicted of an offence to order the moderate chastisement of such person instead of subjecting him to the punishment prescribed by this Ordinance, and such chastisement shall be inflicted immediately if the magistrate shall so direct.

A copy and translation of Ordinance to be shown at railway stations.

43 A copy of this Ordinance and of the rules, time tables, and tariff of charges, which shall from time to time be duly made and published, shall be exhibited in some conspicuous place at each station of the railway, so that they may be easily seen and read; and all such documents shall be so exhibited in English and in the vernacular languages of the district in which the station is situated, and in such other language, if any, as shall be required by order of the Governor; but the non-exhibition of this Ordinance, or the rules, or the time tables, or the tariff of charges at any station either in English or in the vernacular shall not invalidate the provisions of this Ordinance, nor the rules and tariff or other such order made by the Governor in Executive Council.

Rebate to be granted on freight.

44 It shall be lawful for the Governor, with the advice of the Executive Council, to grant to any company or person conveying by railway goods the freight on which shall exceed an average amount to be fixed from time to time by the Governor, with the advice aforesaid, such rebate as to him shall appear reasonable.
