The following Draft of a proposed Ordinance is published for general information :—

An Ordinance for Regulating the Business of Dealers in Old Metal.

Preamble.

WHEREAS the business of dealers in old metal affords facilities for the disposal of stolen goods, and it is expedient that the same should be regulated in order to diminish such facilities : Be it therefore enacted by the Governor of Ceylon, with the advice and consent of the Legislative Council thereof, as follows :

Short title.

1 This Ordinance may be cited as "The Old Metal Ordinance, 190 ."

Interpretation of terms.

2 In the construction and for the purposes of this Ordinance :

"Dealer in old metal" means any person dealing in, buying, or selling old metal of any kind or description, scrap metal, broken metal, or partly manufactured metal goods, or defaced or old metal goods, or portions of machinery, and whether such person deals in such articles only or together with other things.

"Old metal" means the said articles or any of them.

Penalty on dealer in old metal being in possession of stolen property.

3^a (1) It shall be lawful for any police magistrate, on complaint made before him, upon oath or affirmation, that the complainant has reason to believe and does believe that any old metal, stolen or unlawfully obtained, is kept in any house, shop, room, or place by any dealer in old metal, to give authority by special warrant to any constable or police officer to enter in the day time such house, shop, room, or place, with such assistance as may be necessary, and to search for and seize all such old metal there found, and to carry all the articles so seized before the magistrate issuing the warrant, or some other police magistrate.

(2) Such magistrate shall thereupon issue a summons requiring such dealer to appear before him at a time and place to be named in such summons, and if such dealer does not then and there prove to the satisfaction of such magistrate how he came by the said articles, or if any such dealer is found in the possession of any old metal which has been stolen or unlawfully obtained, and, on his being taken or summoned before a police magistrate, it is proved to the satisfaction of such magistrate that at the time when he received it he had reasonable cause to believe it to have been stolen or unlawfully obtained, then in either of such cases such dealer shall be liable to a penalty not exceeding fifty rupees, and for any subsequent offence to a penalty not exceeding two hundred rupees, or, in the discretion of the magistrate, in the case of such second or subsequent offence, shall be liable to imprisonment, with or without hard labour, for any term not exceeding three months: Provided always that nothing herein contained shall interfere with or affect any proceeding by indictment to which such dealer in old metal may be liable for feloniously and knowingly receiving stolen goods, but no person shall be prosecuted by indictment and also proceeded against under this Ordinance for the same offence.

Power to order dealer to be registered after conviction.

4 (1) When any dealer in old metal is convicted of either of the offences aforesaid it shall be lawful for such magistrate, or, on proof of such conviction, for any other magistrate of the same province, to order and direct that such dealer shall be registered at the principal police office of such province in a book to be kept by the superintendent of police of such province for such purpose, according to the form No. 1 contained in the first schedule to this Ordinance.

(2) From and after such registration such dealer shall be subject to and shall conform to the several regulations hereinafter provided for such period, not exceeding three years, as such magistrate may order, and if such dealer during such period is convicted of any offence under this Ordinance the magistrate so convicting him may order the period for which he is then subject to such regulations to be extended for not more than three years from the time when such period would otherwise expire.

Giving of notice by registered dealer of change of place of business.

5 (1) Every dealer in old metal who is subject to the regulations of this Ordinance as aforesaid shall, upon removing to any other place of business, give notice of such removal at the police station where he is registered, and if he continues to carry on business as a dealer in old metal without giving such notice he shall incur a penalty not exceeding fifty rupees and a penalty not exceeding five rupees for every day after the first on which he continues to carry on such business without giving such notice.

(2) Where such dealer removes to any place out of the province in which he has been registered it shall be the duty of the superintendent of police for such province to transmit a certificate of such registration signed by himself, which shall be evidence of such registration, together with a certified copy of any order of a police magistrate as to the period for which such dealer is to be subject to the regulations of this Ordinance, to the superintendent of police of the province in which such dealer has taken up his residence.

(3) Any police magistrate of such province may thereupon issue a summons to such dealer to appear before him, and if it appears to such magistrate that he intends to carry on

business as a dealer in old metal such magistrate may order him to be registered in the same manner as is provided in the last preceding section, and such registration shall have the same effect during the period for which such dealer is to be subject to the regulations of this Ordinance by any order of a police magistrate as aforesaid, as in the said section is provided.

6 It shall be lawful for any magistrate, by order in writing, to authorize one or more inspectors or sergeants of police to visit at any time the places of business and inspect the goods and books of dealers in old metal who are subject to the regulations of this Ordinance as aforesaid and who carry on business within the division of the province for which such magistrate acts, and every such inspector or sergeant shall, and is hereby empowered, to record, in the book hereinafter required to be kept by every such dealer in old metal, the day and hour of his visit, and to place opposite the entry of every article examined by him his name or initials in attestation of the same.

Regulations to
be observed by
registered
dealer.

