Tenders are invited for the purchase of the trees numbered as they stand in the forest. Offers will be received for the purchase of—

- (a) All the trees in the whole forest ;
- (b) All the trees of any particular description in the whole forest ;
- (c) All the trees in one or more of the compartments ;
- (d) All the trees of any particular description in any one or more of the compartments .

Tenders will not be received for a limited number of trees to be selected out of the forest or any compartment.

Offers may be made of lump sums or rates per tree or cubic foot, written both in figures and words. It should be stated in each tender how payment of the purchase money will be made, and within what time the trees purchased will be felled and removed from the forest.

No satinwood tree felled will be considered a "hollow log," unless the hollow extends its whole length and is no where less than 9 inches in diameter.

Logs sold as sound, but proving on felling to be hollow or rotten, must nevertheless be brought out to the Hambantota Depôt by the purchaser, where they will be sold by public auction and 60 per cent. of the proceeds paid over to the purchaser.

In the event of a rate per cubic foot being accepted, 10 per cent. will be allowed for bark, &c., off cubical contents calculated from actual measurements of felled log.

Logs will not be considered hollow or rotten if the unsoundness is slight and extends duly a few feet, nor will cracks be considered unsoundness. The decision on these points to rest with the Assistant Government Agent.

No tender will be accepted unless a deposit of Rs. 50 is made at time of tendering at the Hambantota Kachcheri.

Sketch maps showing extent and position of the forest and routes by which the timber may be carted to the shipping port may be obtained at Rs. 2 each, and lists of measurements of trees at 25 cents per 100 trees, on application to the Assistant Government Agent, Hambantota, who will furnish any further information which may be required.

Any person wishing to tender to purchase the above-mentioned trees should produce to the Assistant Government Agent, Hambantota, the Kachcheri receipt for the deposit of Rs. 50 made, who will thereupon issue to him the form on which the tender must be made.

The original tender must be sent to the Assistant Government Agent, Hambantota, and the duplicate of it direct to the Hon. the Auditor-General, both being despatched at the same time.

Should the person tendering decline to enter into the contract and bond; or fail to furnish security, such deposit will be forfeited to the Crown.

All alterations in the tender must be initialled by the person signing it.

Five per cent. of the total sum which under this contract will have to be paid by the contractor must be deposited as security for the due fulfilment of the contract before it is signed.

The Government reserves to itself the right, without question, of rejecting any or all tenders.