7 (1) Every dealer in old metal who is registered as aforesaid shall, during the period which a police magistrate may order as hereinbefore provided, conform to the following regulations, that is to say :

(a) He shall keep a book or books fairly written, and shall enter therein, according to the form No. 2 contained in the first schedule to this Ordinance, an account of all such old metal as he may from time to time become possessed of, stating in respect of each article the name of the person who purchased or received the same, and the time at which and the name of the person from whom he purchased or received the same, adding, in the case of every such last-mentioned person, a description of his business and place of abode; and he shall also enter in such book or books, according to the form No. 3 contained in the said schedule, an account of all such old metal as he may from time to time sell or dispose of, stating in respect of such old metal the name of the person to whom he sold or disposed of the same, adding a description of his business and place of abode; and every such entry in any such book shall be deemed and taken, unless the contrary is shown, to have been made by or with the authority of the dealer in old metal to whom such book belongs;

(b) He shall not, by himself or by any other person, purchase or receive any old metal of any description before the hour of nine o'clock in the morning nor after the hour of six o'clock in the evening, nor shall he, by himself or by any other person, purchase or receive old metal of any description from any person apparently under the age of sixteen years, nor shall he employ any servant or apprentice or any other person under the age of sixteen years to purchase or receive old metal of any description;

(c) He shall produce to any inspector or sergeant of police authorized as in the last preceding section provided, whenever thereto requested, the book or books required to be kept as aforesaid, and any old metal purchased or received by him then in his possession; and such old metal shall be deemed to be in the possession of such dealer when the same is placed in any house, outhouse, yard, garden, or place occupied by him, or has been removed with his knowledge and permission to any other place without a *bona fide* sale of such old metal having been made by him;

(d) He shall without delay give notice to the officer on duty at the police station nearest to the place where he carries on business of any articles then in his possession, or which may thereafter come into his

possession, answering the description of any articles which have been stolen, embezzled, or fraudulently obtained, of which printed or written information containing a description of such articles is given to him by any officer of police; and

- (e) He shall keep all old metal purchased or received by him without changing the form in which the articles comprising the same were when so purchased, or disposing of the same in any way, for a period of forty-eight hours after such articles have been purchased or received.

(2) For any act or default contrary to the foregoing regulations done or made by any registered dealer in old metal during the period which a police magistrate may order as hereinbefore provided, he shall incur a penalty not less than ten rupees and not exceeding fifty rupees, and for every subsequent offence a penalty of not less than fifty rupees and not exceeding two hundred rupees.

(3) And all old metal seized under the provisions of this Ordinance shall be confiscated.

Penalty on dealer purchasing less than specified quantity of certain metals.

8 Any dealer in old metal who either personally or by servant or agent purchases, receives, or bargains for any metal mentioned in the first column of the second schedule to this Ordinance, whether new or old, in any quantity at one time of less weight than the quantity set opposite each such metal in the second column of the said schedule, shall, on being convicted thereof, be liable to a penalty not exceeding one hundred rupees.

Penalty on dealer found in possession of stores and not accounting for them.

9 If stores are found in the possession or keeping of a person being in His Majesty's service or in the service of a public department, or being a dealer in marine stores or in old metals, or a pawnbroker (within the meaning of any enactments for the time being in force relating to such dealers or to pawnbrokers), and he is taken or summoned before a police court, and the court sees reasonable grounds for believing the stores found to be or to have been His Majesty's property, then, if such person does not satisfy the court that he came lawfully by the stores so found, he shall be liable on summary conviction to a penalty not exceeding fifty rupees.

Criminal possession defined.

10 For the purposes of this Ordinance stores shall be deemed to be in the possession or keeping of any person if he knowingly has them in the actual possession or keeping of any other person, or in any house, building, lodging, apartment, field, or place, open or enclosed, whether occupied by himself or not, and whether the same are so had for his own use or benefit or for the use or benefit of another.

By His Excellency's command,

Colonial Secretary's Office,
Colombo, February 11, 1905.A. M. ASHMORE,
Colonial Secretary.*Statement of Objects and Reasons.*

THIS Ordinance deals with dealers in old metal with a view to prevent as far as possible petty thefts in old metal, scrap metal, broken metal, partly manufactured metal goods, or portions of machinery. The provisions of this Ordinance, though new to Ceylon, have been in force in Great Britain and some of her Colonies for over forty years. Sections 1 to 10 have been taken *verbatim*, subject to such slight changes as the laws of the two colonies necessitate, from Ordinance No. 3 of 1862 of the Laws of British Guiana. These in turn were taken almost *verbatim* from the "Old Metal Dealers' Act of 1861," and sections 9 and 10 of the "Prevention of Crimes Act, 1871" of Great Britain; and the schedules have been also taken from those two enactments.

2. Sections 11 and 12 are new, but contain provisions somewhat similar to those contained in the British Guiana Act. These two sections relate to the procedure and jurisdiction of the courts which are to try offences under the Ordinance, and section 12 is in harmony with the laws of this Colony, and has been adopted from section 18 of Ordinance No. 6 of 1900.

3. The Ordinance provides for the search and seizure of old metal by the police under warrant from the police magistrate; it requires dealers in old metal after conviction of an offence under the Ordinance to be registered and to conform to the regulations by this Ordinance provided. It further provides that dealers in old metal who have been registered shall keep books in the form prescribed by the Ordinance; and fixes the time of the day within which such dealers in old metal may purchase or receive old metal. It also prohibits by section 8 a dealer in old metal purchasing less than a specified quantity of certain metals mentioned in the schedule.

4. Section 9 provides a penalty on any person found in possession of stores the property of His Majesty or of a public department, who cannot satisfactorily account for his possession of the same.

Colombo, February 9, 1905.

J. H. TEMPLER,
Acting Attorney-General.

BY virtue of a Mandate to me directed by the Hon. the Supreme Court of the Island of Ceylon, I do hereby proclaim that a Criminal Session of the said Court for the Districts of Puttalam and Chilaw will be holden at the Court-house at Colombo on Monday, March 20, 1905, at 11 o'clock of the morning of the said day.
